Now that 1979 has arrived, we are ending another decade that has been filled with many memorable events—a decade that we can reflect on. During the 70's we have had our share of triumphs, victories, and happy times.

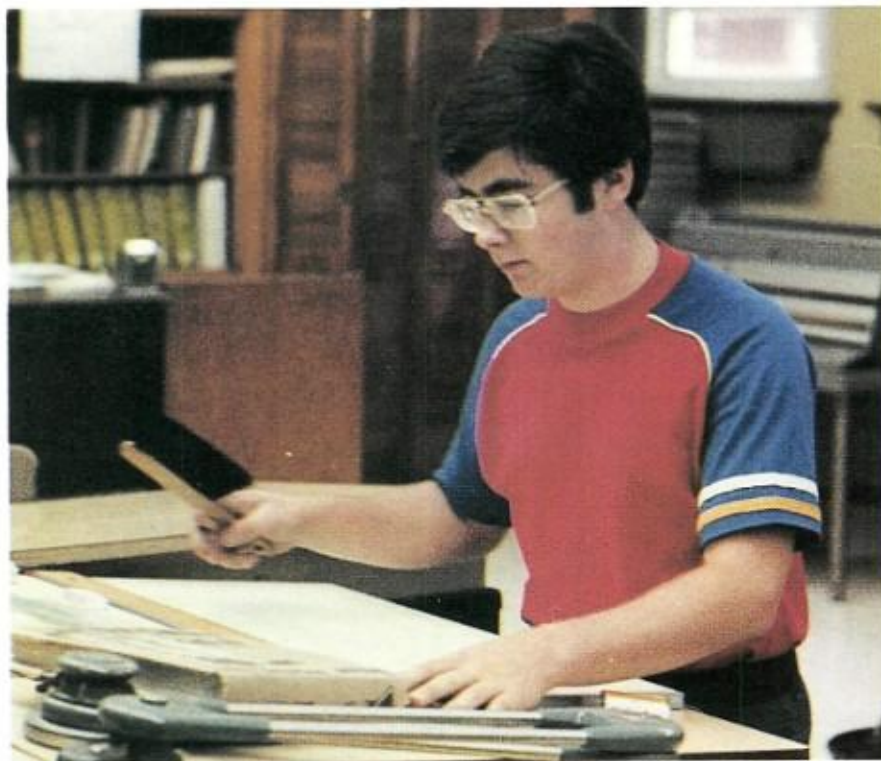

The whole world rejoiced when American astronauts walked and worked for hours on the moon's surface. A few years later, America's longest war was brought to an end when the Vietnam Peace Pact was signed. Our Bicentennial celebration renewed America's patriotism.

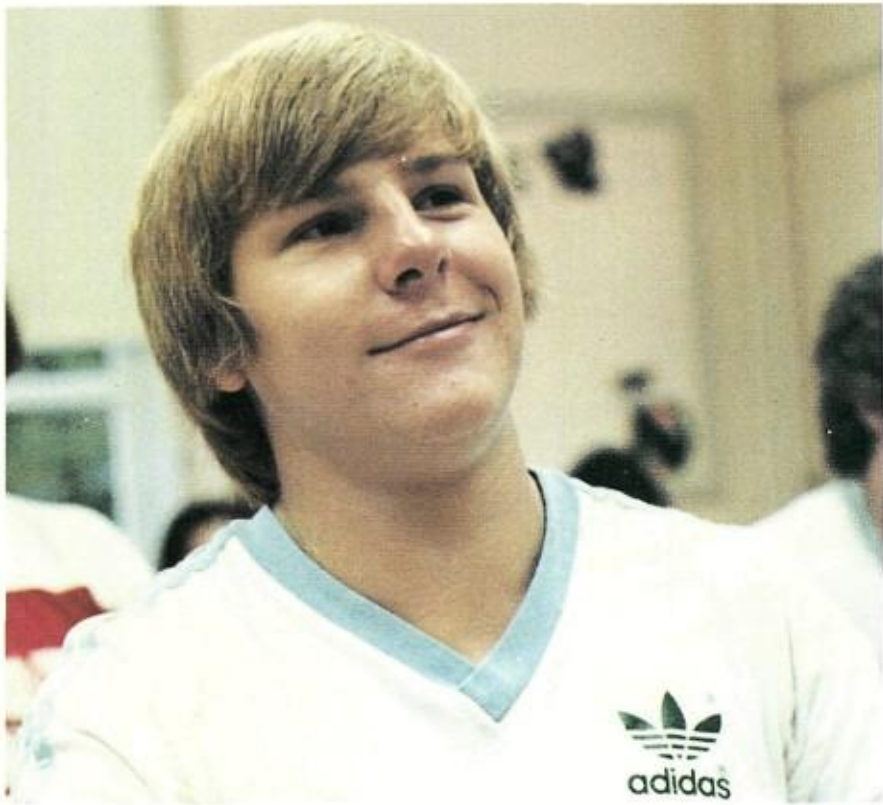

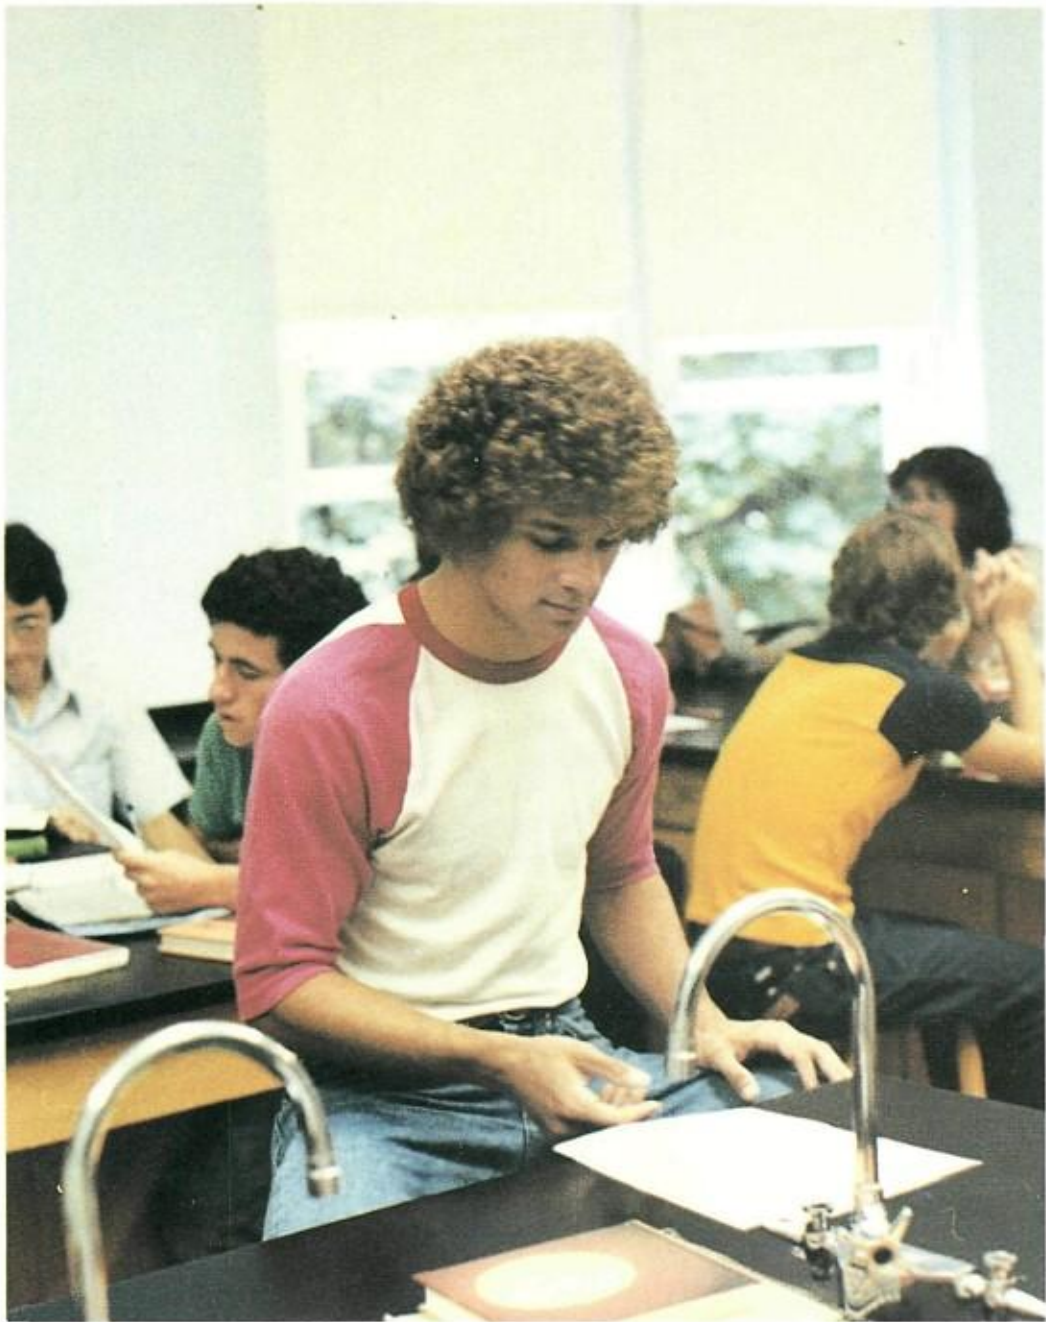

The last decade also marks a period of growth at Bound Brook High School, with Co-ed gym classes and increased participation in girls' sports. A refurbished gym, auditorium, and cafeteria along with the landscaping behind the school also show signs of progress at B. B. H. S.

But we also shared tragedies and sad times.

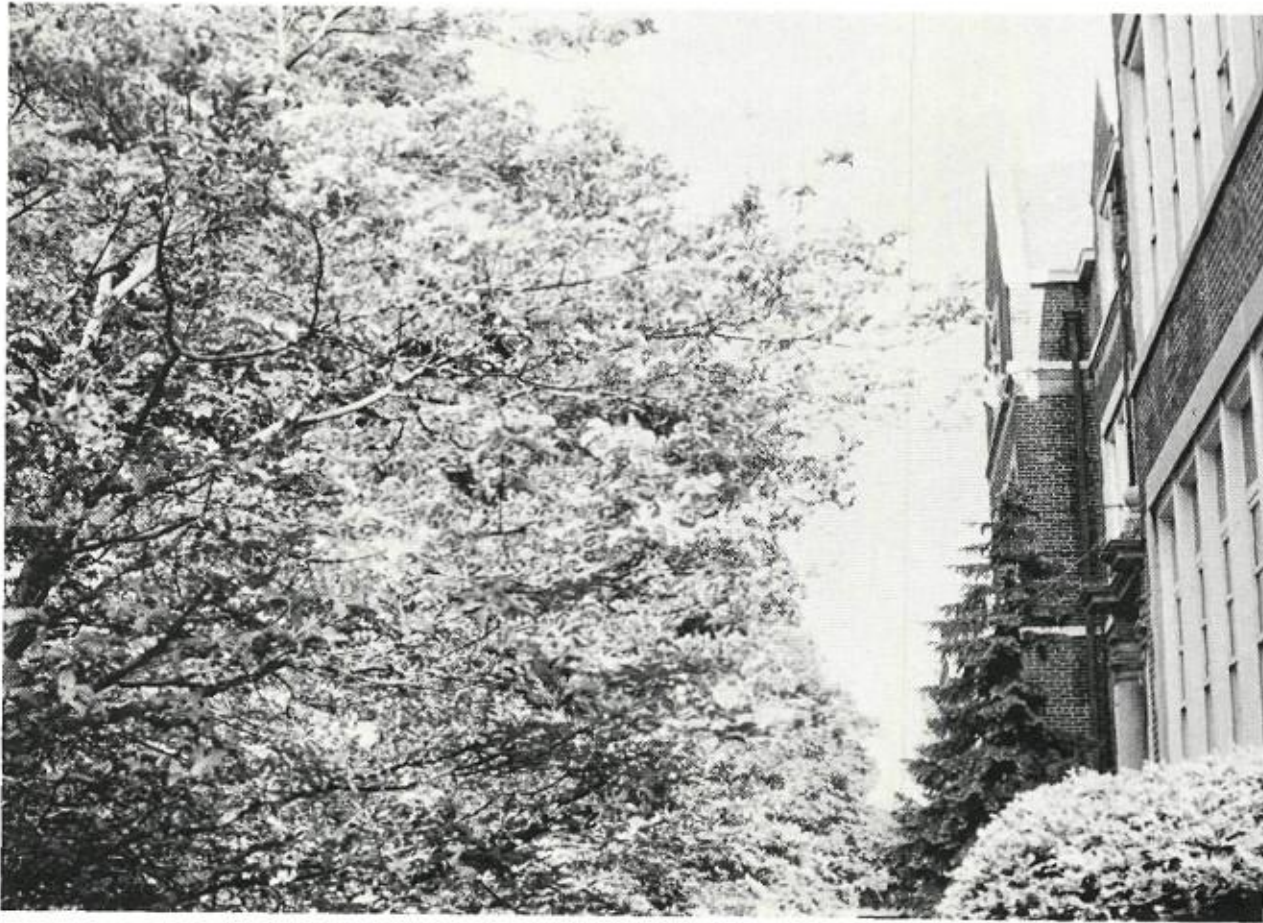

President Nixon resigned after the Watergate truths were revealed. The deaths of Elvis Presley, Pope Paul VI, and Pope John Paul I left the world in shock. The great flood put Bound Brook on the map.

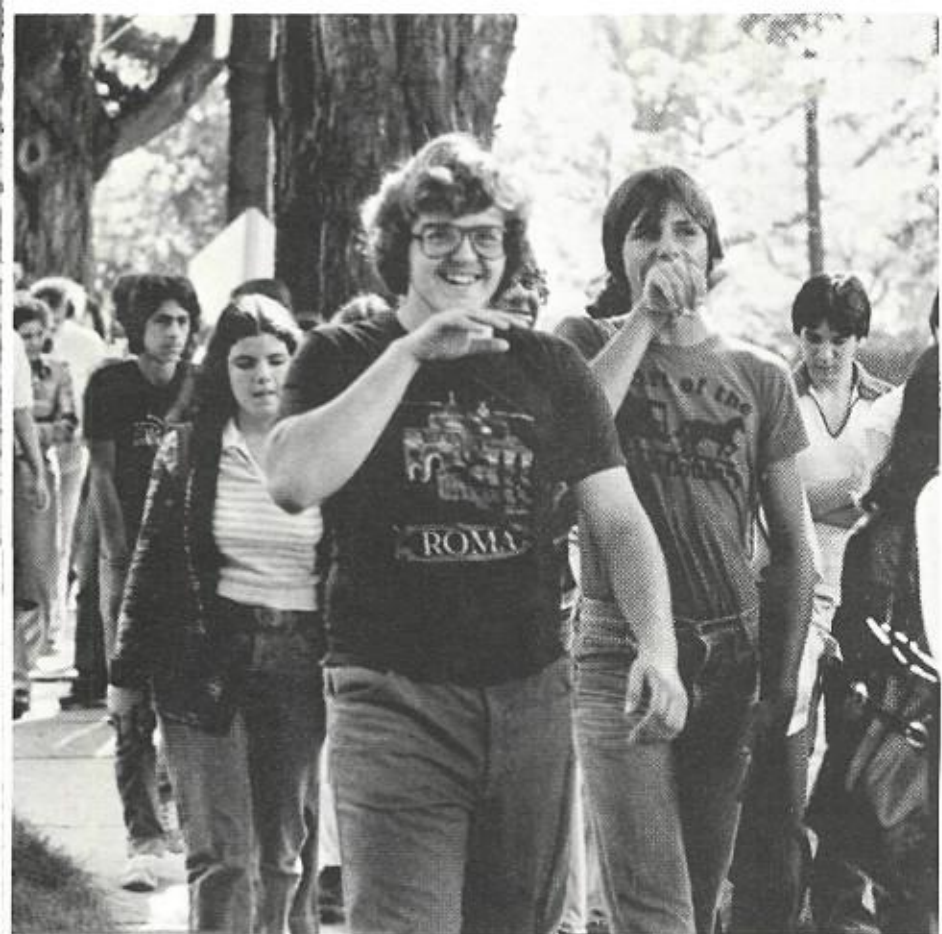

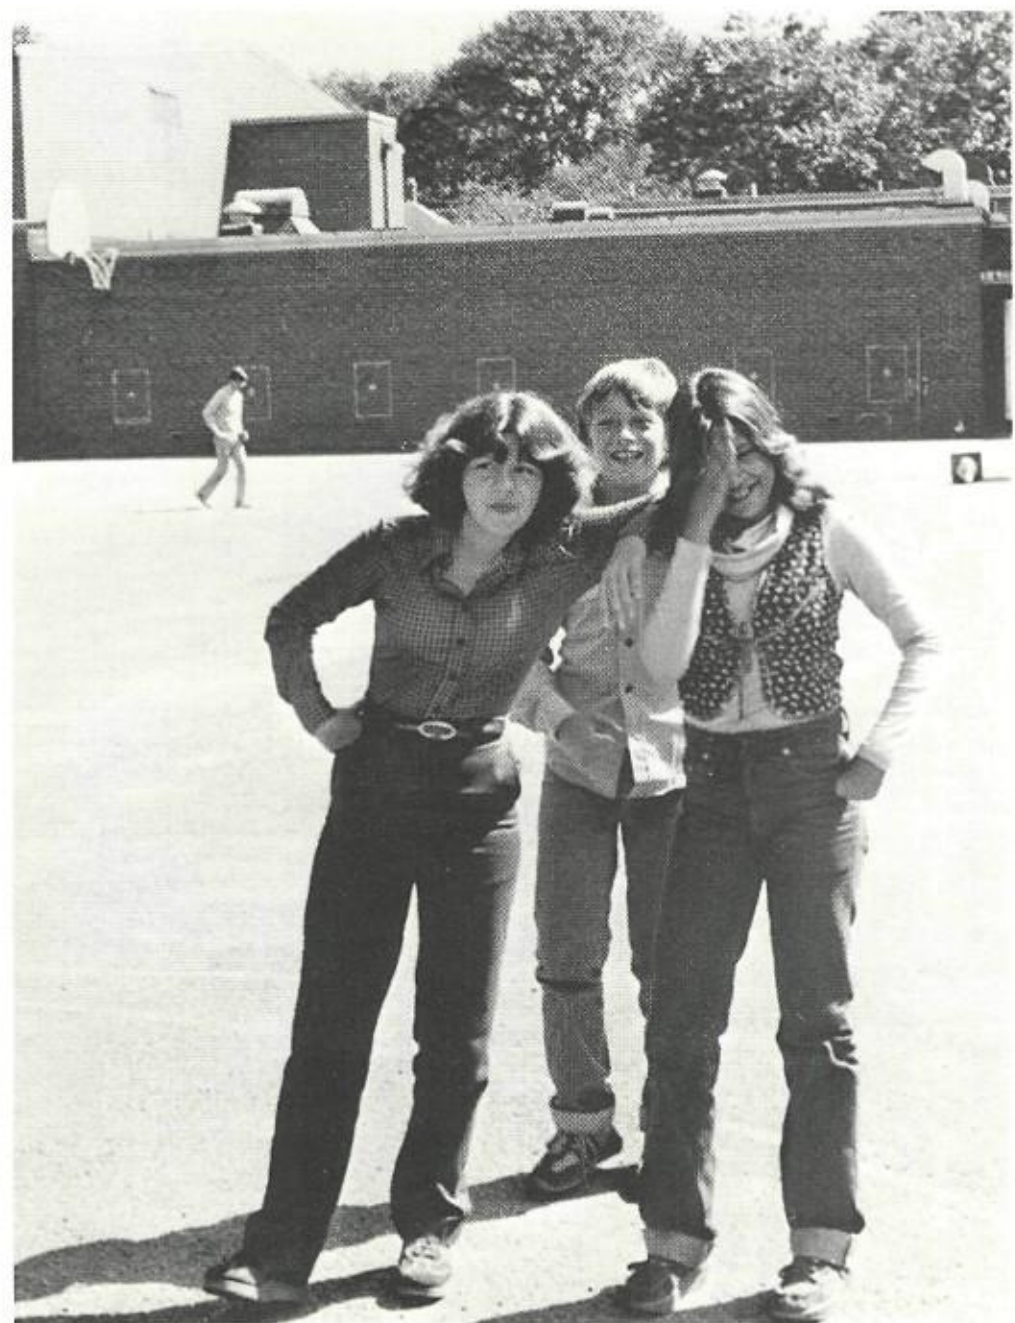

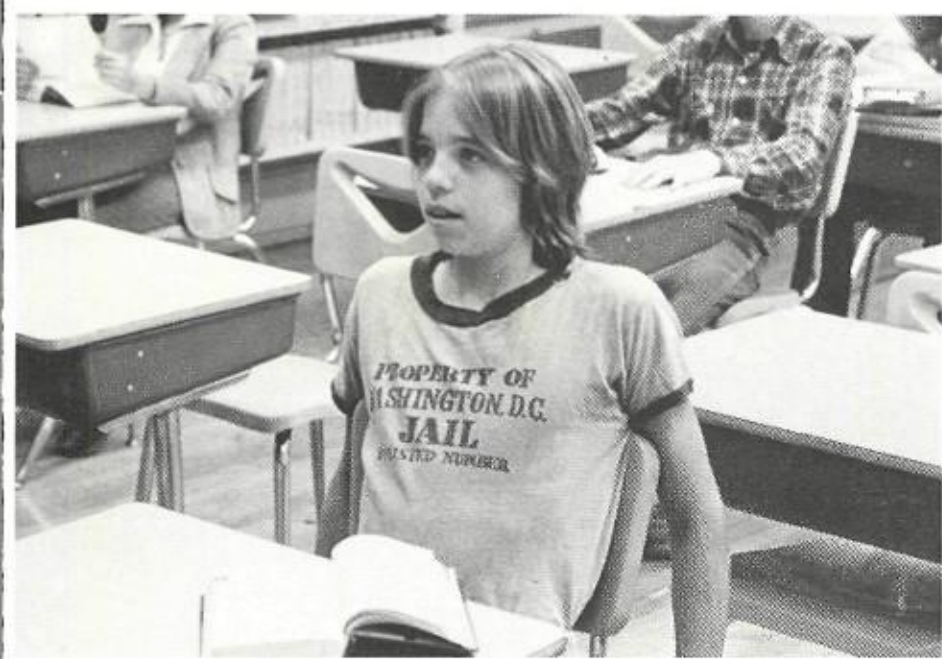

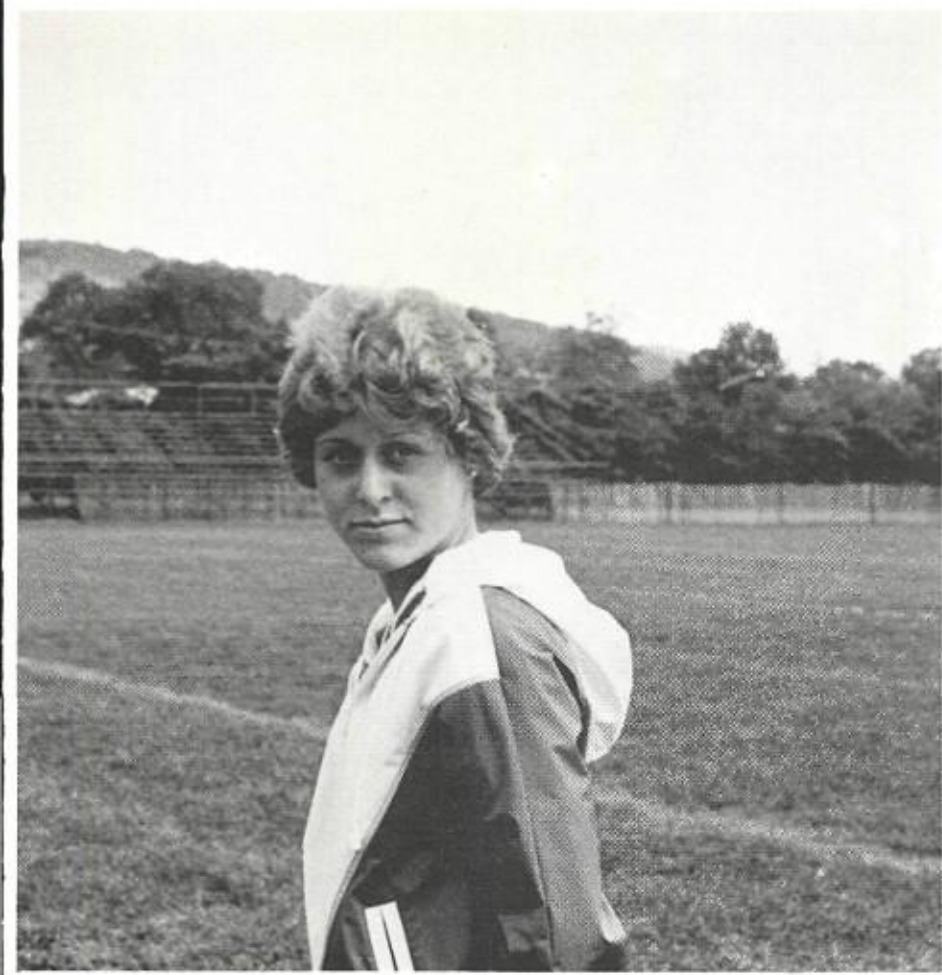

These are only a few reflections which will someday help us to remember life in the 70's. One of the best ways to remember, however, is to look at some of the people of the 70's. This is Bound Brook High School in 1979.

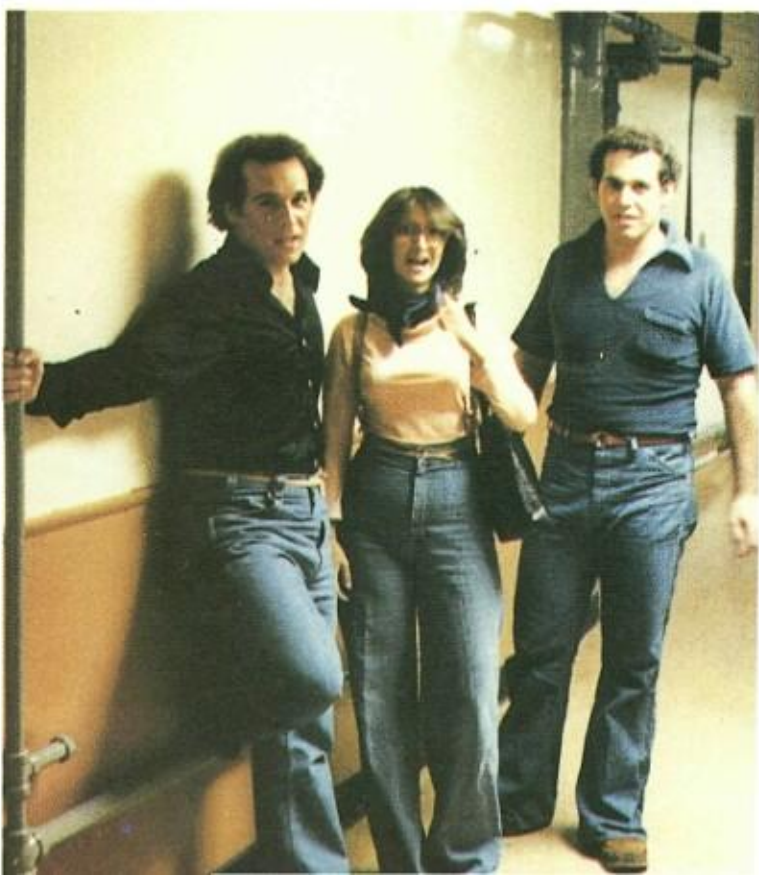

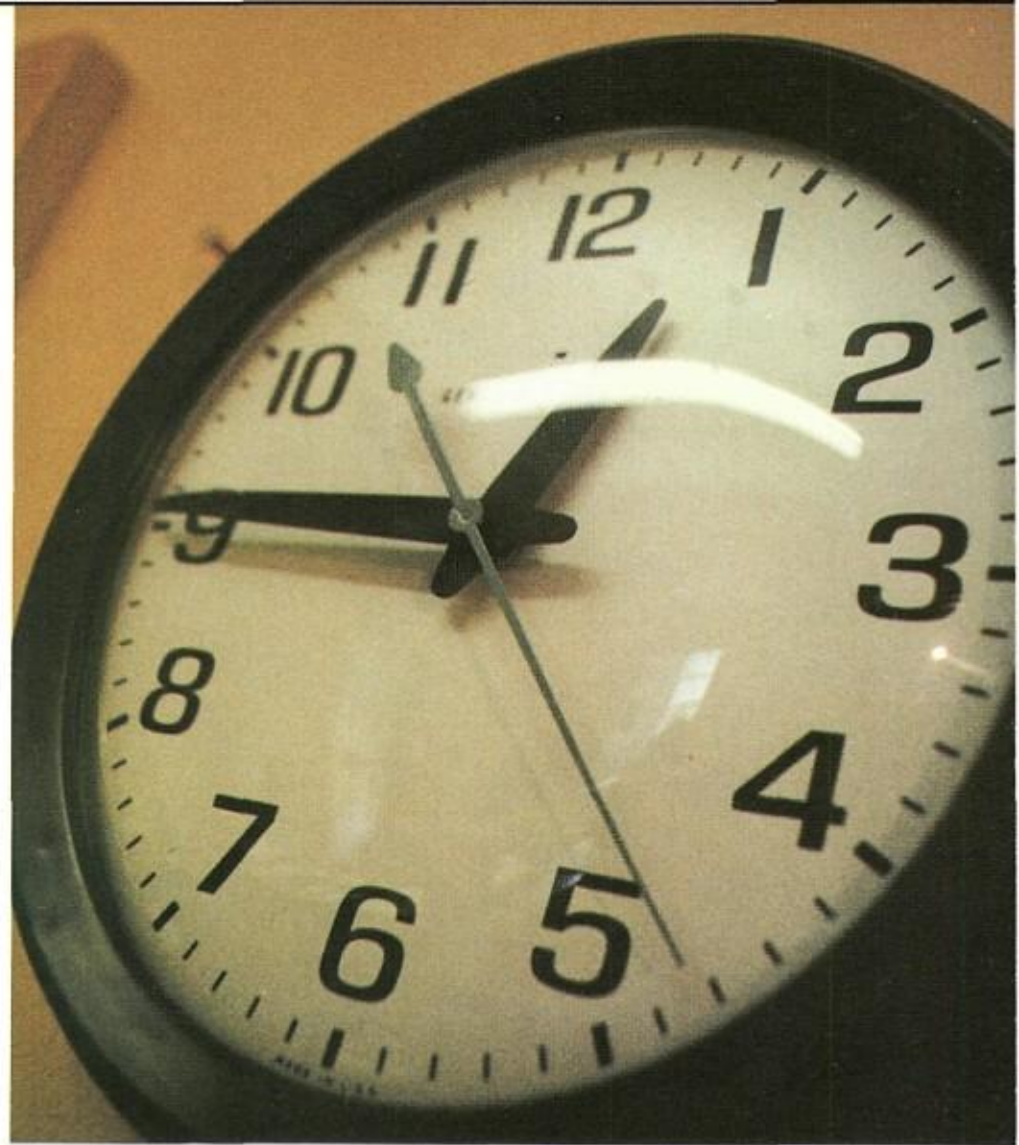

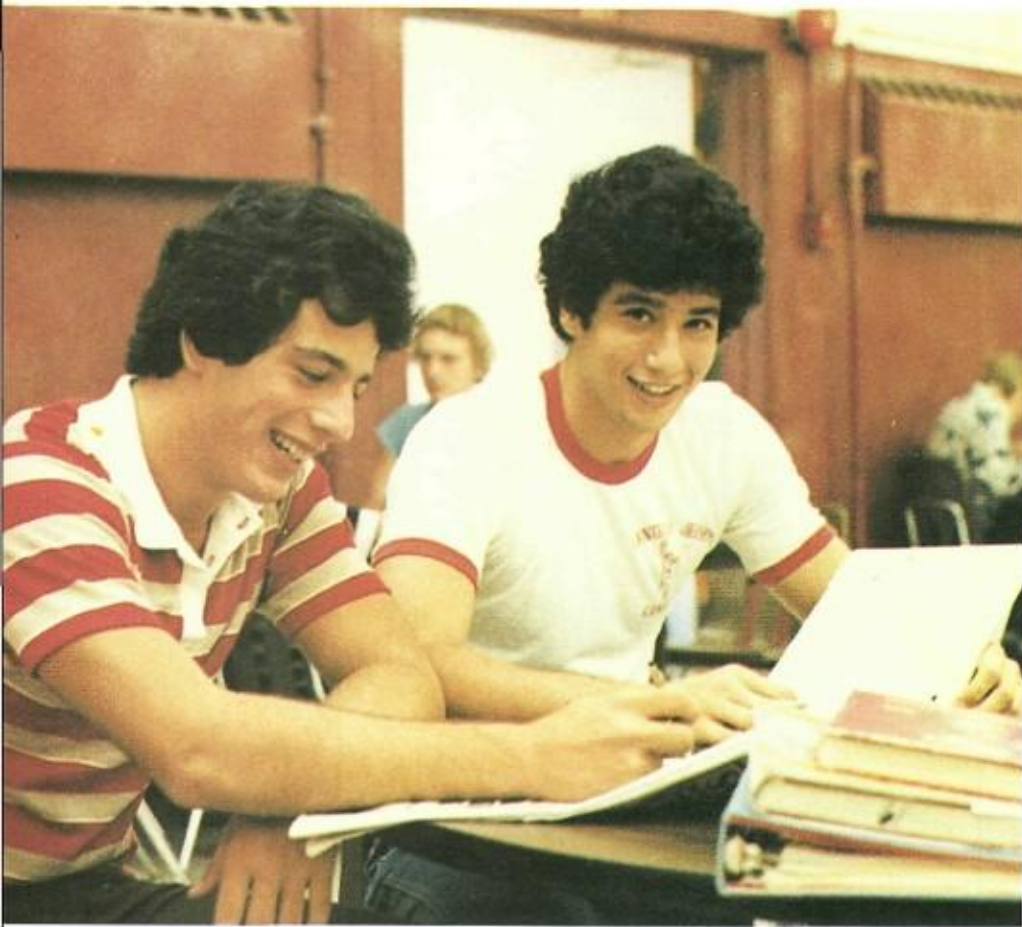

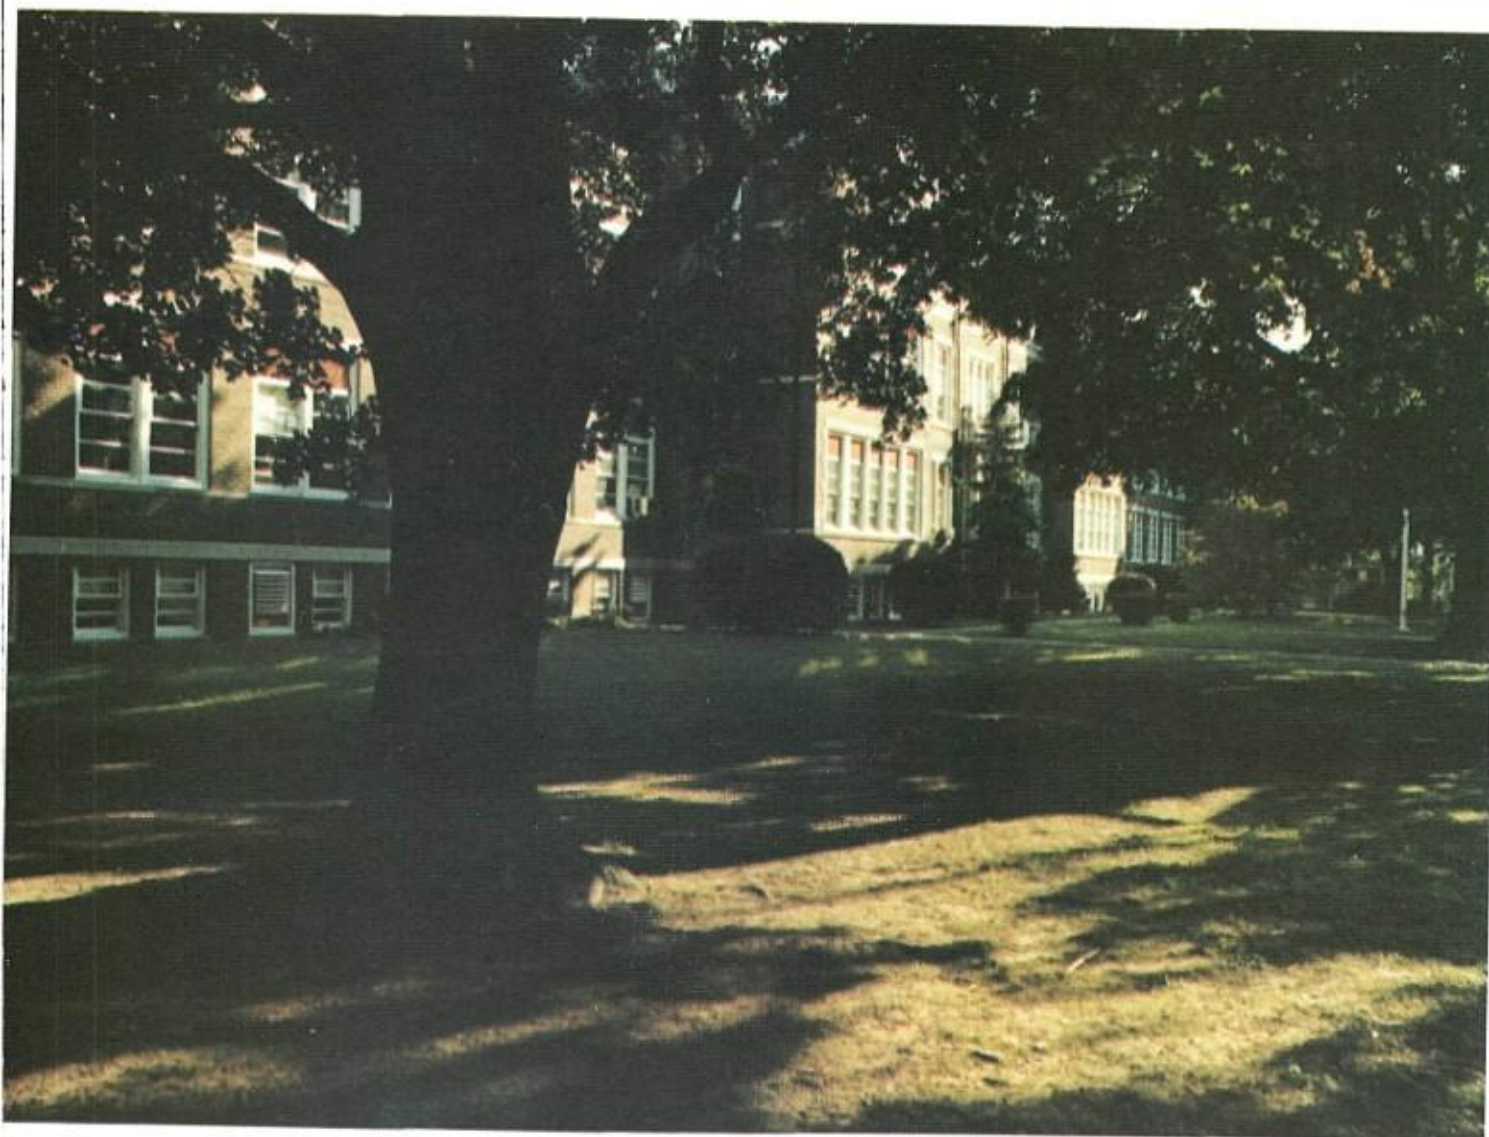

Morning begins with the rising sun
slowly revealing the birth of a new day.

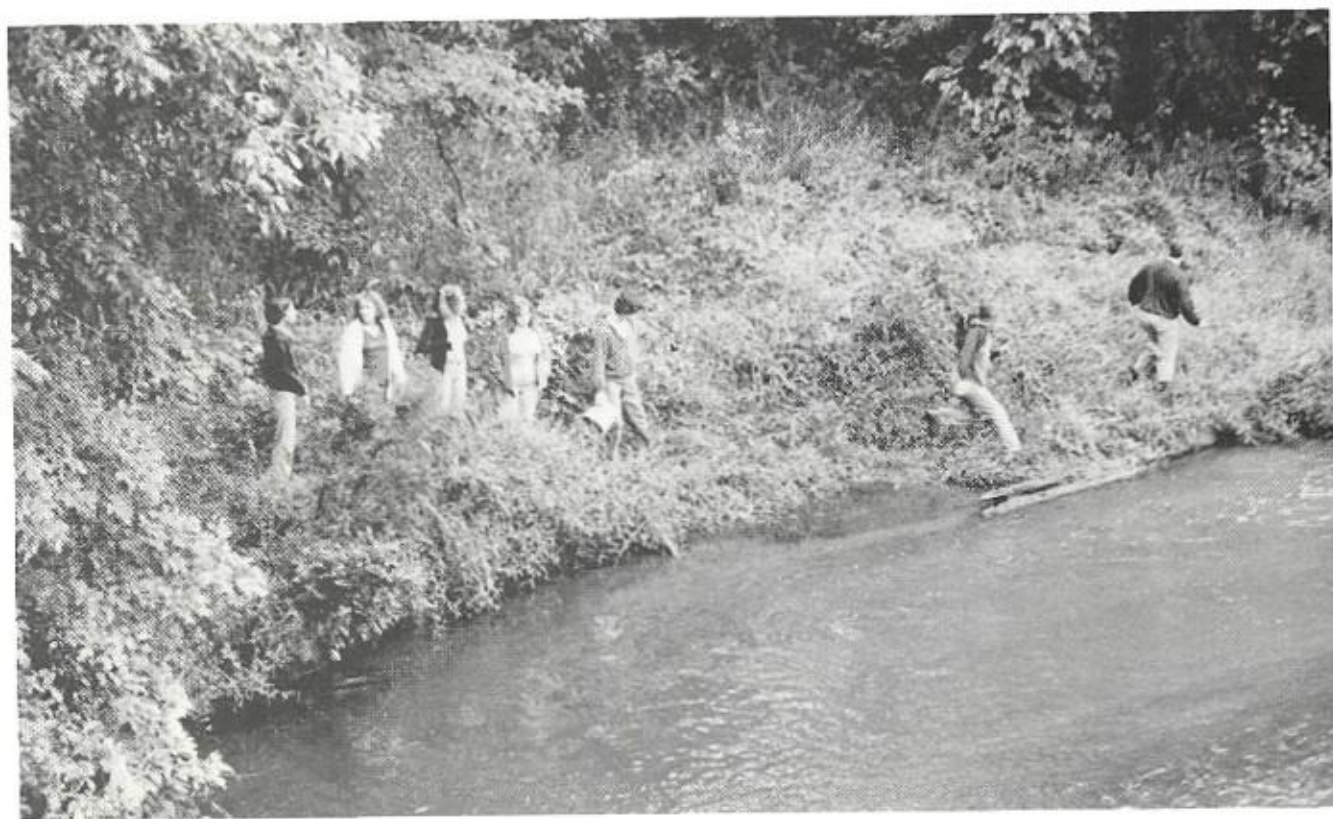

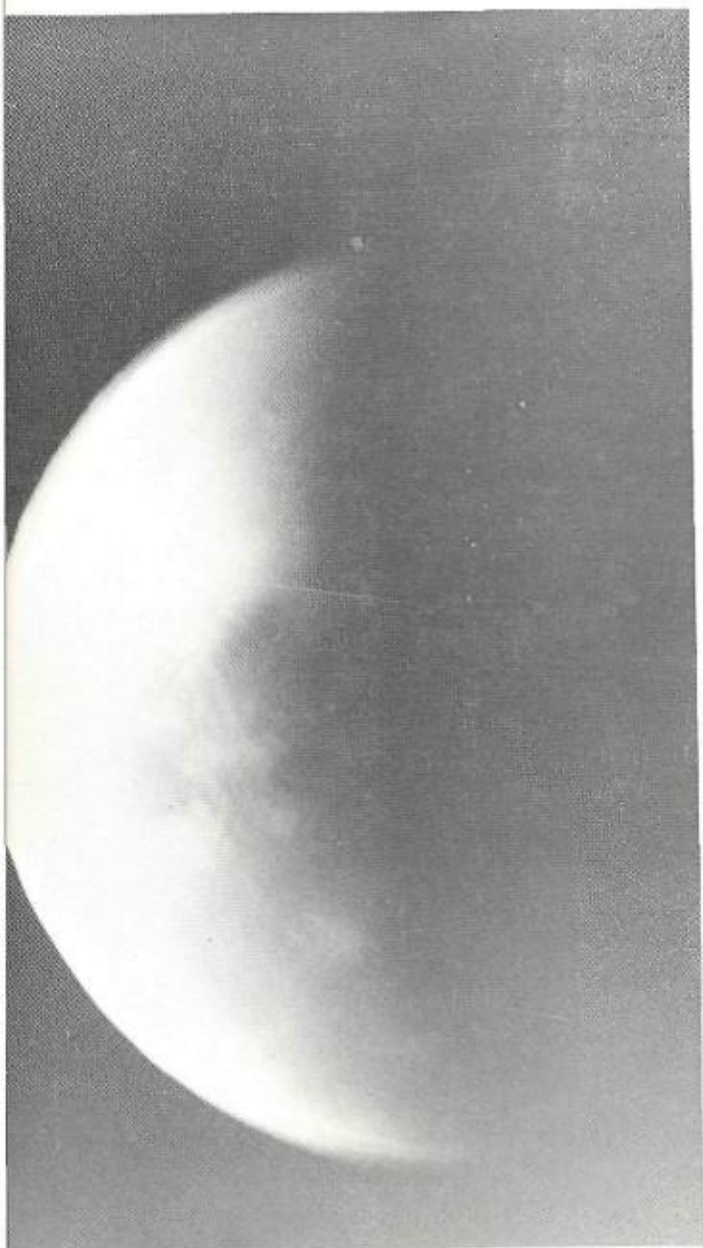

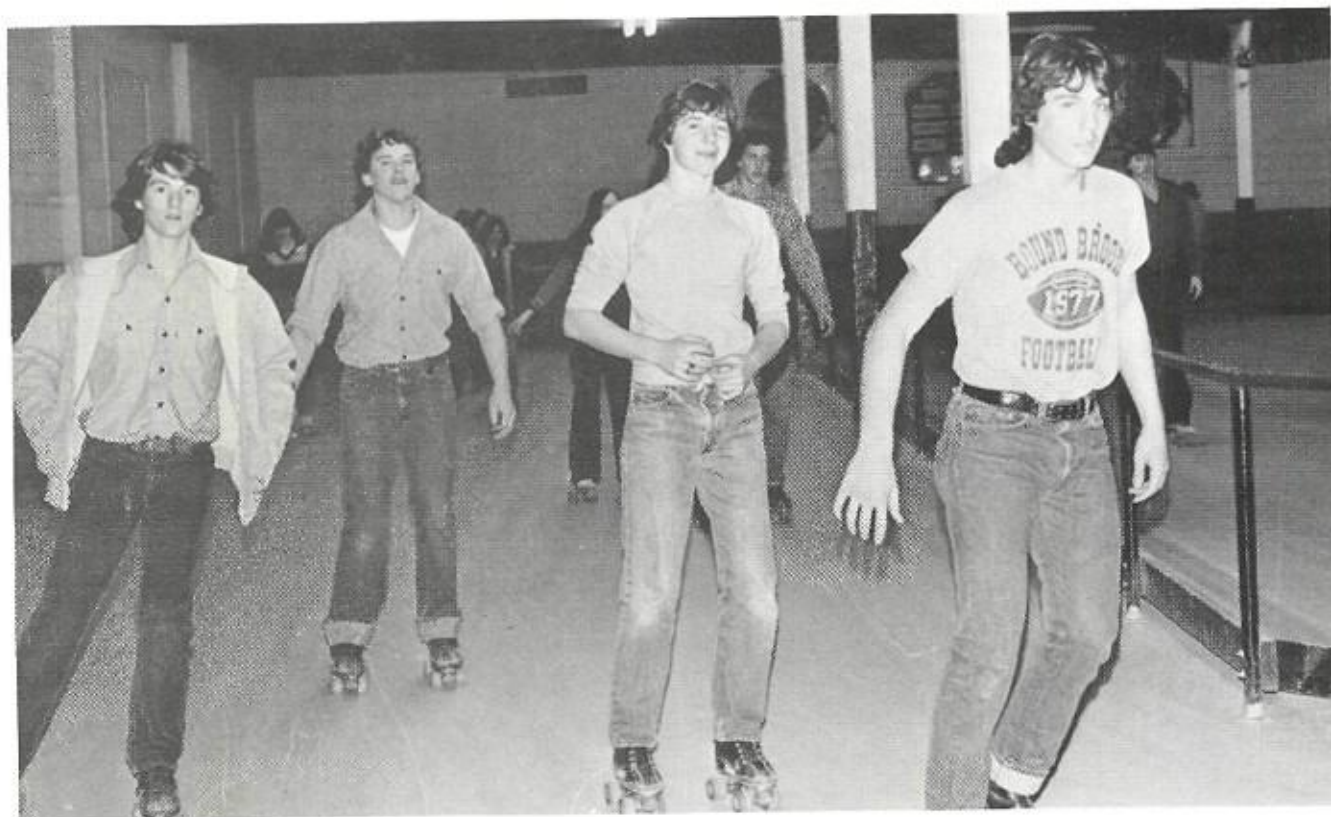

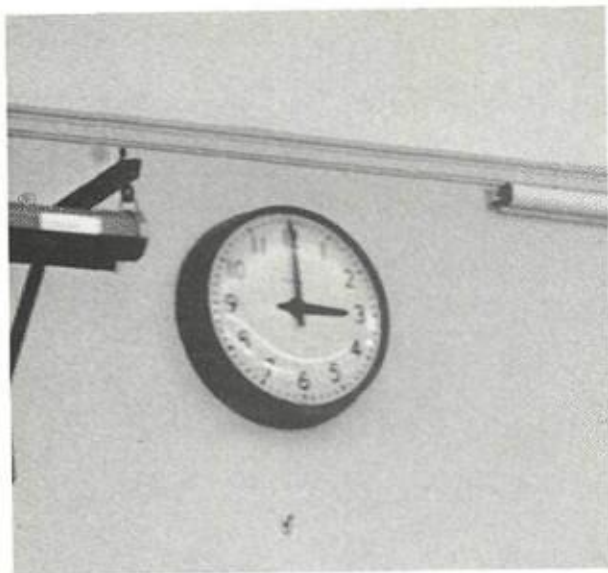

As the hours pass,

nightfall
conquers
the
light
of that
brilliant
sphere.

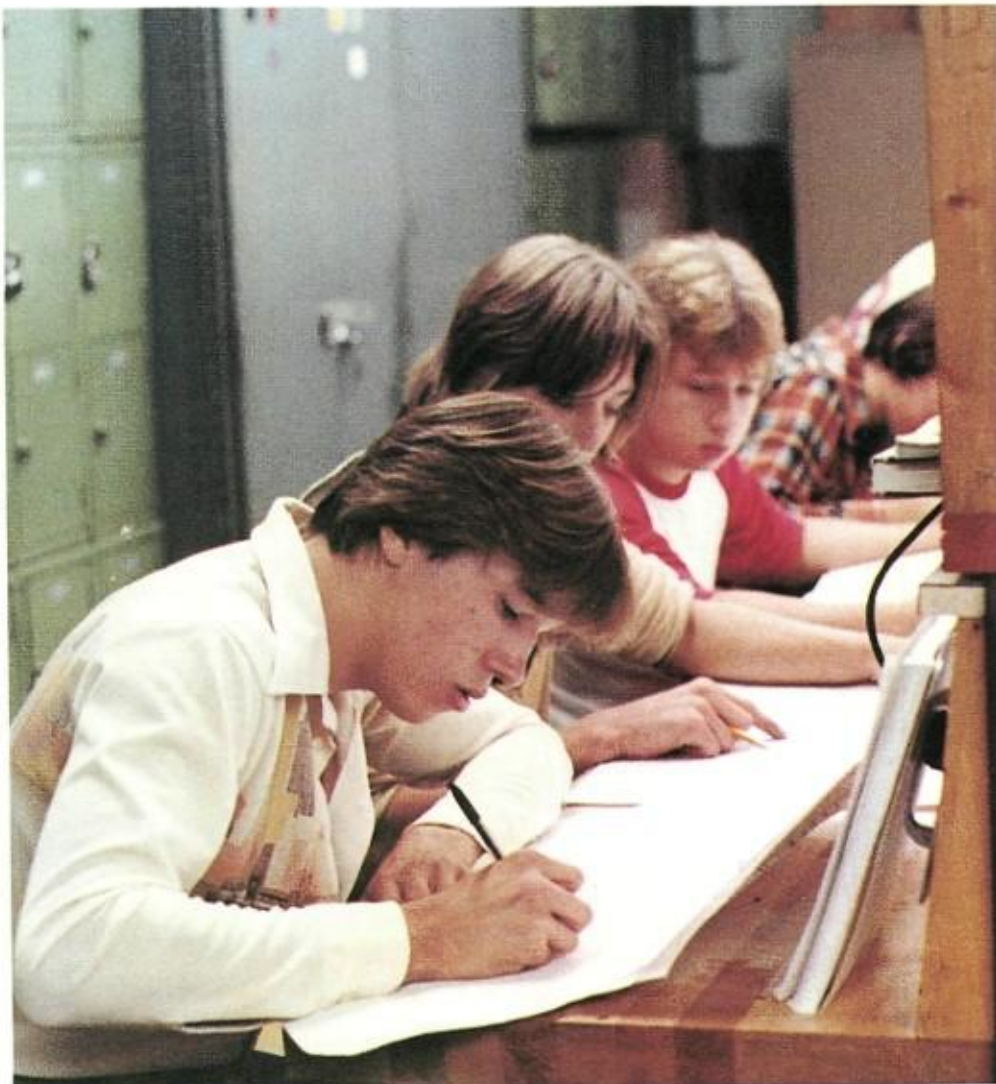

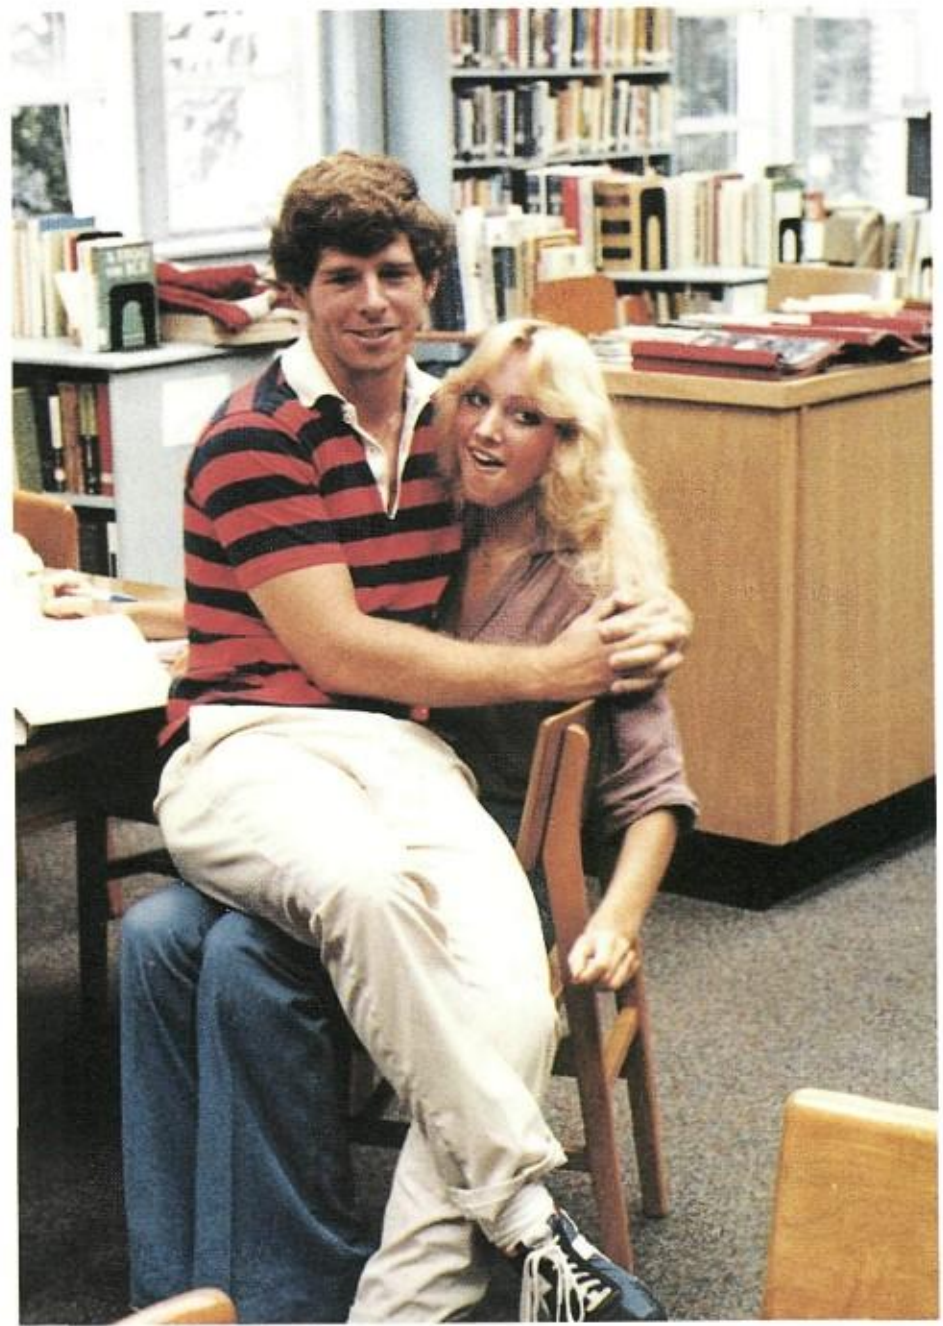

Time moves on,
with days turning into weeks

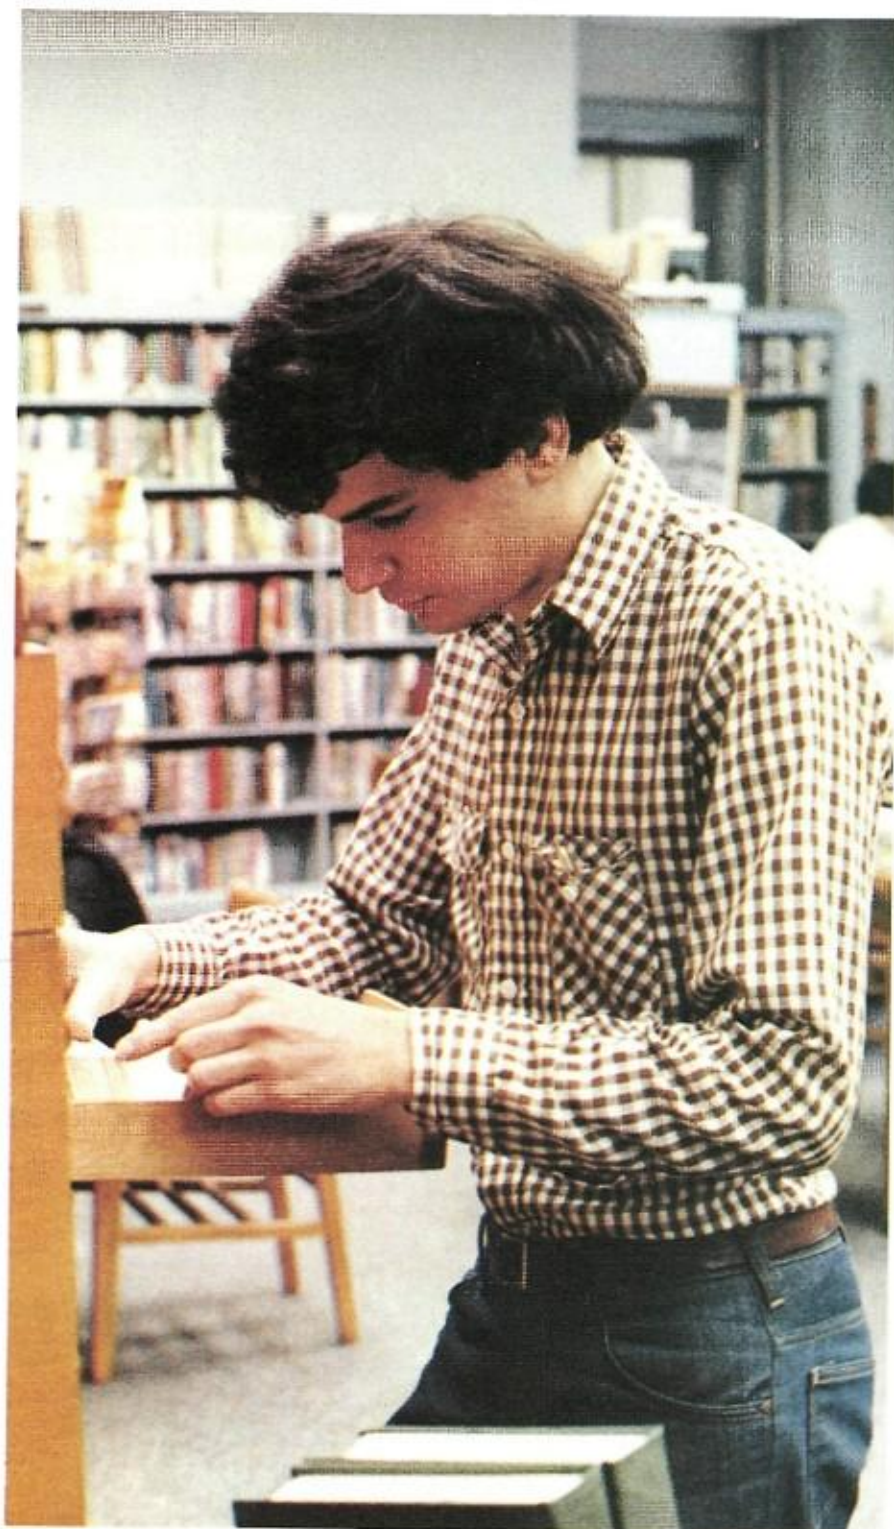

and then
to years.

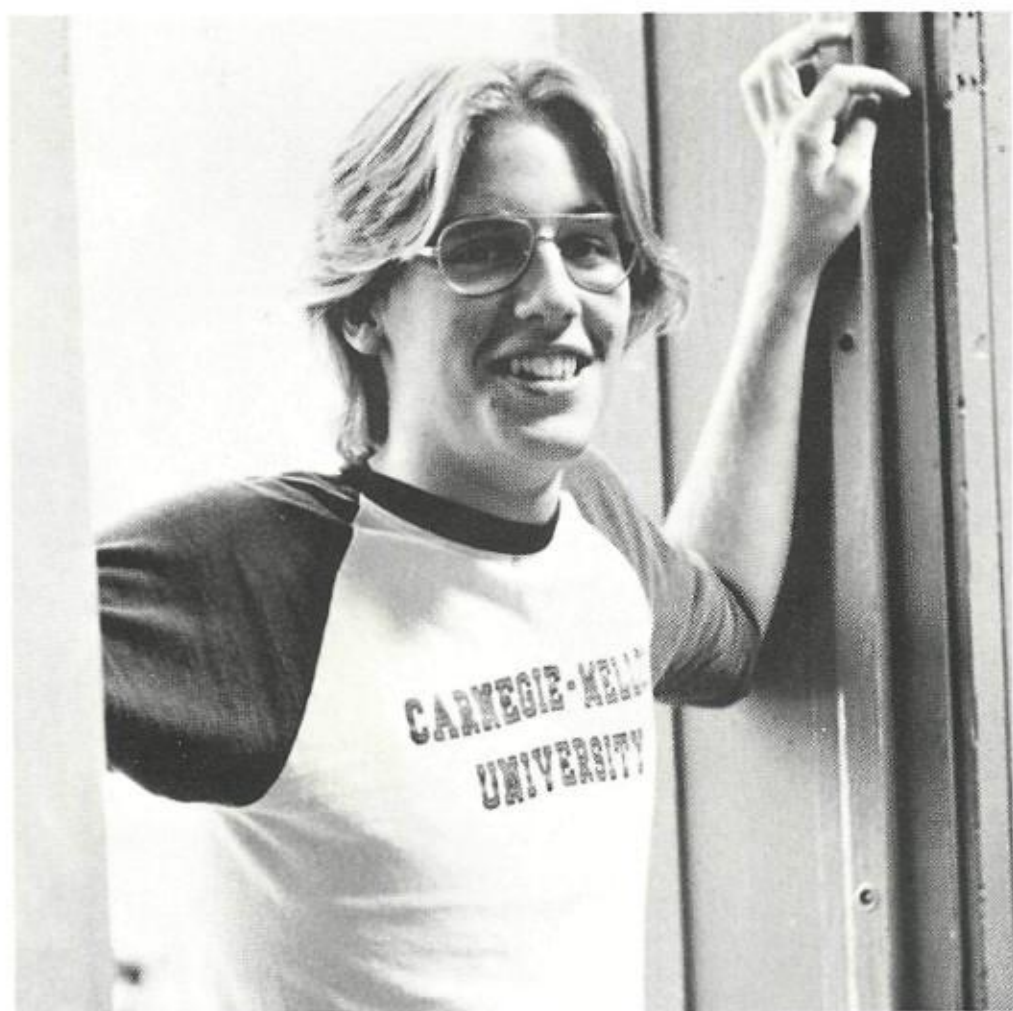

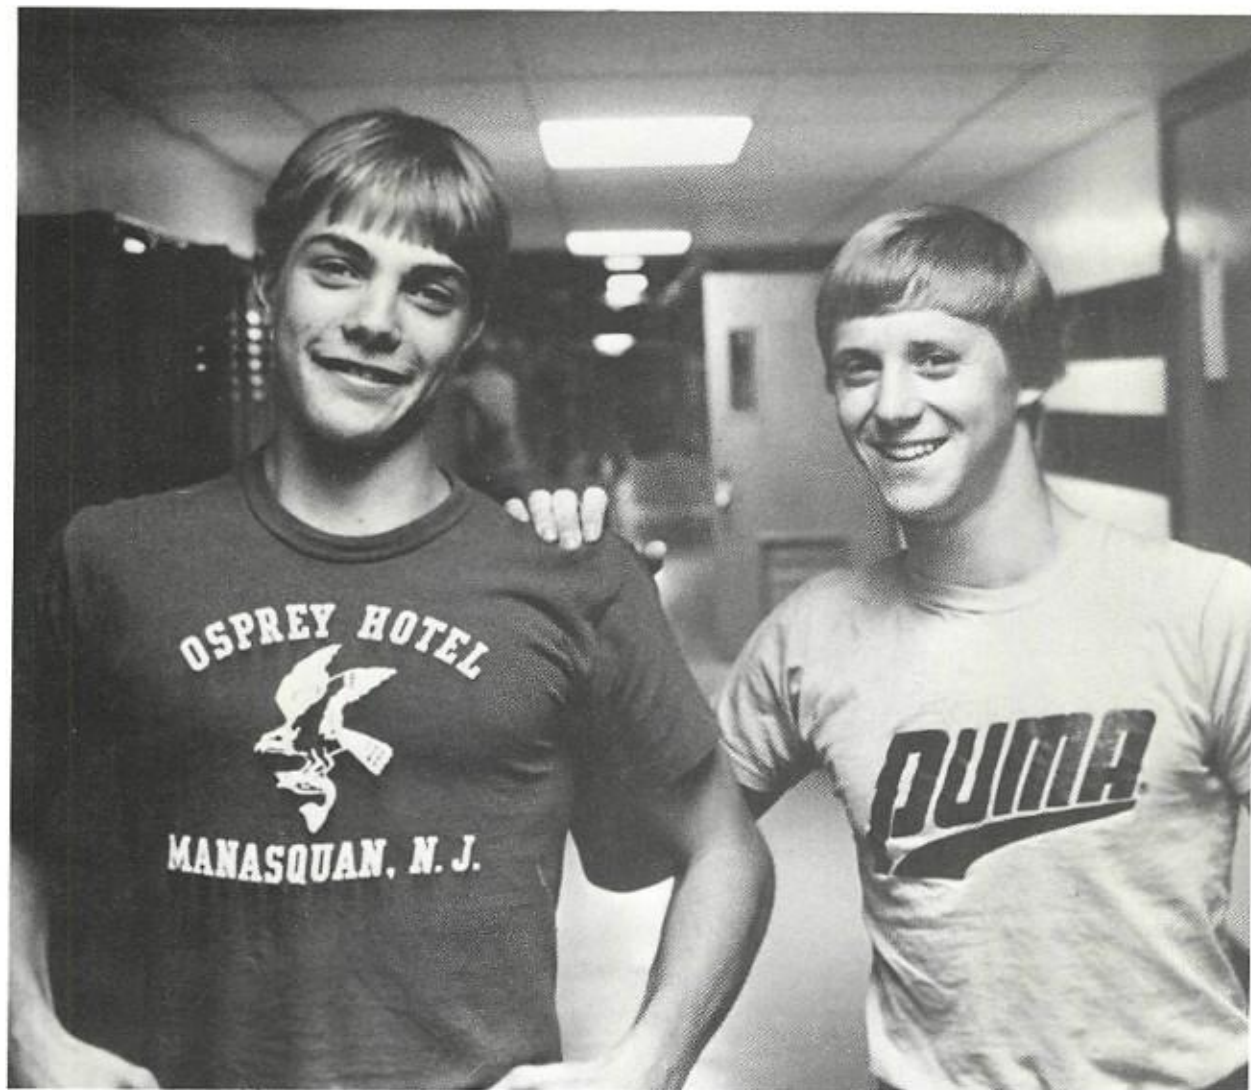

Close to our hearts
will remain
the memories
of a past so dear.

We may cast a smile or shed a tear

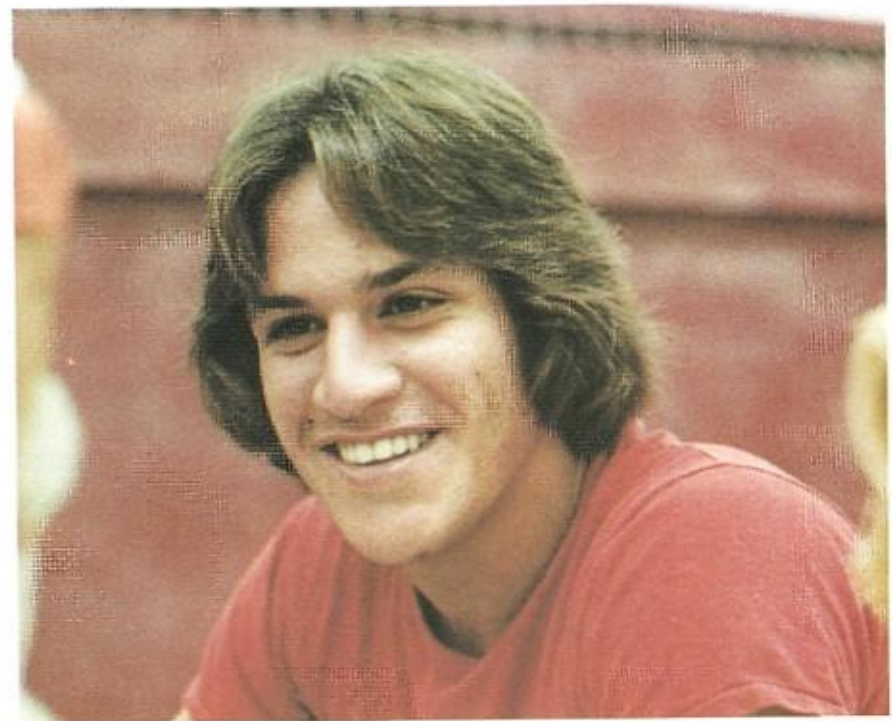

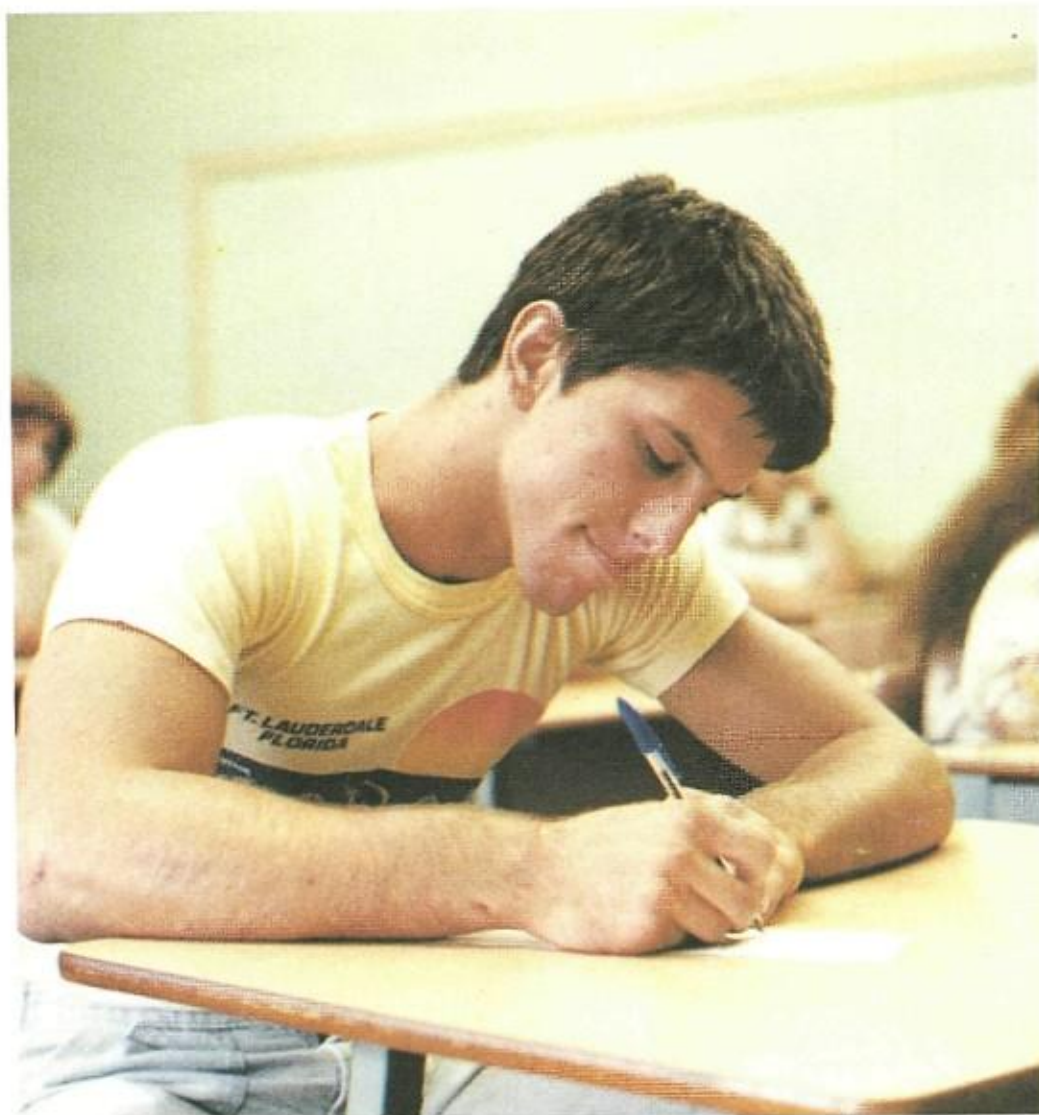

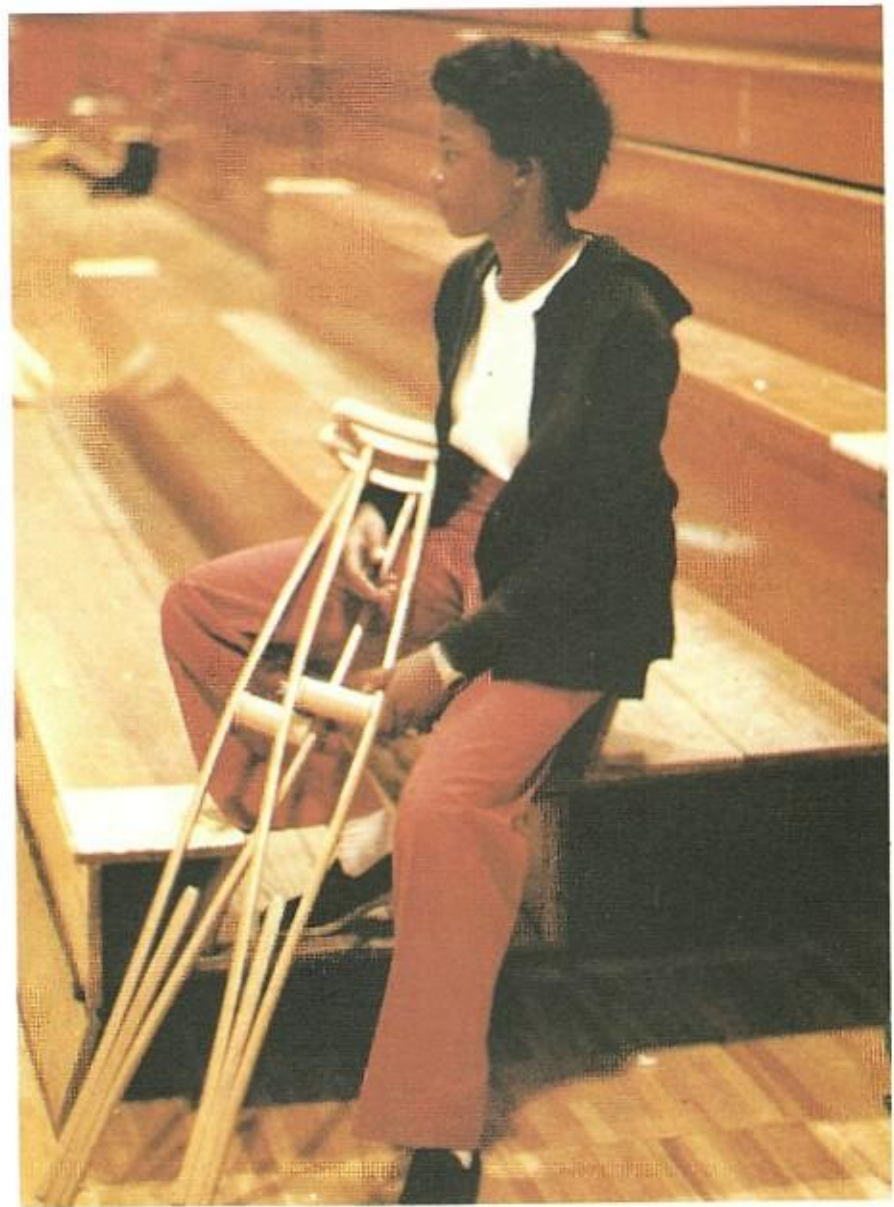

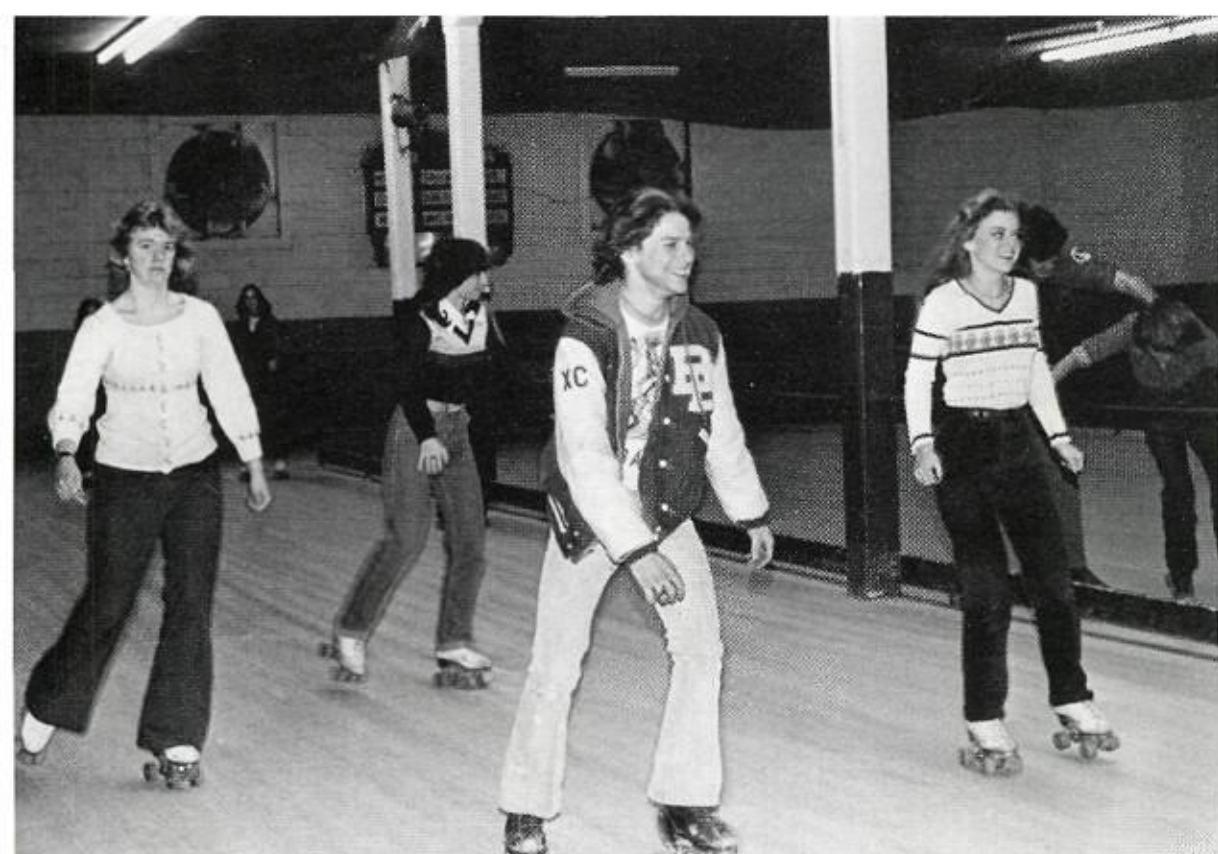

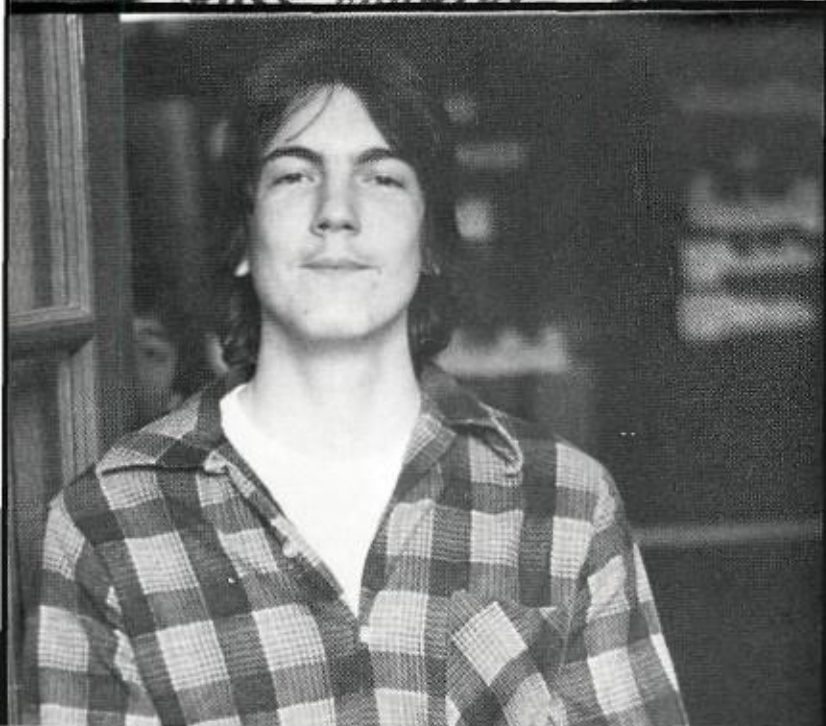

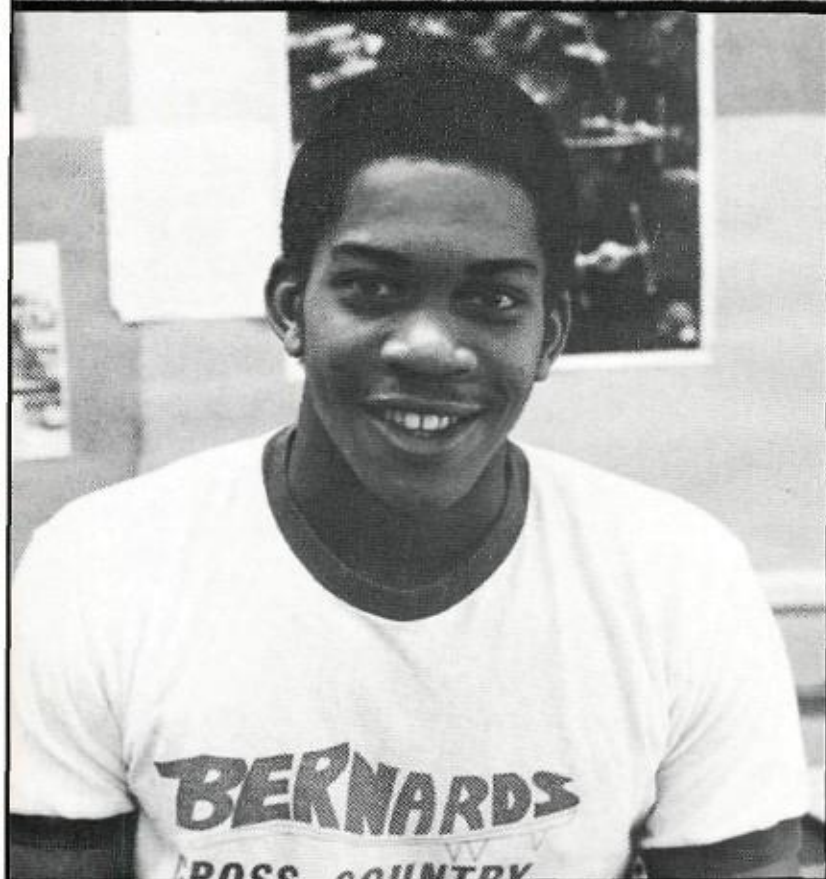

remembering a childhood that is no more.

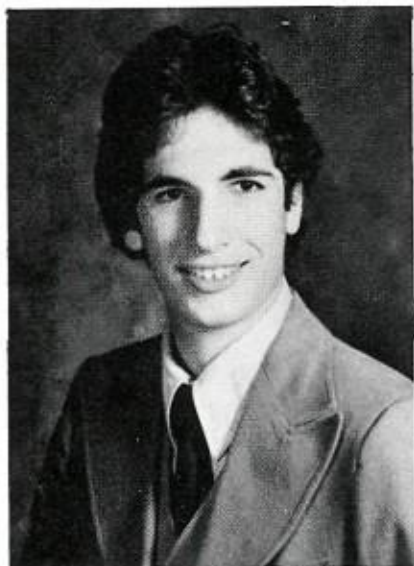

These Are Reflections of a Decade Gone By.

Juniors: Waiting in the Wings

The Junior Class has been actively involved in building school spirit. The number of juniors taking part in "School Spirit Week" and particularly at the bonfire was overwhelming. The Class of 1980 has also played a large role in the two major social events of B. B. H. S. The Sadie Hawkins Dance, held December 22, attracted over 200 people; the Junior-Senior Prom, scheduled for later in the year, will probably attract as many, if not more, students. Another event scheduled for the spring is the class trip to either Great Adventure or Hershey Park. The Junior class is headed by President Nick Palczuk, Vice President Barbara Korn, Secretary Patty Long, and Treasurer Bob Romano. The advisor is Mr. Koupiaris.

Sophomores: Two to Go and Counting

One of the major happenings for the Sophomore Class is the ordering of school rings. This year the rings were purchased from Kilbourne and Donahue. Another important activity for the Class of 1981 is the scheduling of many dances throughout the year. The class anticipates at least six dances during the school year. Along with providing the students with a good time, the dances will also raise funds for the class. These funds together with money made from basketball concessions will be used partly to offset the cost of a class trip to Great Adventure which is scheduled for the early spring. The Sophomore Class is led by President MaryAnn Trombadore, Vice President Deidre Driscoll, Secretary Cathy Gleason, and Treasurer Janice Steinhauser. The advisor is Mr. Burnett.

Freshmen: The Young and Restless

The Freshman Class, advised by Mr. Bauer, got off to a fast start and is looking forward to even bigger and better things while at B. B. H. S. Financially, the class was helped by an excellent magazine campaign. They also had a very successful Donkey Basketball Game to help their treasury. The Freshmen would also like to have at least two dances during the school year, a gong show, and a trip to Great Adventure in the spring.

The officers for the Class of '82 are President Ricky Muniz, Vice President Norma Malave, Treasurer Heather Morgan, and Secretary Karen Jones.

Junior High: Younger and More Restless

Service and "good times" are the key words for the Junior High. The classes, advised by Miss Capano, developed a Christmas program, including a play, to present to the patients at the Somerset Hills Nursing Home. As far as "good times" are concerned, the classes plan to hold at least five or six dances throughout the year. The officers are President Cathy Cozza, Vice President Sherri Gabory, Secretary Sue Krauss, and Treasurer Karen Fine.

The Tower of Power

Mr. Joseph Donnelly, Principal

Mr. Joseph Spain, Vice Principal

The Board of Education is definitely not "bored with education." On the contrary, the members of the Board are willing to give up many hours of their time to try to provide the best education possible for the students of Bound Brook. The Board of Education, which consists of and is elected by the citizens of Bound Brook, sets the policy for the entire Bound Brook School System. Mr. Donnelly and Mr. Spain then put the policy into effect. One of the most important aspects of the Board is that it is not out of touch with the students. The Student Council sends a representative to almost every Board meeting. Special meetings are also arranged to hear the suggestions or complaints of the students. At any school event (athletic contest, concert, etc.) it is possible to find one or more members of the Board; once again providing proof of the Board's interest in the students.

The Board consists of (top row, left to right) Dr. George Daniel, Superintendent; Dr. Joseph Vischetti, Chairman; Mr. Paul Cooper, Secretary; Dr. Robert Brokaw, Mrs. Susan Citrenbaum; (second row, left to right) Mr. Roland Gribi, Mr. F. William Linn, Mr. Nicholas Palczuk; (bottom row, left to right) Mr. Kenneth Rothschild, Mr. Frank A. Ryan, and Mrs. Barbara Solook.

Secretaries: They Have the Answers

Got a question? Ask a secretary. Students, teachers, parents, and even administrators often turn to a secretary whether it's to find the correct number of cuts or to locate a missing report. B. B. H. S. is very fortunate to have one of the finest secretarial staffs. The secretaries are (top row, left to right) Patricia Crowell, Louise DeFeo, Barbara Flower, Gloria Imbriani, Josephine Lang; (bottom row, left to right) Margaret Milesnick, Joan Ruberto, Marcia Varga

Todd Smith (above) shows that males can also be excellent secretaries. Karen Jones (left) performs one of the nicer secretarial duties, that of decorating the office. Both students volunteered for the job of helping out around the office. 81

Helping You Find the Key to Your Future

Unlike the other departments in B. B. H. S., the Guidance Department has not undergone any changes in administrative structure. The only major change to occur in 1978-79 has been an increased effort to establish a career resource center. It is very helpful for a student to know what he intends to do after high school by the time he is a sophomore. For that reason, many books, magazines, and other materials are being collected to help a student choose a career.

The Guidance Counselors are (top row, left to right) Director of Student Personnel Services Don Grimes, Gladys Chersack, Al Derienzo, Pamela Teitelbaum, and Ray Vannozzi. The secretaries in the Guidance Department are (bottom row, left to right) Carmie Bradley, Josephine Patullo, and Maria Sara.

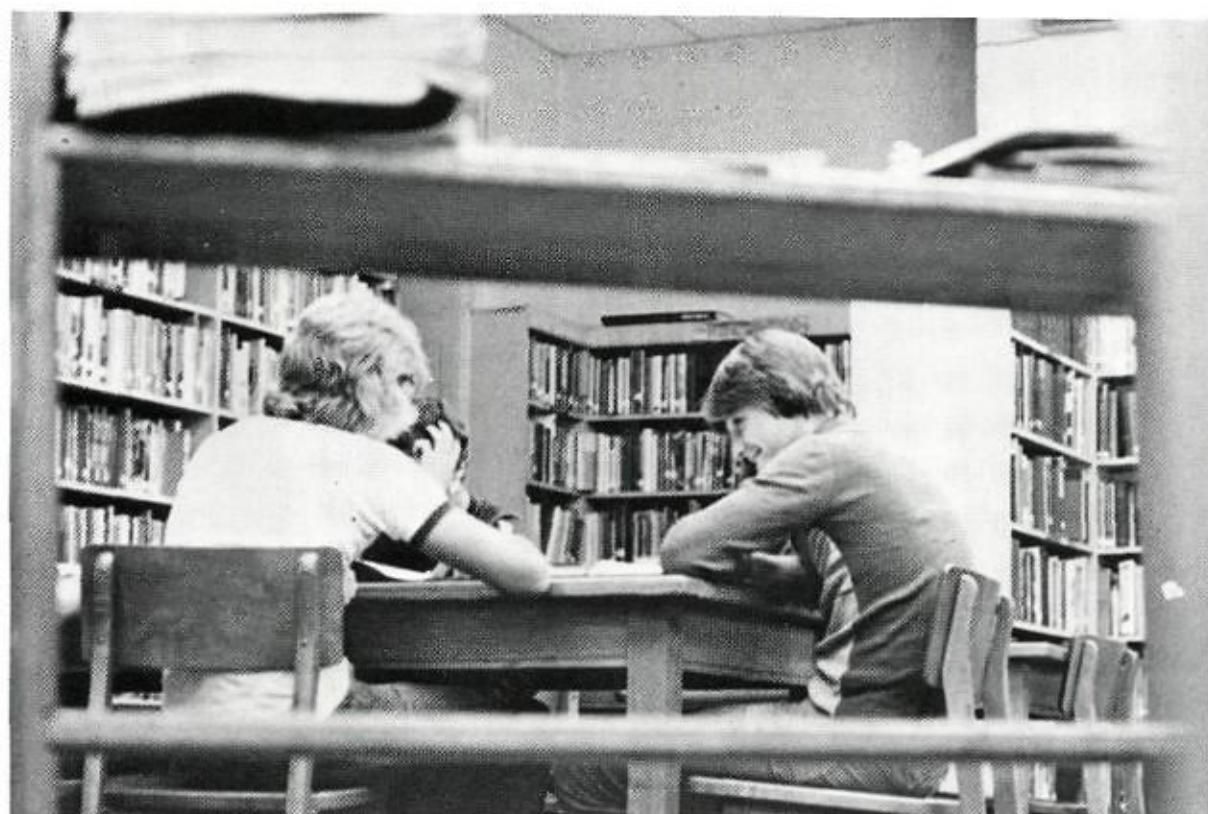

Many students give up free periods to help out in the Guidance Department. Jolene Rotunno (right) and Laura Clark (above) are just two of these students.

Tying It All Together

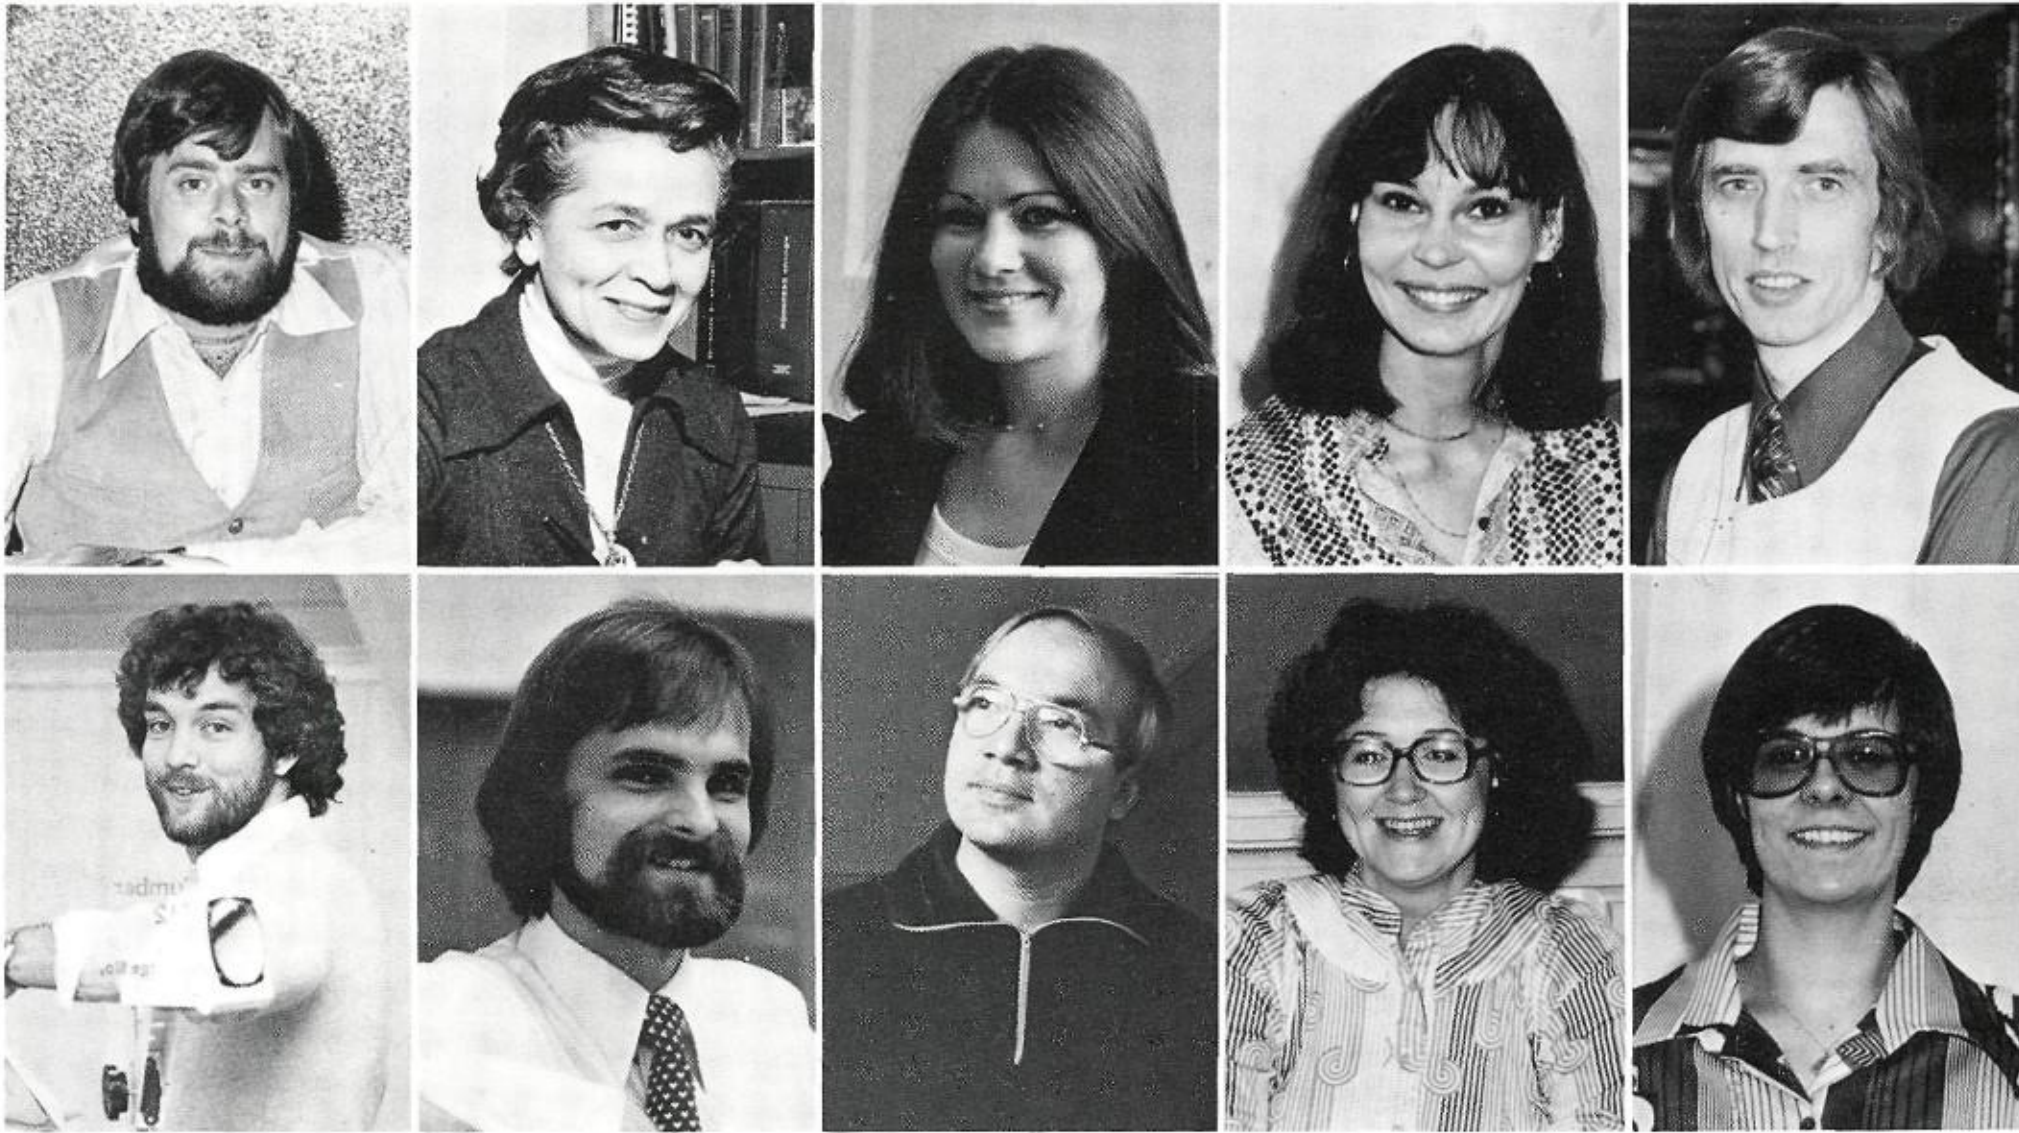

Bound Brook High School is only a Group 1 school, yet for its size it has many special offerings. It also has a complete staff of specialized personnel. Some of these people are (top row, left to right) Director of Special Services Marilyn Alexander, Psychologist Annette Shteir, Social Worker Phyllis Kopf, Learning Disabilities Teacher Consultant Joan Koulis, Supplemental Special Services Teacher Lois Wargent; (middle row, left to right) Special Education Teacher Patricia McCarthy, Instructional Aide Susan Johnson, Evening School Director Natalino Carrea; (bottom row, left to right) Nurse Angela Robinson, Librarian Francine Kamen, Media Specialist Donald George.

Nurse Robinson checks out Jack Schrader (above) before declaring him to be fit for classes. The library (right) is still a place to study and, sometimes, even share a joke.

Phasing Out Phase-Electives

The English Department has implemented the use of the "Weehawken Writing Project" in grades seven through twelve. The Project is a detailed method to help students become skilled writers. The use of such techniques as slotting, expanding, and outlining has already had an effect on student writing.

Another major change in the English Department will take place next year. The phase-elective program for juniors and seniors is being eliminated. Taking its place will be a semester curriculum. Each year a student will take one semester of required English. The other semester, the student will be given an opportunity to choose one of four English courses. These elective courses are composed of the more popular phase-electives such as "Science Fiction," "The Detective Story," "Worlds Beyond Reason," and "Creative Writing." By reducing thirty-three electives down to eight, it is hoped that the scheduling problem will also be reduced.

The English Department is comprised of (top row, left to right) Chairperson Dennis Donahue, Marge Anton, Kathy Battaglia, Judy Gerber, Tony Kruzel; (bottom row, left to right) Christopher Morley, John O'Connor, Victor Saginario, Edith Trautwein, and Dianne Wagner.

Soon English classes will return to the traditional division between juniors (upper right) and seniors (above). The A English classes will not be affected.

DEAR-Drop Everything and Read

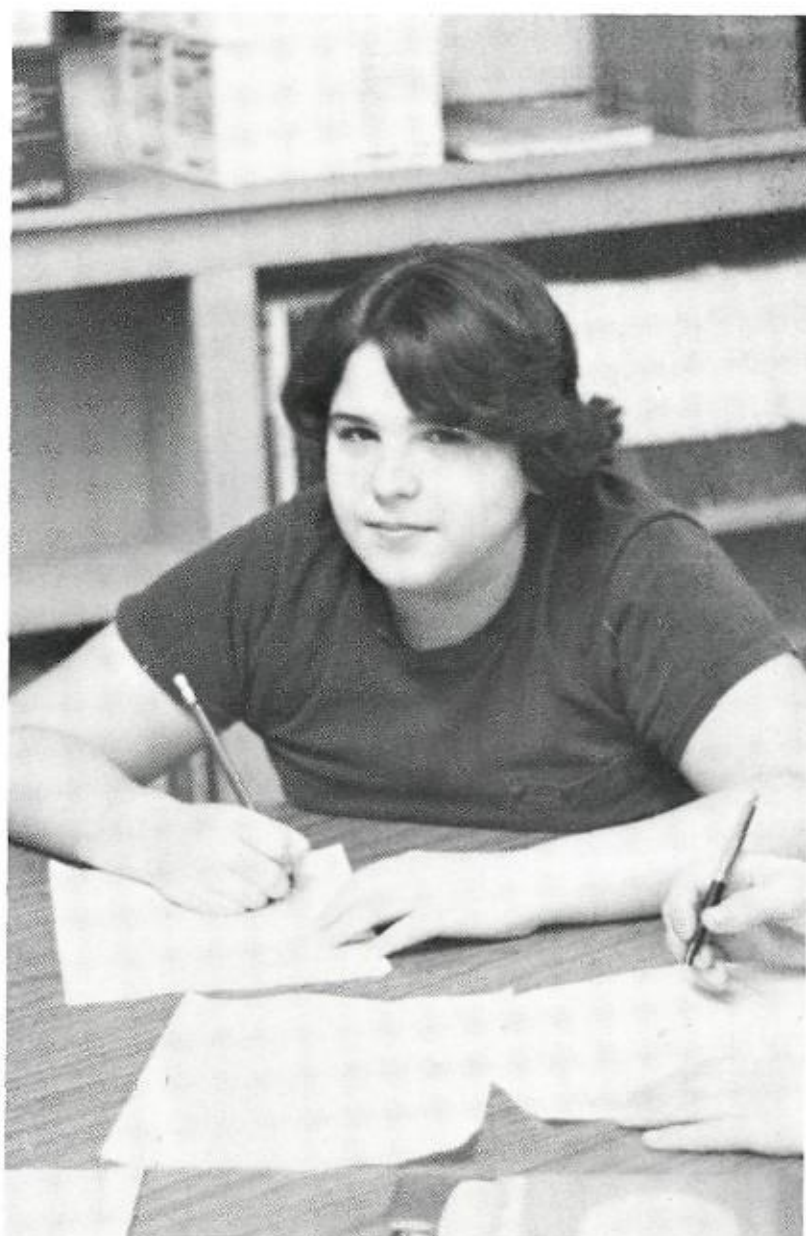

The Reading Department, one of the newer additions to the B. B. H. S. curriculum, has had an active year. Reading covers from the remedial program to reading for the college bound. This year, a new curriculum for junior high students was developed. This curriculum concentrates on high interest reading material such as science fiction and horror literature. The Reading Department is also concerned with English as a second language and content reading to assist students in developing better reading skills for all subject areas.

The Reading Department consists of (top row, left to right) Director of State and Federal Funds Constance Young, Joyce Gierla, Lois Illardi, Ben Silverwater, Secretary Elaine Owens; (bottom row, left to right) Instructional Aides Dolores Briscoll and Yolanda Woldin.

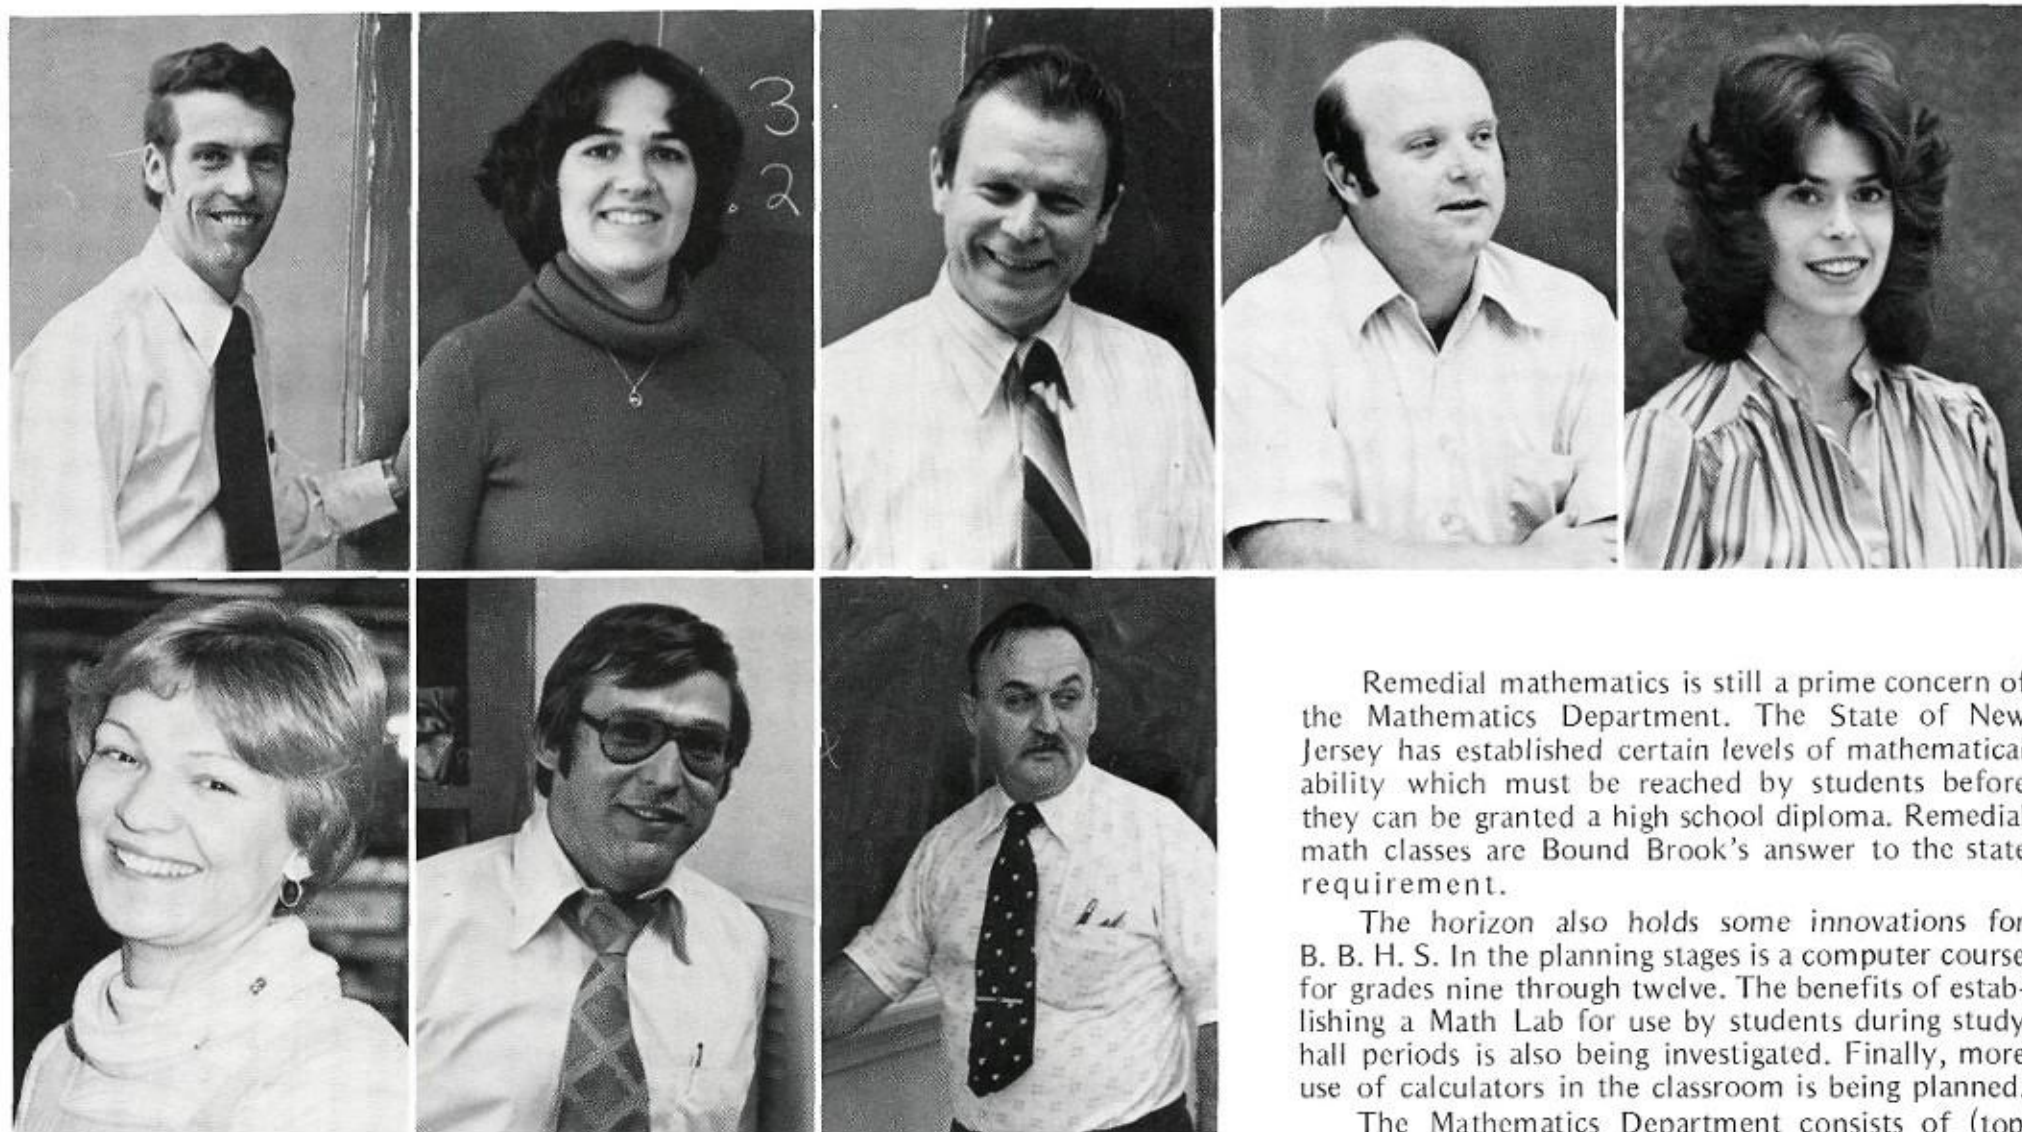

Woldin, an Instructional Aide, conducts a small group in Reading (above). One of the advantages of the Reading Department is many small sized classes can be held.

John Foster (above) must answer written questions after completing his reading material.

The Numbers Game

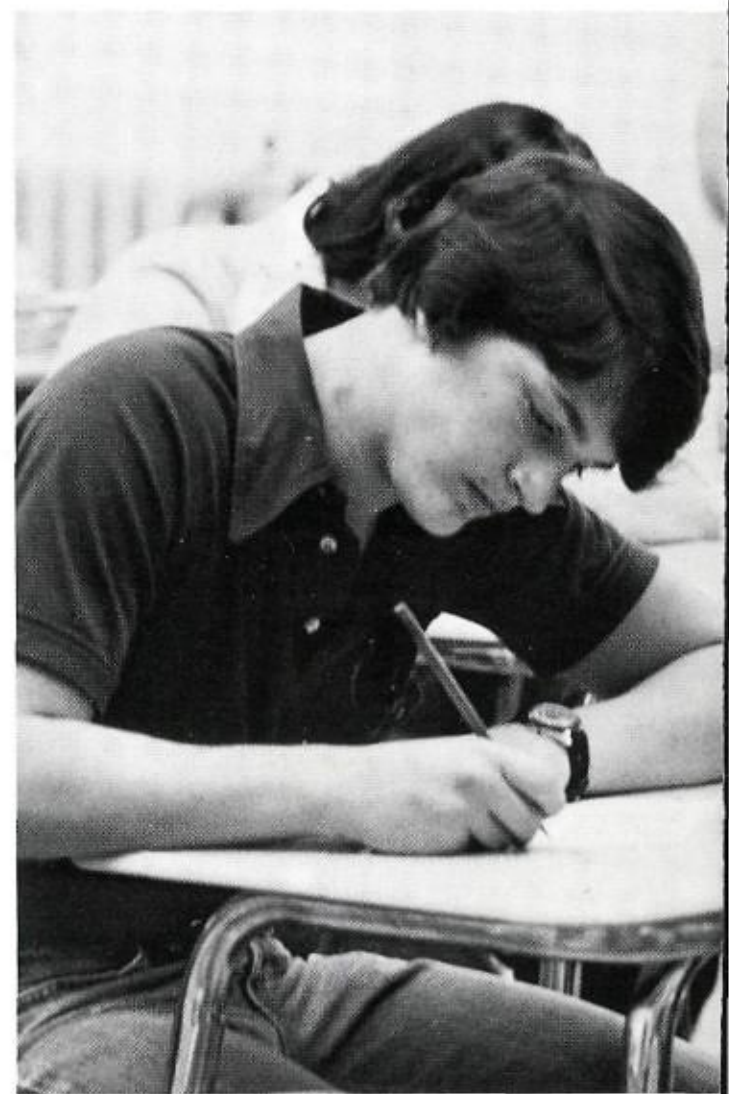

Remedial mathematics is still a prime concern of the Mathematics Department. The State of New Jersey has established certain levels of mathematical ability which must be reached by students before they can be granted a high school diploma. Remedial math classes are Bound Brook's answer to the state requirement.

The horizon also holds some innovations for B. B. H. S. In the planning stages is a computer course for grades nine through twelve. The benefits of establishing a Math Lab for use by students during study hall periods is also being investigated. Finally, more use of calculators in the classroom is being planned.

The Mathematics Department consists of (top row, left to right) Chairperson Donald Bates, Michele Capano, Ernest Haase, Robert Kapp, Cathy Kitchen; (second row, left to right) Ludmila Kulihin, Charles Schlottman, and Al Stearns.

Higher math fills the air as seniors (from left to right) Bruce Edwards, Nancy Graebener, and Diane Gombeda concentrate.

Mark Gilrain puts a great deal of thought into his algebra test.

You Should Know More Than One Language

The Foreign Language Department, promoting the study of Spanish, French, German, and Latin, has had an active year. The Spanish I classes under Mrs. Hagon enjoyed initiating new texts called CHOCOLATE Y CHURROS. Two trips to foreign lands were held in the spring. Mrs. Young chaperoned students on a trip to Montreal and Quebec and Miss Emhoff accompanied students to Greece to visit classical sites from the Acropolis to Olympia, home of the first Olympic games.

The Foreign Language department is made up of (from left to right) Chairperson Janet Emhoff, Claire Biagini, Linda Hagon, Ruth Shada, and Nancy Young.

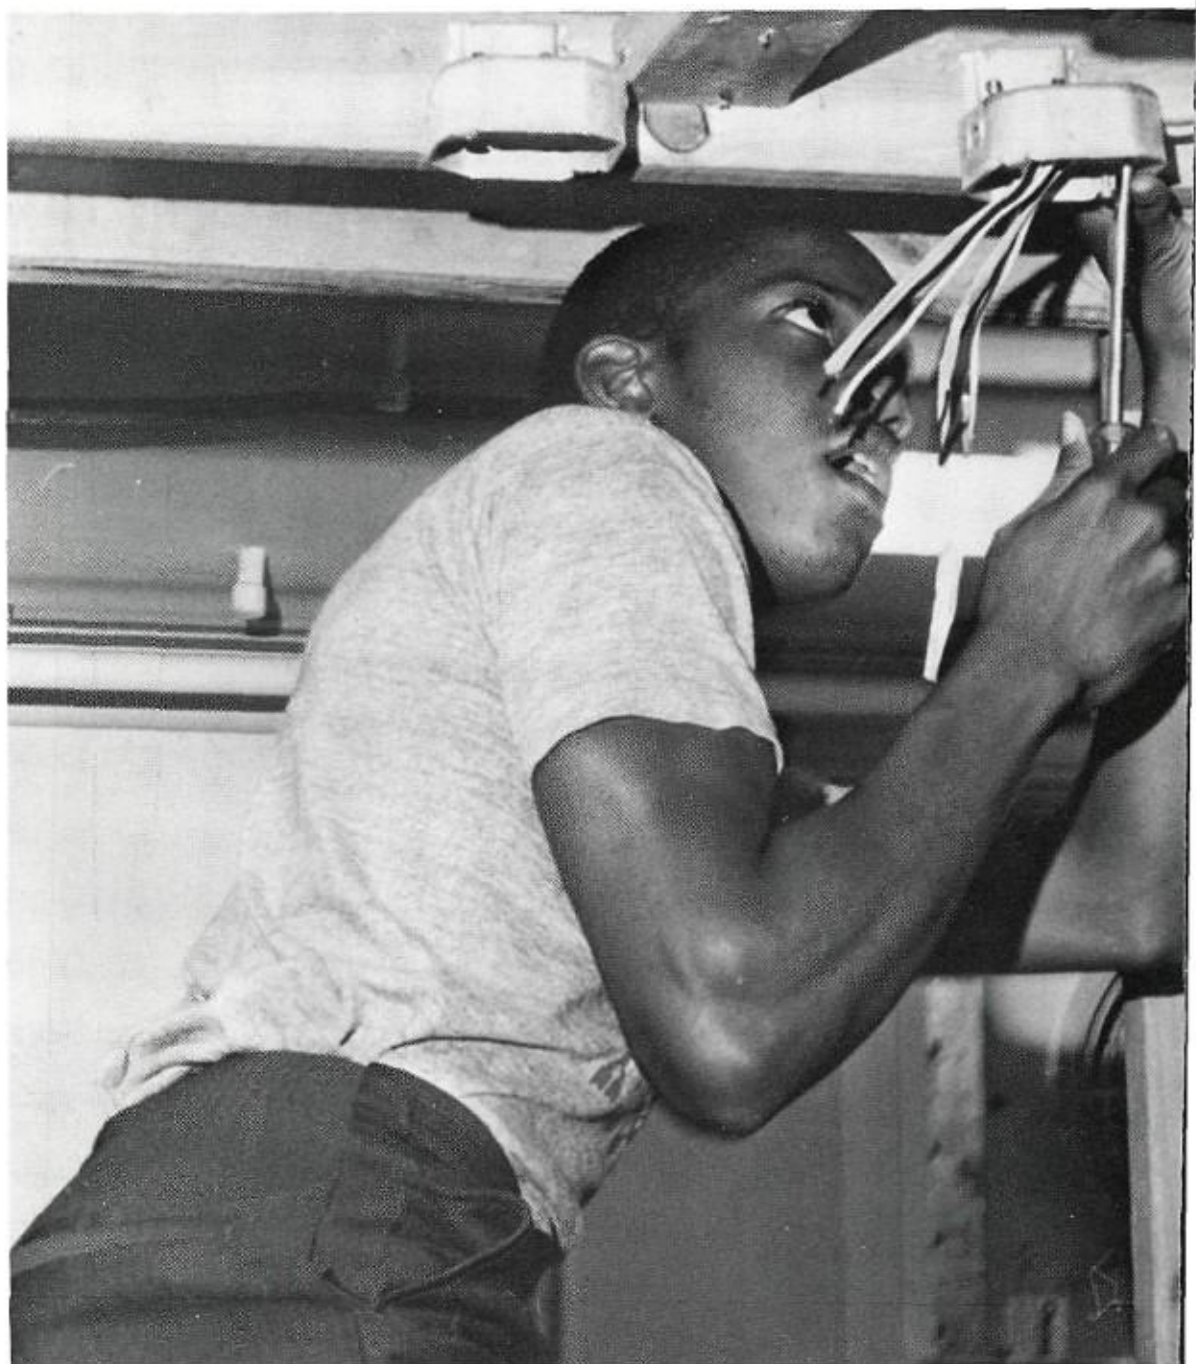

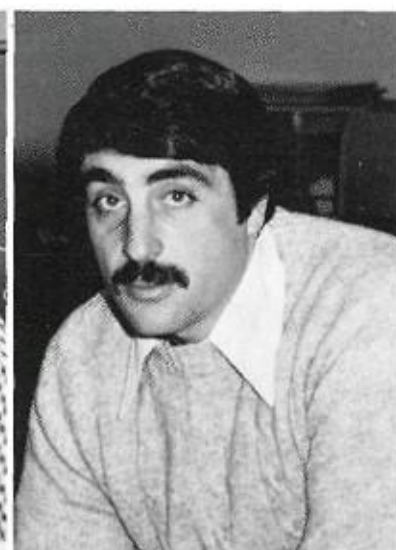

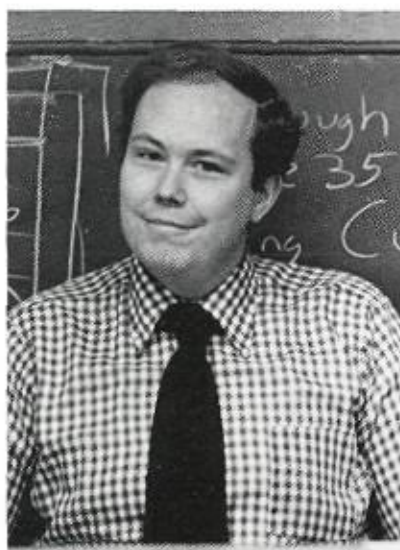

Miss Emhoff gives MaryAnn Tarantino (upper right) some special assistance. Stan Zagula (upper left) finds an amusing story while translating. Mrs. Hagon (right) explains the names of the months in Spanish, while Don Clark (above) doesn't seem too excited.

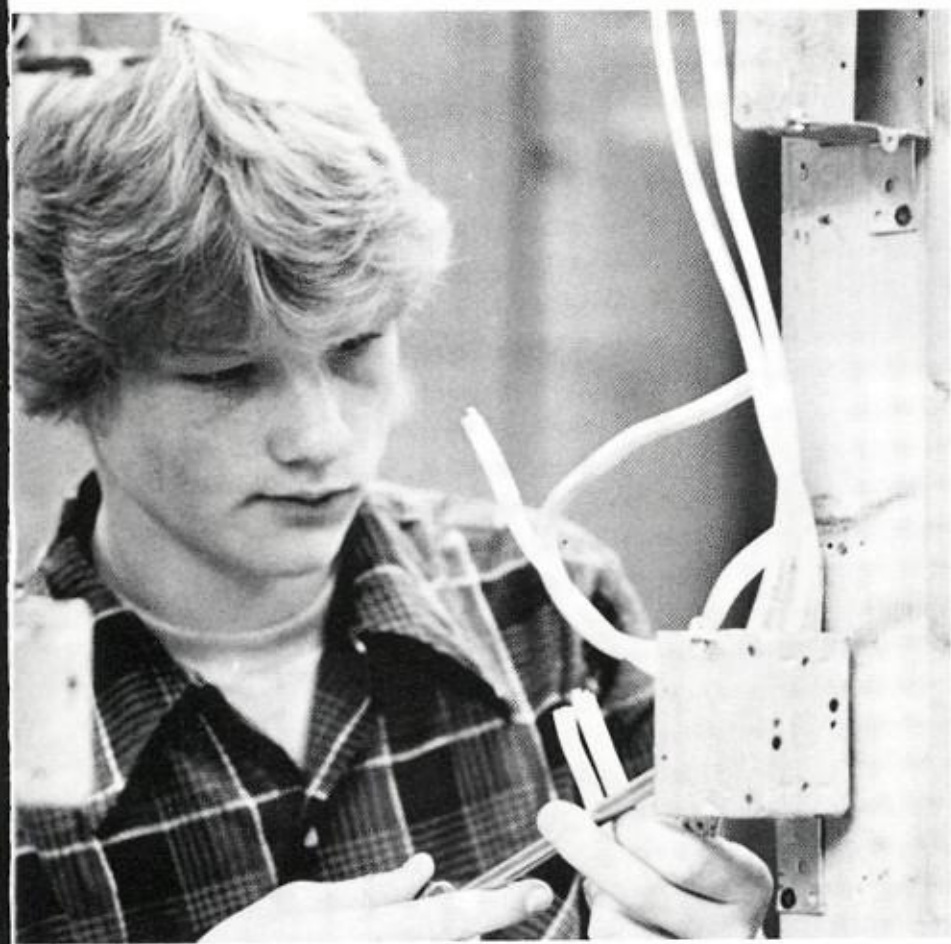

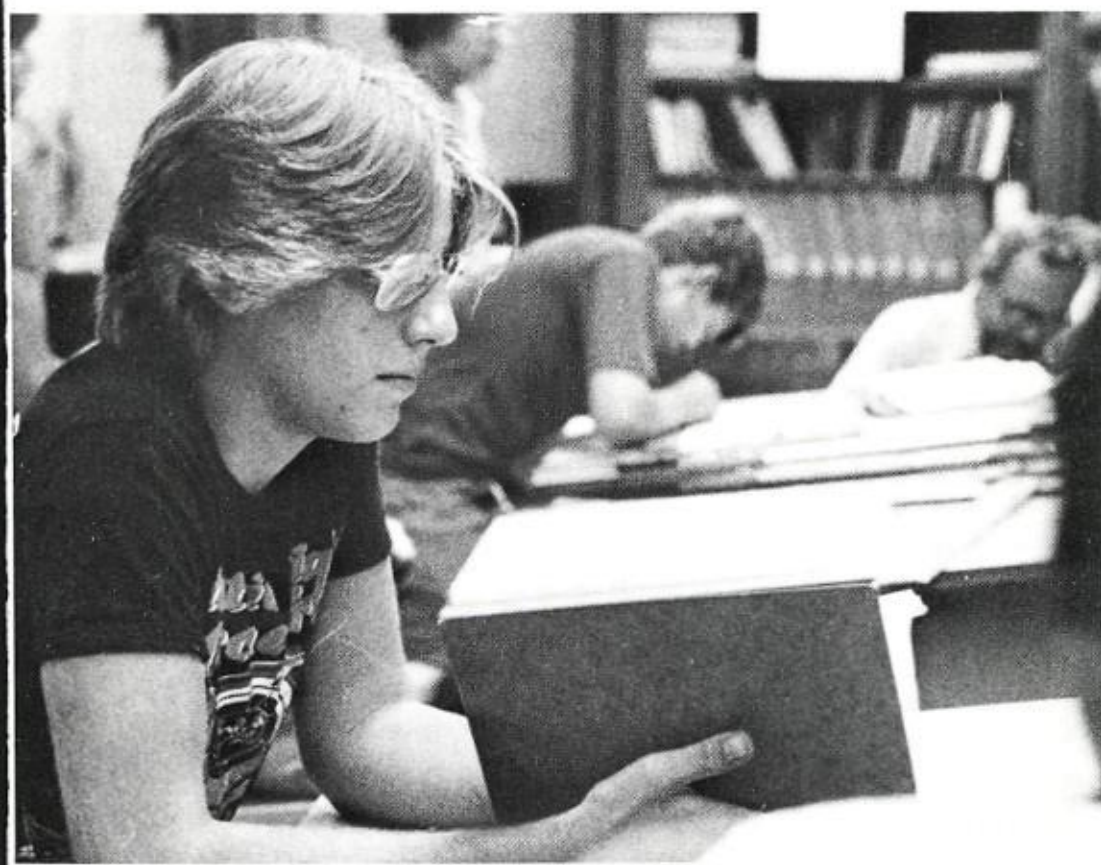

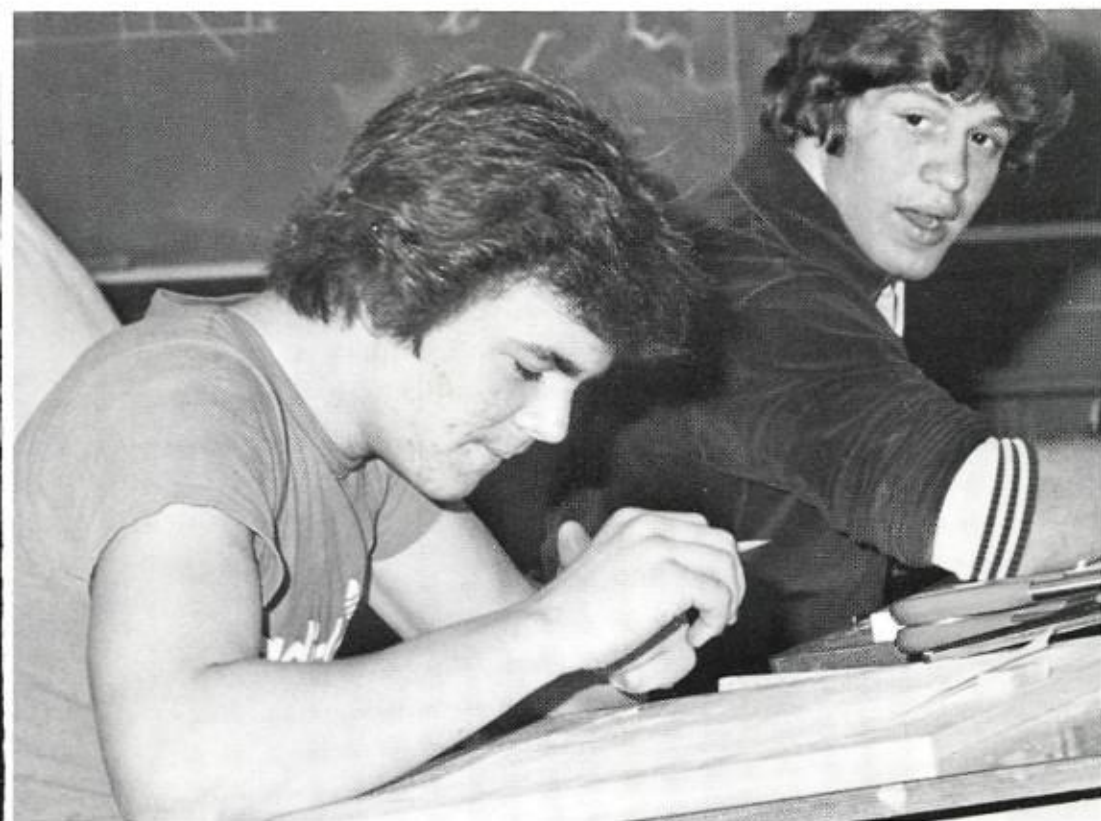

Preparation for Life in a Technical World

Industrial Arts is the perfect vehicle for practical application of academic subjects. The figuring of speeds, feeds and gear ratios certainly proves the need for accurate mathematics. A good application of physics can help determine which tool to use for a specific job, and how to set it up. Even the less technical subjects, such as Social Studies, models and displays built in the Industrial Arts laboratory can further help understanding. In some ways the various character building traits learned in a good Industrial Arts program may be of more importance to the academic area. This learned behavior is vital for social, business or personal success later in life. The ability to work in harmony with a group, to get along together, and to develop a sense of craftsmanship is critical regardless of one's future vocation or profession. Basic organization, good housekeeping and neatness, plus the ability to see a project through to the end, will always be valuable traits. Shop or laboratory work is also excellent training in patience in addition to developing an excellent background in the general rules of common sense and safety.

The Industrial Arts Department consists of (top row, left to right) Chairperson Fred Herbeck, Mario Bernardo, Al Colvenbach; (bottom row, left to right) Charles Crane, George Holiday, Walter Leuenberger.

Dan Gallagher (upper right) plans an electrical circuit. Ed Custy (left) completes his outlet, Henry Kim (above) gives his undivided attention to the lecture.

Fine Arts Doing Fine

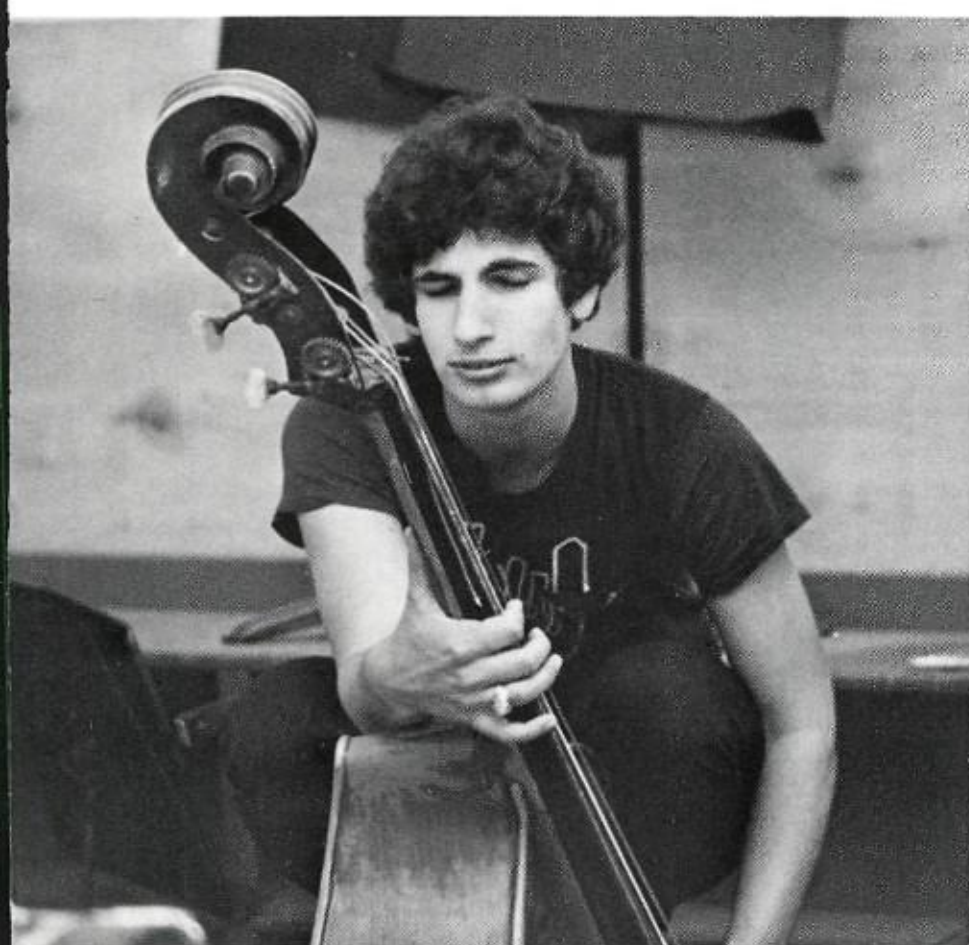

The major change in Fine Arts is that both music and art courses are becoming more serious. No longer are the courses regarded as "fun and games" or "easy pass." Many students are working on or near college level. The current aim is for originality rather than copying works from magazines or music from records.

A new course added this year is the teaching of guitar. Other plans for the future involve incorporation of a textile course taught by one or more teachers. The Fine Arts Department is also trying to purchase more equipment such as potters wheels and looms so that more fields of art can be explored.

The Music Section of Fine Arts consists of (from left to right) Chairperson Herbert Benge, Mace Looch, and Diane Nelson. Next is the Art Section with Kathryn Davitt and Greg Miller.

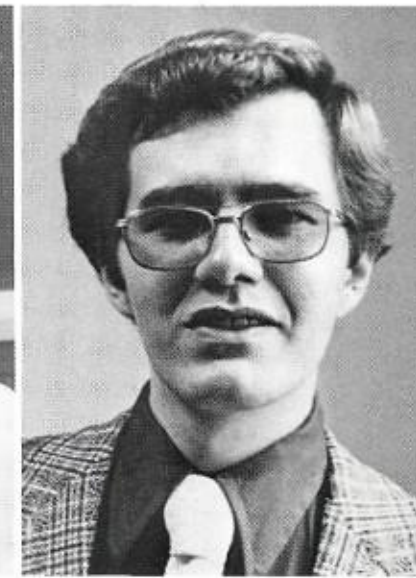

Lisa Bednar and Lori Keogh (upper right) really enjoy the new guitar course. Karen Kroplinski (above) is hard at work on her sketch. Roseann Puliese (right) is ready to call it a day as she begins to clean up.

Ed Zuccarelli (above) better known for taking yearbook pictures finally has his picture taken.

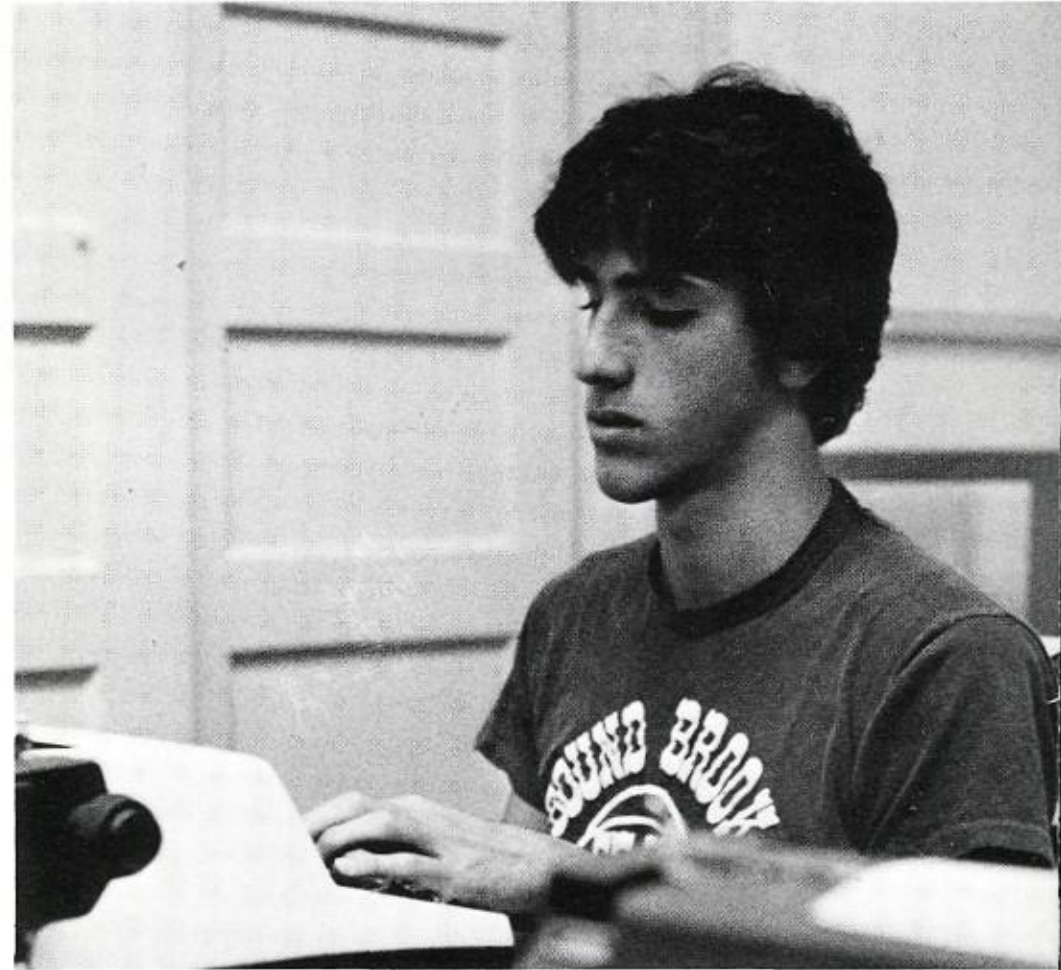

Business Courses Are Just Your Type

The Business Department has been very busy trying to make its curriculum even more relevant to students. C. O. E. (Cooperative Office Education) is still an integral part of the Business Department. In this special program, twenty students go to school for part of the day and work in an office part of the day. However, not all students can fit C. O. E. into their schedules. Sometimes the students are enrolled in dual programs, involved with extracurricular activities, have home responsibilities, do not have the necessary transportation, or many other reasons. To remedy this situation, the Business Department is planning to set up an in-house, teacher directed, office simulation.

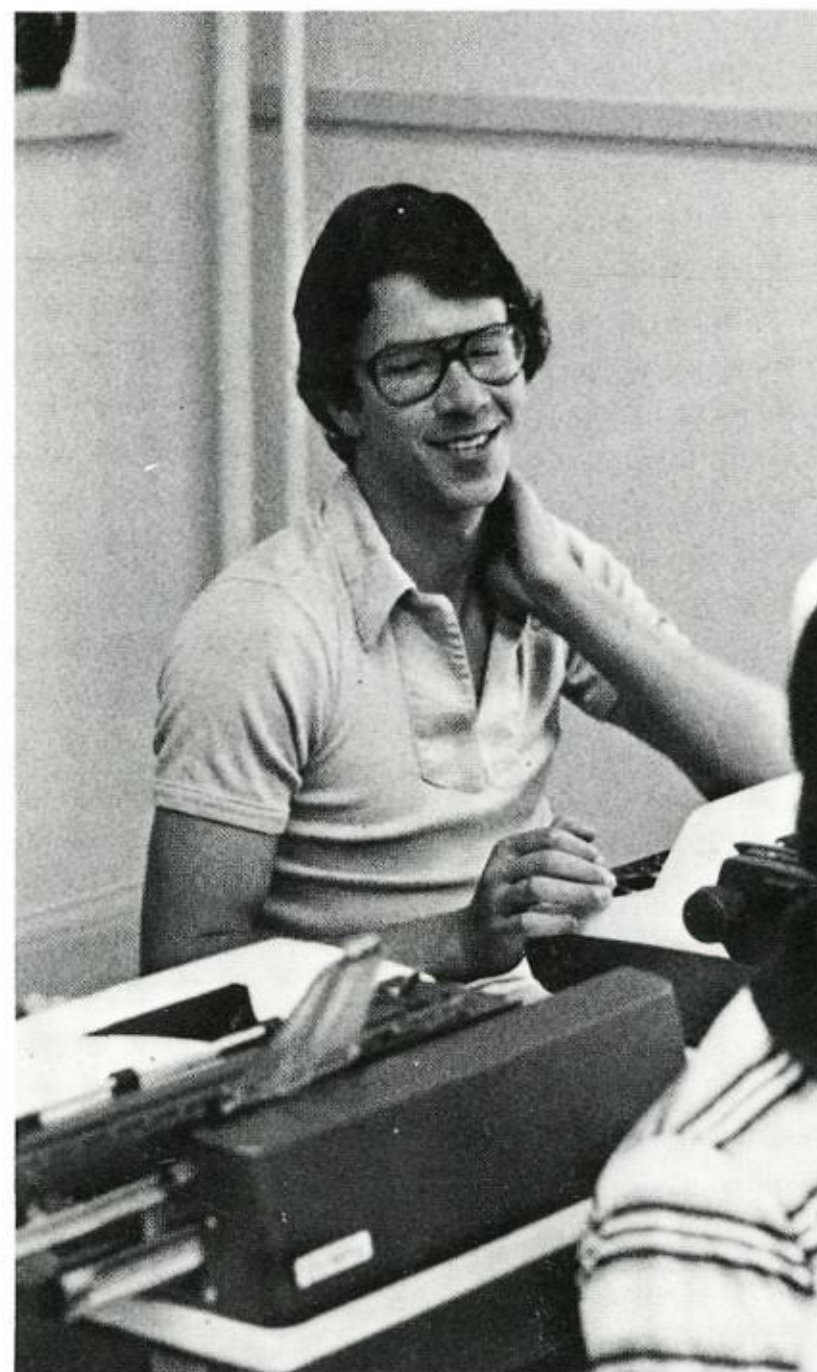

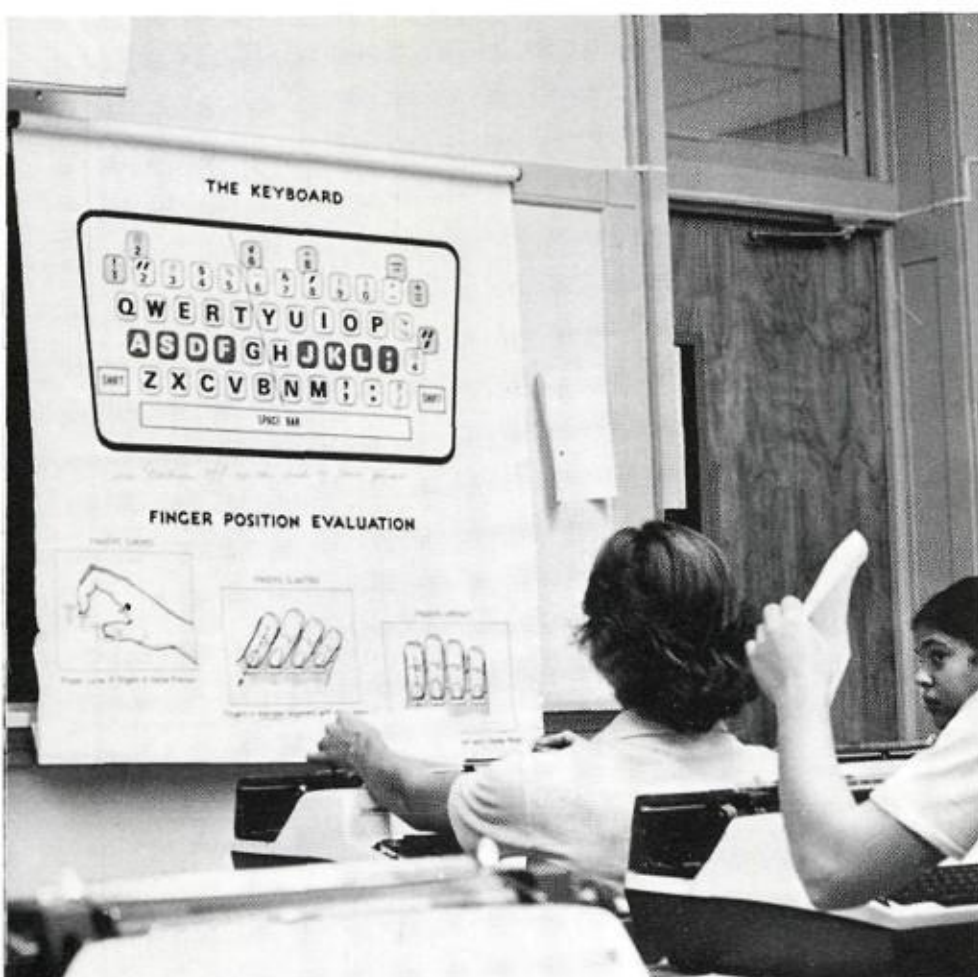

Another innovation in the Business Department is the word processing learning center to prepare students for magnetic media: data processing from transcribers and text-editing equipment, modern methods in/put out/put, retrieval, and filing. Although in the planning stages, the word processing learning center is designed to give slower students more learning time to master job entry skills which companies usually cannot do because of lack of time for training.

The Business Department consists of (from left to right) Chairperson Mary Lou Viswat, Charles Calderone, Claudette Gribi, Evelyn Kotch, and John Landphair.

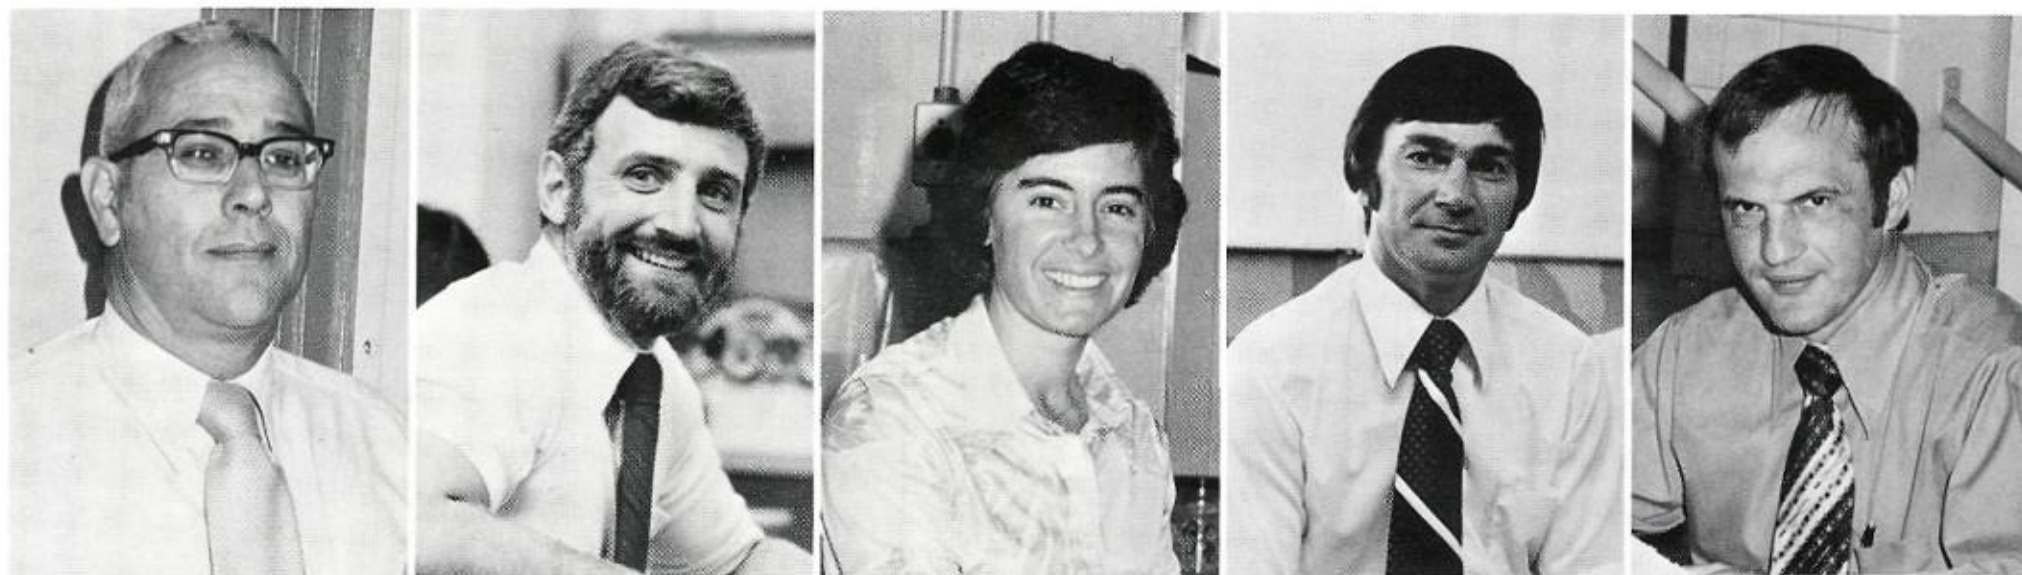

Typing has always been considered one of the most useful courses taught at B. B. H. S. Pictured are some students sharpening their skill: Craig Greco (upper right), Linda Bocchino (right), Karen Zuccarelli (above).

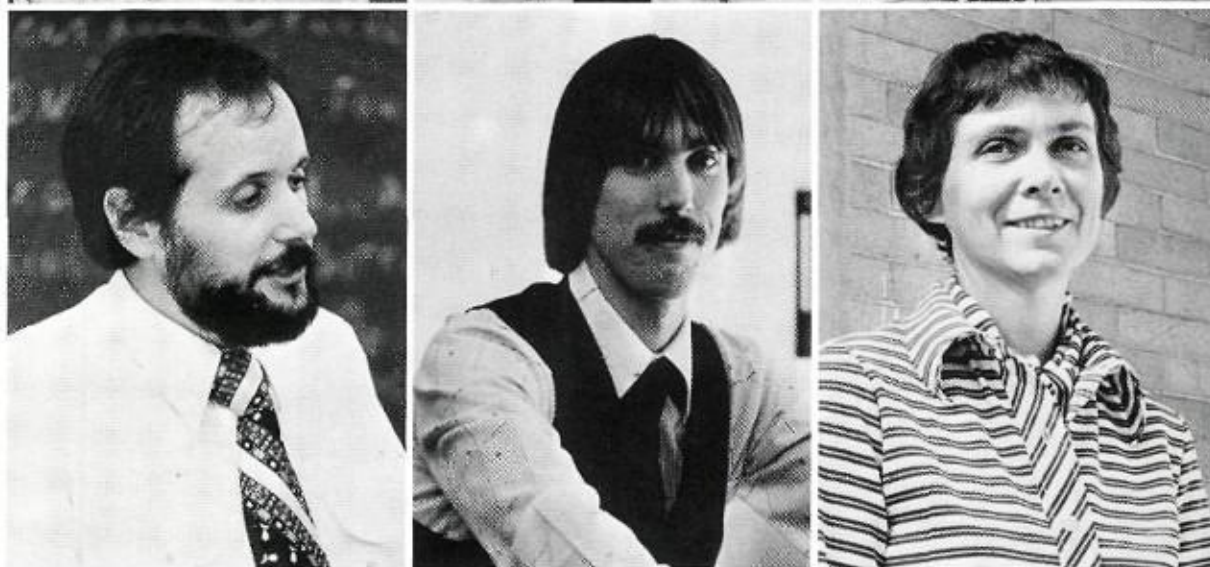

Dave Stump (upper left) studies the large poster of the keyboard before beginning to type. Ms. Gribi explains to Jim Lopa (upper right) some ways of improving his typing. Typing class can sometimes give the opportunity for relaxation (center left), but usually it requires hard work (left). Jeremy Vadnos (above) seems to be saying that typing is a pain in the neck, but actually he feels that typing is a skill that will help him throughout his career.

Jaws III Now Playing in Science Classes

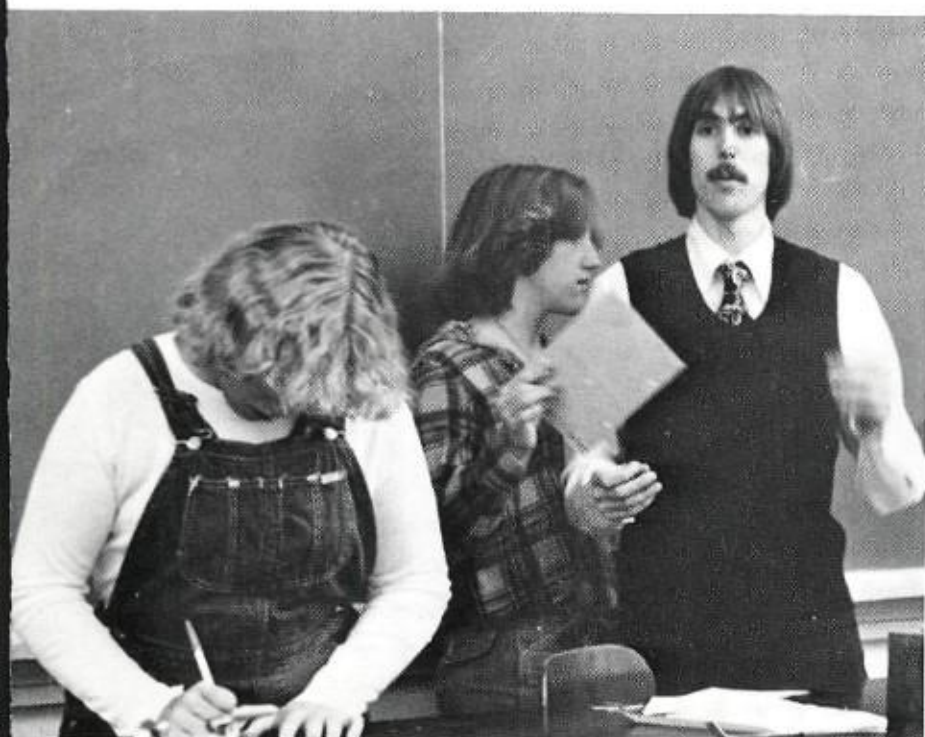

One of the highlights of the Science Department this year involves Biology. For several years there has been growing public interest in sharks, thanks to movies like JAWS and JAWS II. Taking advantage of this interest, the Science Department purchased sharks to be used for dissection in the laboratories. Another Science Department highlight is the Chem Study program which was started last year to accommodate accelerated chemistry students. The program seems to be working very well, and last year's graduates have already returned to say how useful they found the course to be in college.

The Science Department consists of (top row, left to right) Chairperson Joseph Scagliotta, Walter Bauer, Patricia Bebo, Leonard Koupiaris, Arnold Martin; (bottom row, left to right) Peter Puglia, Ronald Schmitter, Abigail Stearns.

Finances a Wreck? Take Home Ec!

Inflation has affected all of us. Home Economics is doing its part to help us deal with inflation. Naturally, everyone has to eat, but Home Economics is teaching students how to prepare low cost dishes. They are also showing students that the less expensive meats, when prepared properly, can taste every bit as good as much more costly meats. Another item that everyone needs is clothing. Home Economics can teach you how to keep up with the latest fashion by making your own clothes. Perhaps even more important, Home Economics can teach you how to take better care of your clothes so that you need not buy clothes so often.

Home Economics consists of (from left to right) Patricia Crew, Gloria Hartman, and Lillian Hutsko.

MaryLou Diem (center right) practices a stitch, while Mrs. Hutsko gives Laura Provenzano some special tutoring. Dawn Lemire (above) would make an excellent advertisement for Tide.

Phys Ed Is a Gym Dandy Course

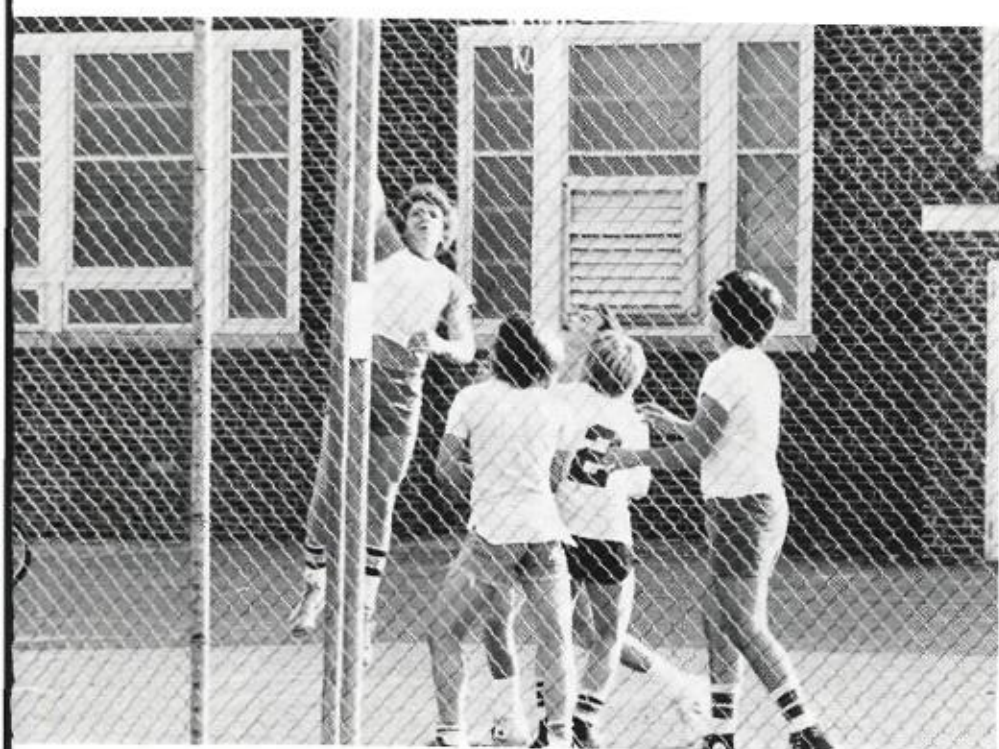

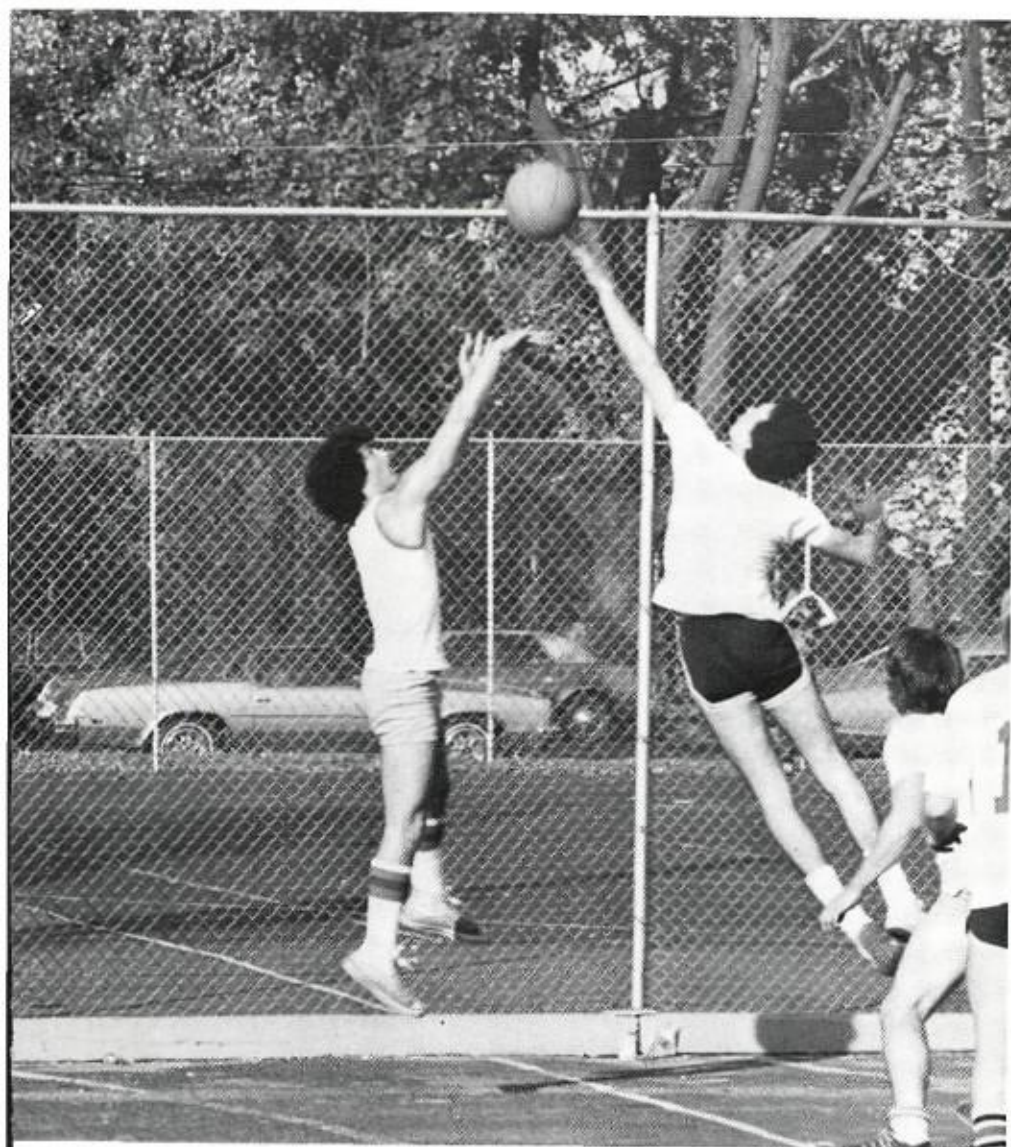

The Physical Education Department has changed a great deal in the last few years: pass-fail grading for all students, double-gym periods, and the integration of boys and girls into the same class. This year, the major change has involved the transfer of the universal gym from the fieldhouse to the gymnasium. The universal gym makes it possible for more students to use weight training to achieve better muscle tone and physical fitness. The scheduling of double gym periods has proven to be somewhat of a problem; therefore, this year some classes meet for single gym periods.

The Physical Education Department is made up of (top row, left to right) Chairperson Sam Gramiccioni, Athletic Director Mike Schibanoff, Jack Kelly, Bill Steffner, Chris Steffner; (bottom row, left to right) Kathy Stiebritz, Nancy Yuzuik.

The universal gym may be used a number of ways to help tone and develop most muscles of the body as demonstrated by Pg Steinhauser (above) and Joe Vischetti (right).

Basketball is one of the favorite outside sports as evidenced by Tony Pezzella's jumper (upper left), Len Mikula's dribble (upper right), Bruce Locke's layup (center left), and Ralph Puglisi's defense (left). Cathy Hoats and Jackie Roshak help Mrs. Yuzuik clean up after gym, while Edith Perez and Rosie Montalvo loosen up at the field.

History's Getting Better All the Time

The curriculum of the Social Studies Department has been improved, especially in terms of updating present courses of study. Area Studies and American Studies II have recently been rewritten to include more current material. The Social Studies Department is also dealing with the possibility that in the near future students may be required to take four full years of social studies courses instead of the three now required. This would result in a reduction of mini courses or doing away with them totally.

Another highlight of the Social Studies Department is the involvement of students in trips and projects. From September through October, many students worked on a voter registration drive. In October and November the students conducted a pre-election telephone poll. There are also trips to Washington, D. C. in March and Model Congress (Ocean City, NJ) in April.

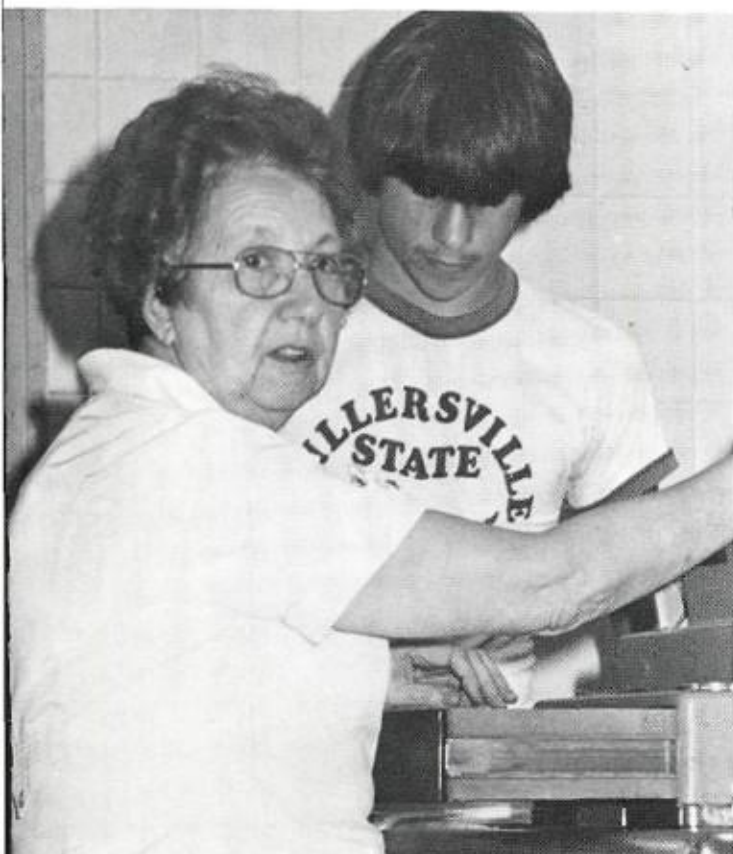

The teachers in the Social Studies Department are (top row, left to right) Chairperson Merry Shaw, Susan Anderson, Gregg Burnett, Jack Eustler, William Finnerty; (middle row, left to right) Barry Franzysen, William Herder; (bottom row, left to right) Lynne Shindle, Dennis Toci.

Help! Not Just Anybody!

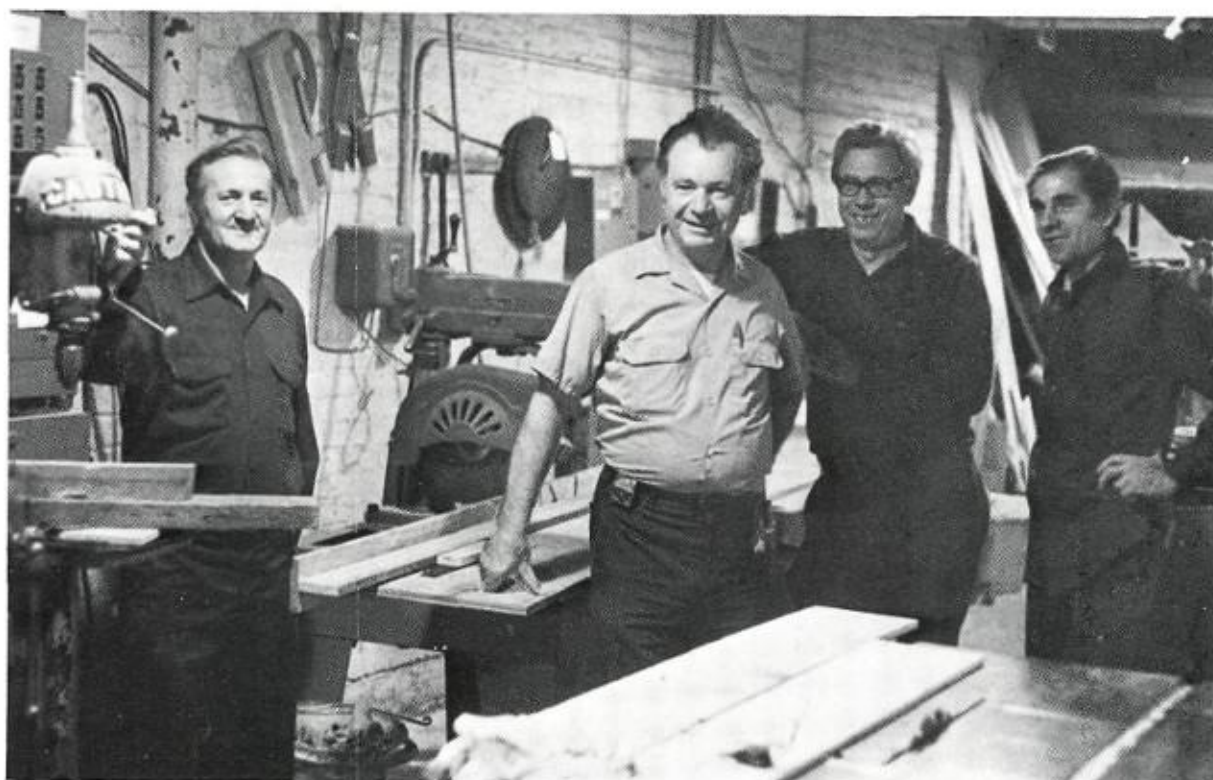

Along with the students, teachers, and administrators who inhabit B. B. H. S., there are also many other people whose presence is equally as important. These people handle everything from cooking to cleaning and from patrolling the halls to protecting the walls. Some of these important personnel are pictured on this page.

The Music Goes Round and Round

A new band director, Mr. Bengé, and a new assistant band director, Mr. Locke, naturally led to many changes for the B. B. H. S. Marching Band. A new pre-game show, consisting of a block formation in place, featured such tunes as "March Grandioso," "Winding Raritan," and our "Alma Mater." The half-time show was heavy in science fiction with such numbers as "Star Wars," "Close Encounters of the Third Kind," and "Man from Atlantis." It also had such favorites as "Seventy-six Trombones" and "Stayin' Alive."

For the first time, the annual band camp was held at Rider College. The hard work done at camp led to excellent reviews of our band at THE HOME NEWS FESTIVAL. The band was also featured at the South Bound Brook Firemen's Parade, the Bound Brook Rescue Squad Parade, and our own high school bonfire. The future holds possible exchange concerts with other schools and competition performances at Great Adventure for both the Marching Band and the Concert Band.

Reign Begins Before Rain Begins

With the rain clouds threatening to loosen their fury at any moment, the 1978 Homecoming was held. Despite the angry weather, an overflowing crowd watched as Debby Lore was crowned this year's queen by last year's queen Sandy Ruscetta. Debby's court consisted of Lisa Bedner, Bev Burton, Angel Longo, and Chris Vickey.

Debby Lore was escorted by Pg Steinhauser (left).

Annual Winter Concert Still a Treat

The annual Winter Concert was held December 14 in the B. B. H. S. auditorium. All the musical groups got a chance to perform including the Junior High Chorus, the Concert Band, Bel Cantos, the High School Choir, and the Symphonic Band. One of the truly beautiful moments was Barbara Ryan's solo in "Let All Mortal Flesh Keep Silence." A trumpet trio consisting of Tom Patullo, John Caruso, and Fred Bradley in "Bugler's Holiday" was another show topper.

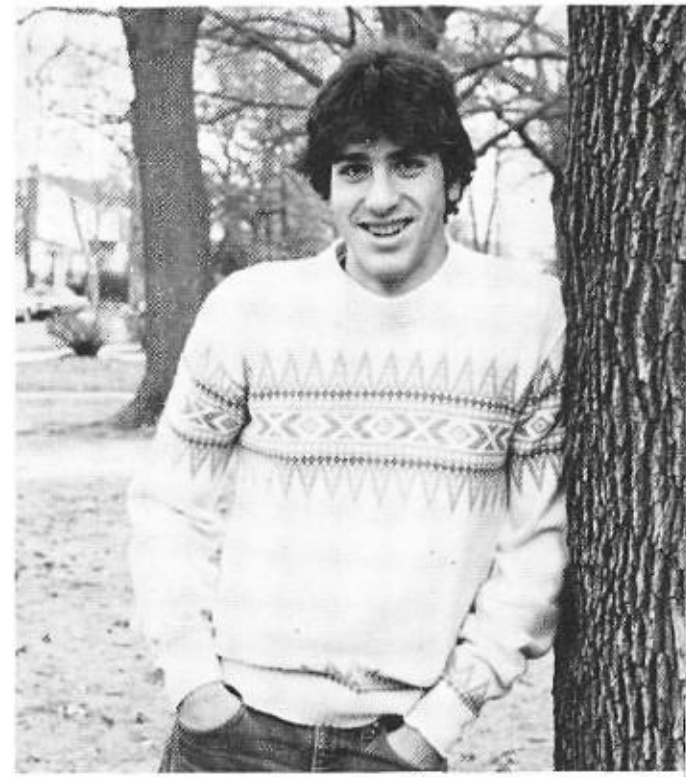

The Symphonic Band (upper right) got an opportunity to perform for the students before the concert took place. Barbara Ryan's solo (upper left) was very well received. John Sullivan (center left) was the accompanist for many of the vocal numbers. The Junior High Chorus (center right) learns to perform before a live audience which will surely help them when they join the High School Choir (above). Always a treat, the Bel Cantos (left) perform.

Scholars Gain Recognition

During the evening of February 22 in the B. B. H. S. auditorium, thirty new members were inducted into the National Honor Society. Every member has at least a 3.3 grade point average, belongs to at least three organizations, and has been highly rated by teachers in the areas of leadership and character. The guest speaker at the N. H. S. induction ceremonies was Father Eugene Prus, Pastor of St. Mary's Church. Student speeches were made by Diane Gombeda on scholarship, Lynda Paduch on leadership, Brenda Sara on service, and Maureen Yanchuk on character.

The National Honor Society is responsible for Student Exchange Day, a program called "It's Academic" which matches scholars from many area schools in an academic quiz program, and tutoring. The N. H. S. is led by President Carl Franzetti, Vice President Donna Bodnar, Secretary Maureen Yanchuk, and Treasurer Shari VanDoren.

The Gold Double "B" is another honor organization. Only students with a 3.5 grade point average throughout their high school careers are admitted. The honor enables the students to wear a gold tassel on graduation. They are also awarded a gold pin during an assembly program.

Helping To Keep Things Running

Few people realize the great amount of effort it takes to keep our school running smoothly. In fact, probably the only ones who do realize it are the ones who help it to run smoothly. These people are the students who give up their free periods to help in the offices of the secretaries, the nurse, guidance, or the library.

Jolene Rotunno (left) helps out by doing some typing as well as improving her skills. The Nurse's Sta (above) is not only important to the school but a very interesting place to work. The Guidance Sta (below) is a beehive of activity.

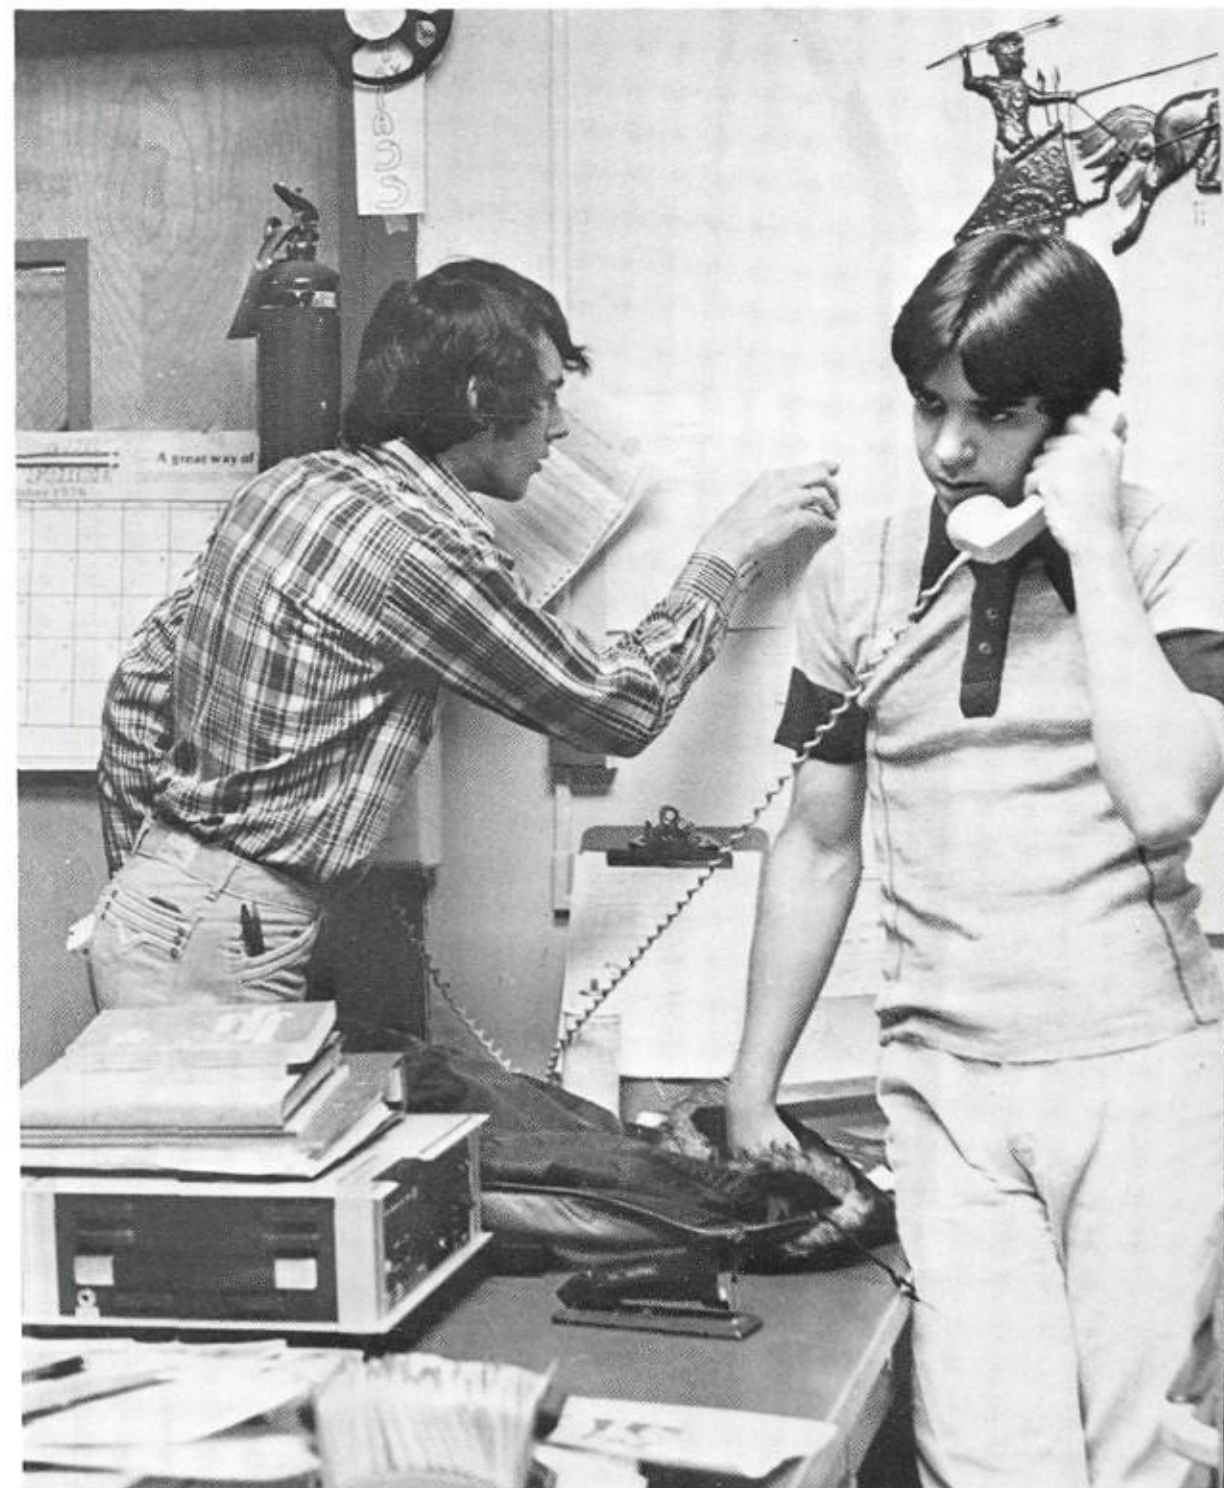

(upper left) The small, but mighty, crew that makes up the Principal's Staff. Todd Smith, also of the Principal's Staff, mans the telephone (upper right). The Library Staff (above) is one of the largest staffs in recent years.

A. V. Meets the Challenge

Future Shock is here. It is no longer possible for students to learn all the knowledge required from books and lectures. A. V. is no longer an aid; it is a necessity. Films, slides, video tapes, records, and filmstrips are valuable assets for the study of any subject. Equally important are the students who deliver and collect all the A. V. apparatus. Students arrive at school early in the morning to begin setting up and delivering equipment. They also stay long after school to check and collect equipment. Anyone who has watched an interesting film in Social Studies or seen an exciting video tape in Science Fiction can really appreciate the efforts of this organization.

The A. V. Staff with Mr. George as Director (upper right). Joanne Eads (upper left) not only works the A. V. office, but she also handles much of the typing. Jim Daniel (left) runs a Xerox copy before making a Ditto Master. The students must locate not only equipment, but sometimes they must locate Mr. George. David Cozza (above) mans the phone while Gabriel Gonzales checks Mr. George's schedule to find where he is.

Musicians Swing at B. B. H. S.

Sometimes people just tap their feet; sometimes they whistle. But if a person is really interested in music, he usually joins the band or chorus; if he is really interested, he joins Bel Cantos or the Jazz Band. Bel Cantos is composed of chorus members who want to go beyond the musical offerings of the chorus. Members have to audition for the group. They must also be willing to give up a lot of time after school for practice. But the results are worth it. Bel Cantos performs not only at B. B. H. S., but at malls and hospitals throughout the state.

The Jazz Band, although a credited course, also requires a great deal of home practice. Students do not sign up for the course unless they are willing to really study their instruments. Once again, the hours of practice result in fine performances.

Publications Seek Student Writers

Getting students to write is a primary problem of both the SEARCHLIGHT and the ELYSIUM. The SEARCHLIGHT staff would like to put out eight to ten issues a year, but as of February, only one paper was published. The staff is currently considering ways of giving students credit in an English course for writing news stories. The SEARCHLIGHT staff includes Paul Dura, First Page Editor; Stan Zagula, Second Page Editor; Shari Van Doren, Third Page Editor; Beanie DeRosa, Fourth Page Editor; Patty Viscione, Art Editor; David Wells, Distribution Editor; and Bennett Galvacky, Photographer. The Artists are Scott Ciencin, Helga Grev, and Donna Sloben. Mr. O'Connor is the advisor.

The ELYSIUM has been in existence for over twenty years, but it has been known by many different names such as ECLIPSE OF THE MIND, XANADU, and HELICON. ELYSIUM gives all students the opportunity to express their minds and to have their creative expressions published. The students also get the satisfaction of putting the magazine together, from the illustrations to the final layout. Mr. Donahue has been the advisor for the past five years, and he feels it is worth the effort to help the students in their creative endeavor. The 1979 officers include Editor-in-chief Roseanne Gray and Assistant Editor Joanne Perusich.

Joanne Perusich (above) doesn't seem to find too much literary merit in this particular ELYSIUM entry, while Clare Neary (center left) gets a big kick out of the entry she's reading. Part of an editor's job is to help raise funds for their publications. Stan Zagula and Roseanne Gray (left) shovel ice to be used while serving refreshments at a football game.

Service Clubs Still in Service

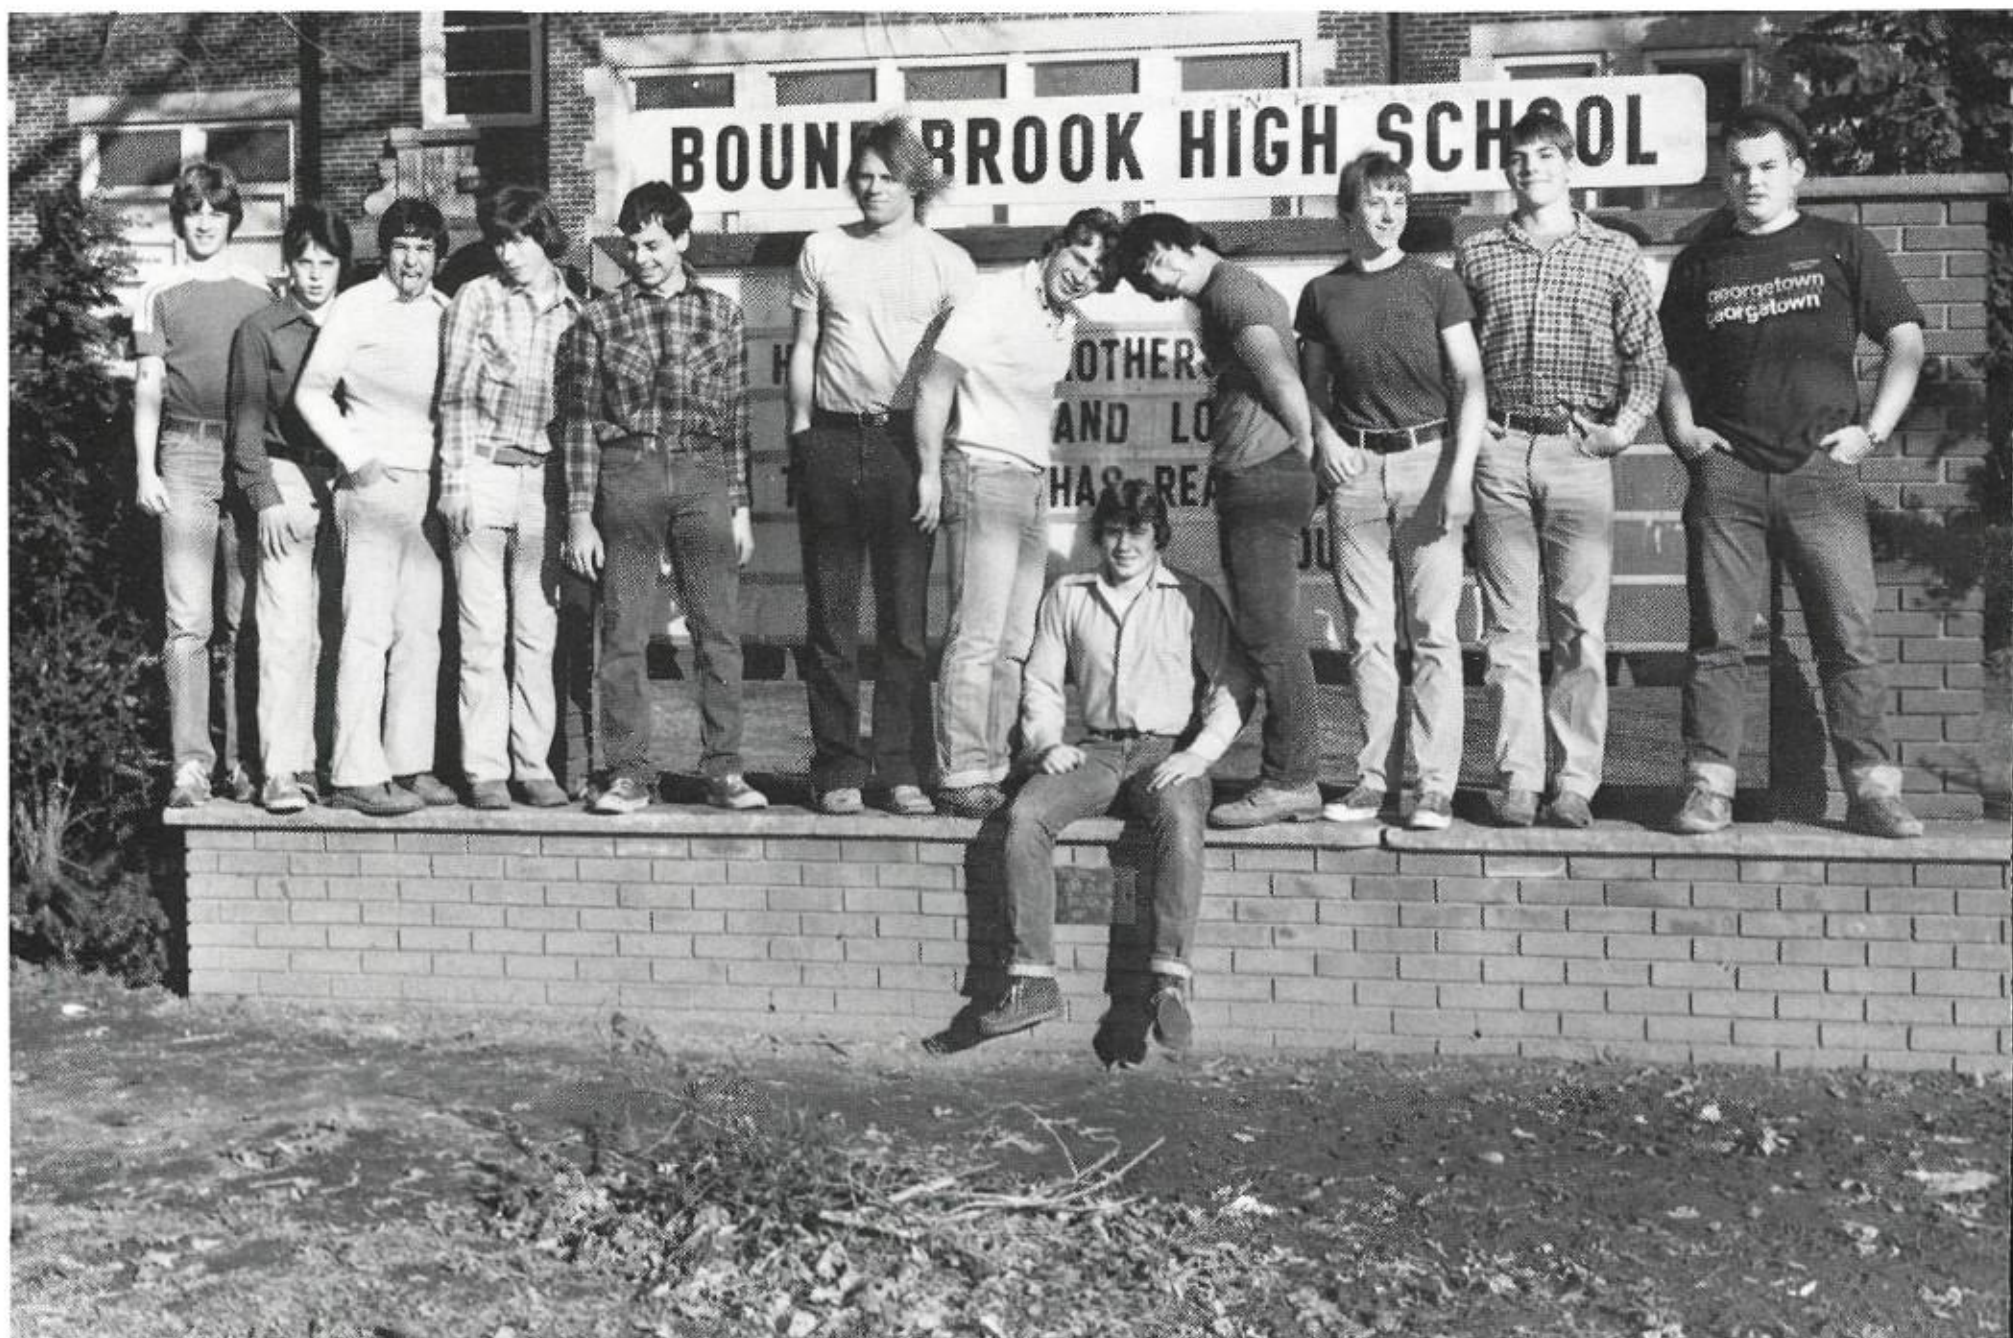

The Z Club, under the supervision of Miss Crew and Miss McCarthy, performed a large number of services for the school and community this year. Among their activities were a Halloween trip to Somerset Medical Center, a Christmas project with the Key Club, ushering at Back to School Night as well as other school functions, and a trip to New York just for fun. The officers of the Z Club are President Angel Longo, Vice President Tina Mickel, Secretary Mary Beth Sara, and Treasurer Debby Lore.

The Key Club also had a rather active year by sponsoring a basketball game with professional baseball players and a chicken bar-b-que at the 4-H Fair. The club finished its year with its traditional State Convention. The Key Club is led by President Bruce Locke, Vice President Richard Sands, Secretary Tom Trombadore, Treasurer Pg Steinhauer. Bill Vadinsky and Jack Schrader serve as Sergeants-at-Arms. Mr. Don Grimes and Mr. Barry Franzysen are the advisors to the club.

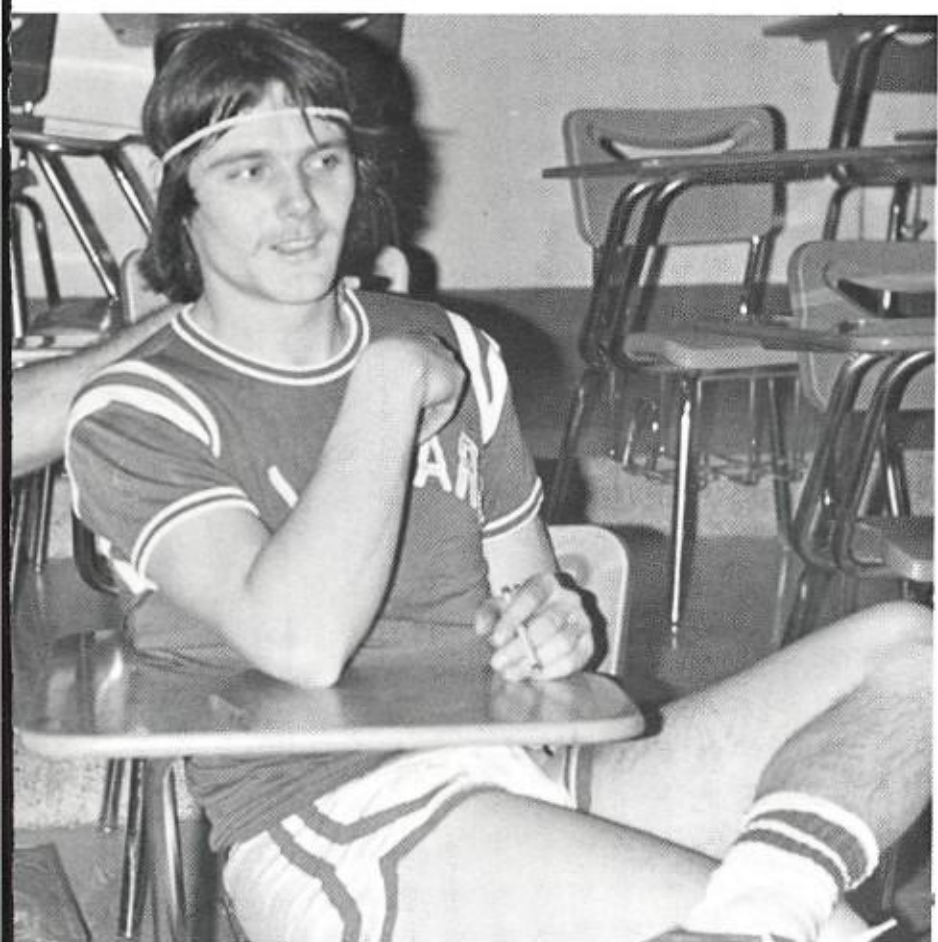

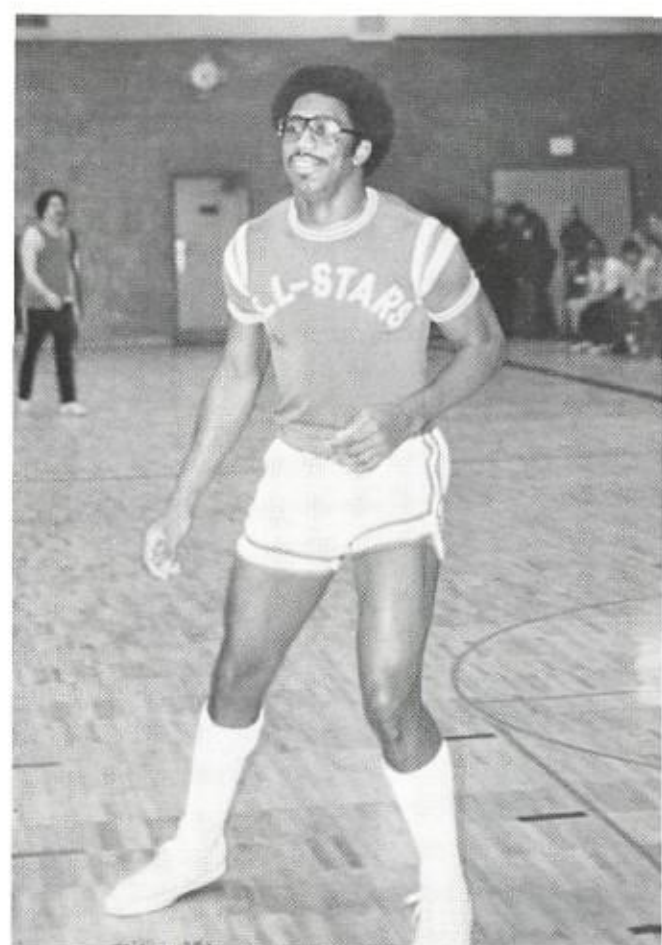

The Interact Club, under the leadership of Mr. Finnerty, kept busy this year by keeping the current events sign up to date. The primary purpose of the sign is to keep people aware of the numerous school activities occurring throughout the year, but the sign has also been used for inspirational messages as well. Another important responsibility of the club is to operate the satellite libraries throughout the school.

The Z Club can always be counted on to assist people in need.

The Interact Club poses in front of their current events sign.

The Key Club (upper left) raised funds by bringing professional athletes to school to play the coaches. The coaches won 57-53. Turner, Giants (center left), Ed Kranepool, Mets (center right), Tom Veryzer, Indians (left), and Bob Molinaro, White Sox (above).

'Tis All a Great Show

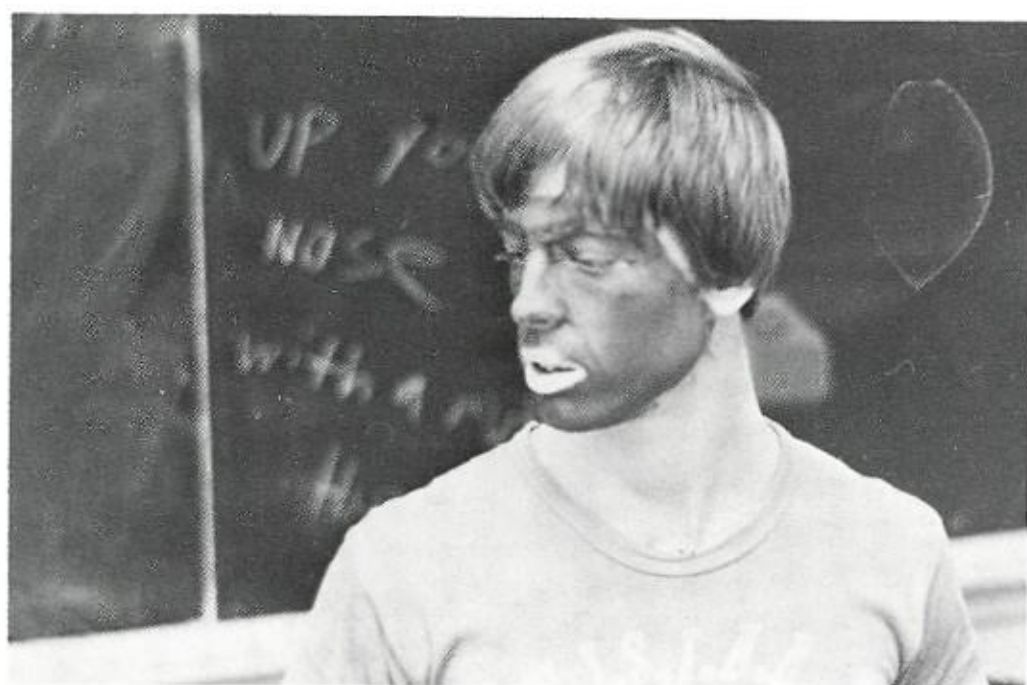

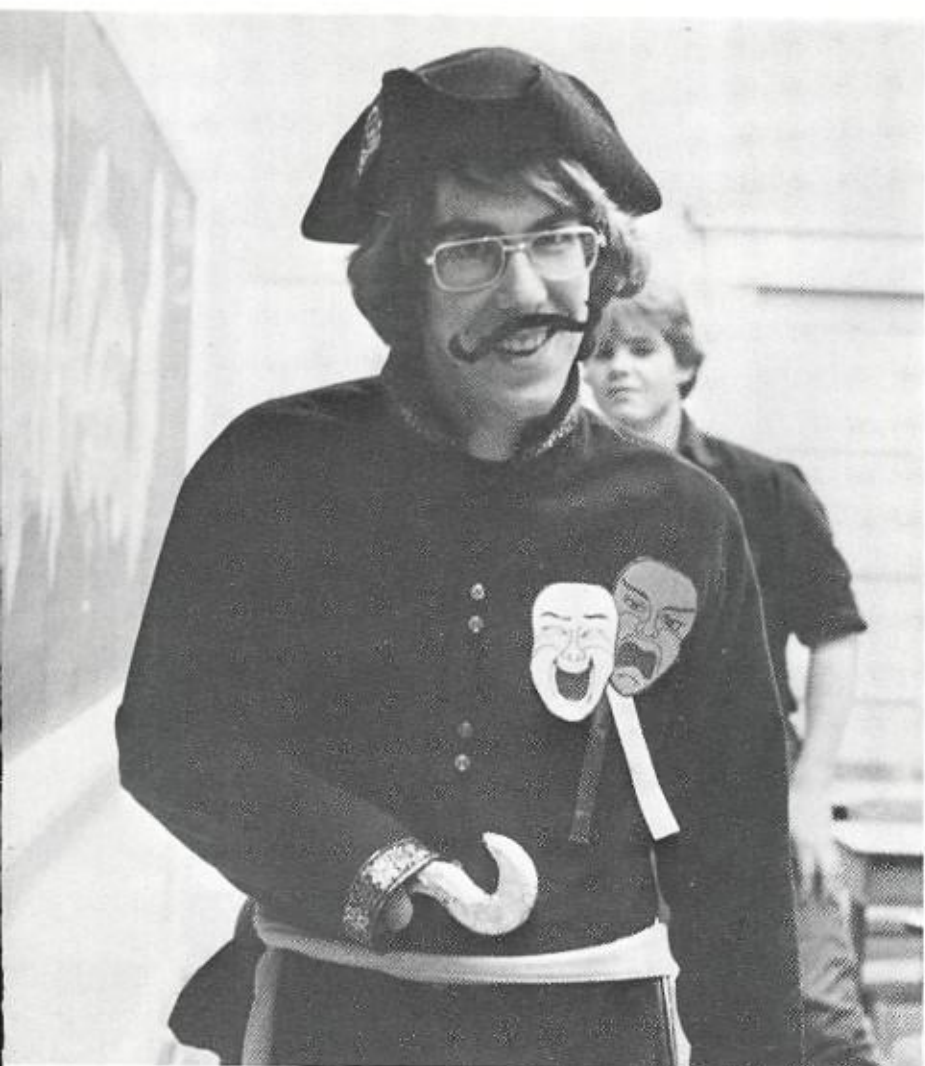

Stage productions at B. B. H. S. are usually so large that they require the efforts of at least three different organizations. One of the main organizations is the B. B. H. S. Players. The Players conduct acting classes and folk dance classes throughout the year. This year they performed BRECHT ON BRECHT as a tournament play. However, one of the club's most important activities is the spring musical which involves students, teachers, and citizens of the town. CAROUSEL is scheduled for April and, if past performances are any indication, should be a smash hit. The B. B. H. S. Players are led by President Robert Romano, Vice President Chris Albert, Secretary Nancy Preteska, Treasurer Maureen Mulvihill, and Historian Scott Kincel. Mr. Saginario serves as advisor.

If a student takes an active part in the work of the B. B. H. S. Players, he or she may be elected into the International Thespian Society. The International Thespian Society is an honor organization. Among its many activities the Society raises money each year for a scholarship for one of its senior members. The Society is led by President Bob Wentworth and Vice President Larry Gambino. The advisor is Mr. Saginario.

Of course none of the stage productions can take place without the expert work of the Stagecrafters. These students do the creative and imaginative lighting and scenery for all assemblies, plays, and concerts. The organization is led by President Chris Albert, Vice President Patty Salvatore, and Treasurer Kelly Clark. Mr. Miller is the advisor.

Three big organizations involved with the stage are the B. B. H. S. Players (upper right), the International Thespian Society (center right), and the Stagecrafters (right). Larry Gambino (above), who starred in last year's production of THE MUSIC MAN, is back for his senior year with the Players.

Before being elected to the Thespians, a player must pass an initiation such as that being done by Don Clark (upper left), Jayne VanDoren (upper right) and Kathy Schuyler (center left). Some English students get to experiment with make-up as Walter Gannone does on Mike Morrissey (center right) or Bob Wentworth (left) and Joe Minerd (above).

The Art of Working Well

The newly formed Art Club, under the supervision of Miss Kathy Davitt, has had a very successful first year. Among some of the projects that the Art Club has completed are full-figure plastic models of some of the club members and posters and T-shirts made to raise funds for the organization. The club is also proud to have taken part in a trip to see the treasures of King Tut.

Leading the Art Club are President Sue Havran, Vice President Victor Corbo, and Treasurer Pat Hoey. Chris Kretch and Sue Havran serve as poster chairmen.

Watching Life Through a Lens

If a picture's worth a thousand words, then the Photo Club's worth volumes. Every week after taking pictures, the members meet to develop their pictures and critique the results. If the results are good enough, the pictures are displayed in the special display case outside the A. V. office. The object of the display case is to publicize students and events at H. S. Such happenings as the Homecoming, the basketball team's victory over Greenbrook, and students' efforts in Industrial Arts, Home Economics, and Art were publicized this year. The display case is used to honor individuals like Jack Schrader's winning of the mayor's trophy and Bill Vadinsky's winning of 1000 points in basketball. However, the most important function of the Photo Club (as far as the ECHO is concerned) is the contribution of their pictures to this volume. The help of the Photo Club is greatly appreciated by the 1979 ECHO Staff.

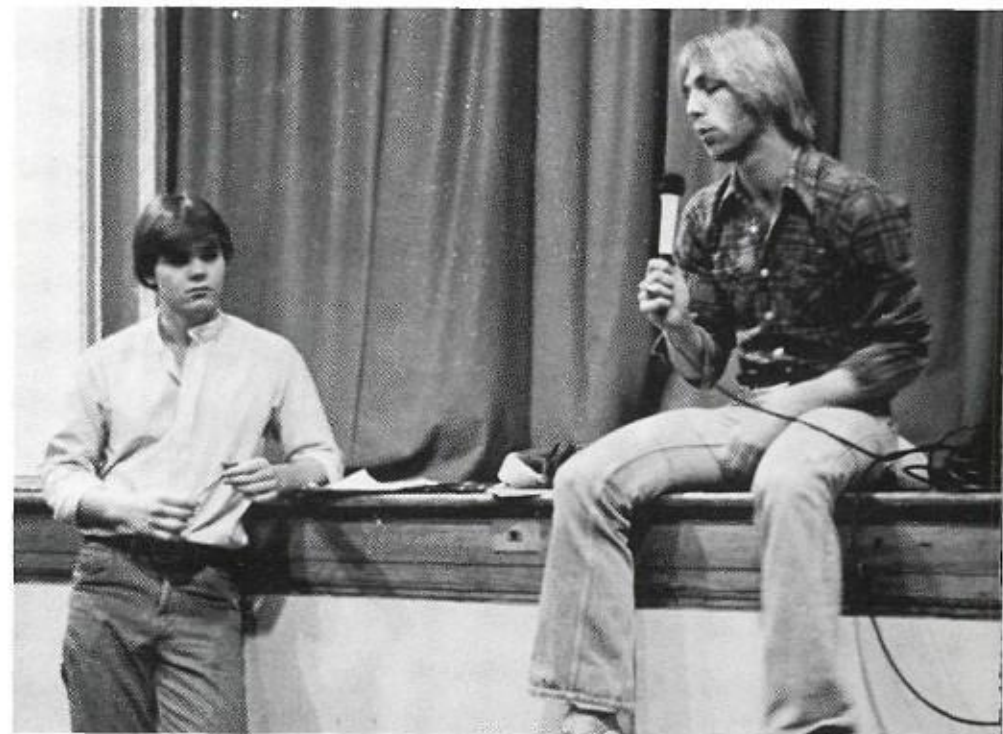

Eads (upper right) examines her negatives, while Jim Daniel and Karl Troeller (upper left) work in the darkroom. Bennett Galvacky and Tim Albert (center right) are unsure whether to pose or take pictures. The Photo Bugs come out of the darkroom (above) to have their picture taken.

Student Council Out for Blood

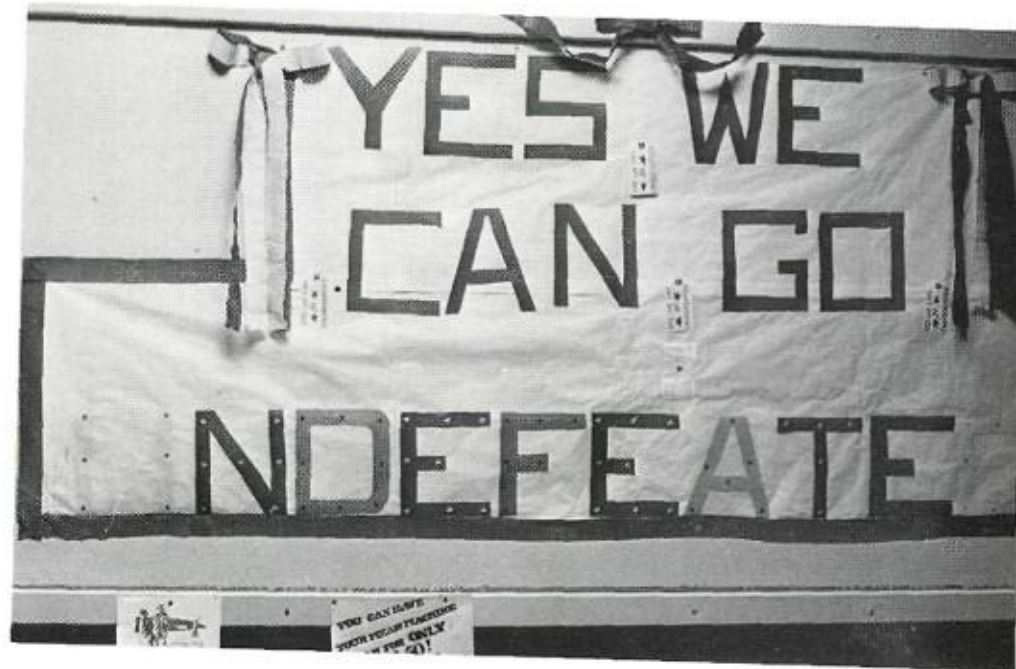

School spirit was the focus of this year's Student Council. A bonfire before the Middlesex football game, poster contests, and the resurrection of the budget ticket were all aimed at encouraging students to participate in school activities.

Putting some new blood into their usual programs was a blood drive giving seventeen and eighteen year old students a chance to help their community. The turnout at the first drive, October 10, was so enthusiastic that another one was planned for the spring. In the same vein was a Non-Smoking Program for students and teachers during the months of November and December.

Other activities sponsored by the Student Council are a car rally, a student fair, a school picnic, and various dances held throughout the year. The officers of the Student Council are President Richard Sands, Vice President Brian Gibbs, Corresponding Secretary Brenda Sara, Recording Secretary Joe Wroblewski, and Treasurer Paul Dura. Tom Trombadore serves as liaison to the Board of Education. Other executive board members include Victor Corbo, Debby Lore, LuAnn McHugh, Nick Palczuk, and MaryAnn Trombadore.

This Club Means Business

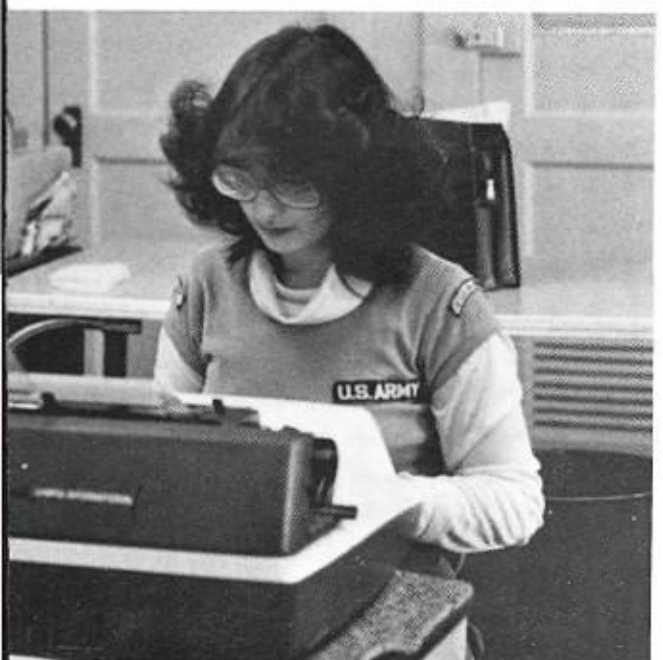

The Business Club has had another active year starting with their annual corsage sale for the Thanksgiving Day Football Game. The group, advised by Mr. Calderone, also hopes to support various awards given annually to Business students. As a culminating activity, the club visited New York City to see the hit play GREASE. The Business Club is led by President Anne Kilcoyne, Vice President Cindy Fallis, Secretary Denise Stout, and Treasurer Donna Fallis.

Officers prepare for a meeting (upper right, left to right) Cindy Fallis, Anne Kilcoyne, and Denise Stout. The Business Club (center right) Concessions help raise funds for the club (right). Meetings can be long and boring or a lot of fun as evidenced by the pictures upper left, center left, and above.

Mixing School With Employment

The C. O. E. Club meets daily as part of the curriculum, but they also go beyond the classroom. They have candy sales, basketball concessions, car washes, pizza parties, softball games, and an end-of-year banquet with the cooperating employers. This has allowed the students to gain practical office experience. The club is led by President Louise [Name], Vice President Janet Kaminsky, Secretary [Name], and Treasurer Darla Swope. Ms. Gribi is the advisor.

Patti Stine sharpens up her typing skill (left). Mary Panariello (above) finds time to laugh even in C. O. E.

Ave Emhoff! Morituri te salutamus

The Latin Club had another enjoyable and successful year under the supervision of Miss Janet Emhoff. Among the activities held this year were the traditional slave sale where over thirty Latin members were sold, the Latin Christmas party, and bake sales. Several club members also accompanied Miss Emhoff to Greece. However, the highlight of the club's activities this year, as in so many years past, was the annual Latin banquet. Long before ANIMAL HOUSE popularized toga parties, the Latin students would don bed sheets, silk cloths, or anything resembling a toga and attend a traditional Roman feast. This year was no exception as over fifty well dressed Latin students ended the academic year at the Latin banquet.

Leading the club were Consuls Tom Trombadore and Tracey Stewart, Secretary Mims Tuzzo, and Treasurer Ellen Morgan.

French Club Plays Cupid

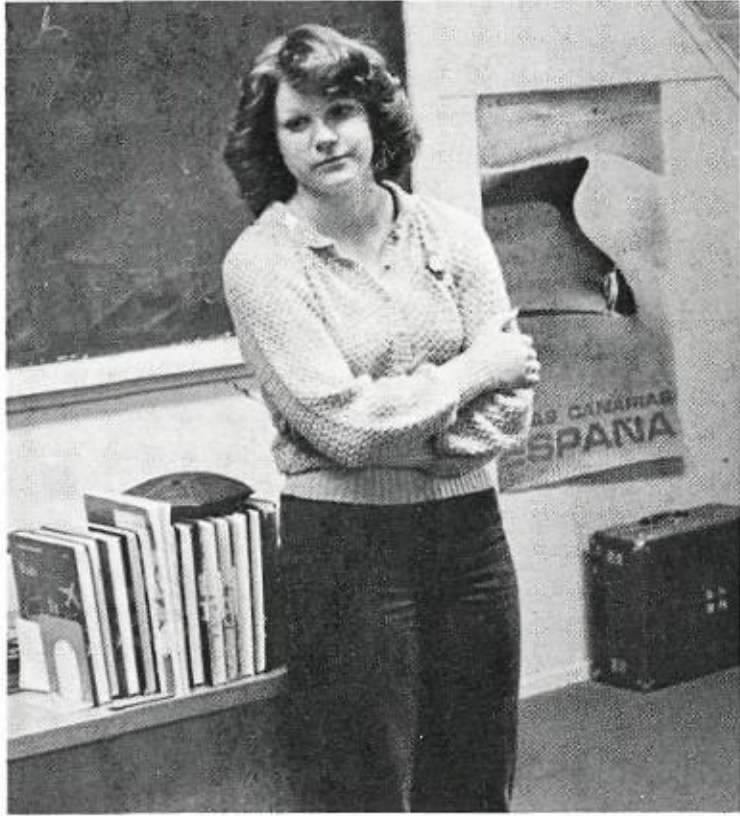

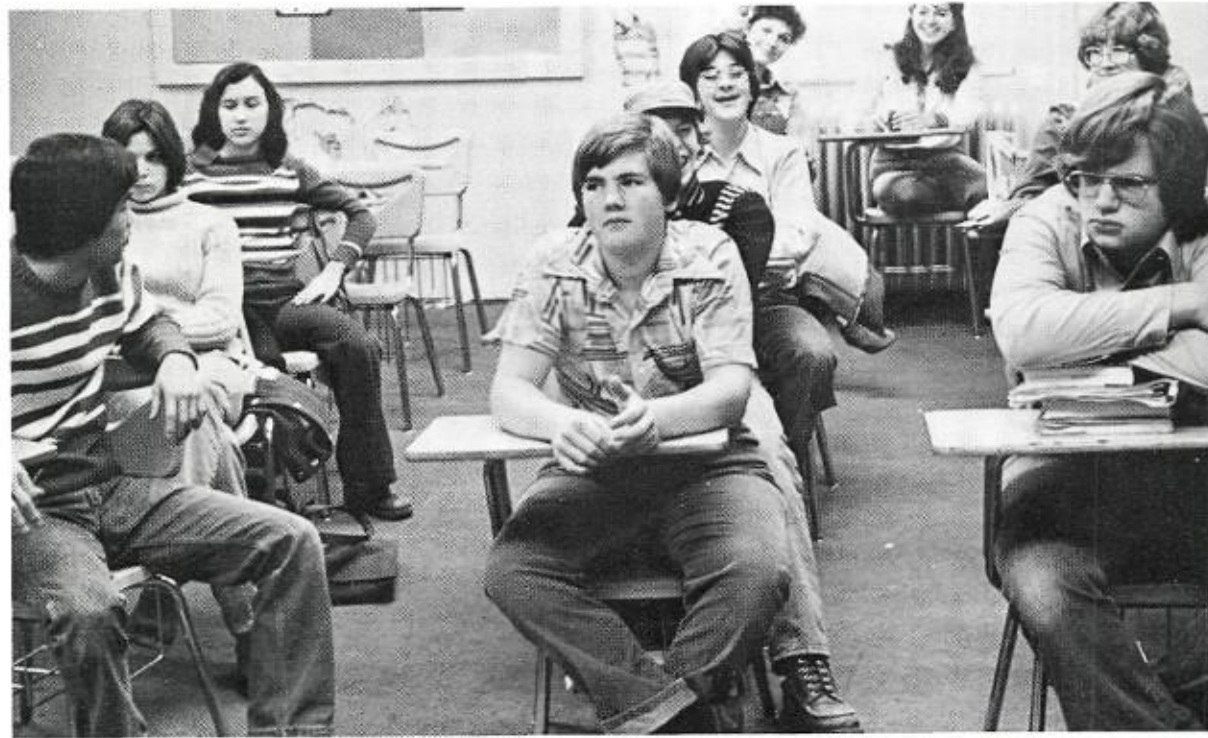

The 1978-79 school year has been a very prosperous year for all clubs, but one club in particular accomplished a great deal. The French Club had a long list of activities including the Halloween Costume Celebration, Christmas activities with the Latin Club, a trip to New York, and a Valentine's Day Sale of specially delivered Valentines. The French Club is led by President Susie Coccia, Vice President Bernadette Ulmer, Secretary Laurie Guydos, and Treasurer/Social Chairperson Clare Neary. The advisor is Mrs. Young.

Playing Cupid was a real joy for the French Club. (upper right) Brenda Sara and Maureen Yanchuk are waiting to deliver the next loving message. Kelly Clark (upper left and center right) really enjoyed the work. The French Club (above) in their somewhat formal pose.

Busy Year for Spanish Club

The Spanish Club, with Miss Biagini as their new advisor, went to New York City for a Spanish dinner and a movie. They also saw a flamenco show. The Spanish Club also had a Spanish dinner in school and planned to invite several guest speakers to their meetings. The Spanish Club is led by President Maureen Yanchuk, Vice President Diane Gaglia, Secretary Cathy Soveski, and Treasurer Barbie Sargent.

Fun in the Snow

The Ski Club, or Les Alpinistes as they prefer to be called, is one of the clubs truly dedicated to having a good time. Three trips to Elk Mountain provided the members with enough fun and excitement to last all year. Plans are in the works for a possible ski weekend in the near future. Mr. Miller is the advisor to this club.

Sadie Hawkins Dance - A Social Highlight

The annual Sadie Hawkins Dance was held on Friday, December 22, in the B. B. H. S. Gym. This semi-formal affair attracted more than 100 couples. An assortment of music ranging from "Jingle Bells" to "My Way" was provided by "Summer Breeze." The highly successful dance was sponsored by the junior and senior classes and should help offset the cost of the spring prom.

New Clubs Make the Scene

It seems every year students find a new interest and establish a new club to foster that interest. This year is no exception. A brand new club at B. B. H. S. is the Footlights Club. The main purpose of this organization is to see plays. Whenever possible, the club takes advantage of student rates or group discount tickets. The club has gone to see EQUUS and THE ROBBER BRIDEGROOM at Douglass College, THE NUTCRACKER SUITE at the Paper Mill Playhouse, and DRACULA in New York. The Footlights Club is led by President Trish Fogarty, Vice President Mims Tuzzo, Secretary Susie Coccia, and Treasurer Bernadette Ulmer. Mrs. Battaglia is the advisor.

Another new organization is the Library Council. The club has visited other libraries in the area to learn other methods and ways to improve our own high school library. The officers include President Donna Natalizio, Vice President Jenny Wilchuck, Secretary Tammy Cragg, Treasurer Nancy Dambrauskas, Program Chairperson Bob Wentworth, and Reporter Sally Natalizio. Ms. Kamen is the advisor.

Although started last year, the Geology Club (Rock Hounds) is still in its infancy. The club does all sorts of exciting things such as white water rafting trips, fossil hunts, cave explorations, and rock polishing. The Geology Club is led by President Craig Greco, Vice President Richard Sands, Secretary Nick Palczuk, and Treasurer Ken Barna. Mr. Bauer serves as advisor.

The Longest Season

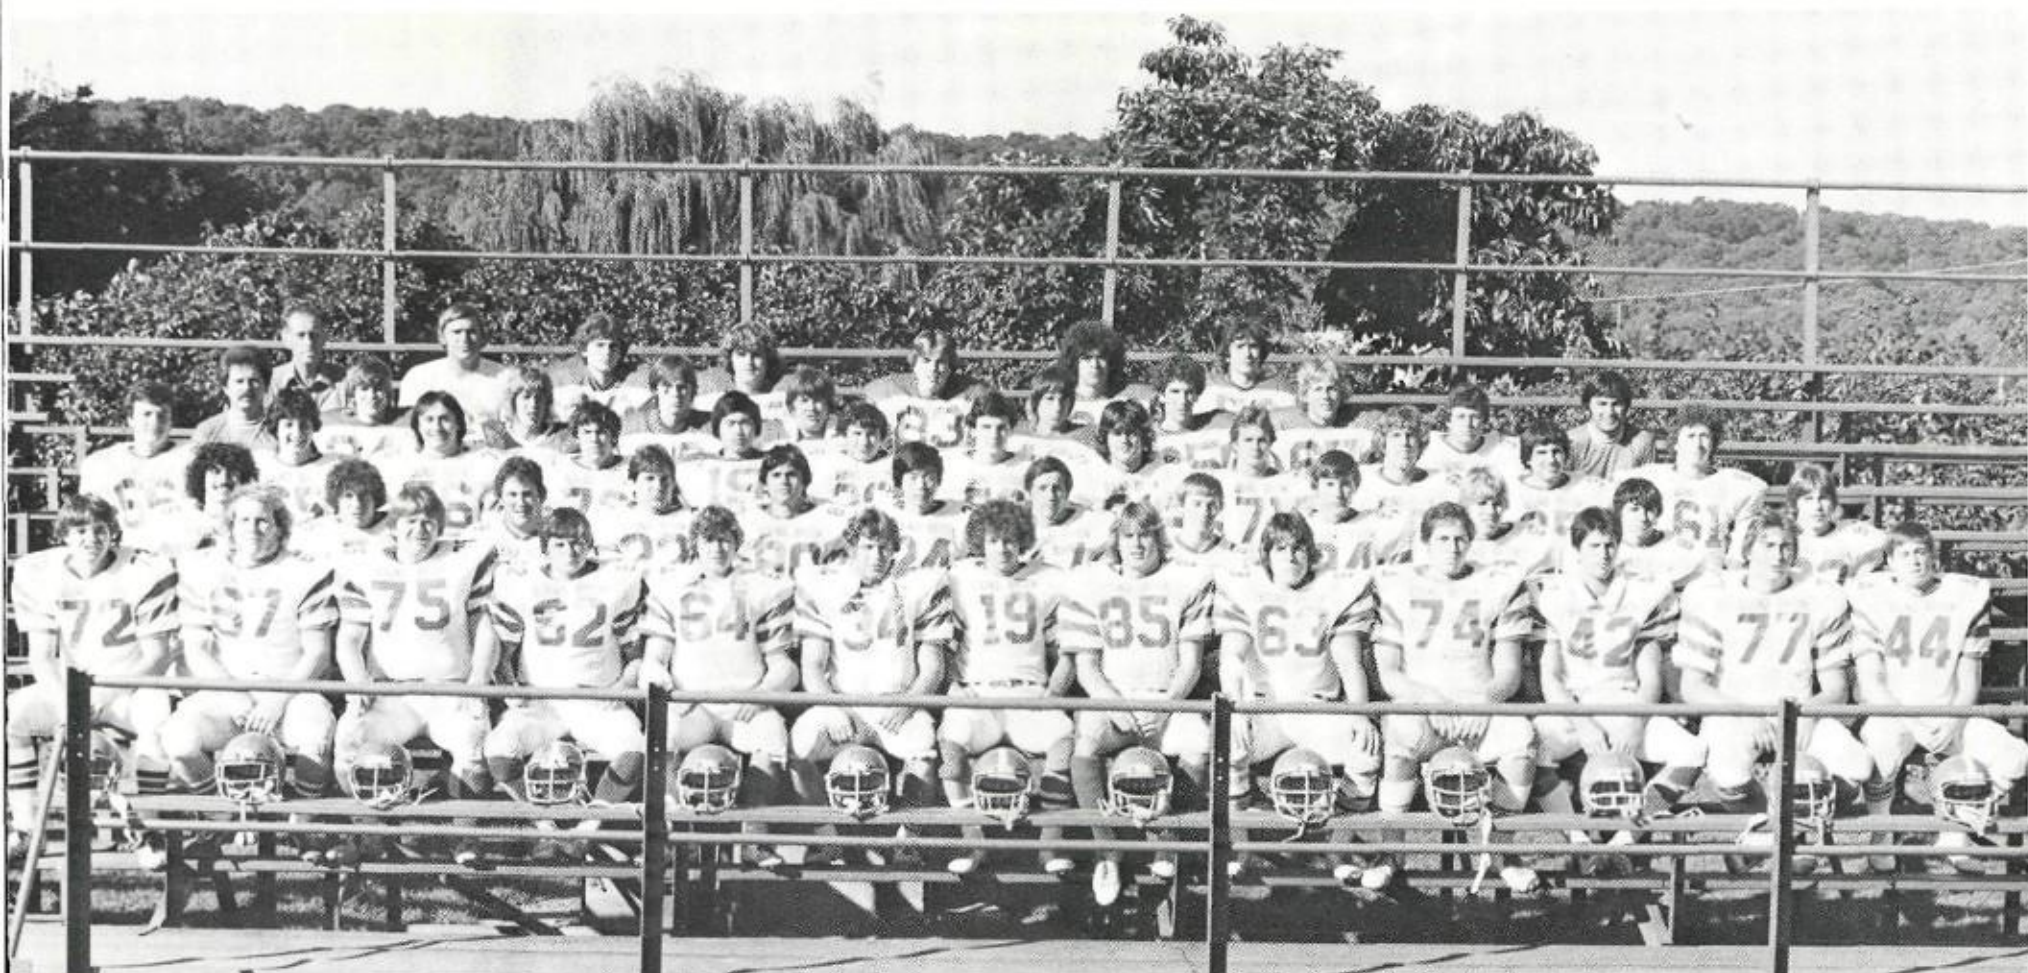

This year's varsity football team compiled a fine 9-3 record over the longest season recorded in Bound Brook history, encompassing a twelve week period. While winning the Valley Division of the Mountain Valley Conference, the Crusaders recorded impressive victories over Immaculata, 6-0, Kenilworth, 18-8, Manville, 24-0, and Metuchen, 20-8. The only conference loss came against Roselle Park, 14-0. Other regular season wins came against Bernards, 32-14, Middlesex, 16-15, and Green Brook, 14-6. The only other regular season loss came against Somerville on Thanksgiving Day, 24-0. This years team was also Central Jersey runners-up by decisively defeating Keansburg, 20-16, and Green Brook, in the midst of controversy, 18-8. The Crusaders lost in the Central Jersey finals against a tough Highland Park team, 24-6, while playing on a rain drenched field in freezing weather.

High Powered Offense

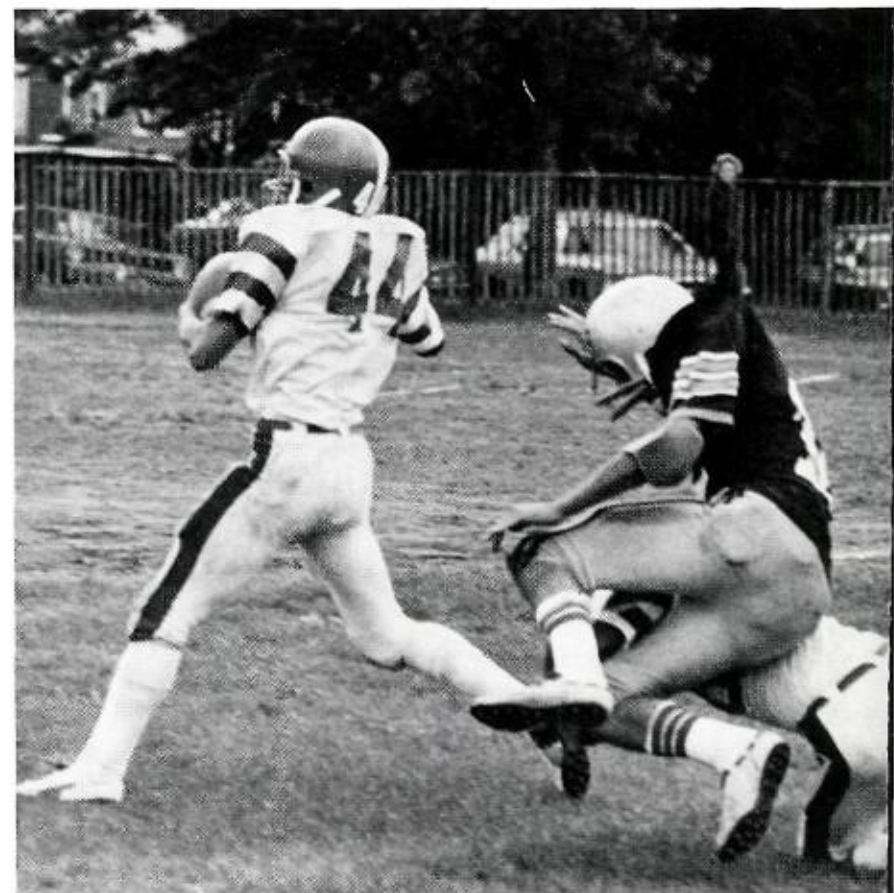

The Crusader offense, led by the running of tailback and co-captain Larry Gambino (1462 yards rushing and 10 touchdowns) and the expertise of junior quarterback Nick Palczuk (36 completions for 437 yards and five touchdowns) compiled a total of 2806 yards and 168 points.

An important factor in the success of this year's team was the versatility of the offense. When the running game, led by Gambino (6.06 average), Jack Schrader (463 yards for a 4.13 average), and Joe Minerd (156 yards for a 7.42 average) wasn't working, Palczuk switched to the aerial route. The success of the passing game this year was instrumental in achieving the outstanding record of 9-3. The receivers, led by seniors Bob Mackey (18 receptions for 188 yards), Pg Steinhauser (10 receptions for 143 yards), and junior Ben Fiorentino (5 receptions for 56 yards), combined to score 60 points.

It is a proven fact that the offensive line either makes or breaks a team, and this year's record is indicative of the fact that the Crusaders' cast was second to none. The line was led by seniors Dave Wolk, guard; Ken Morrissey, guard; Brian Gibbs and Tom Applegate, centers; and Pat Izzo, tackle. Also turning in impressive performances were senior John Wroblewski, junior Joe Ciminelli and sophomore Mike Peppe rotating at the left tackle position.

Another sign of an outstanding team is the ability to rebound after a key injury. This trait was clearly evident when senior Ken Barna, coming off of an earlier injury himself, filled in late in the season for injured quarterback Nick Palczuk and turned in a fine performance.

With the success of this year's team, Coach Eutsler can be very optimistic about next year. With an outstanding corps of underclassmen returning, including juniors Nick Palczuk, Ben Fiorentino, and Joe Ciminelli and sophomores Tom Wolk, Mike Peppe, and Steve Morrissey, the outlook for the future looks bright.

Stingy Defense

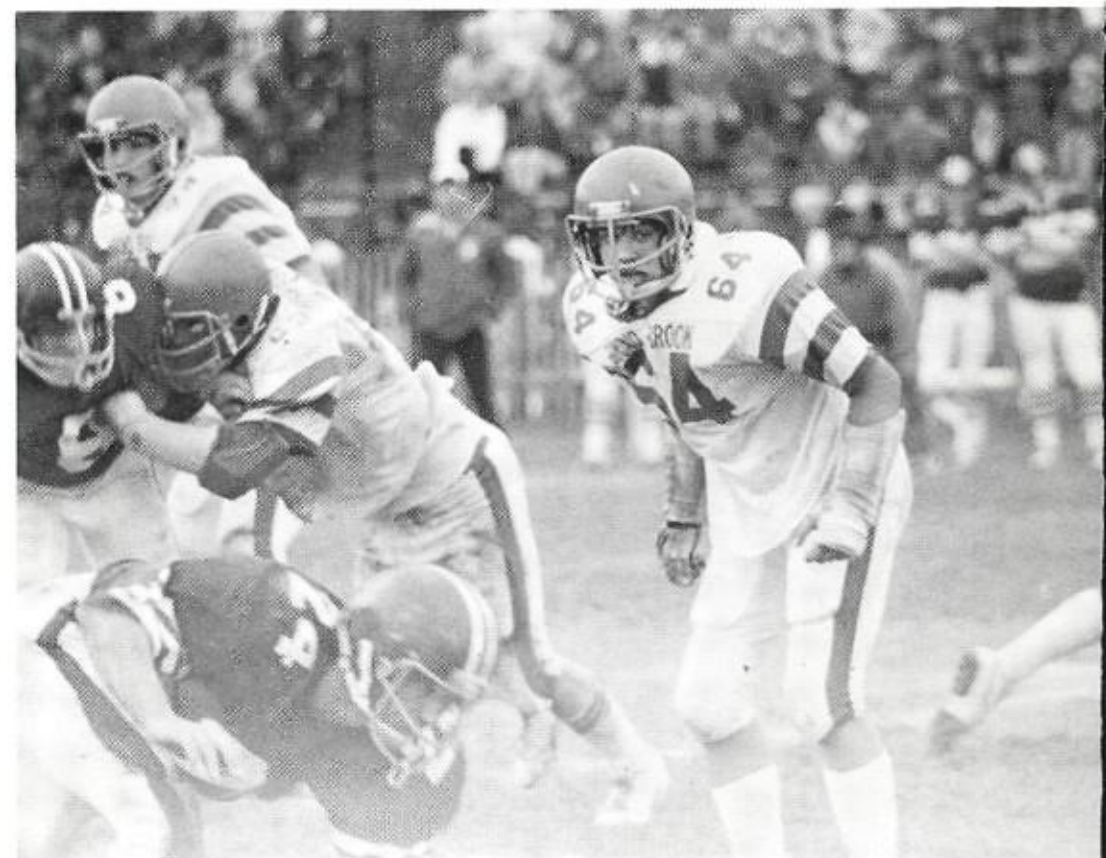

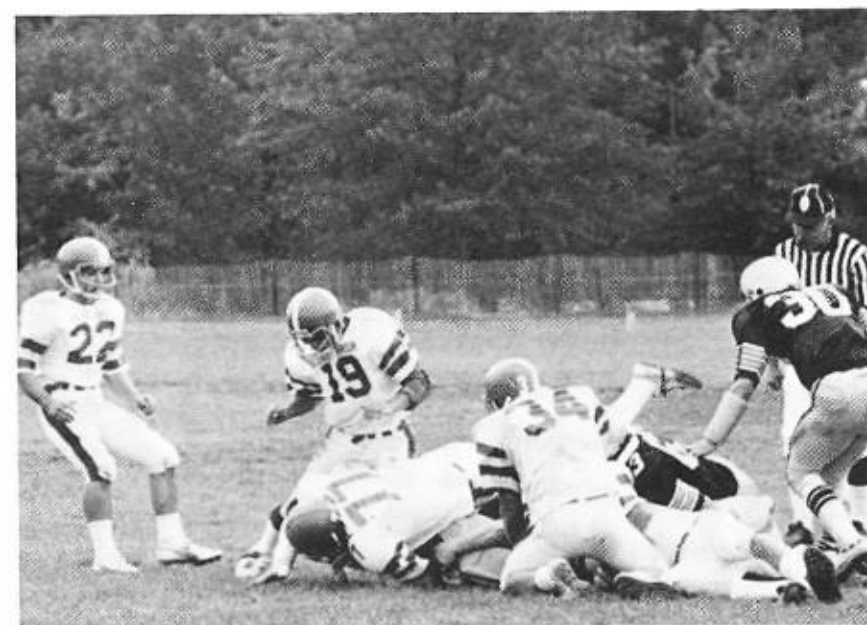

The Bound Brook defense displayed many of the characteristics needed to achieve a successful season: tenaciousness, desire and illiberality, are only a few.

The Crusader defense, led by senior linebacker and co-captain Jack Schrader, allowed the opponents only a stingy 136 points in 12 games. The defense also accomplished an almost impossible feat by registering three safeties in the season including two in one game.

Outstanding performances were turned in this year by seniors Schrader; Pg Steinhauser, defensive back; Bob Mackey, defensive back; Ken Morrissey, end; Joe Porembo, tackle; and Dave Wolk, middle guard. Juniors John Maggio and Carmine Pirone, and sophomores Fred Pirone and Ken Spiller, helped the staunch defense gain its tough reputation.

The defense registered two shutouts: Immaculata 6-0 and Manville 24-0, and proved extremely rapacious in the other games.

With the outstanding performances turned in by underclassmen on this year's unit, the tradition of tough defenses at Bound Brook seems to be in safe hands.

Varsity Defense—(kneeling, left to right) Rich Schindelar, Jack McDonald, Dave Wolk, Joe Poremba, Ken Morrissey; (standing, left to right) John Maggio, Carmine Pirone, Pg Steinhauser, Jack Schrader, Larry Gambino, Bob Mackey.

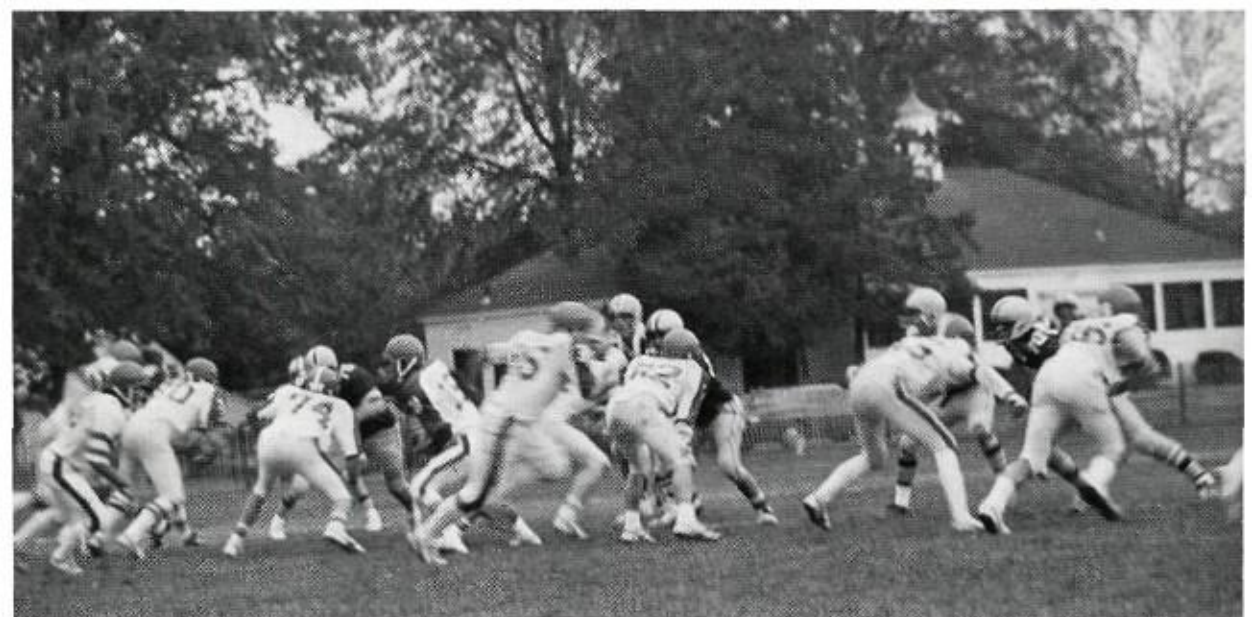

The 1978 Crusaders were recognized for their outstanding abilities by winning many awards. Larry Gambino was named running back for the M. V. C., Somerset County, third team all area, Group I all state, and was co-recipient of the team's M. V. P. Bob Mackey, who was the other co-recipient of the M. V. P., was honored as tight end for the M. V. C., Somerset County, honorable mention all area, and Group I all state. He was also named defensive back for Somerset County. Jack Schrader was awarded the Mayor's Trophy for the Thanksgiving Day Game. He was also honored as defensive linebacker on the M. V. C. team, Somerset County team, and the all area team. Dave Wolk was named to the M. V. C. team, the Somerset County team, and honorable mention all area team as a defensive guard. Pg Steinhauser, defensive safety, made the M. V. C., honorable mention Somerset County, and third team all area. Pat Izzo, tackle, made the M. V. C. and honorable mention Somerset County. Ken Morrissey made defensive end for the M. V. C. and honorable mention all area. Nick Palczuk was selected as quarterback for the M. V. C. and honorable mention all area.

J. V.'s Post Winning Season

The J. V. Football Team wound up its season with a 5-3 record, the biggest win coming against Roselle Park to avenge one of the Varsity's losses. Coaches Koupiaris and Franzysen felt their players came a long way during the season; some of them even wound up playing varsity ball. Outstanding performances were turned in by Dennis Romano, nose guard, Steve Morrissey, end, and Fred Pirone, linebacker. The offensive standouts were high scoring Tom Wolk, halfback, Mike Peppe, end, and one of the most improved linemen Ken Bedi, guard. Coach Franzysen was also quick to add that Ken Spiller, who was out all season with an injury, would have helped the team tremendously.

Kim fakes a handoff to Pezzella and gives the ball Capalbo (center right). The defensive line (left) is ready for action. Tom Wolk follows through on power-sweep (above).

Freshmen Have Problems

The Freshman Football Team started out with only eighteen players, but by the end of the season they were up to thirty. As the numbers improved so did the quality of play. The team salvaged a 2-7 record which included wins against Metuchen and Kenilworth. Greg Pulsinelli, Glen Teryek, and Ricky Muniz provided most of the team leadership. A very pleasant surprise was the rapid development of defensive guard Kimber Decker who had never played football yet became an outside asset to the team.

Cross Country – Winners Again!

Bound Brook Cross Country did it again. They closed the season with an unbelievable 13-1 record, compiling an overall 71-2-1 record over the last five years. Other achievements this year included a third place in the Bernard's Invitational, a fourth place in the Shore Invitational, a third place finish in the Mountain Valley Conference, a second place in the Central Jersey Group I Tournament, and a fourth place in the Group I State Meet.

For Coach Bauer, who smashed the 100 win barrier this year, it was, "One hell of a season. A season marked with injury, illness, and lack of depth turned into a very successful season through guts, hard work and determination from all members." Experience in a winning tradition played an important role in this year's season and this experience was provided by a solid core of seniors: Captain Tom Trombadore, Co-captain Stephen Lee, Ken Lewis, Brian Sudano, and John Machala. Juniors: Frank Nanna and Bruce Enalls turned in excellent performances throughout the year, while Todd Teryek and the famed Charlie Lewis provided the team with "guts and grins." The mainstay of the team, however, was only a sophomore. Super Soph, Dan Kopf, led the team to endless victories. He was only the second Bound Brook harrier to make the N. J. State Meet of Champions and Bound Brook's third M. V. C. Champion.

Girls Building a Dynasty

Even though this is only the third year for girls' cross country at B. B. H. S., the team was excellent. Despite getting off to a slow start, the girls ended the season powerfully by winning the V. C., taking third in the county meet, and capturing an impressive fourth place finish in the Central Jersey Group I Meet.

The team was headed by the super sophomore Captain Lisa Stewart and Co-captain MaryAnn Trombadore. They led the team to the conference title by taking first and second places. Their fourth and sixth place finishes in the county meet catapulted the team into third place. Most of the other runners are also sophomores: Janice Jannuzzi, Theresa Howell, Carmen Rodriguez, and Laura Pitoscia. Junior Tracey Stewart, who has been in girls' cross country since its inception, provided much of the experience while freshmen Heather Morgan, Lynda Bocchino, and Sue Juliano were Coach Bauer of many future winning seasons.

An amazing statistic about this team is there is not one senior on the team; the girls' team should be tough for years to come.

Following in varsity style, the junior varsity closed its season with a 10-1 record and a conference title. Key runners this year were juniors Bruce Baita, Bruce Enalls, Joe Wroblewski, Jim Lopa, and Keith Fasanella. Sophomores Steve Huszar and Jeff Chambers also added depth to the team. Replacements for the graduating varsity men will definitely come from the ranks of these J. V.'s.

Young, But Very Tough

These amicable, young freshmen may seem harmless, but in a race they can be very unfriendly. The team featured three outstanding runners: Aziz Ahmed, Kenny Reese, and Gary Graber. Coach Bauer feels very strongly about the potential of these runners. From left to right, Kenny Reese, Aziz Ahmed, Mike Sullivan, Mike VanDidden, Frank Ward, and Gary Graber.

Junior High Growing Fast

Headed by Coach Burnett, the junior high team was able to gain valuable experience in competing under race conditions. It's training like this that enables B. B. H. S. to continuously rank so high in cross country. (Standing, left to right) Coach Burnett, Barry Carasoni, Kathy Harrison, Jennifer Breyan, Scott Kincel, Carlo Spellitti; (Center row, left to right) Steve Seymour, Sal Sinibaldi, Augusto Rodriguez, Tom Malaiko, Judy Burke, Margaret Donlon; (Front Row, left to right) Kelly Clancy, Paul DeStio, Yvette Rodriguez, Jennifer Januzzi, Fred Holub, Mark Sinibaldi, and Dominick Caldarone.

Gymnastics Team Swings Through Season

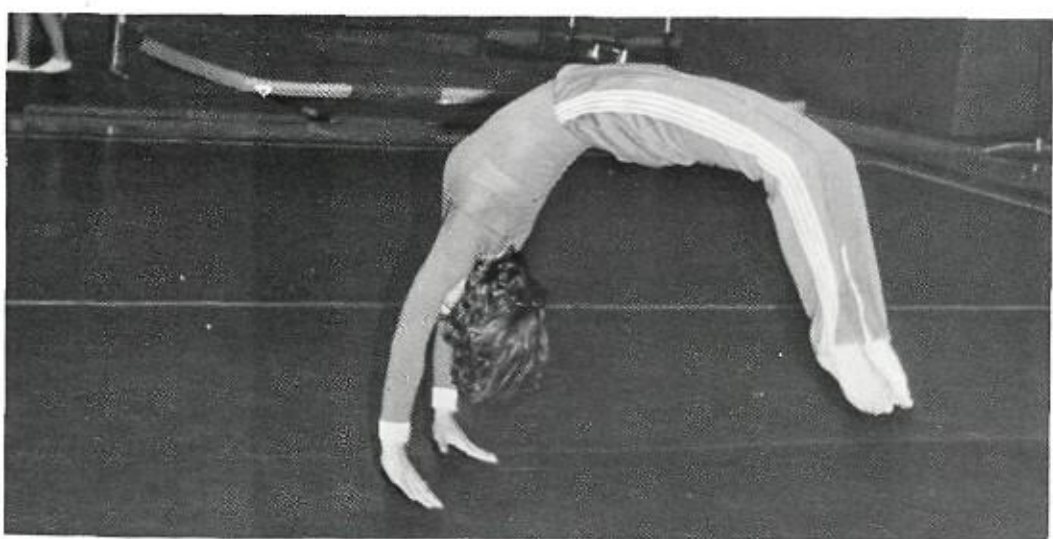

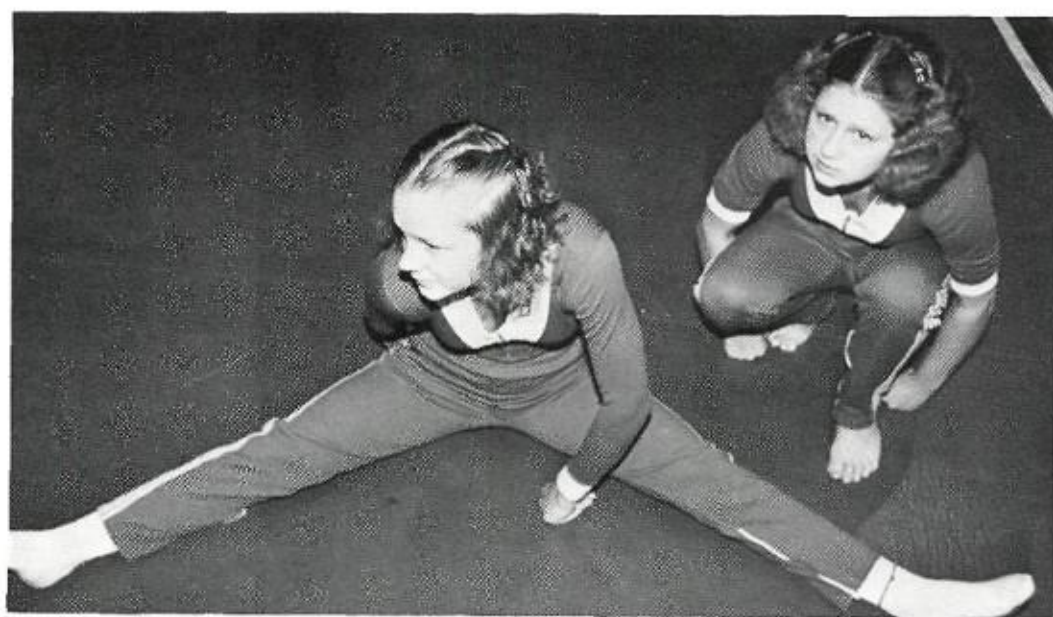

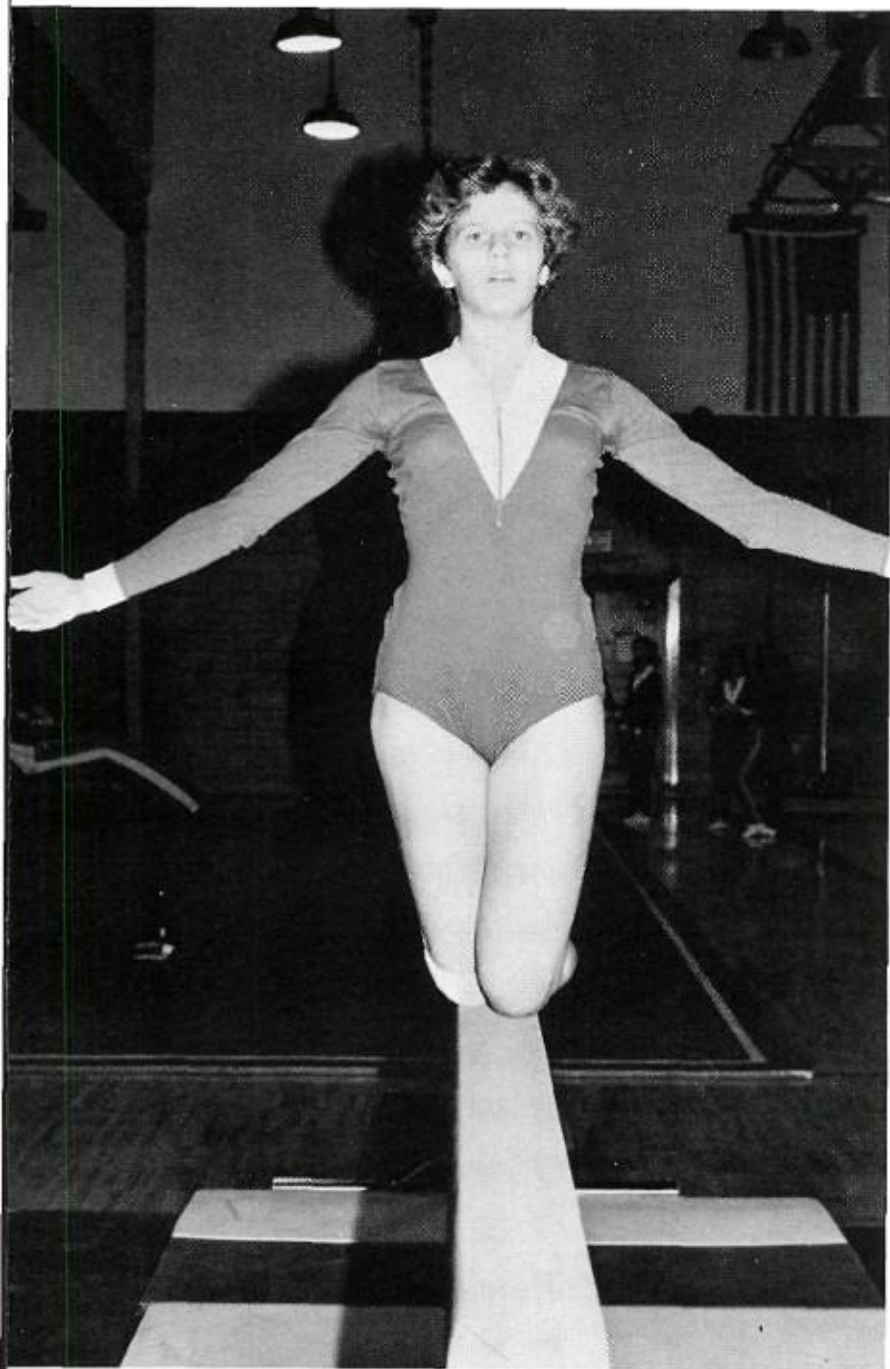

The Gymnastics Team finished the season with a 9-4 record, the same as last year. This year, however, the losses were much closer. The team continued to improve throughout the season ending with an all time high of 83.15 points in the year's last meet against St. Peter's. Three of the girls qualified for the sectionals: Patty Moraski, in vaulting and bars; Laura Keogh, in vaulting; and Theresa Boyea, on beam. Patty Moraski also took a second place in vaulting in the Somerset County Tournament where she scored an 8.7. Patty won the team's Most Valuable Player award. She, along with Laura Keogh, is a senior; the rest of the squad consists of underclassmen which helps make the future look brighter. Two of the brightest spots are Theresa Boyea, who won the team's Most Improved Performer, and Aimee Yachera, who did a "hecht" of a job all season.

Tough Year for Girls' Tennis

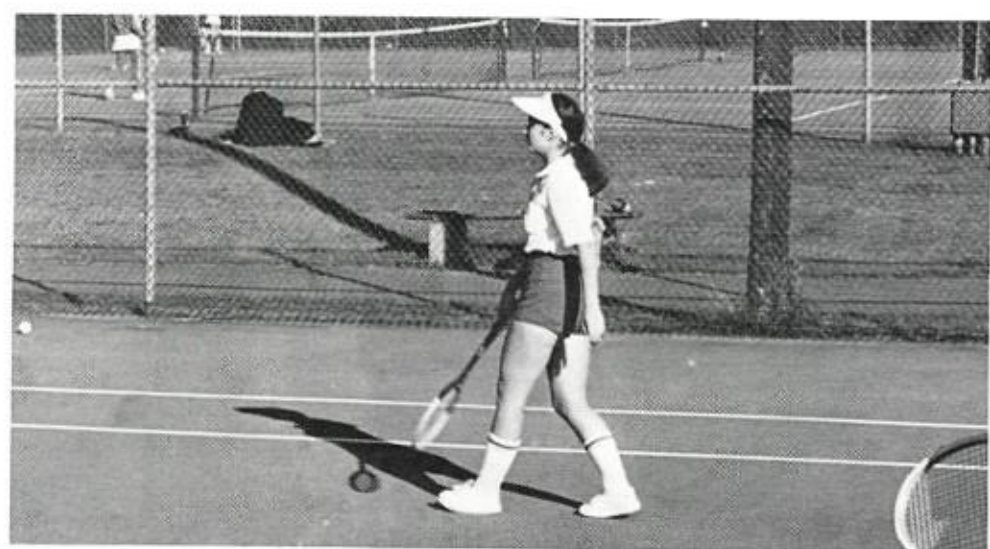

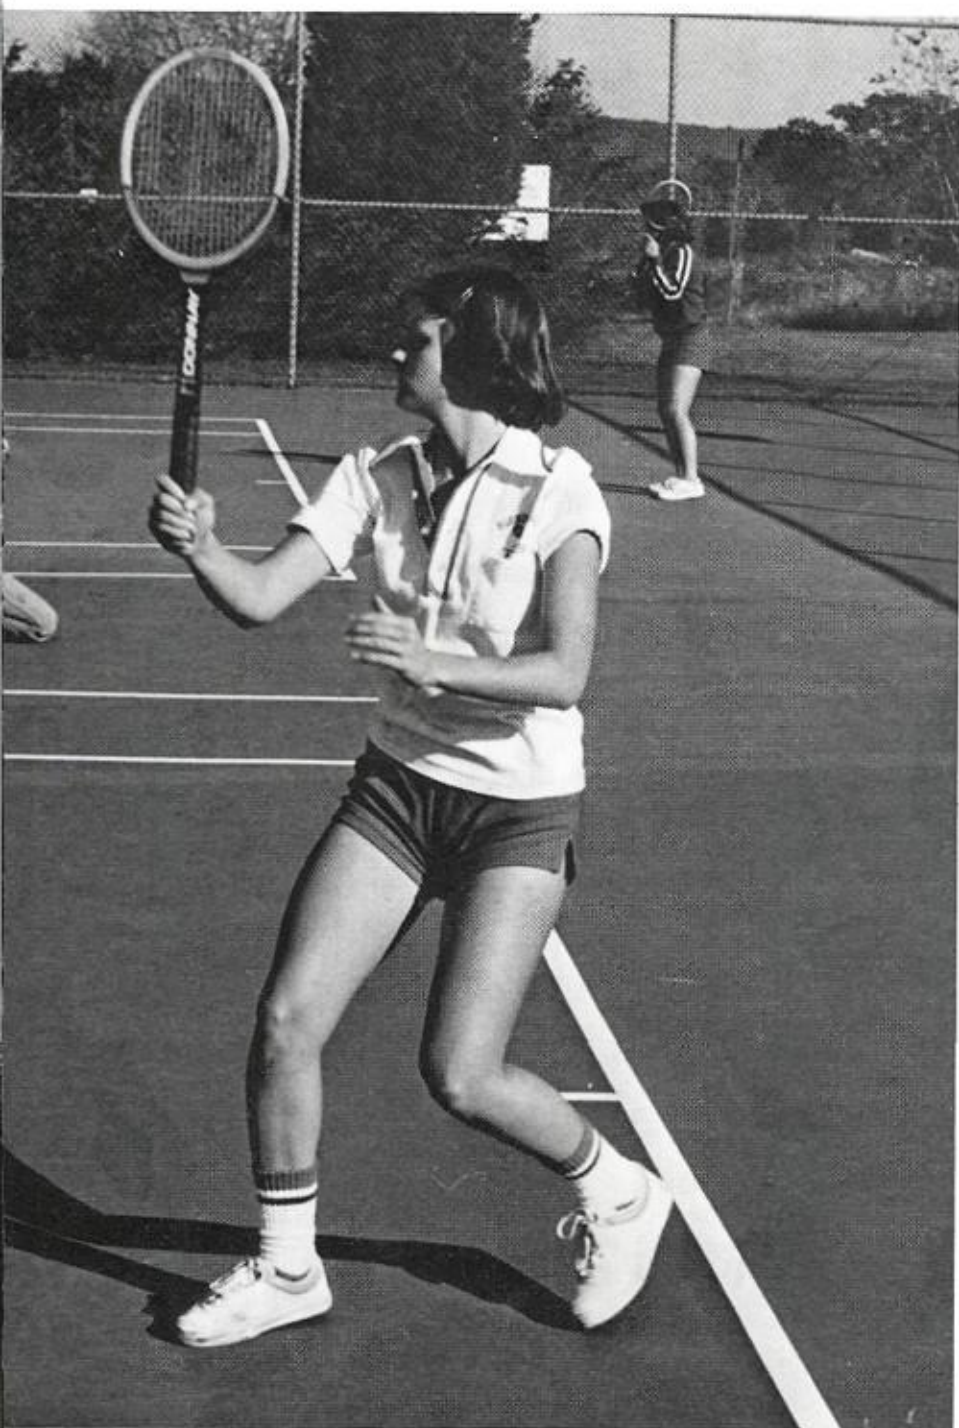

The Girls' Tennis Team finished with a disappointing 2-17 record. The basic problem was the lack of experience on this year's team. The only girls returning from last year were the single players: number one MaryAnn Tarantino, number two Chris April, and number three Deirdre Driscoll. To make matters even more difficult, this was the first year for singles play for both Chris and Deirdre. Lisa Woldin, who saw some action last year, teamed up with Nancy Graebener to make up the first doubles. The second doubles consisted of newcomers Debbi Spenger and Nancy Barna. The third doubles team was Donna Orlando and Dina Impellizeri. Coach Augis is losing two seniors this season—M. V. P. MaryAnn Tarantino and Nancy Graebener. With this in the back of his mind, Coach Augis hopes to build a winning season next year.

Girls' Basketball Team Wins Conference

Coach Martin and the Girls' Basketball Team continued to improve this season and wound up with a 17-7 record (best yet). The girls won the conference title, but lost 71-68 in the quarter finals of the New Jersey State Tournament. Coach Martin feels that the ability and ambition to win resulted in teamwork. He was very happy with the fact that the girls learned to play together.

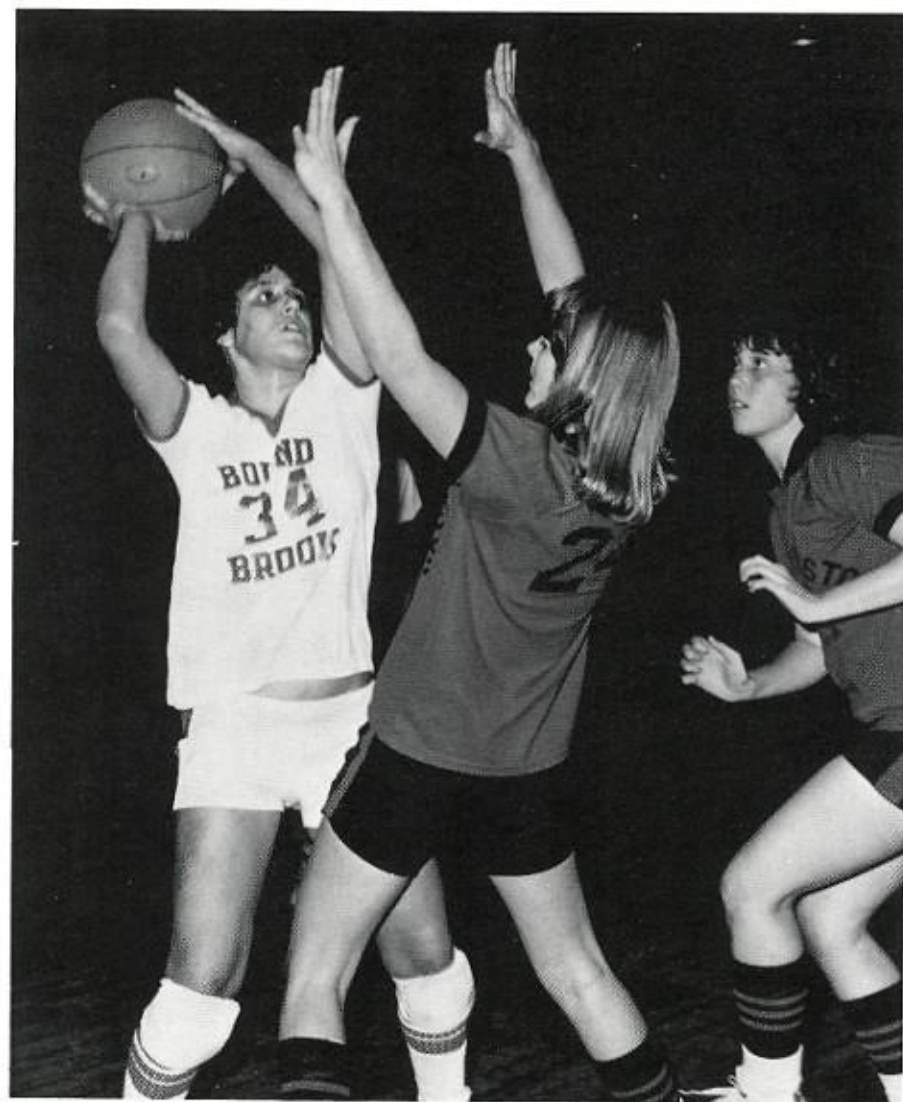

The starting line-up consisted of seniors MaryAnn Tarantino (all time leading point scorer for B. B. H. S.), Tutti Cooper (a real playmaker), Nancy Graebener (an aggressive rebounder), junior Tracey Stewart (another aggressive ballplayer) and Pinky Green (a little pack of dynamite). Freshman Brenda Yachera and senior Kris Weldon also saw a lot of action coming off the bench.

Ever since the girls team started, five years ago, the teams have won more games than the year before. Coach Martin would like to see future teams keep up this tradition.

MaryAnn Tarantino (above) has been an outstanding player for the past several years. Not only does she hold the school scoring record, but she has been named to many all-star teams—even on the state level. She's bound to be heard from in the future.

Central Jersey Group I Champs

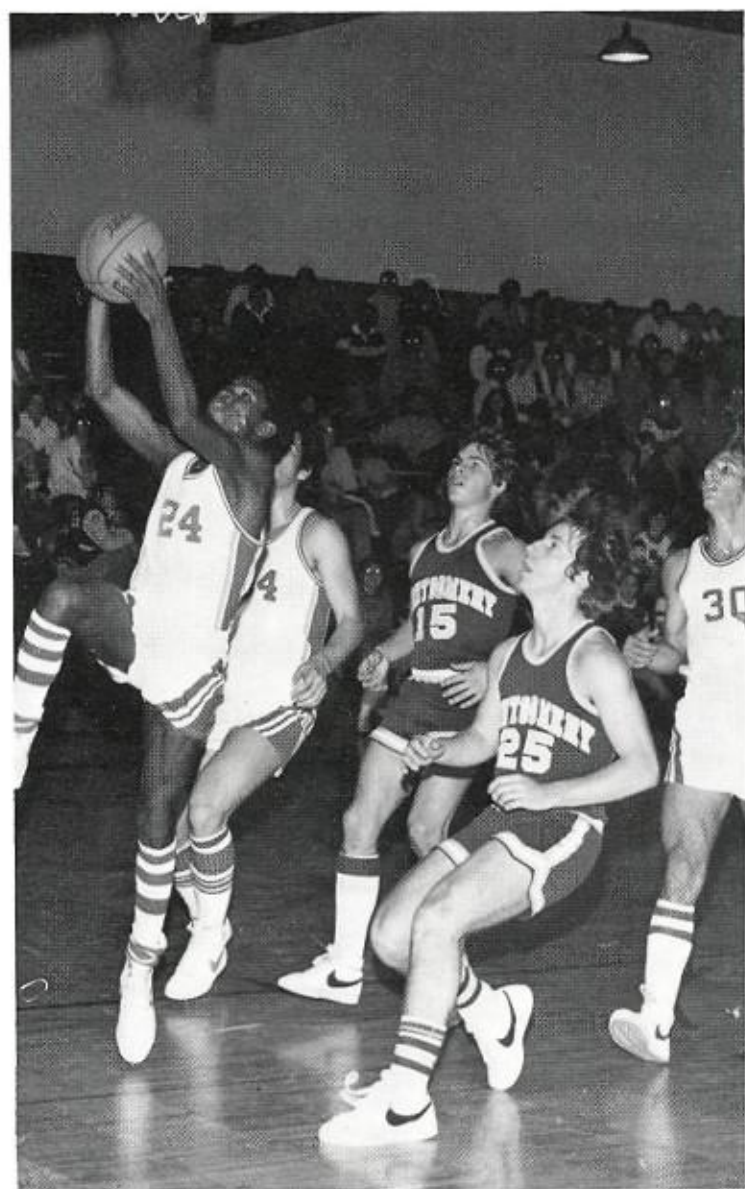

Led by new Head Coach Jack Kelly, the Basketball Team continued its winning ways. The team captured both the conference crown and the State Group I Championship. The final record of 22-3 includes two one-point losses and the final loss to Wildwood that knocked B. B. H. S. out of the state competition. The team averaged 73 points a game and allowed its opponents only 55 points, thus the cagers usually beat their opposition by almost 20 points per game.

Seniors accounted for most of the action. Bill Vadinsky was super all year with his 21 point scoring average and his contribution of 13 rebounds per game. Bill wound up with a career total of 1314 points, making him the all-time leading scorer at B. B. H. S. Another potent offensive machine was Brian Sudano who hit for almost 15 points per game. Mark Wooden was an all-around type ballplayer who averaged 12 points, 5 rebounds, and 5 assists per game. Ken Lewis was yet another double figure scorer with an 11 points per game average. Scott Truesdale provided much of the muscle under the boards and grabbed 8 rebounds per game. He was spelled by Rick Sands, who added an average of 3 rebounds per game. Other seniors who helped through the long season were Pat Izzo and Craig Greco.

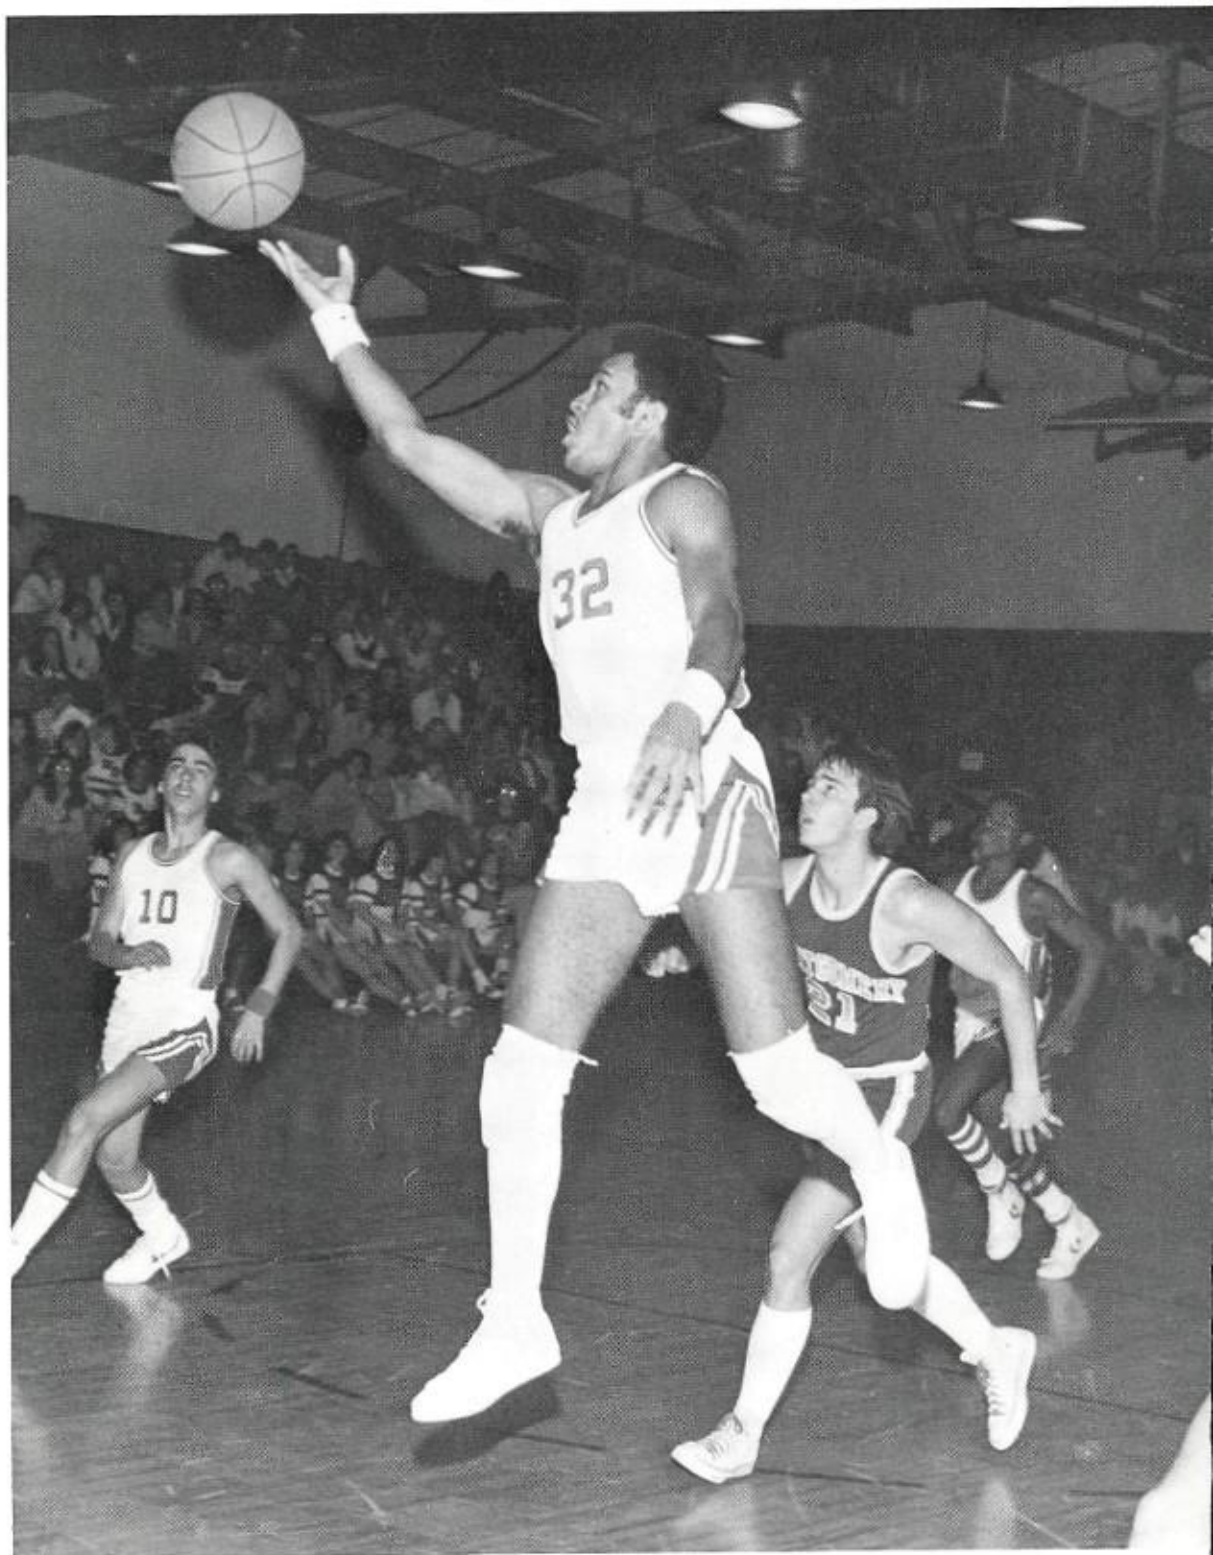

The only underclassman to see any amount of varsity action was Joe D'Alessandro. This heady ball-player contributed a lot of ball handling and also averaged about 4 points per game. It is around Joe and the JV team that Coach Kelly must try to rebuild next year. After such a successful 78-79 season, Coach Kelly has his work cut out for him.

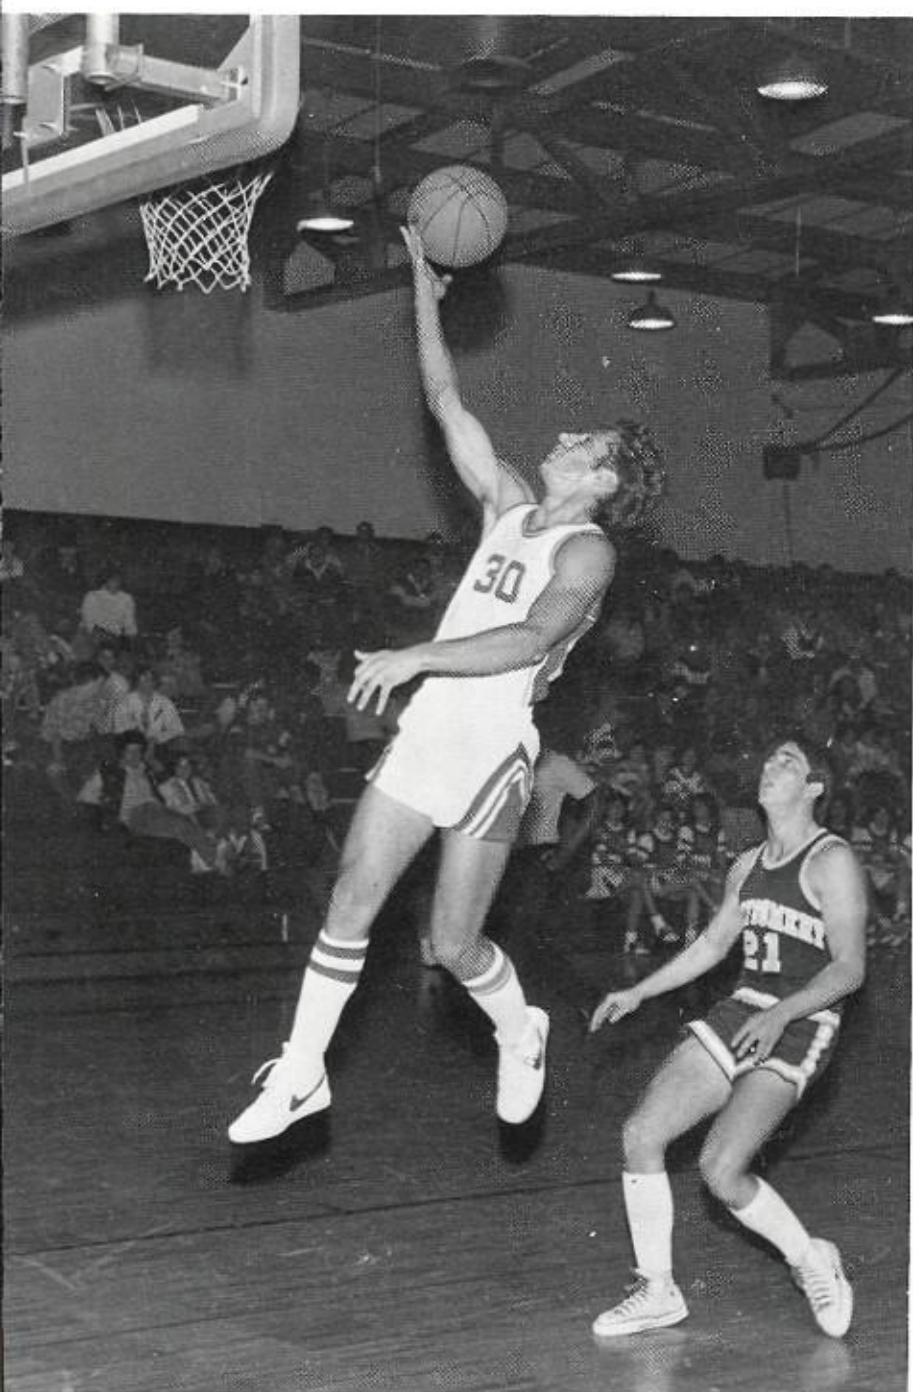

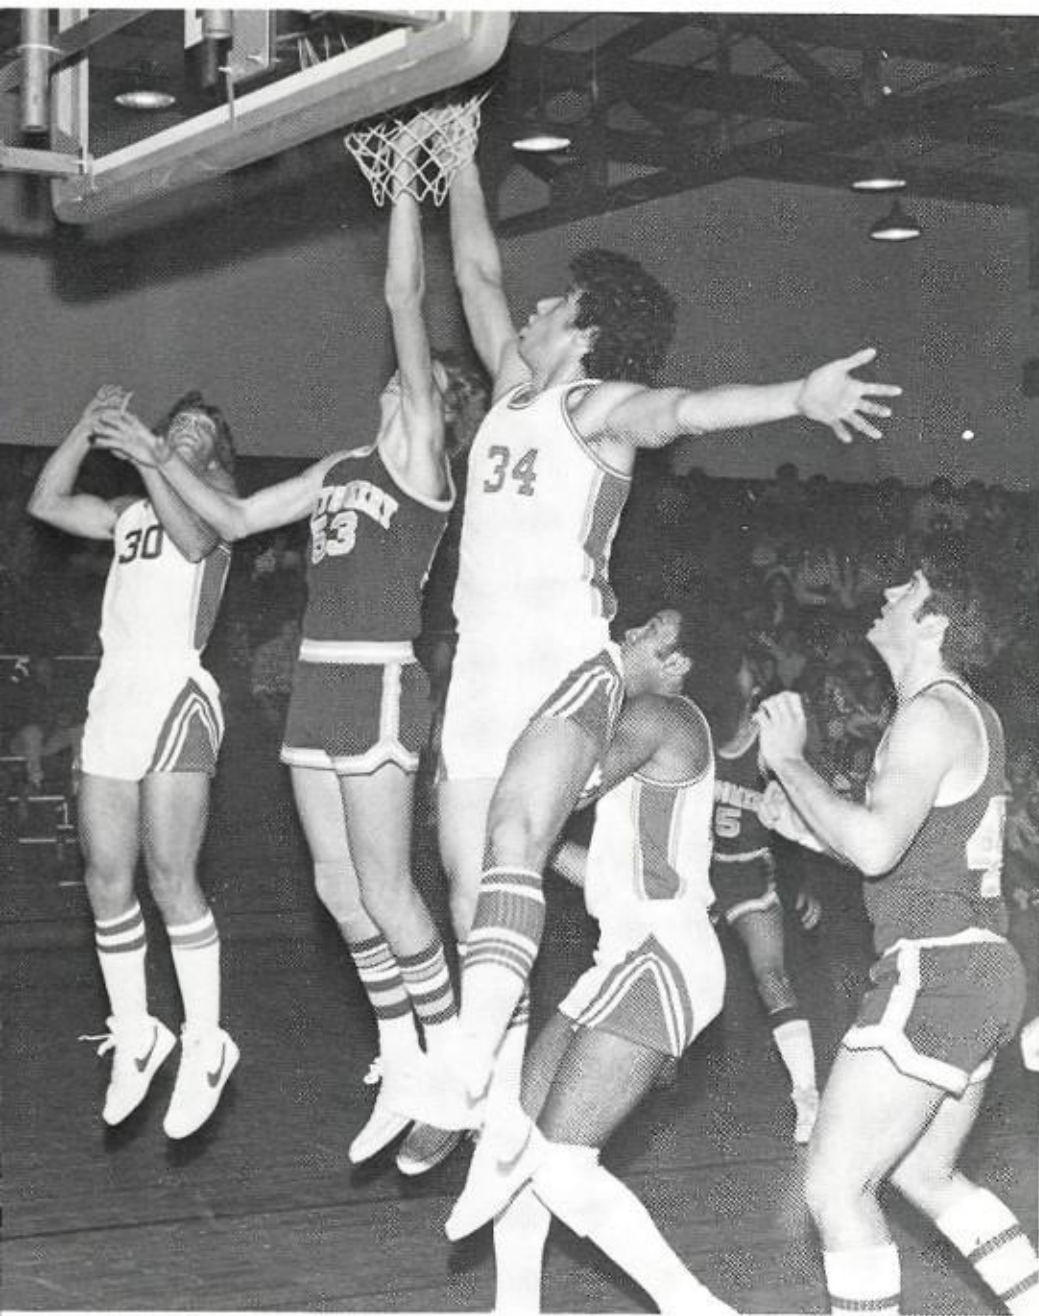

Varsity Squad—(kneeling, left to right) Chuck Cammarata, Pg Steinhauser, Joe D'Alessandro, Brian Sudano, Ken Lewis; (standing, left to right) Coach Kelly, Mark Wooden, Rick Sands, Scott Trusedale, Bill Vadinsky, Pat Izzo, Craig Greco.

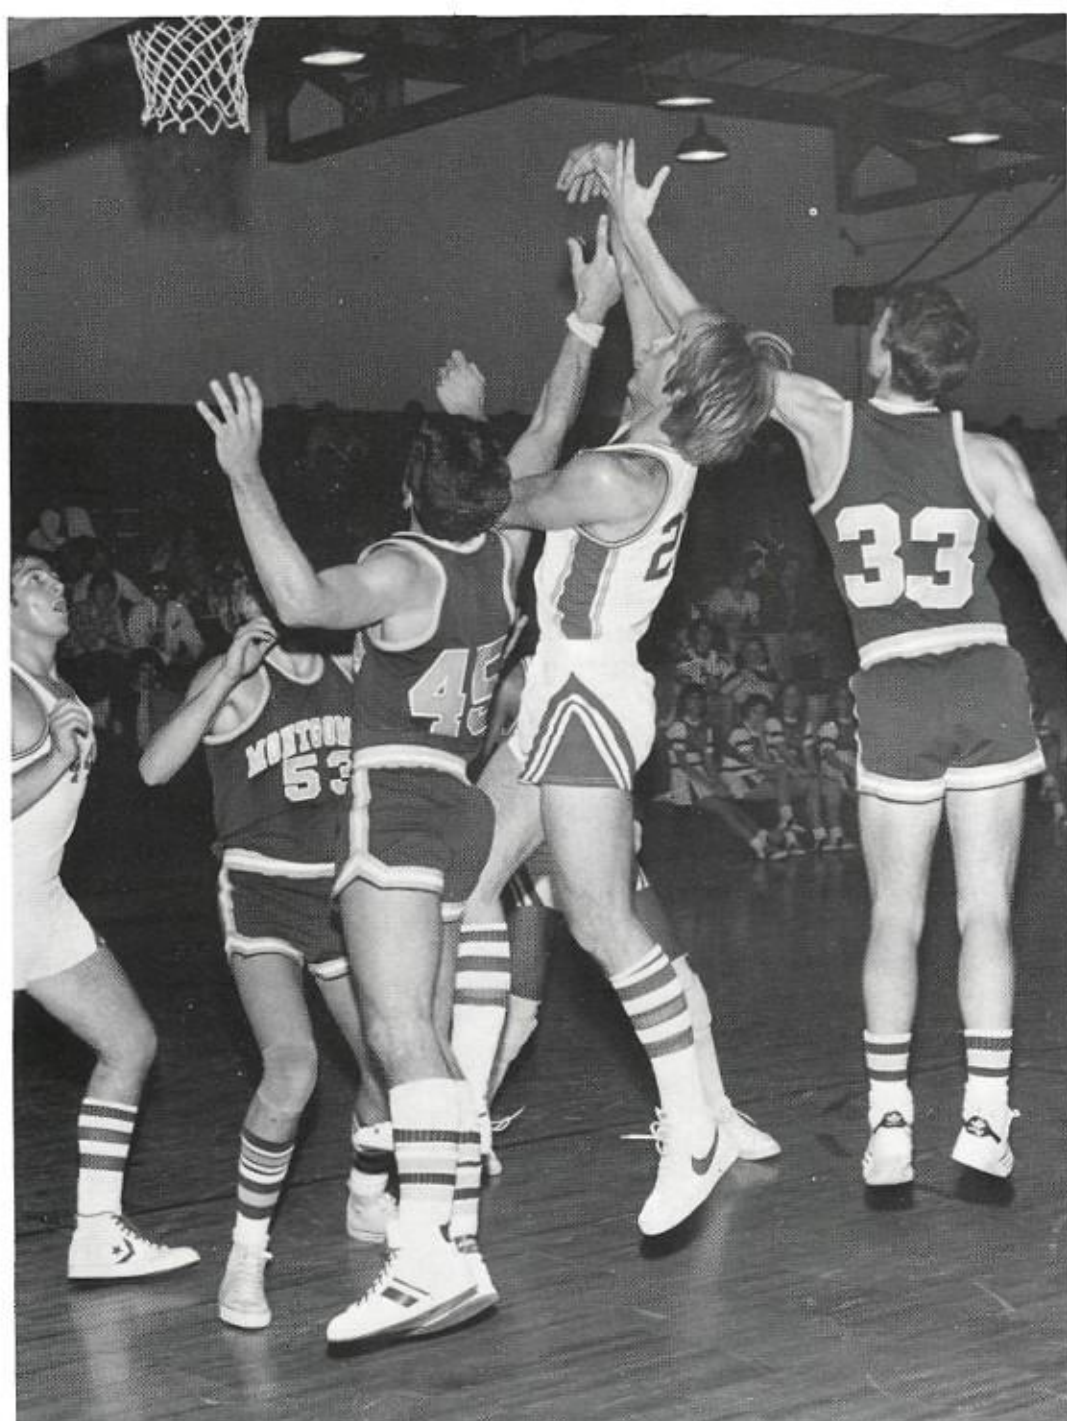

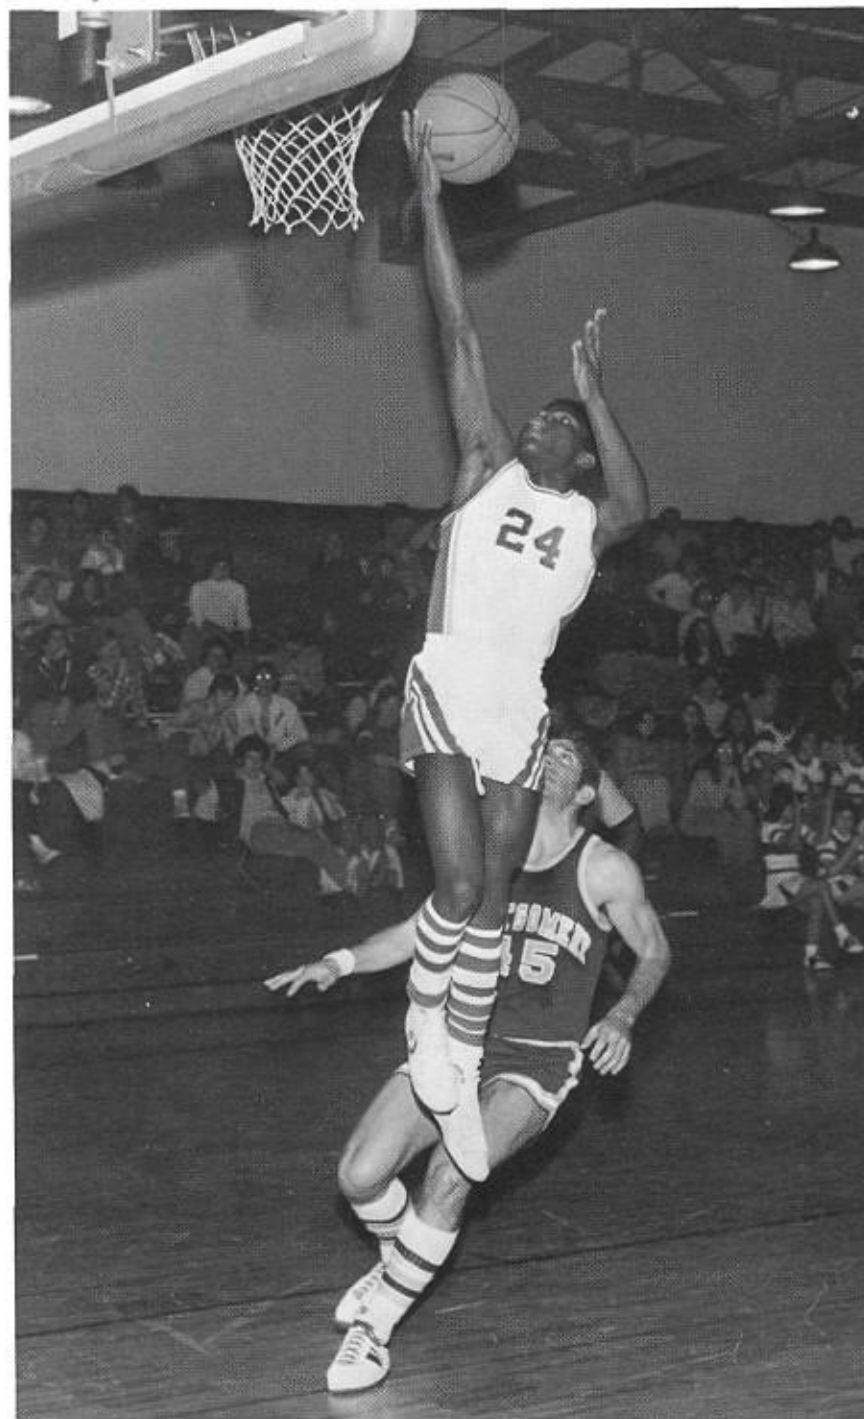

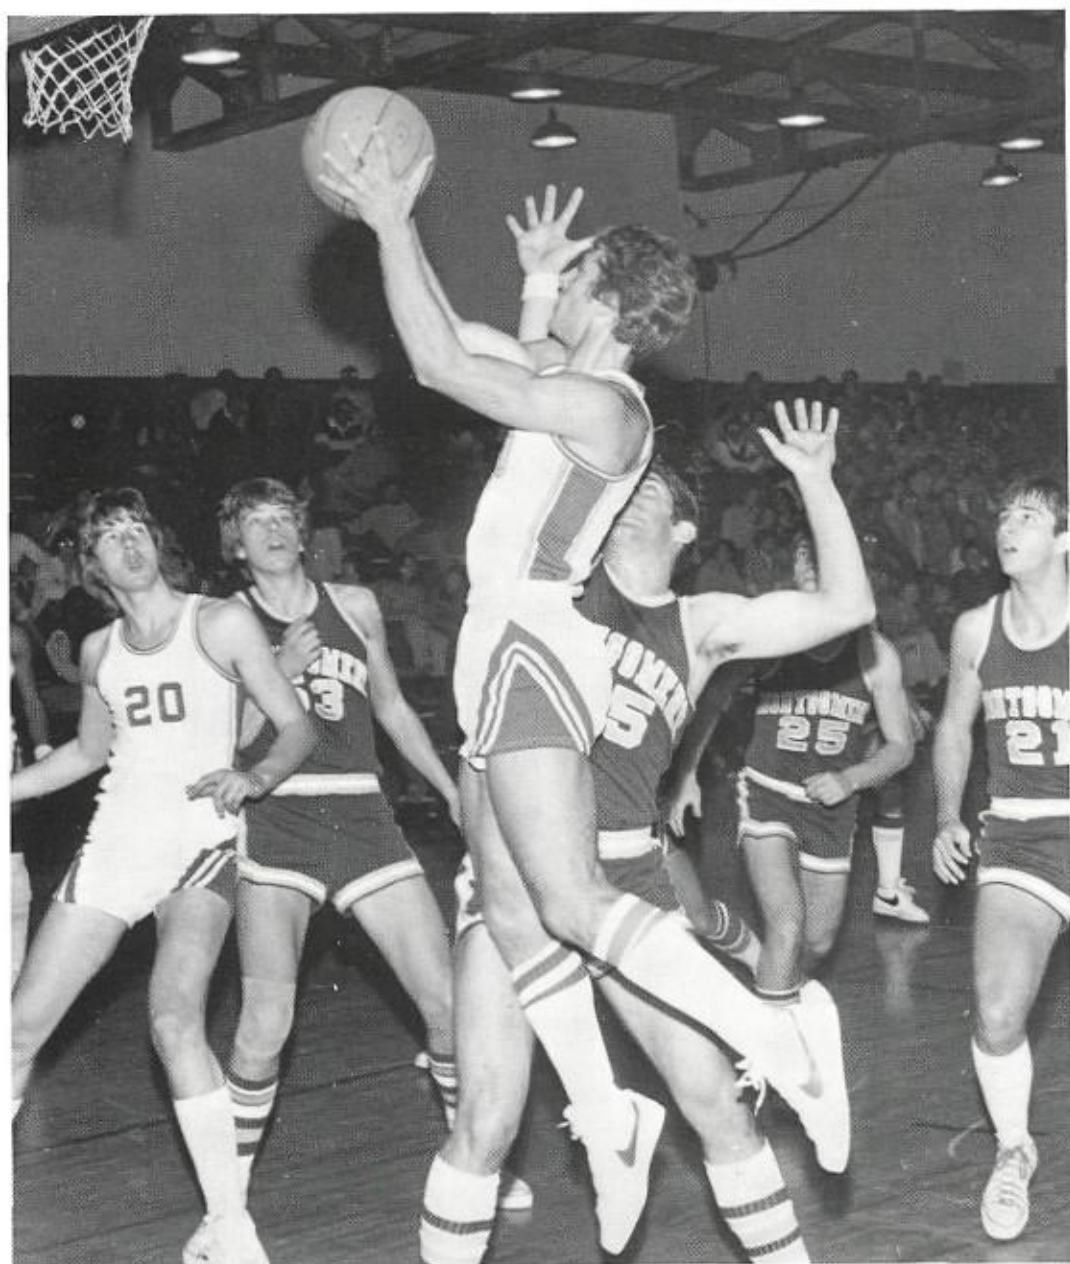

Mark Wooden (right) glides in for the score. Ken Lewis (above) beats the opposition down the floor for an easy lay-up.

Bill Vadinsky (upper left), a consistent shooter and rebounder all season, stuffs another two points. Scott Truesdale (upper right) grabs a rebound. Speedy Brian Sudano (left) beats the defense for an easy lay-up. Joe D'Alessandro (above) drives for the hoop with no. 44 Pat Izzo close behind him.

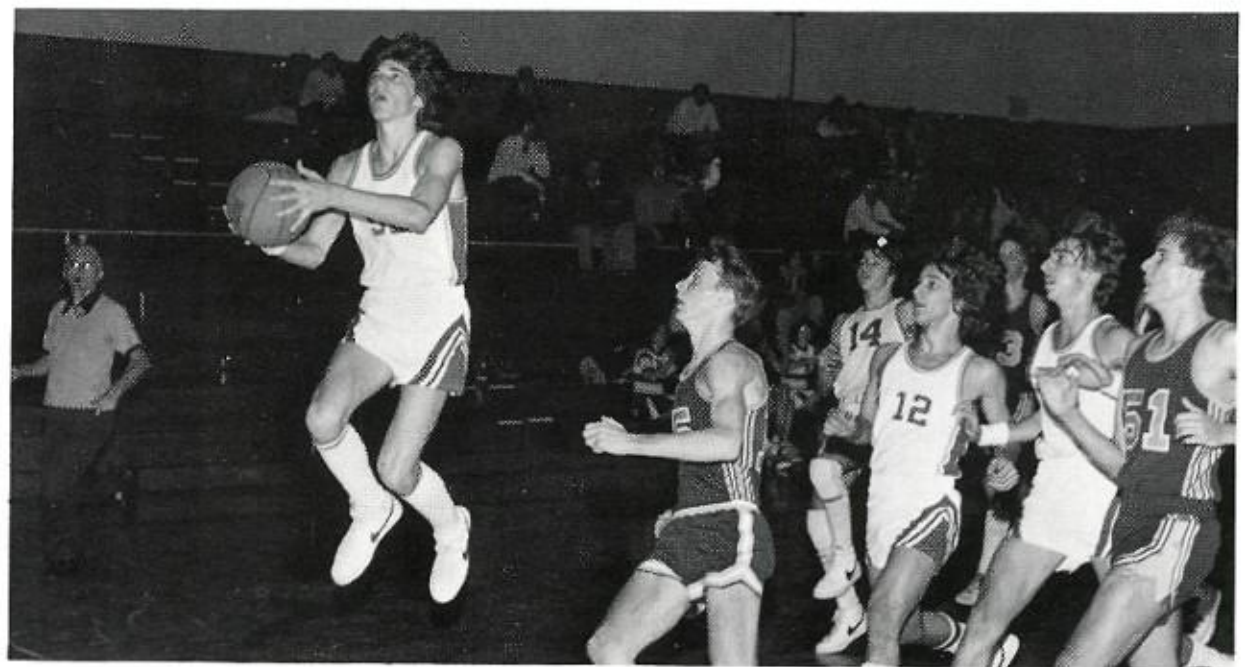

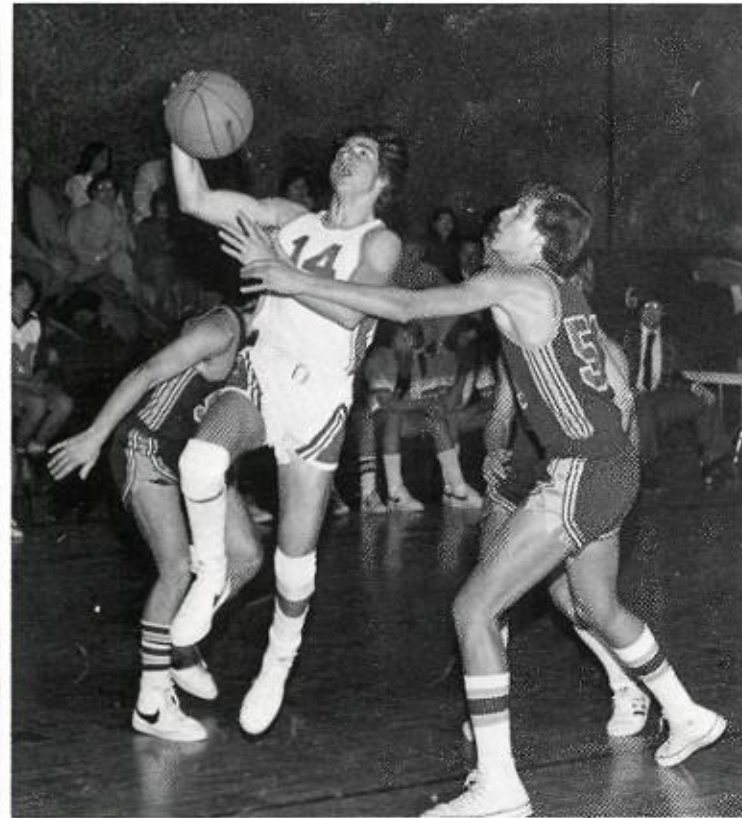

Brian Sudano (upper left) takes a short range jumper, while no. 20 S Truesdale boxes out. Ken Lewis (upper right) gracefully lays one. Another of our big men, Rick Sands (left) fights for a rebound. (above) Coach Finnerty and Head Coach Kelly control the game from the sidelines.

Six Close Losses Deflate JV Record

Led by the scoring of Dave Greck (301 points) and Mike Donovan (276 points), the JV squad finished with an 8-13 record. The team's leading rebounder was also Donovan who grabbed 186 of them. Tom Smith and Chuck Camaratta were the playmakers, each one averaging almost 4 assists per game. Other standouts on the team were Pat Dowling, Mike Peppe, Tom Wolk, and Ray Graebener.

JV Team—(first row, left to right) B. Hawk, T. Patullo, M. Donovan, T. Smith, P. Dowling, R. Graebener; (second row, left to right) T. Wolk, D. Deghetto, P. Gacek, M. Fetchel, W. Swope, T. Jackson; (top row, left to right) Coach Finnerty, M. Peppe, T. Juzwiak, C. Crowe, K. Crowe.

Tom Smith (upper left) moves in for a layup. Mike Donovan (center right) floats in for a shot. Chuck Camaratta (center left) makes his cut. Dave Greck (left and above) shows some of the moves that led to his 14.3 point average.

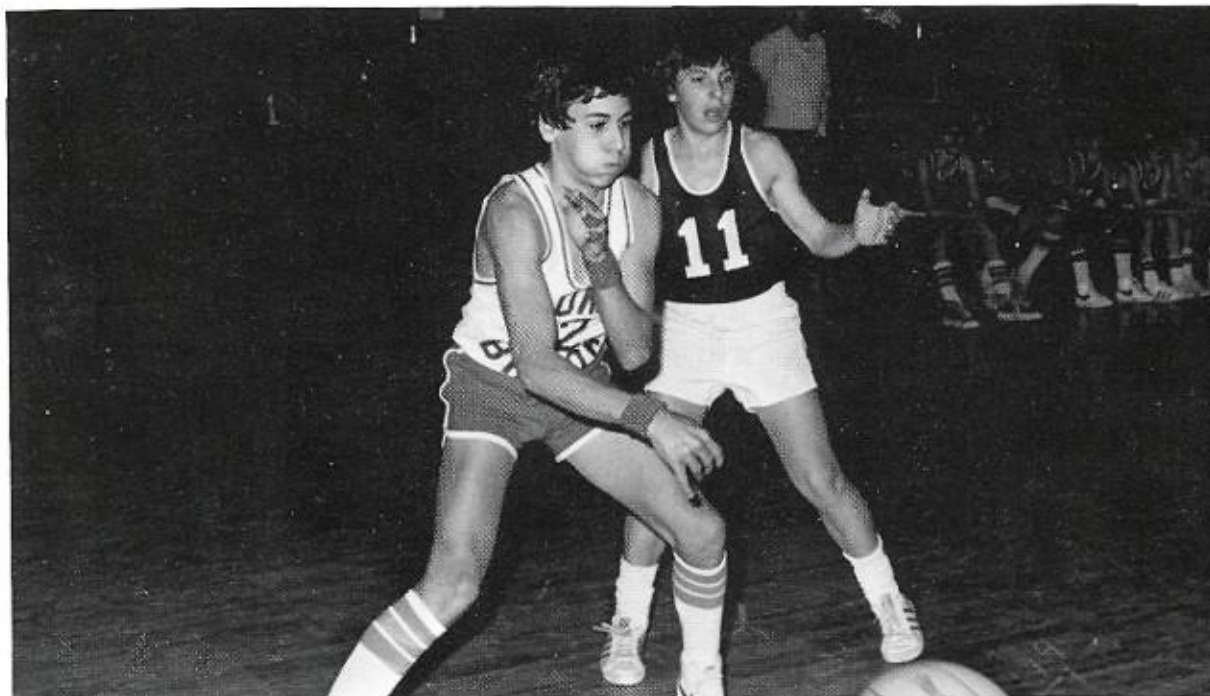

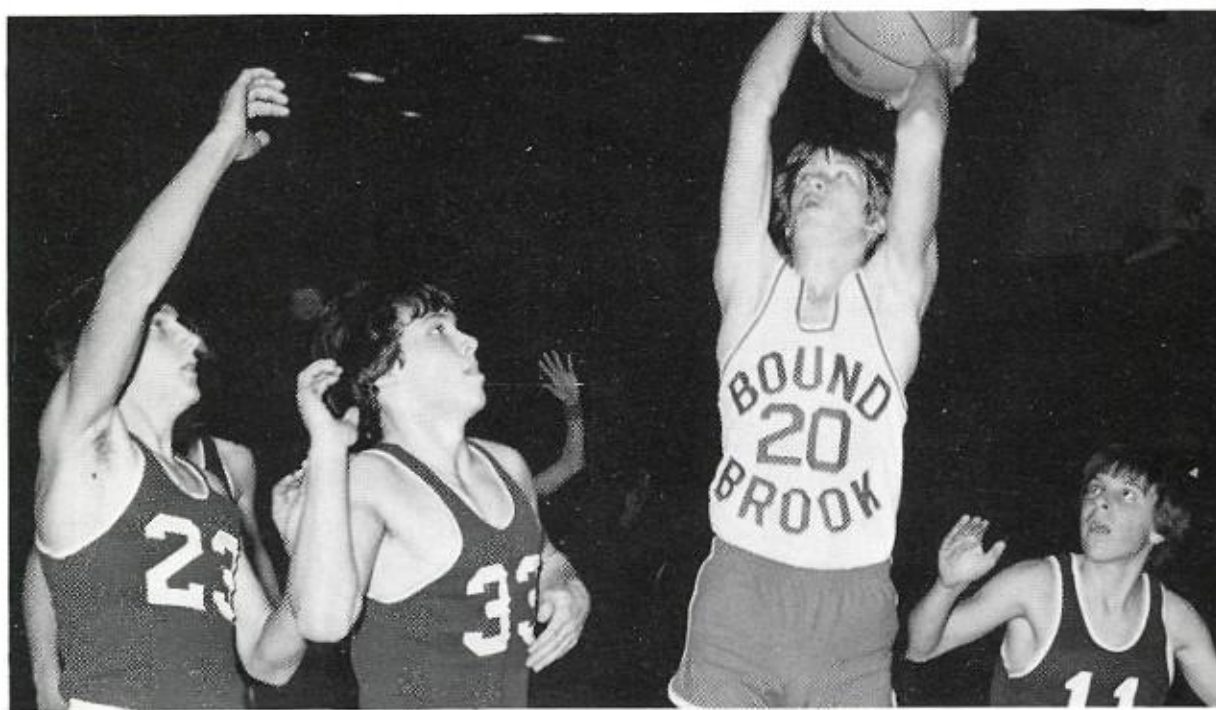

Freshmen: Small in Number But Not in Heart

The Freshman record of 4-17 may not seem like much, but it doubled last year's Junior High output. The team showed improvement during the latter part of the season. Jim Getlick was the team's top scorer and rebounder, while Joe Elik was considered to be the best defensive player. Rich Muniz and John Borini were the floor generals and Ken Weldon proved to be an excellent passer and team player.

Freshman Team—(front row, left to right) J. Getlick, R. Muniz, J. Borini, K. Yefchak, P. Karpinecz. (top row, left to right) K. Decker, D. Ryan, K. Weldon, J. Elik, F. Jannuzzi, A. Mollica, Coach Burnett

John Borini (upper left) looks to pass. Ken Weldon (center right) leaps for the shot. Joe Elik (center left) drives, while Rick Muniz (left) throws a bounce pass. Jim Getlick (above) adds two more to his total.

Junior High Starts 'Em Young

Junior High Boys' Team—(kneeling, left to right) Jeff Chiesa, Mike Lyne, Jerry Pane, Mike Salvatore, Bob Berry, Floyd Gubitoso, Dave Miller; (standing, left to right) Coach Morley, Joe Patullo, Sean Markey, Robert Serrano, Chris Cote, Richard Gibbs, Steve Gronich, Sean Clancy.

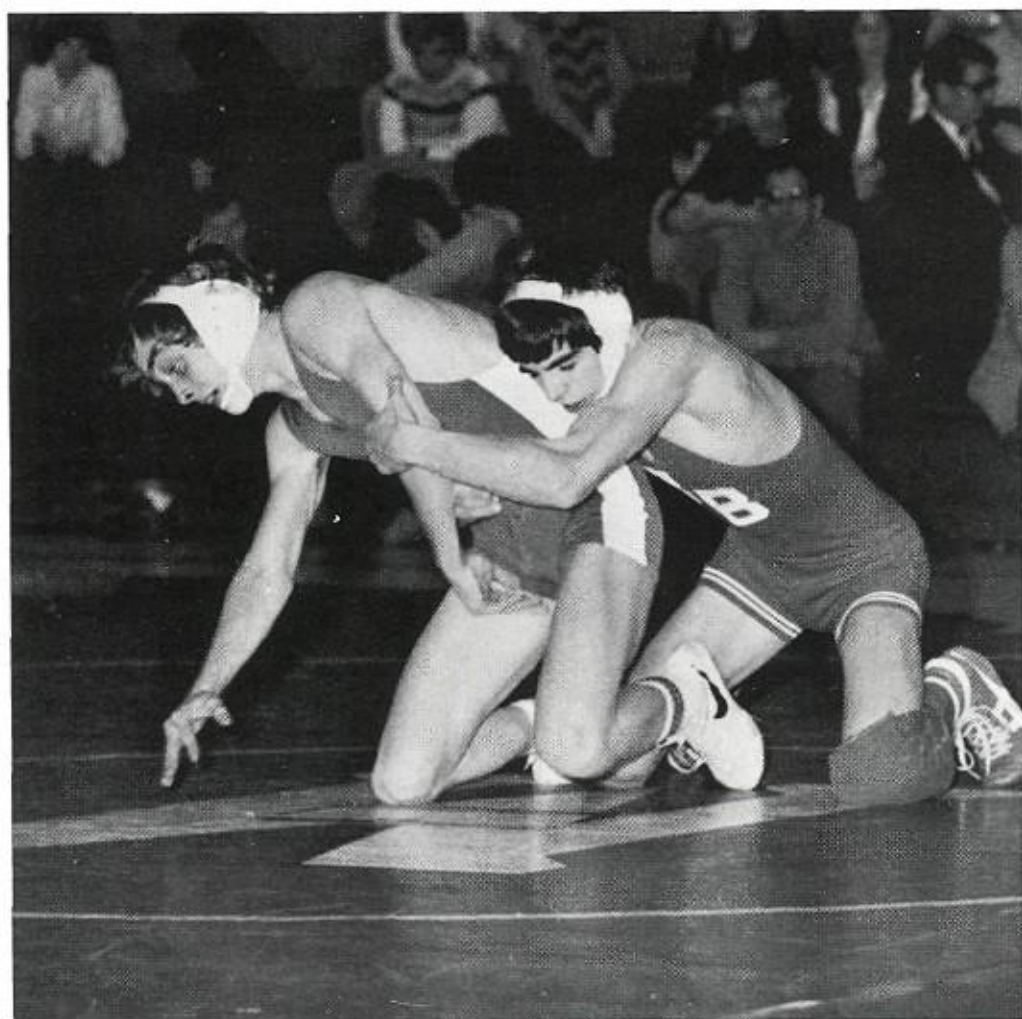

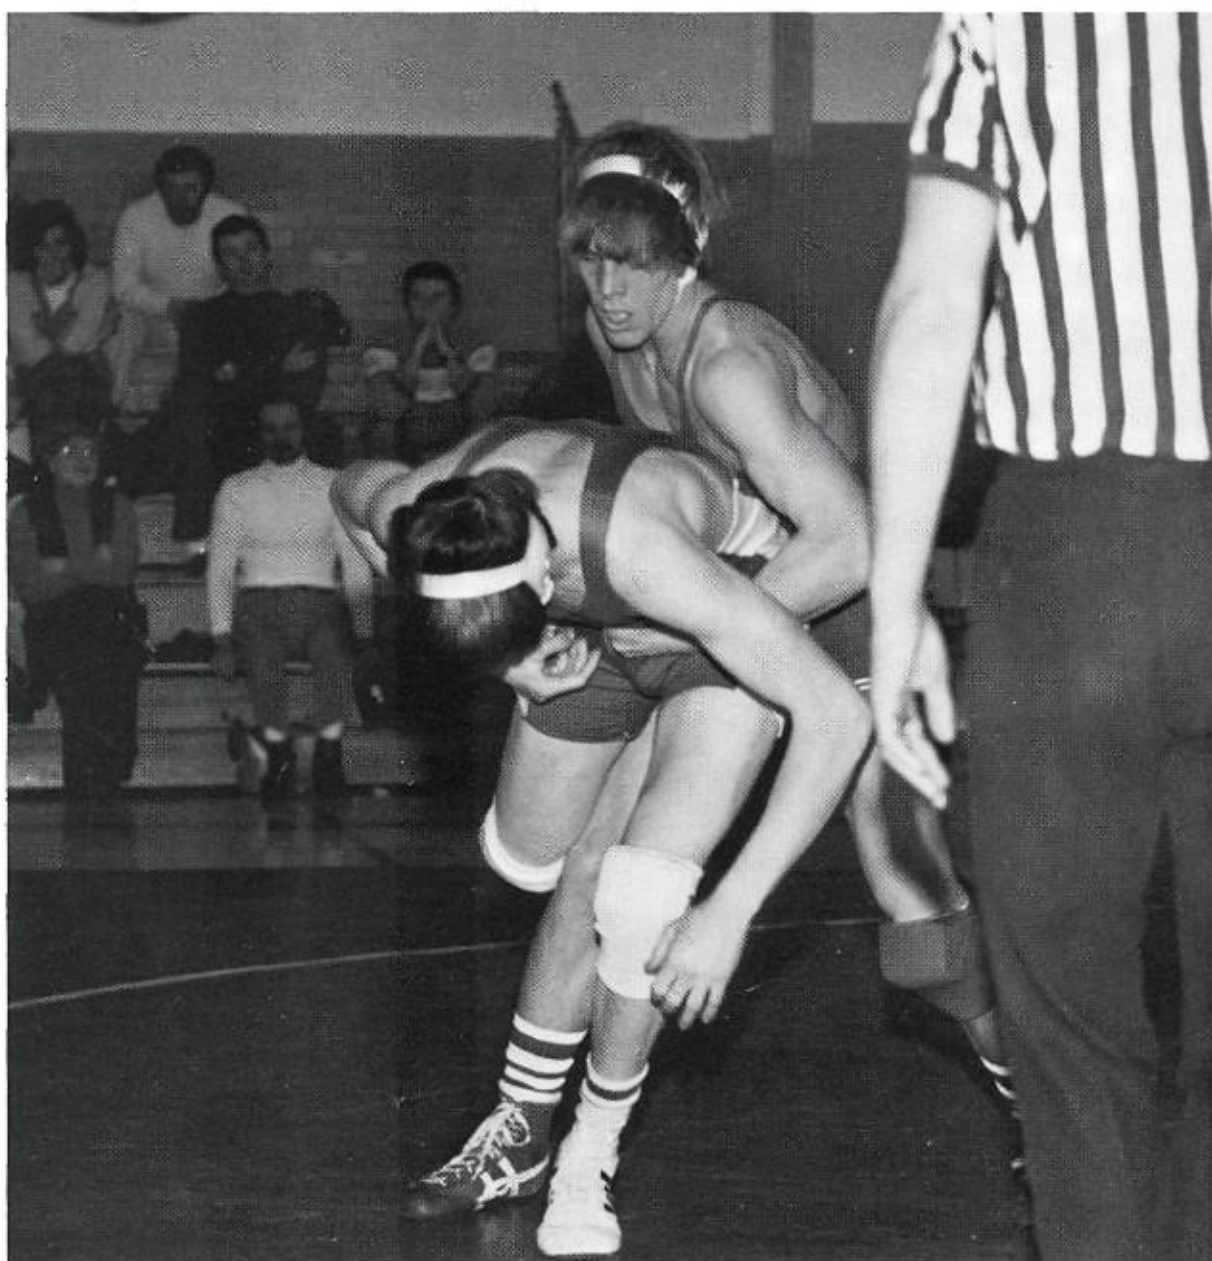

Junior High Girls' Team—(kneeling, left to right) Karen Wendt, MaryAnn Vischetti, Cynthia Massagli, Lisa Awtry, Marcia Tuzzo, Cris Romano, Lisa Groppi, Inge Stahlker, Pam Kingsland; (standing, left to right) Coach Sepkowski, Christine Heller, Maritza Rodriguez, Regina LaMaestra, JoAnne Nanna, Kathy Cozza, Laura Provenzano, Andy Barich, Dina Geren, Eileen Fogarty, Sue Krauss, Dawn Plick, Annette Mondrone.

B.B.H.S. Wrestling – Young But Very Aggressive

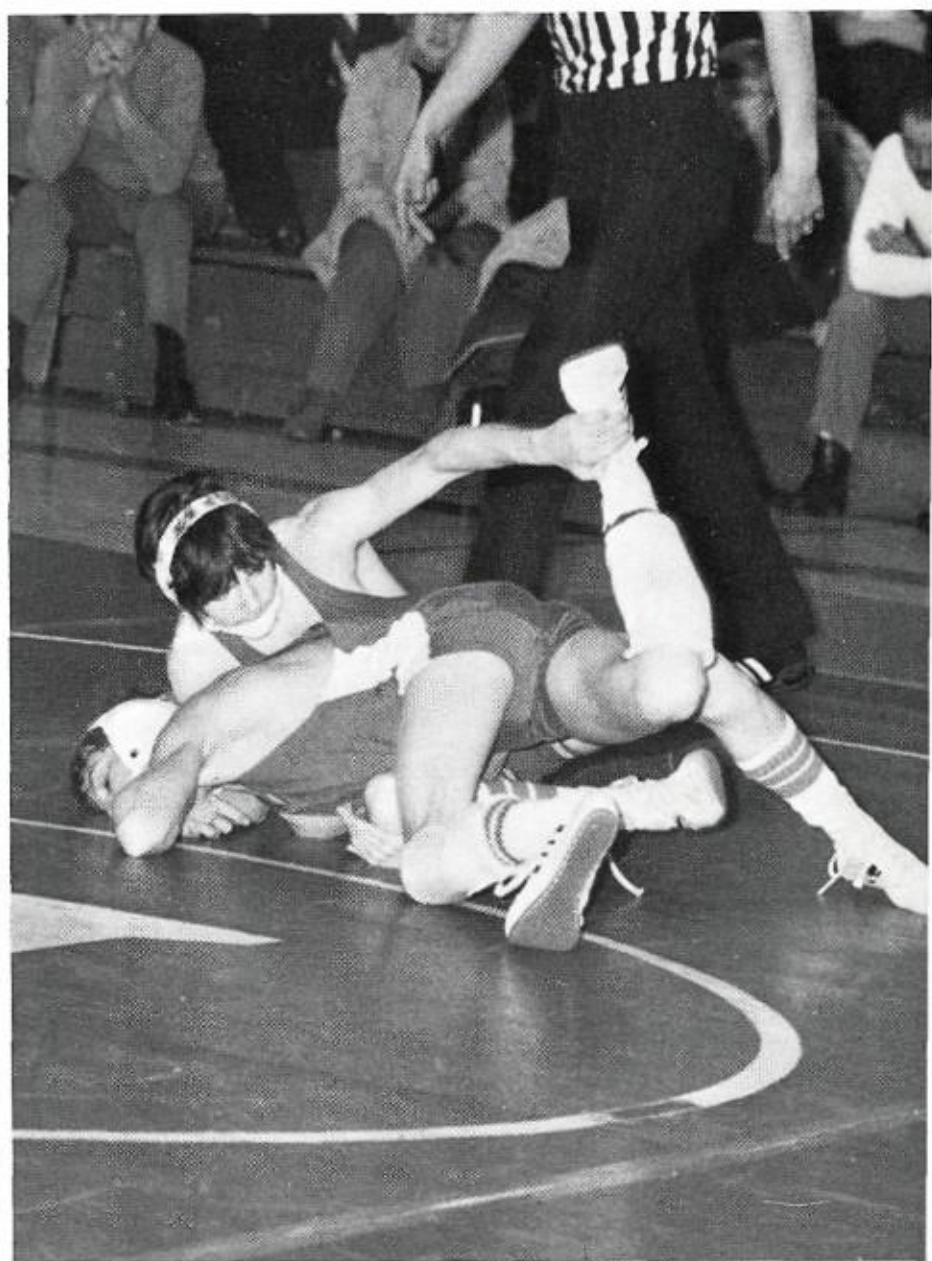

The Bound Brook Wrestling Team had a great season which included an 11-2 record. Considering the youth on the squad, Coach Gramiccioni was very pleased and has even bigger hopes for next year. Standout performances came from seniors Jack Schrader (the quiet killer), Tom Trombadore, Dale Ford, and Joe Skupen. The tough juniors included Jim Lopa, Dave Kim, Joe Graber, and that incredible Ivan Turczak. Promising sophomores Paul Whitman, Todd Teryek, Steve Lucas, Steve Morrissey, and Rich Eustace helped the team a great deal this year and should be around really shine next year.

The young bull, Steve Morrissey (upper right) proved to be very tough and will definitely be heard from in the future; 4-7 record. Todd Teryek (above) doesn't even need his eyes open! Todd is one of those promising Region champs (10-10-1). Rich Eustace (right) is in full control as he was for most of his matches his first varsity season (6-1 record).

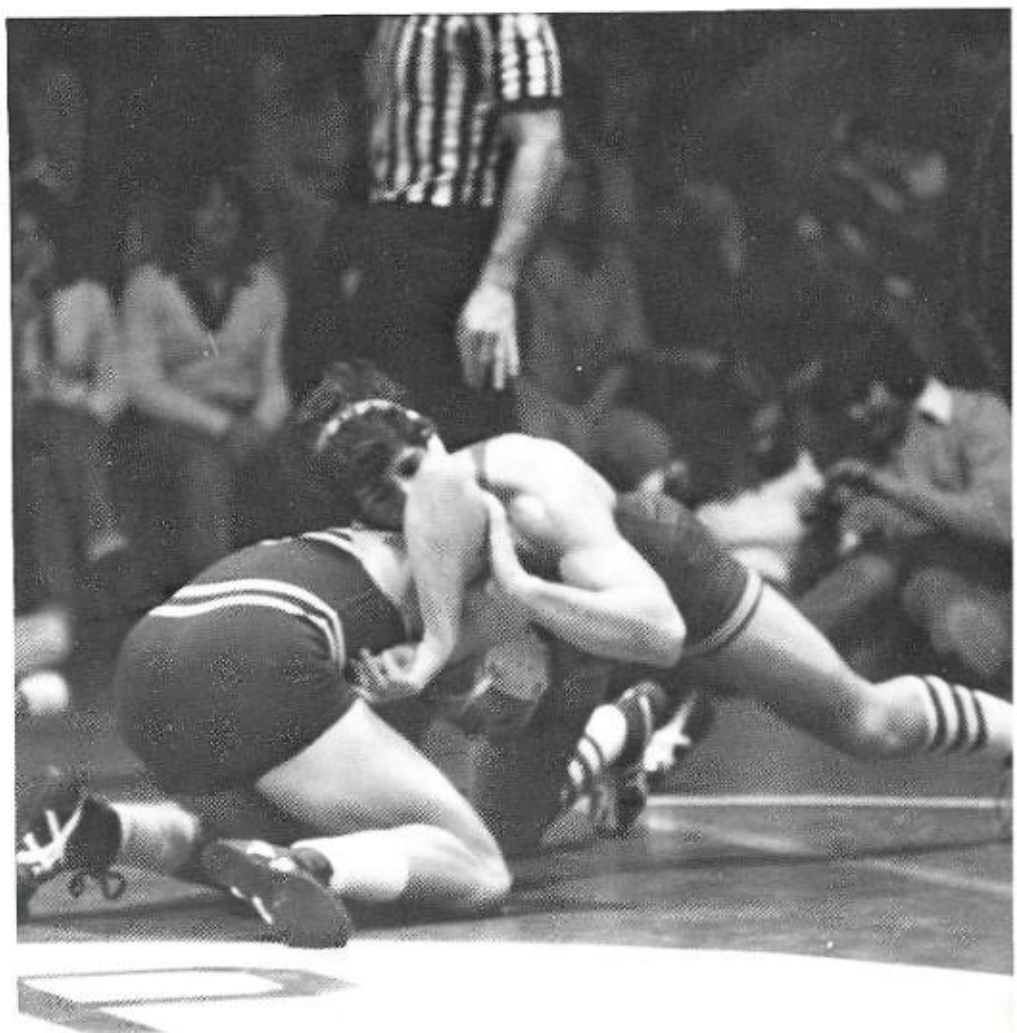

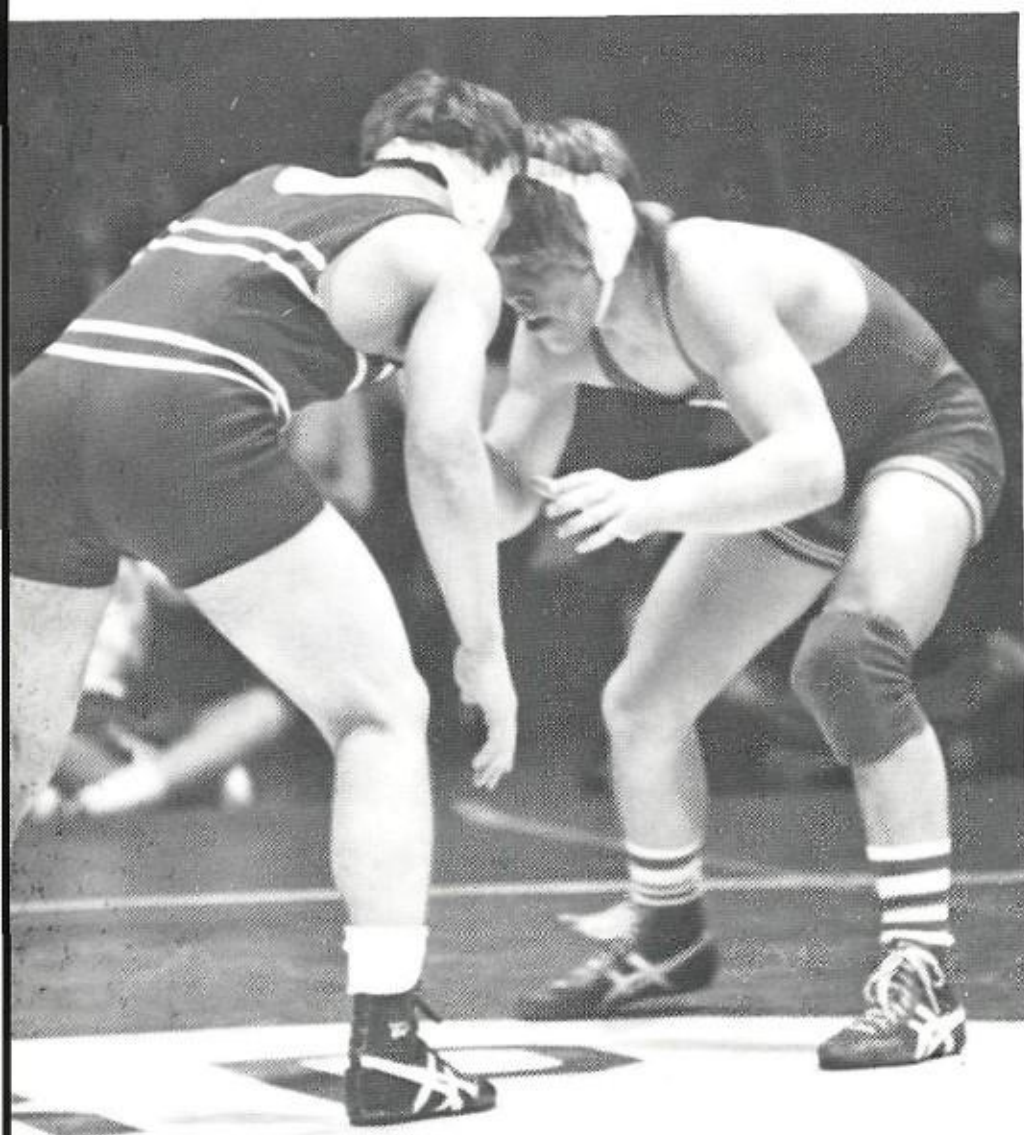

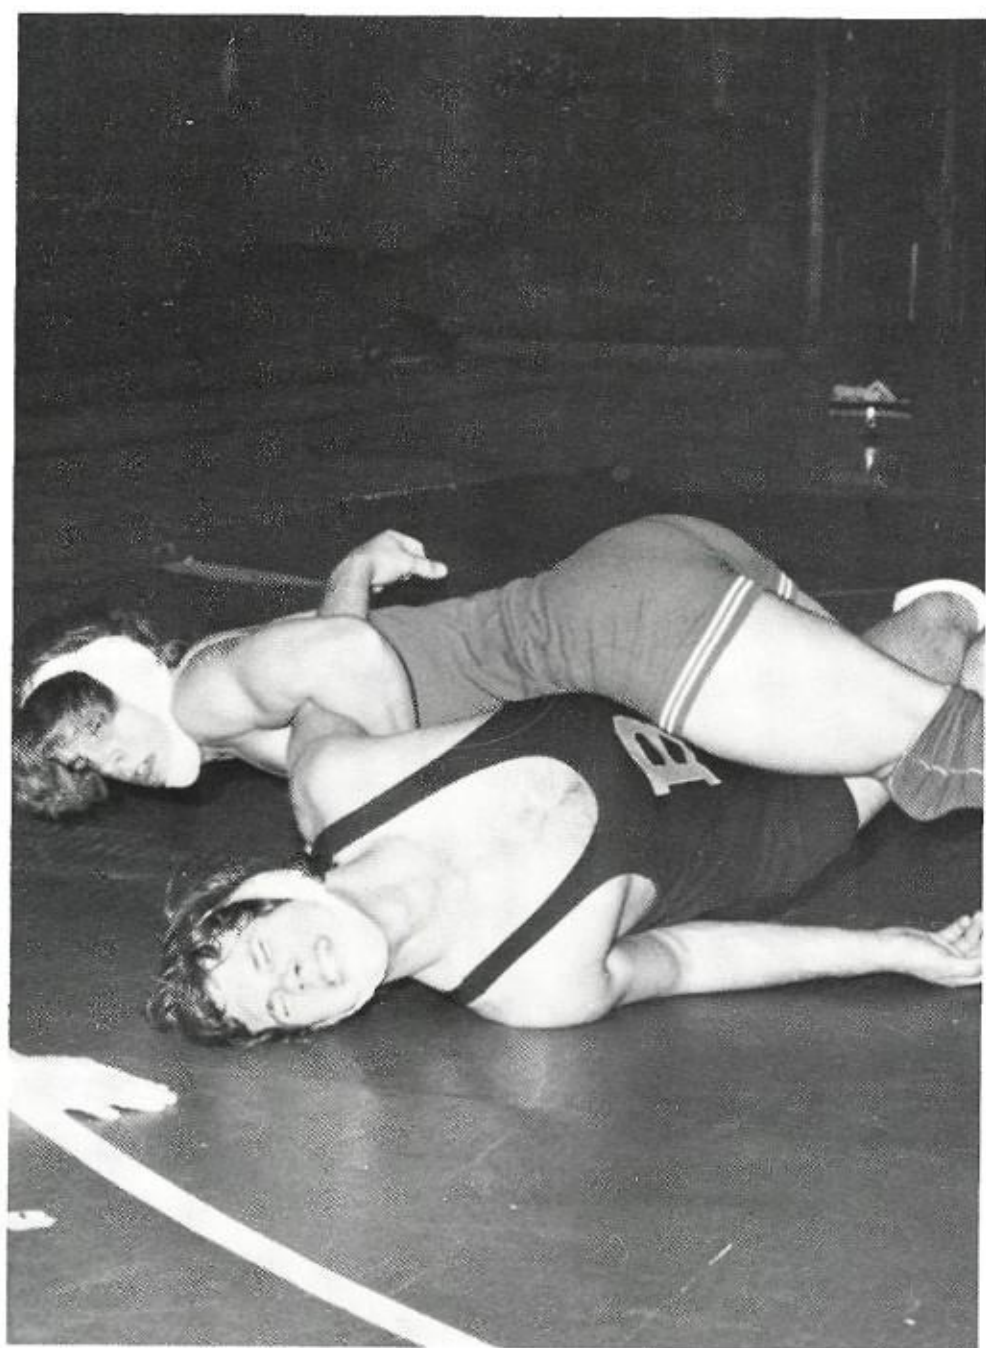

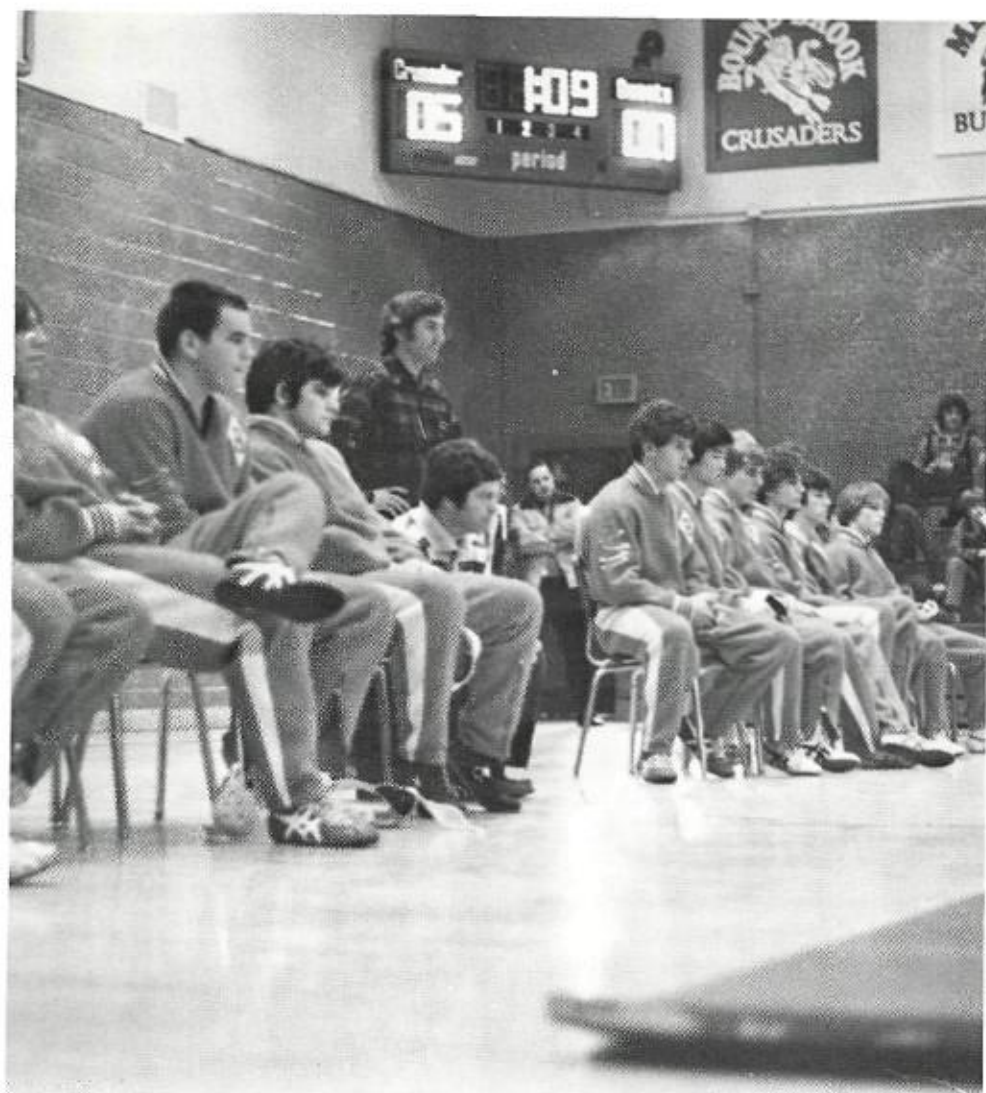

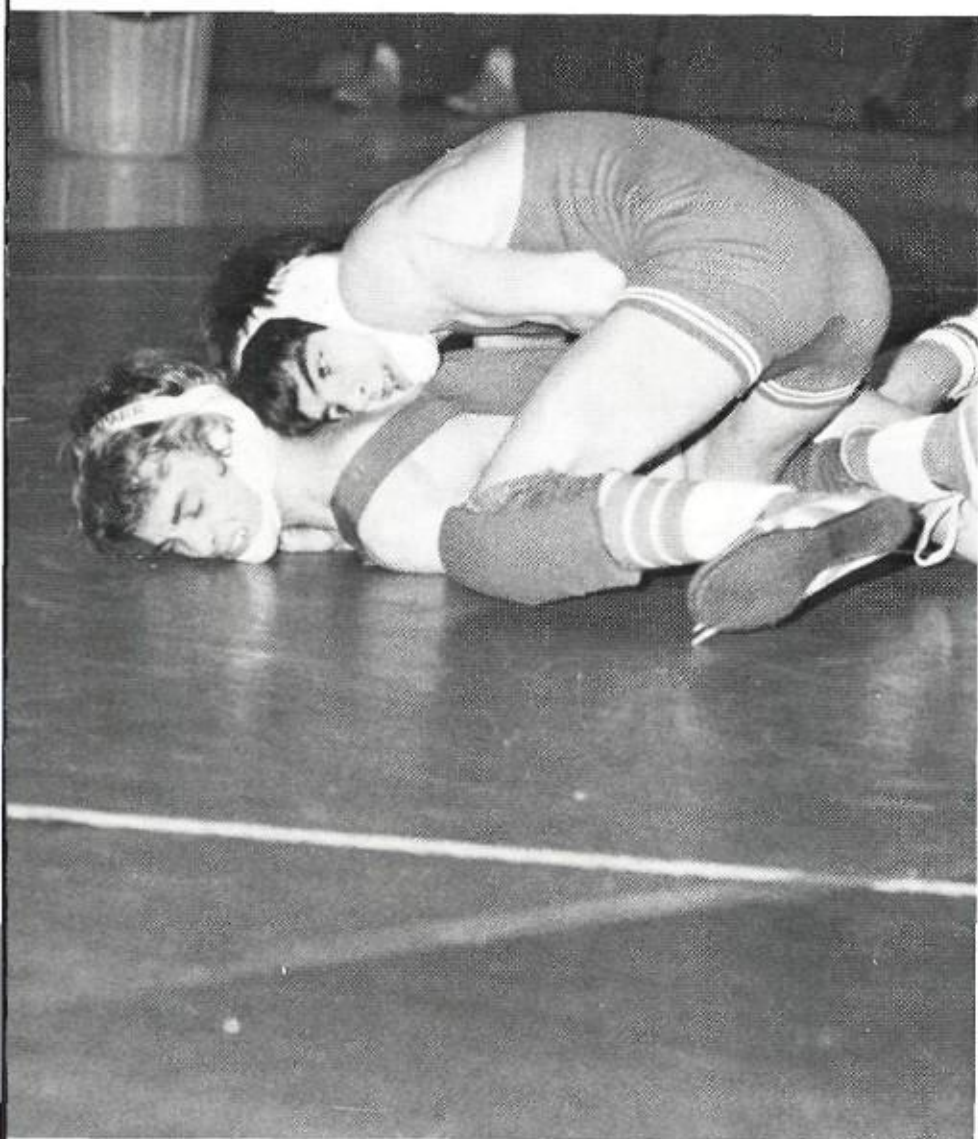

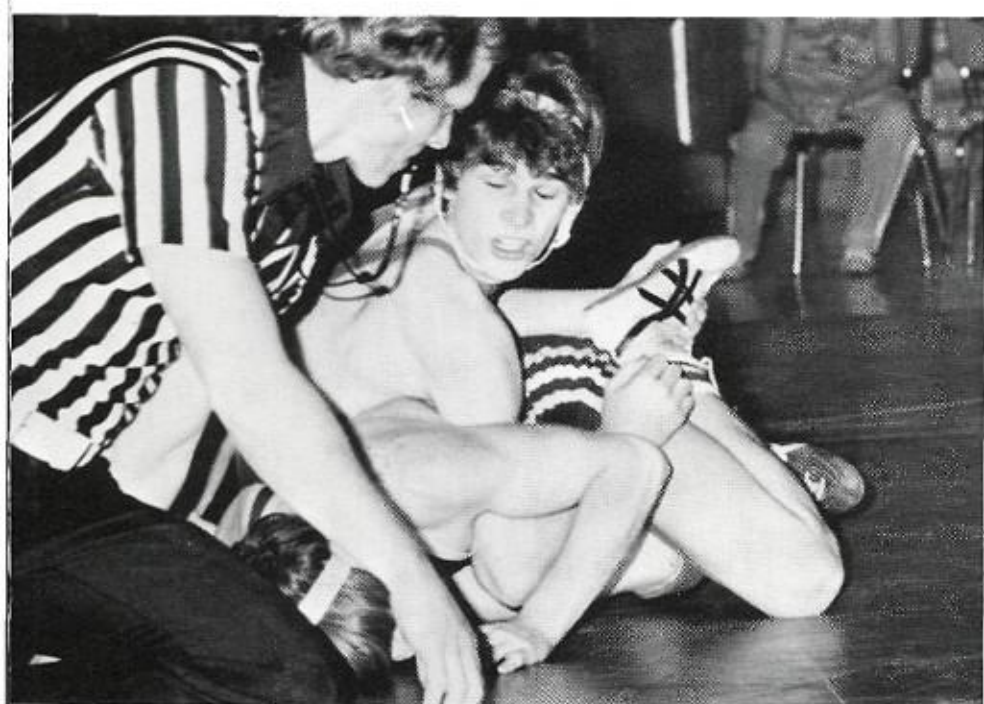

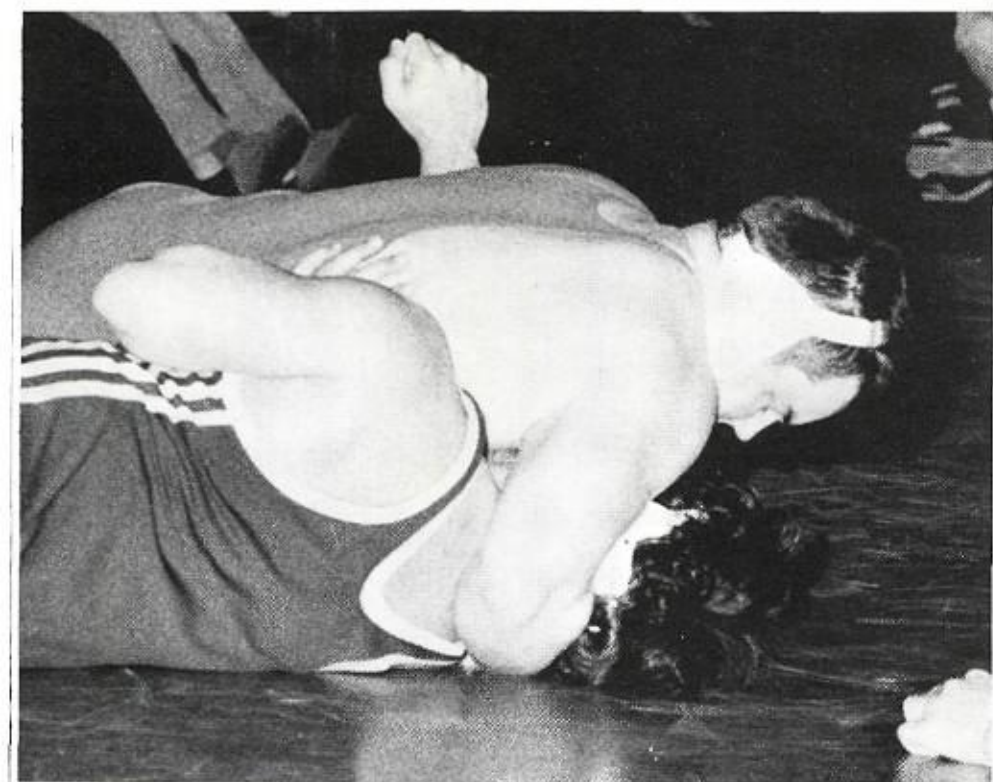

One of the most aggressive we've got, Steve Lucas (below left) posted a 6-9 record. "Oh, that wily Whitman! (below). At the start of the season, no one knew him, but by the end, everyone was watching—11-2 record. Joey Graber (center left) has a very unique style (5-11-1 record). David Kim (center right) is about to plant his opponent for two (7-8-1 record).

Wrestling Squad—(standing, left to right) Assistant Coach Bauer, Joe Skupen, Ivan Turczak, Dale Ford, Ken Morrissey, Tom Trombadore, Dave Kim, Jack Schrader, Sandy Math, Joe Graber, Steve Morrissey, Coach Gramiccioni; (front, left to right) Todd Teryek, Jim Lopa, Steve Lucas, Mark Gilrain, Joe Dominik, Paul Whitman.

Steve Morrissey (upper left) prepares to crunch another opponent. Steve was a great asset to the team, finishing with a 4-7 record. Senior and four year veteran, Dale Ford (upper right) closed his high school career with a fantastic 17-5 record, a first in the G. L. Tourney, a third in the Districts, and a third in the County. "Oh, what Ivan couldn't do!" Ivan Turczak (above) decks another opponent. Veteran Coach Gramiccioni (right) looks over the situation.

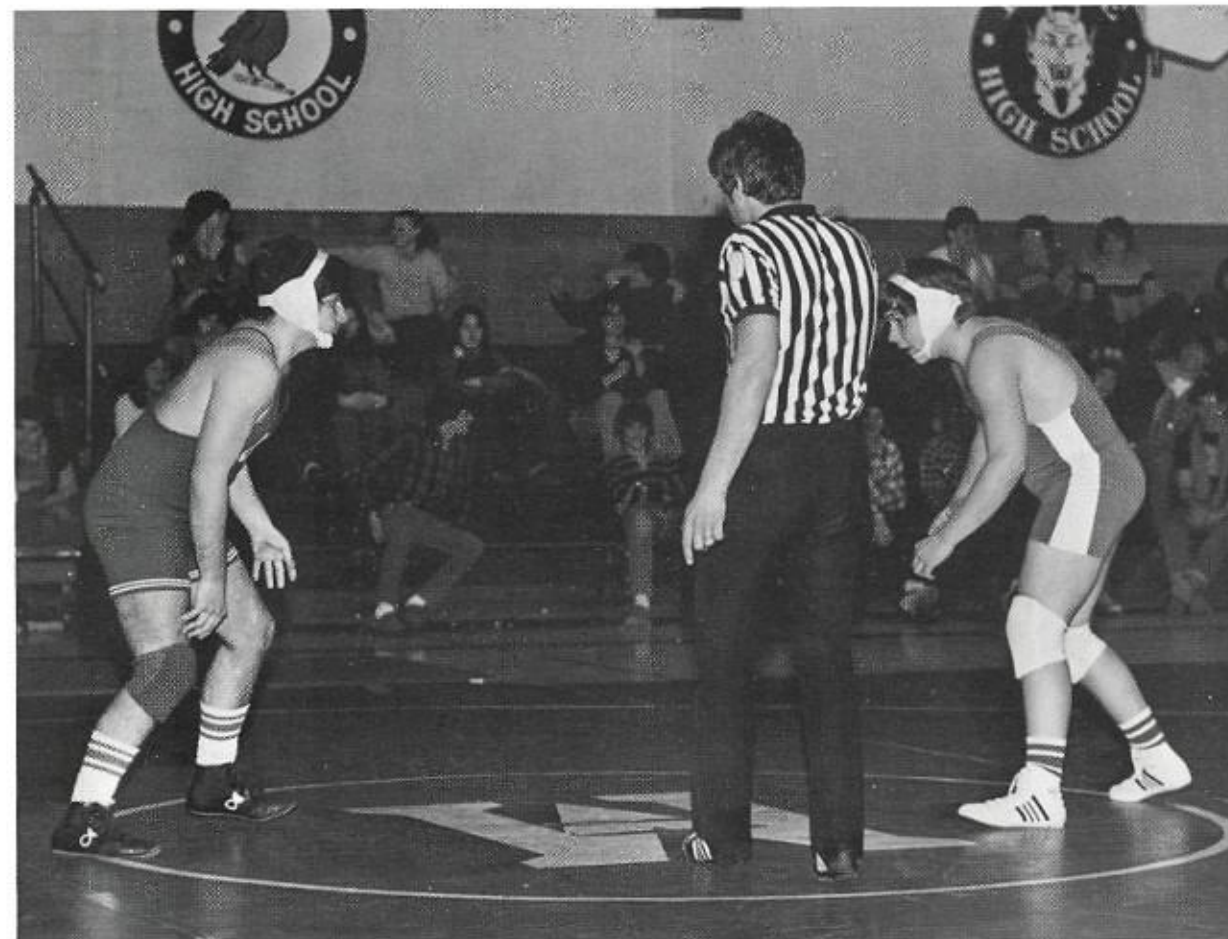

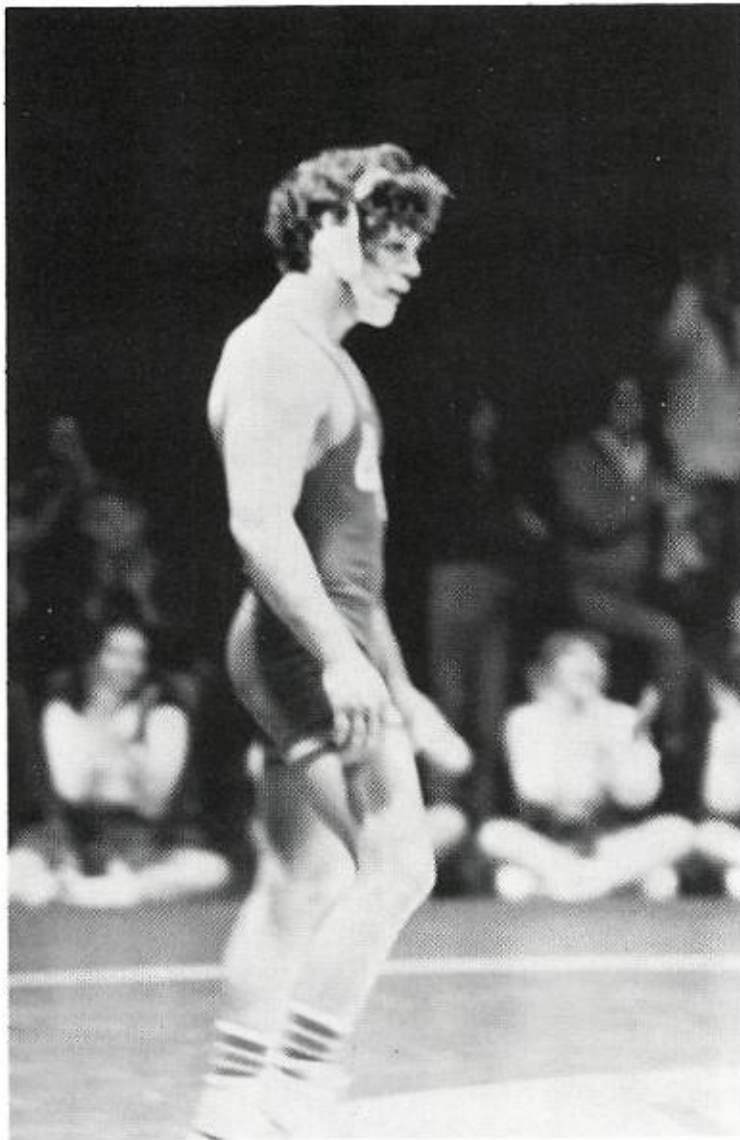

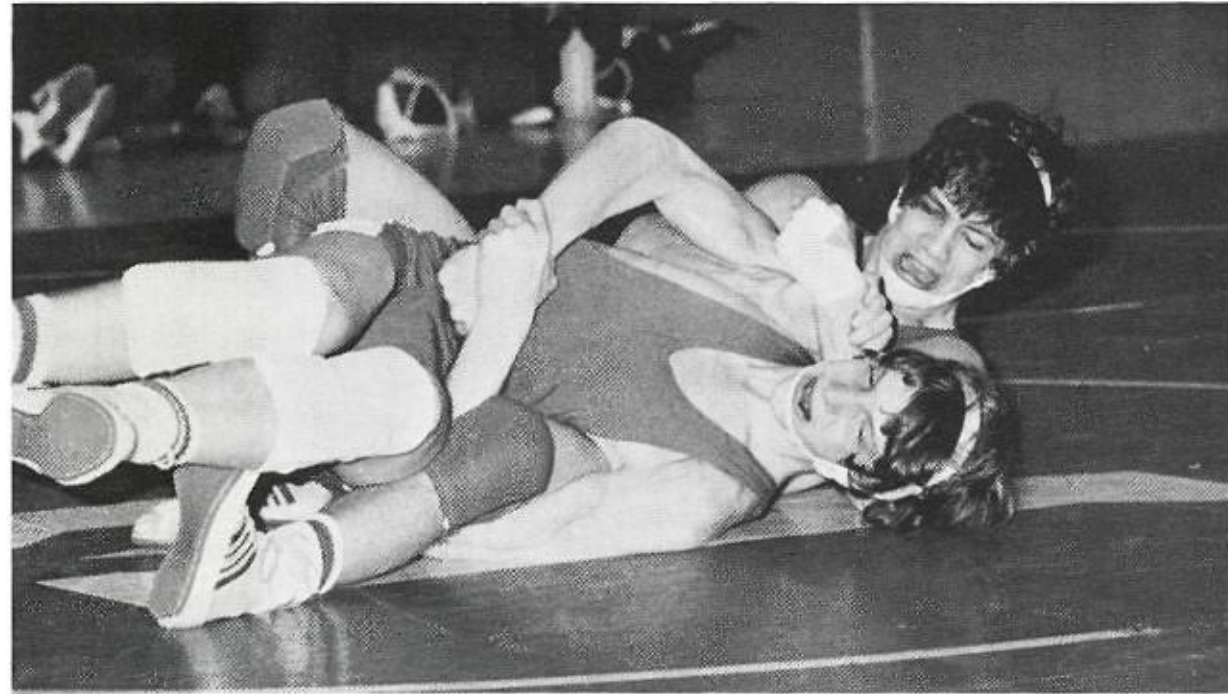

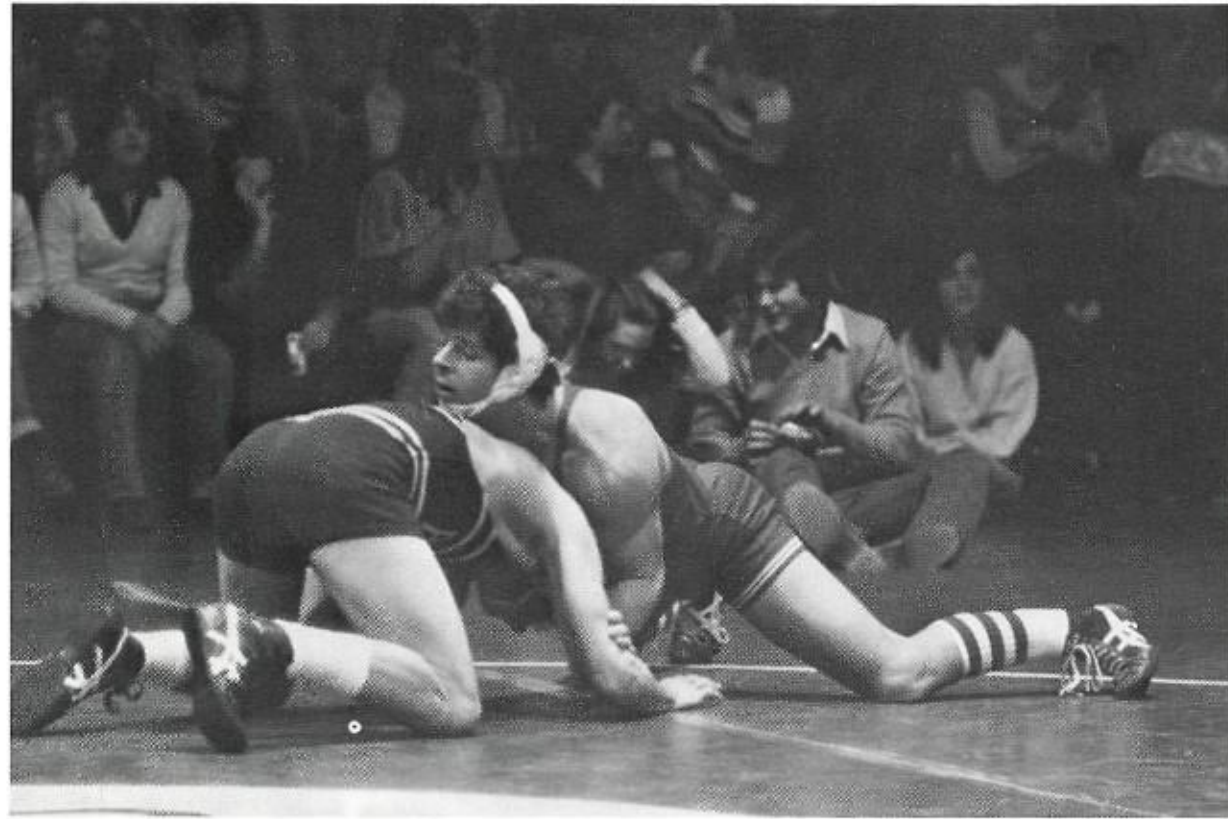

That amiable giant, Ivan Turczak (upper left) with another death defying hold. "Well, excuse me" is the expression on sophomore Paul Whitman's face (upper right) as the ref tries to get a better look at things. The "Dirty Dozen" (center left)—eleven look on while one does the job. The small, but potent, Todd Teryek (left). Fans expect great things from him. Steve Morrissey (above) gets points as his opponent winces at the pain of Steve's power.

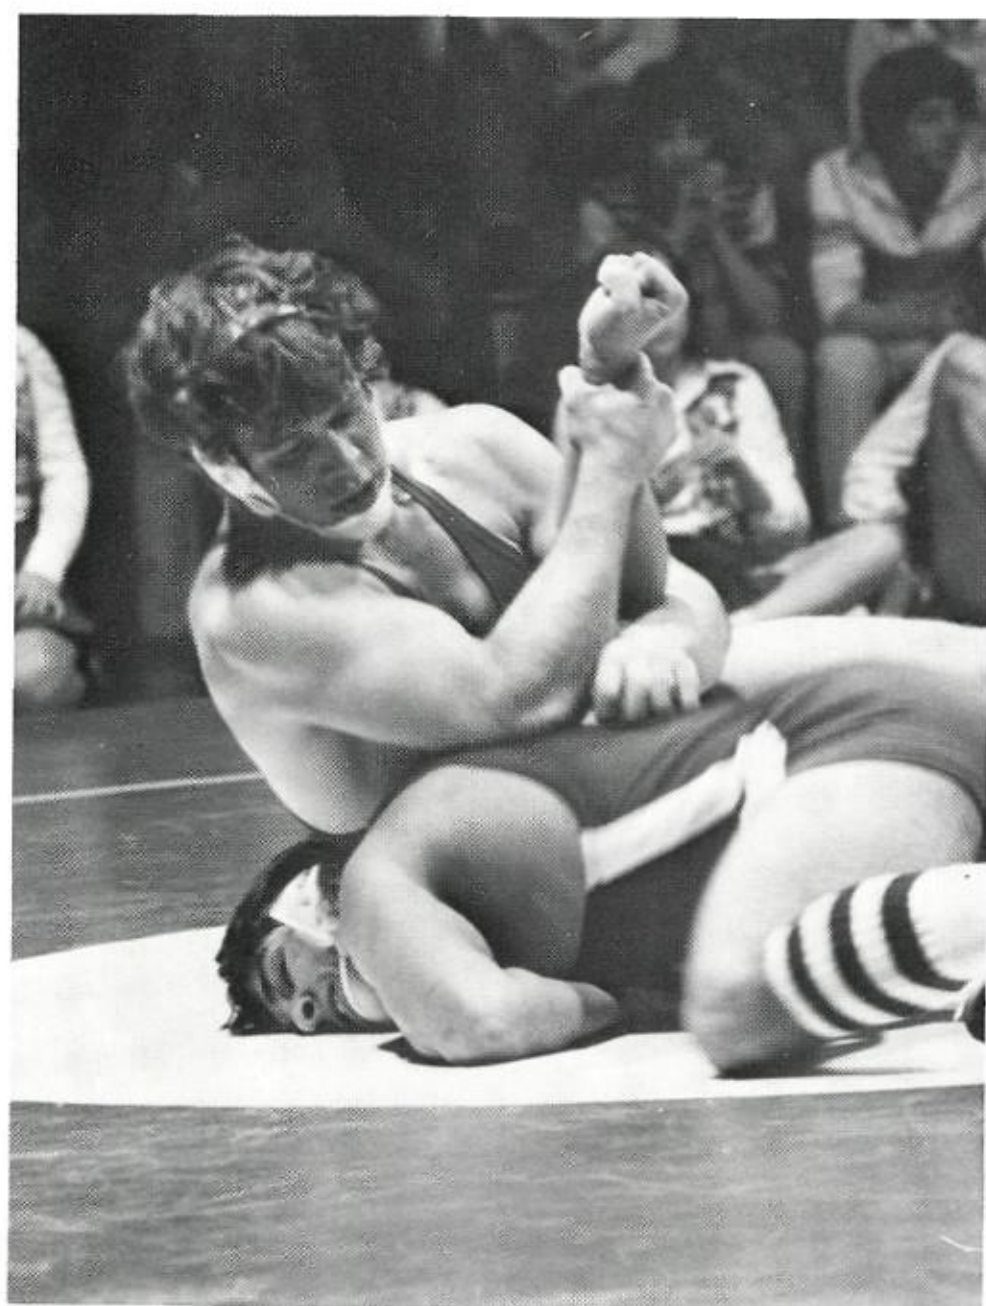

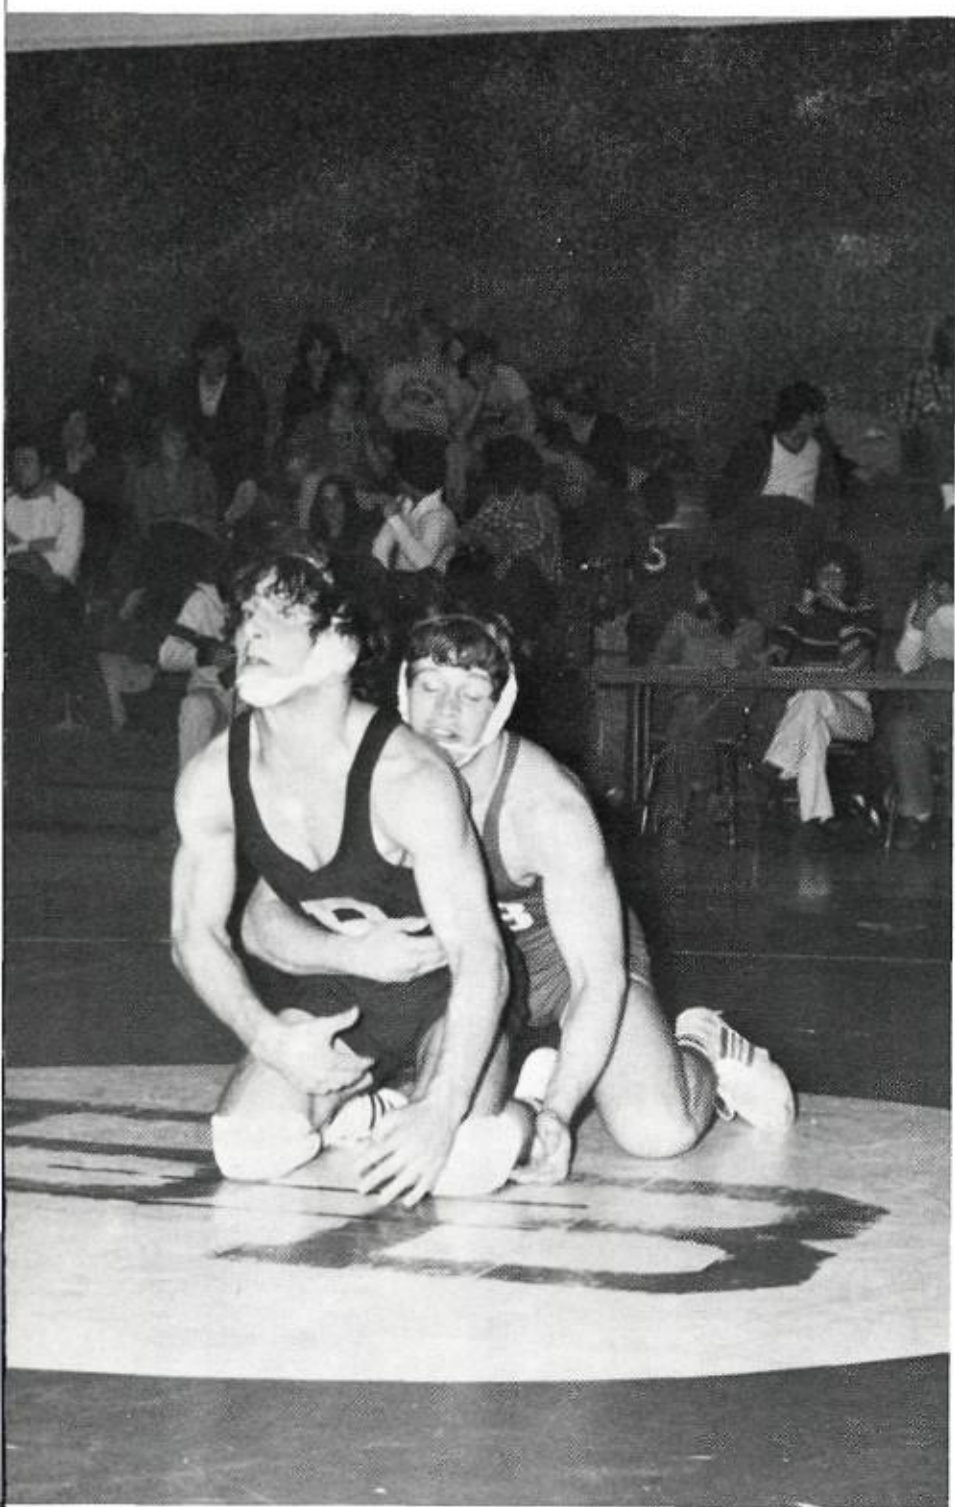

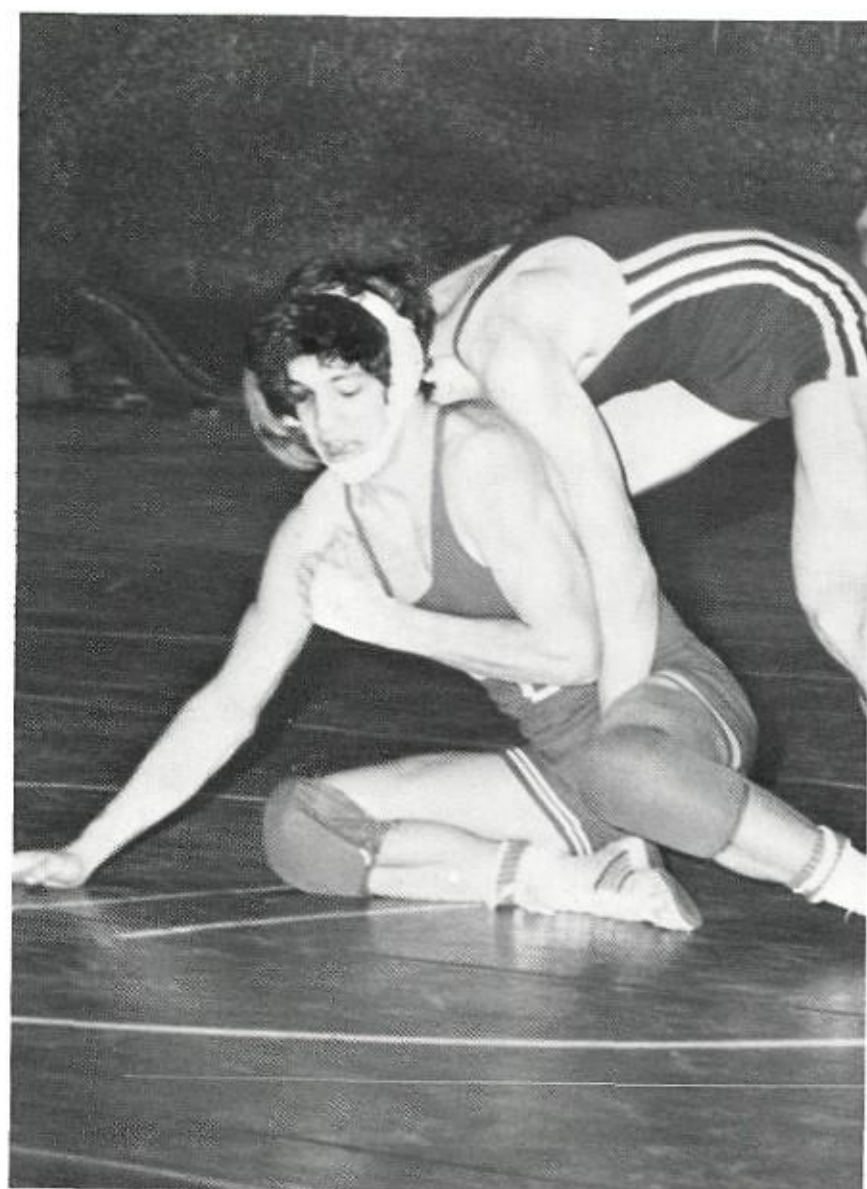

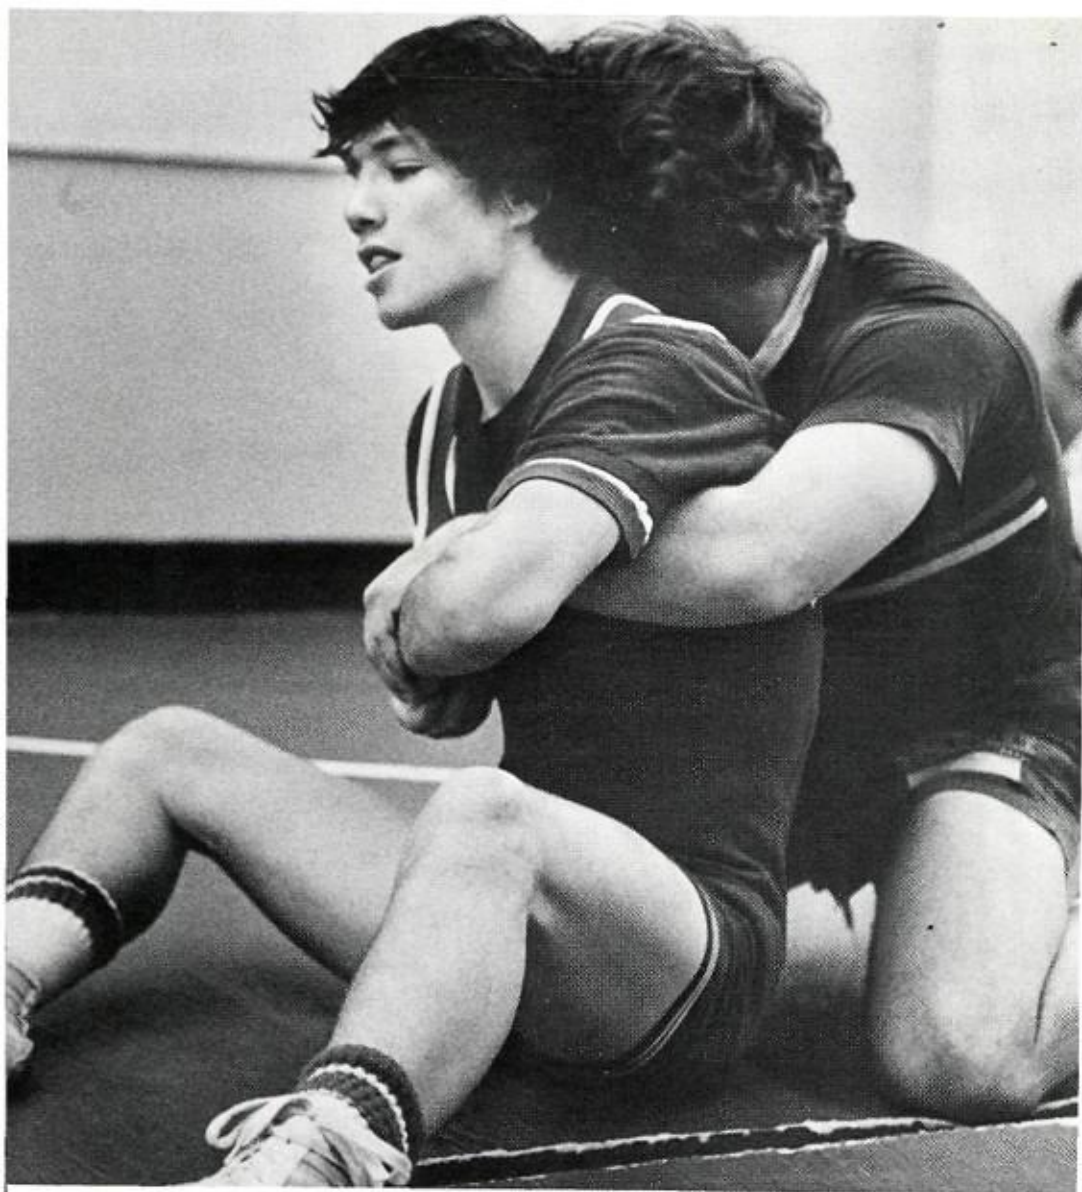

Those Four Super Seniors

Next year's team will certainly miss the impact of four graduating seniors. Four year veteran Jack Schrader has won the Districts twice, has taken a first in Region 5 this year and a second as a sophomore, won the County Tournament twice, and has a career record of 71-18-2. His contribution to the Bound Brook Wrestling Program has been tremendous. Senior Tom Trombadore has seen just two years of varsity wrestling; yet, his record includes first place finishes in the Districts, the County Tournament, Region 5, the Governor Livingston Tournament, and a fourth place finish in the N. J. State Tournament this year. His career total is 50-6-3. Both Jack and Tom were looked up to by all the other wrestlers. Both men personified leadership and determination.

Senior Dale Ford is another graduating wrestler who has seen a lot of varsity action. He's placed several times in the Districts and the County Tournaments. Dale's profound style of wrestling was rather hard to coach, but you could always count on him to give each match his best effort. His career record was 42-8-7. Senior Joe Skupen was still another gutsy wrestler who gave everything he had to the sport. Joe thought more of the team than he did for himself. He was willing to wrestle at any weight he was needed. When asked about those seniors, Coach Gramiccioni replied, "We're going to miss those powerhouses. They've all given a lot to the sport and I'm sure they'll be remembered for a long time."

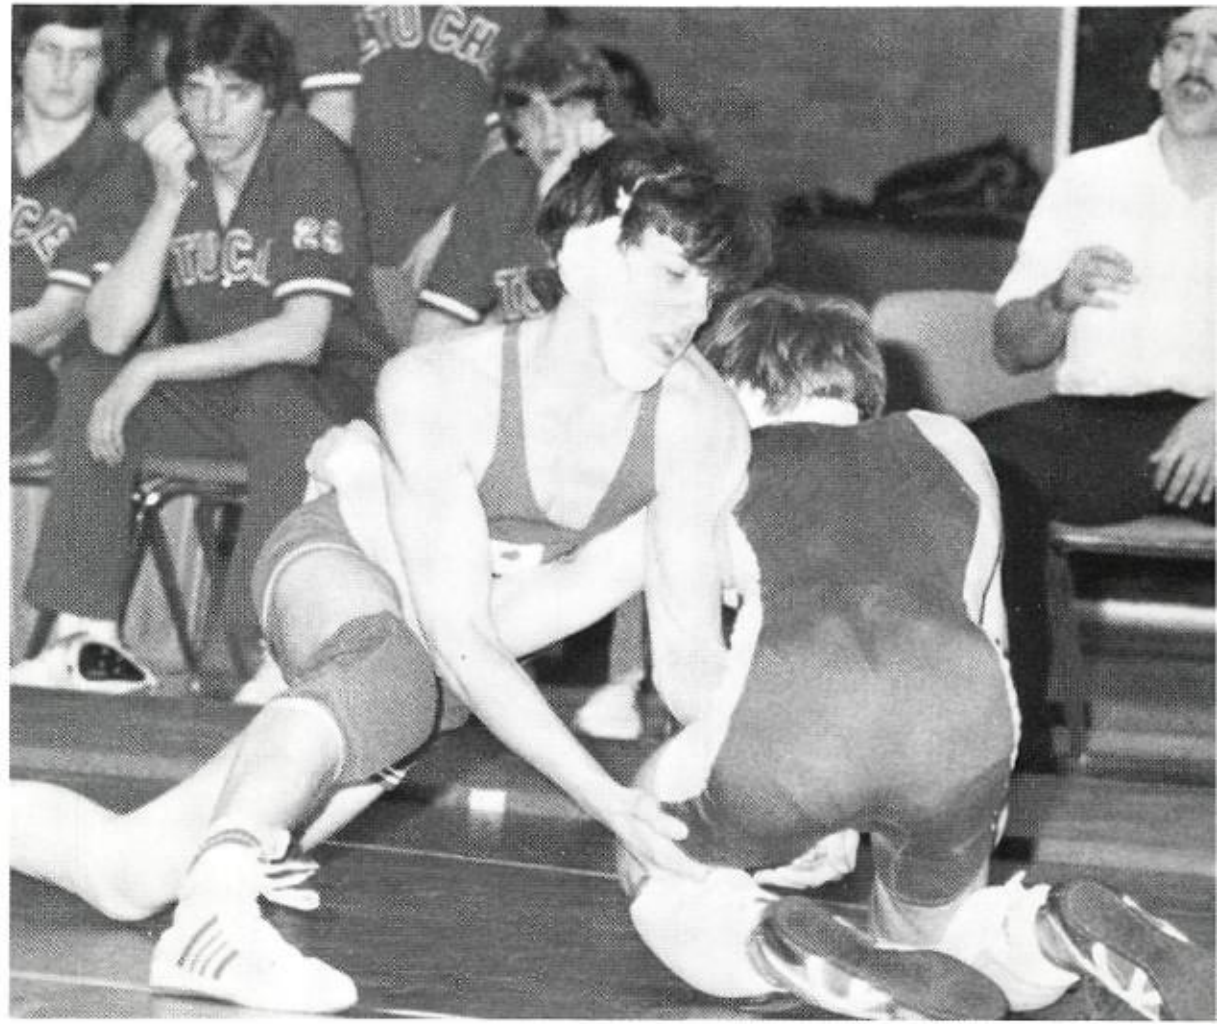

Senior Dale Ford's strength is apparent (upper right) as he plants another pretty face into the mat. Tom Trombadore (center right) rips another opponent. Joe Skupen (right) prepares to mash another foe, which he did. "Well bring 'em out here," seems to be the expression on Jack Schrader's face (above).

Tom Trombadore and Jack Schrader (upper left) prepare for the big day in practice. Tom Trombadore (upper right) sets up an old, but reliable, move—the sit-out. Who says it doesn't work; Tom finished the season at 27-2. Jack Schrader (left) gets set to break down another foe. Schrader (above) rips another unfortunate wrestler. Jack finished the season at 25-2.

JV's Have a Good Season

The B. B. H. S. JV Wrestling Team had a successful season. Coach Bauer believed that the wrestlers were actually better than their commendable 8-5 record indicated. The fact that four weights had to be forfeited in the big meets accounted for the difference. Standout performances came from Ken Reese, Rich Eustace, Rob Kincel, Glen Teryek, and Bob Mignella. All of them expect to see a lot of varsity action next year.

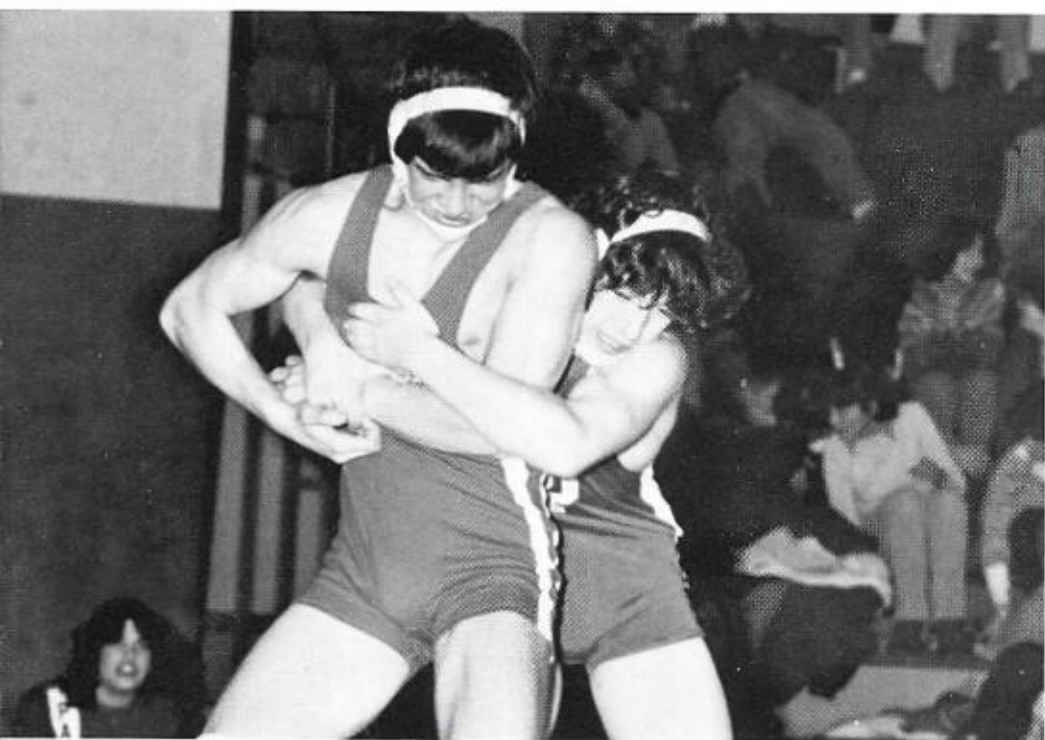

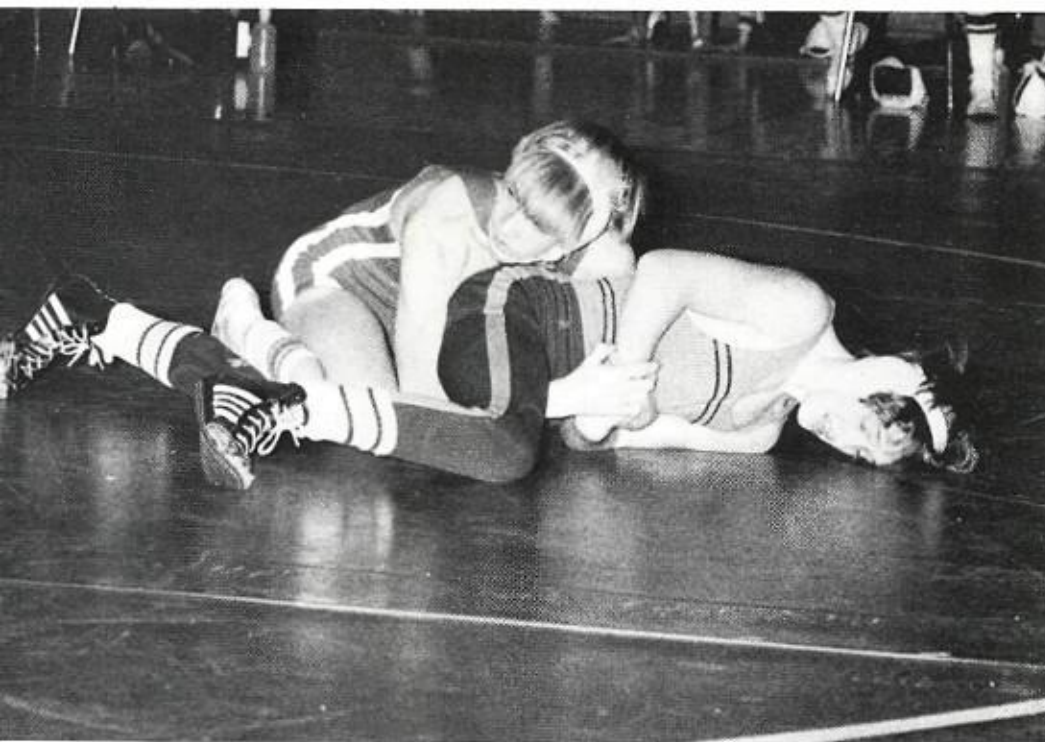

Robert Kincel (above), who saw some varsity action, is a promising contender for a lightweight spot on next year's varsity.

Ken Reese (upper left) sets out to turn a man for points. This promising freshman looks very tough. Glen Teryek (left) prepares to escape from the grasp of an opponent. He expects to see much varsity action next year. JV Coach Bauer (above) looks on with assurance.

The Junior High Team—(standing, left to right) Barry Carasoni, Fran Maggio, Vince D'Alessandro, Bob Ulmer, Tim Smith, Brian Hewitt, Coach Keanya; (kneeling, left to right) Al Langbis, Paul Lyne, John Friedman, Matt Trombadore, Tom Kim, Marty Gleason, Sal Sinibaldi.

Returning Players Spark Baseball Team

When asked about the prospects of the '79 Baseball Team, Coach Martin said, "Only time will tell." Yet one got the feeling that he was really looking forward to the season. For one thing, an experienced pitching staff was returning: Bruce Locke, Bob Resuta, Len Mikula, Ken Barna, and Greg DePaolo. Some big hitters are also returning as in the case of Brian Sudano, Pg Steinhauser, Ron Ambrose, and Perry Sacca. Coach Martin also explained that John Maggio and Anthony Pezzella should be seeing a lot of action, and Bob Mackey, after a year's layoff, may be returning to play. All in all, the team shapes up as having great speed, thus, they should be running a lot. At the very least, the team will be exciting to watch.

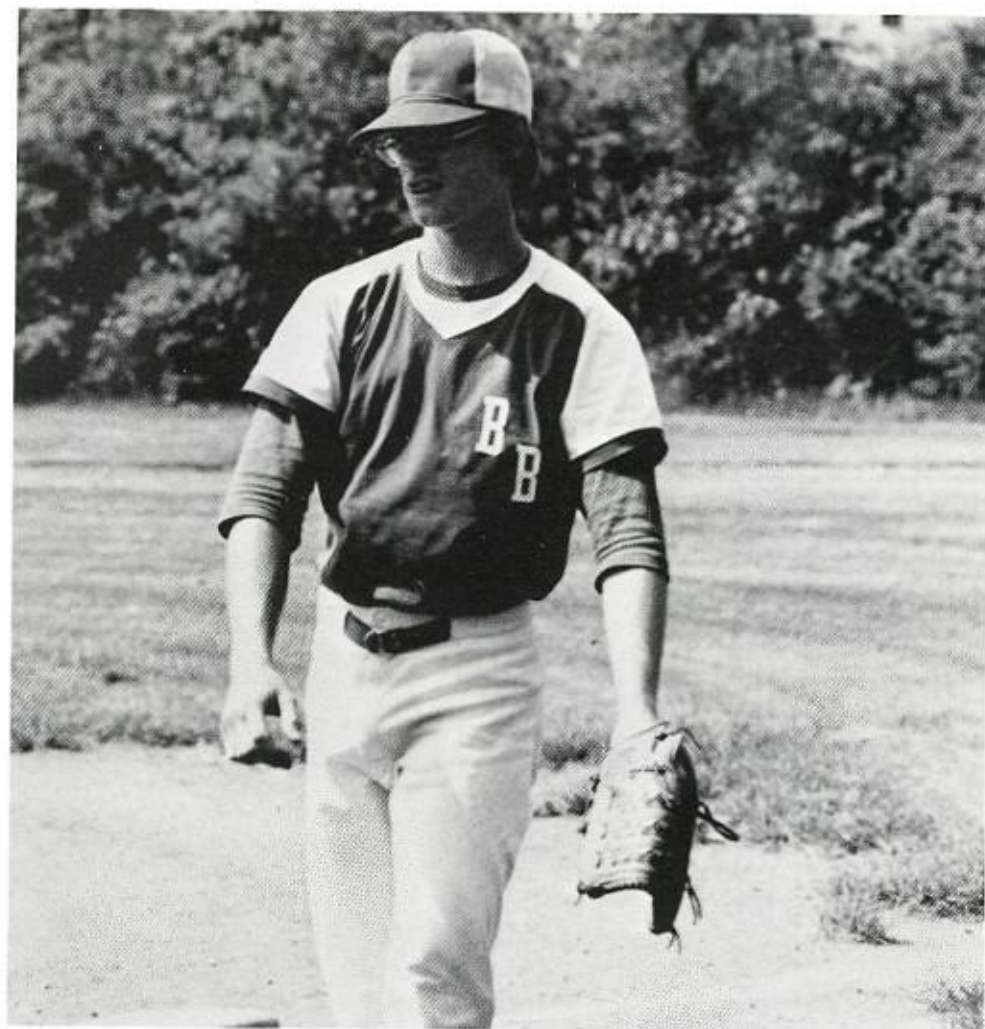

Coach Martin was quick to point out that 1978 graduation did cause some losses. The graduation of Gerard Ortepio and Steve Donovan leaves the corners open, while Dom Longo's graduation opens up the catching position where Joe Vischetti is a leading candidate. The 1978 season record was 11-10-1; although Coach Martin didn't say it, 1979 should be better.

The 1978 Baseball Team—(front row, left to right) P. Sacca, Coach Martin, B. Resuta, L. Mikula, Steinhauser, J. Maggio, J. Lore, D. Longo, G. DePaolo, K. Barna; (second row, left to right) Ambrose, S. Donovan, R. Kingsland, G. Ortepio, R. Sands, V. Yadvish, B. Sudano, A. Novak, Locke, J. Ruggeri.

Two of the returning pitchers are Len Mikula (upper left) and Bruce Locke (upper right). Hitting in 1979 should be provided by Brian Sudano (above) and Ron Ambrose and Perry Sacca (right).

Coach Martin (left) hopes that last year's play will help the performances of Pg Steinhauser (upper left), Bob Resuta (upper right), John Maggio (center left), Greg DePaolo (center right), and Ken Barna (above).

This Could Be the Year for Softball

Coach Yuzuik predicts that the '79 Softball Team will be every bit as good as last year's 14-6 team. One of the main reasons for this bright outlook is the return of MaryAnn Tarantino who batted .709 last year and made All-State. Another hot hitter, Nancy Grabener (.408) will also be back for her senior year. Two returning pitchers, junior Tracey Stewart and sophomore Donna Orlando, help the squad out in that department. Another outstanding defensive player, junior Trish Miranda, will also be back for another season.

After placing second in the conference last year, Coach Yuzuik is hoping that this may be the year to win it all. Coach Yuzuik also mentioned the strong JV Squad which should be a factor throughout the season.

MaryAnn Tarantino (upper right) warms up her arm. Tracey Stewart (upper left) makes the throw to first base, and later (above) shows the swing that earned her a .355 batting average. The leading hitter MaryAnn Tarantino (left), waits for her pitch.

he 1978 Softball Team—(first row, left to right) Debbie Moore, Donna Orlando, Chris April, Coach Yuzuik; (second row, left to right) Barbara Klouser, Tracey Stewart, MaryAnn Tarantino, Trish Miranda, Nancy Barna; (third row, left to right) Debbie Brokaw, Ginny Morano, Amy Kohut, Nancy Graebener.

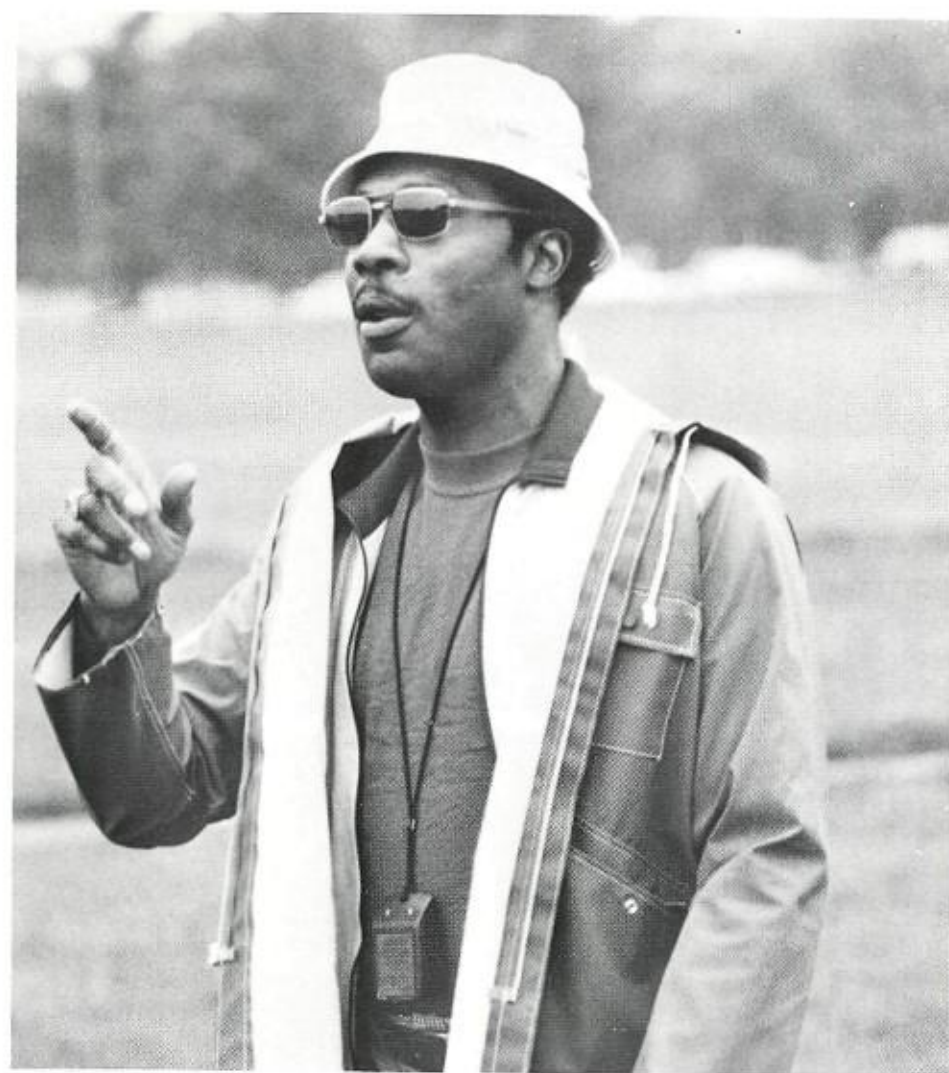

Nancy Graebener (left), whose .408 batting average was second on the team, takes a cut. Donna Orlando (above), who had a 6-1 record last year should see a lot of action in '79.

Track Records May Be Broken

The prospects of another winning season seem assured for 1979; perhaps last year's 8.4 record may even be improved. Much of this optimism rests with veteran letter winners like Stephen Lee (880 and 440), Mark Wooden (long jump, dashes, 440, and relay), Ken Lewis (long jump, high jump, and hurdles), Dan Kopf (two mile), Tom Trombadore (two mile), Bruce Enalls (long jump, hurdles, and relay), and Rich Schindelar (pole vault). Coach Holiday is also looking for some help from last year's freshman squad. About the only area that could use help is in the weights, but Coach Steffner is bound to find some athletes to fill the gaps.

Mark Wooden (upper right) shows his enthusiasm as he crosses the finish line. Hurdling techniques are shown by Bruce Enalls (upper left) and Ken Lewis (above). Tom Trombadore and Dan Kopf (right) are usually one-two finishers in the two mile race.

Stephen Lee (upper left) may break his own record in the 880. Coach Holiday (upper right) surveys his team and likes what he sees. Rich Schindelar (above) flies through the air via a pole, while Bruce Enalls (left) flies without one.

Girls' Track Shaping Up

Coach Bauer feels that the '79 Girls' Track Team should reach at least a .500 record. His two biggest point getters will be Tammy Violka (100, discus, shotput, and relay) and Beth Ryan (hurdles, javelin, long jump, and 220). The longer races, such as the 880, the mile, and the two mile, should be handled by MaryAnn Trombadore, Lisa Stewart, and Theresa Howell. Maria Rodriguez should also do well by contributing points in the 100, 440, and relay. Other girls who should be awarded points will be Patty Holub (springs), Cathy Schuyler (hurdles and 880), and Diane Gaglia (weights).

Beanie DeRosa (upper right) gives the shotput a shot, while Lynda Paduch (upper left) works on the discus. Working to build endurance and speed are Cathy Schuyler (center) and Bernadette Ulmer (center right). Tammy Violka (above) throws the discus, while Beth Ryan (right) practices her hurdling technique.

Golf and Tennis: Too Close to Call

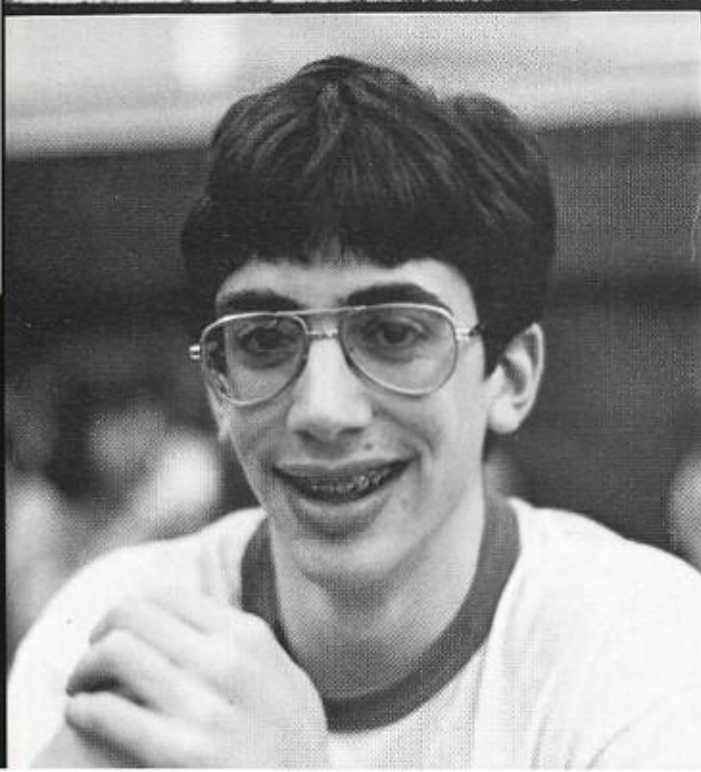

Both the Golf and Tennis teams are somewhat unpredictable at this time. Both teams have lost outstanding players. The Tennis team, however, seems to be in the better shape. Jack Eustace and Carmine Pirone are returning and both will be fighting for the number one position. Carl Franzetti and Tom Smith are also returning. Coach Augus is optimistic. Based on early spring practices, the team looks as if it should win its share of matches.

Golf, on the other hand, faces a season of rebuilding. New coach, Jack Eutsler who has not coached golf for years, will be returning to the helm. The only golfer returning from last year's squad will be John Fasanella. It could be a tough year, but Coach Eutsler is always full of surprises.

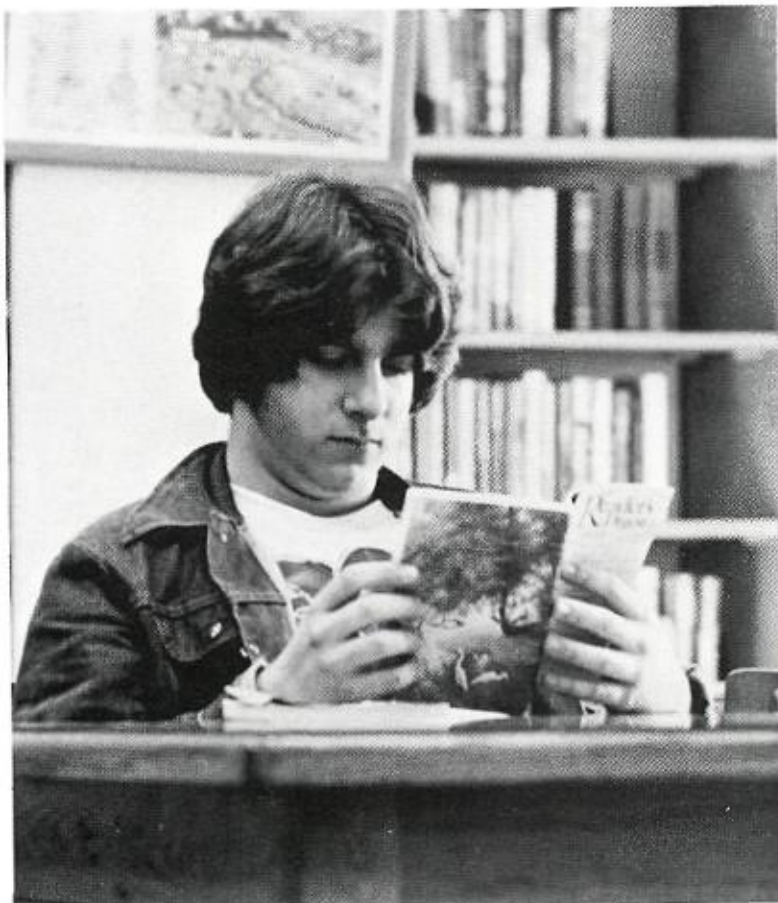

...ying for top spot on the Tennis Team will be Jack Eustace (upper left) and Carmine Pirone (above). Both players saw a lot of action in 1978.

Carl Franzetti (center right) and Tom Smith (above) are two more returning veterans to the Tennis Team. John Fasanella (upper right) is the sole survivor of last year's Golf Team which saw its top three players graduate.

Good morning yesterday;
You wake up and time has slipped away.

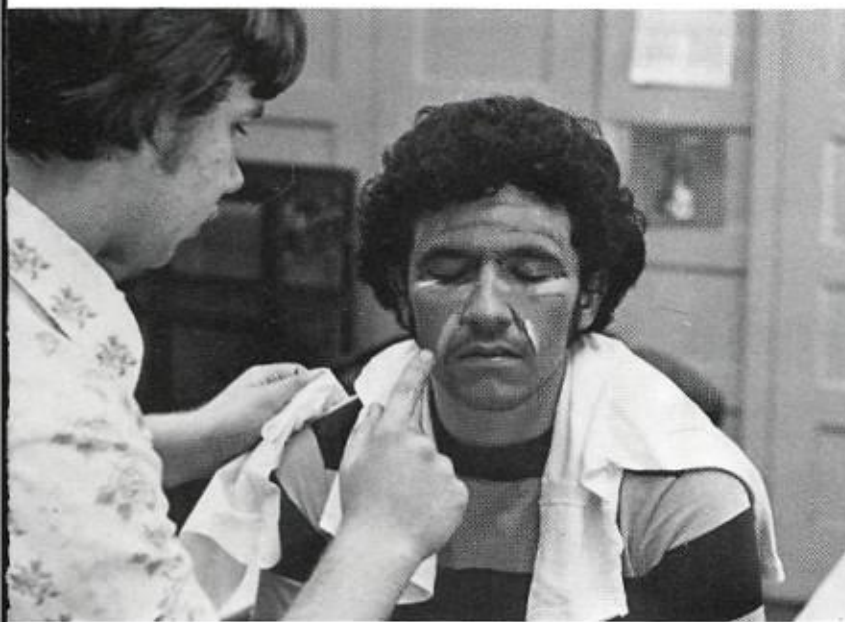

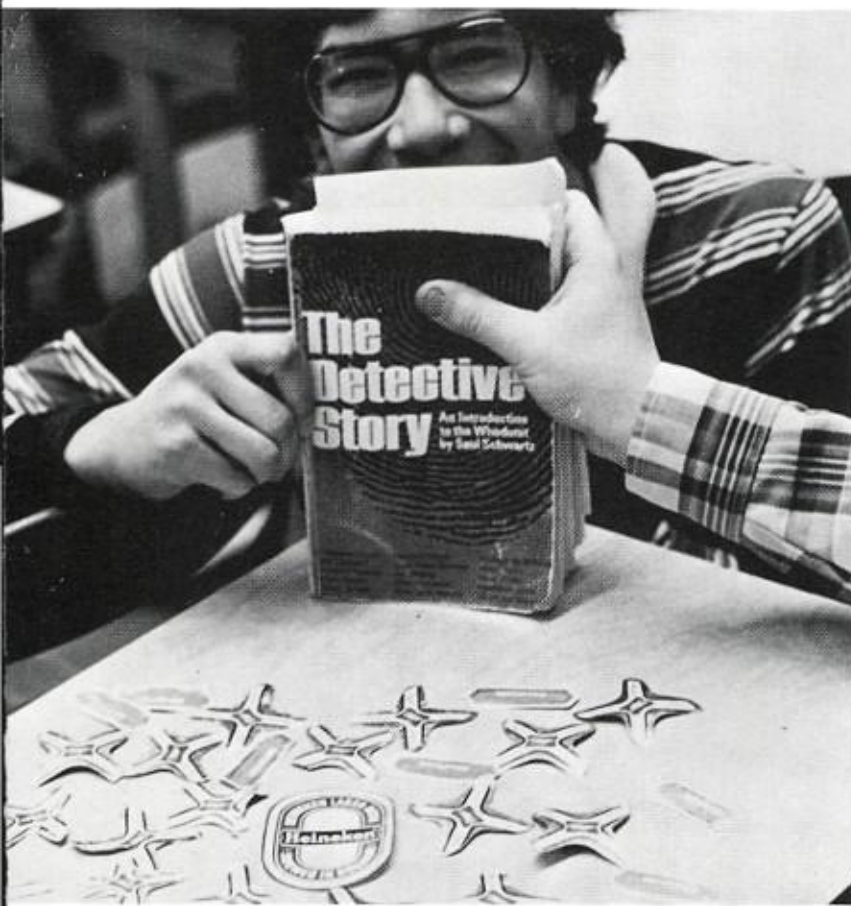

Suddenly, it's hard to find
the memories you left behind,
Remember.

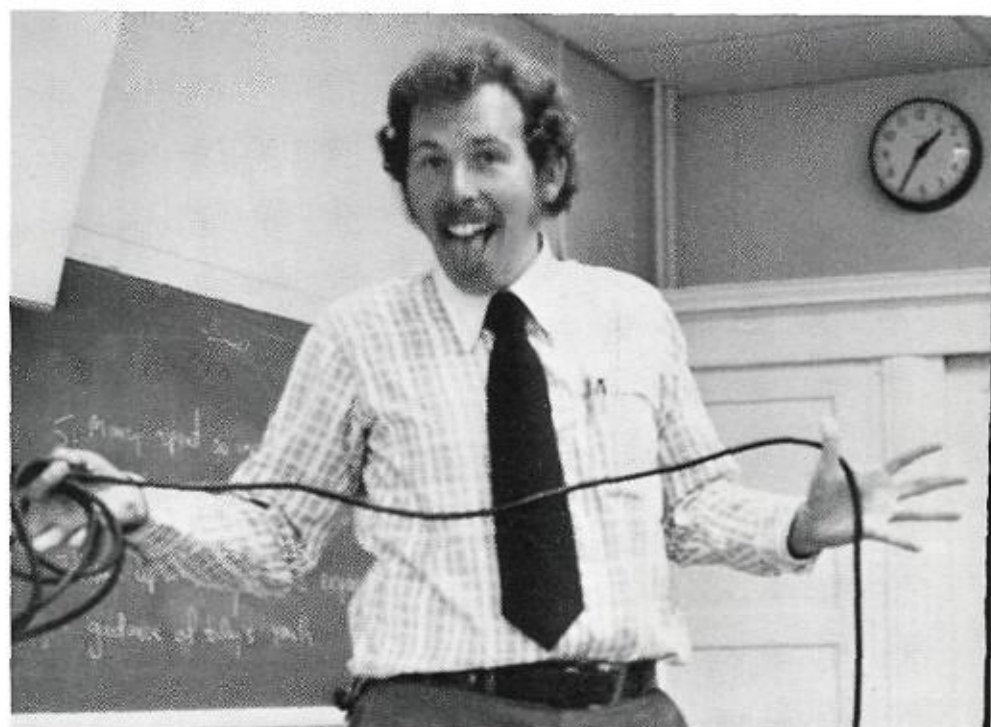

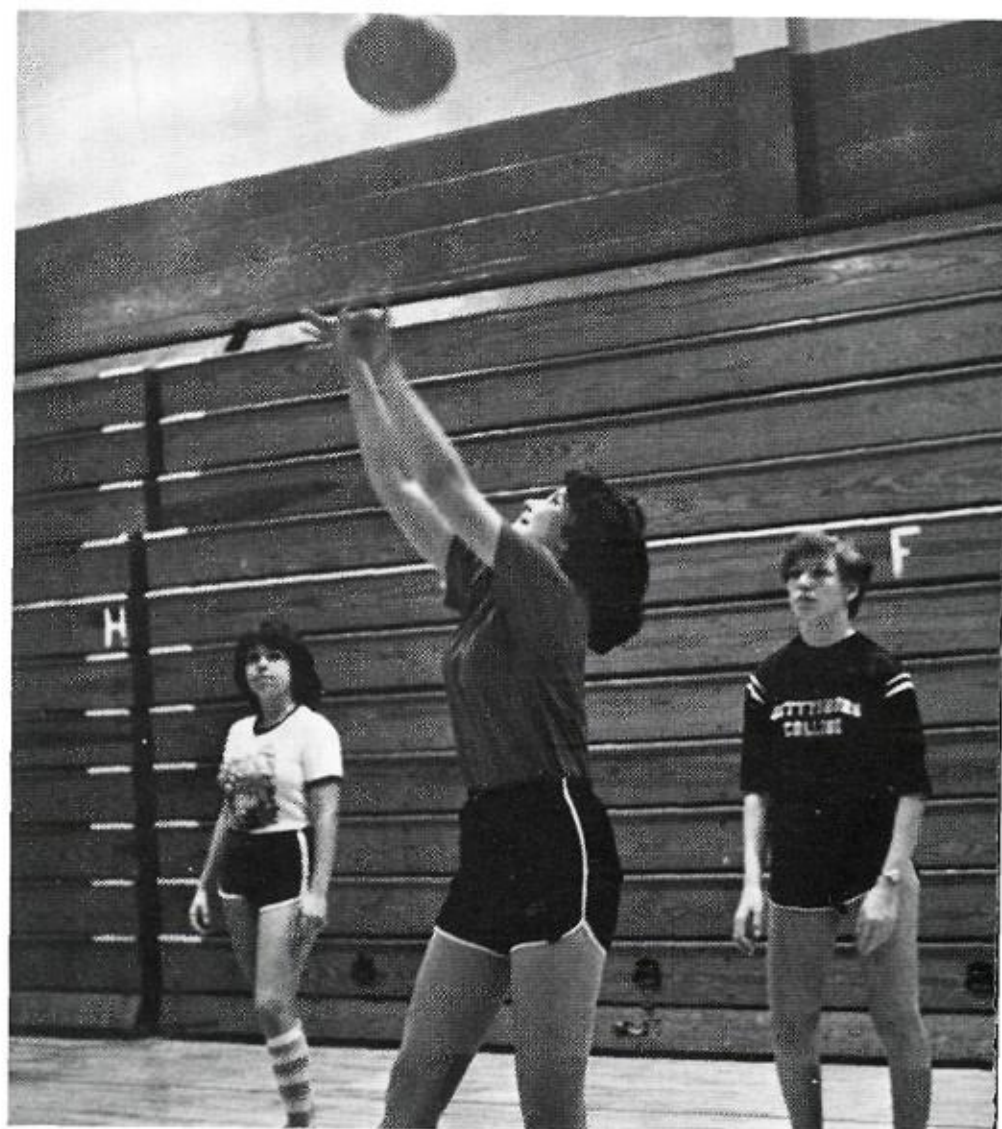

Do you remember the laughter and the tears?
The shadows of misty yesteryears?

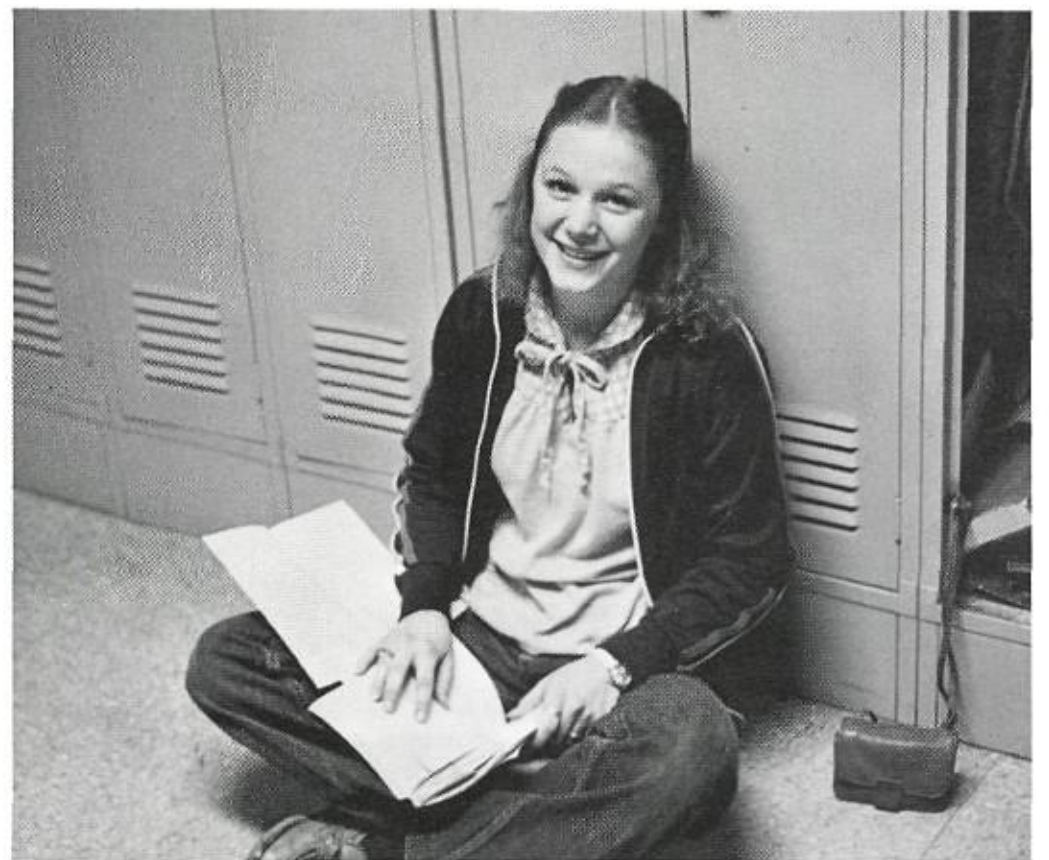

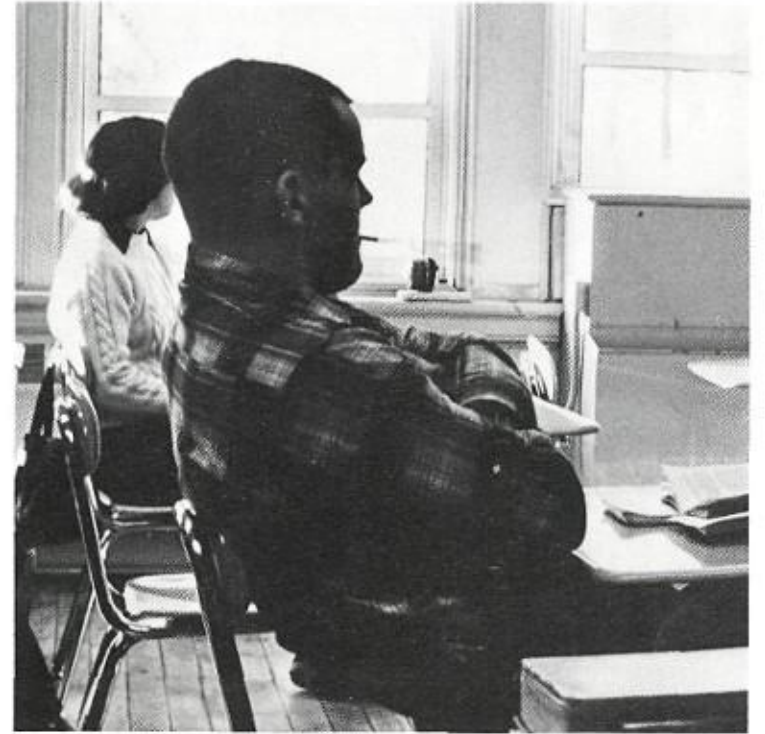

The good times and the bad you've seen,
And all the others in between, remember.

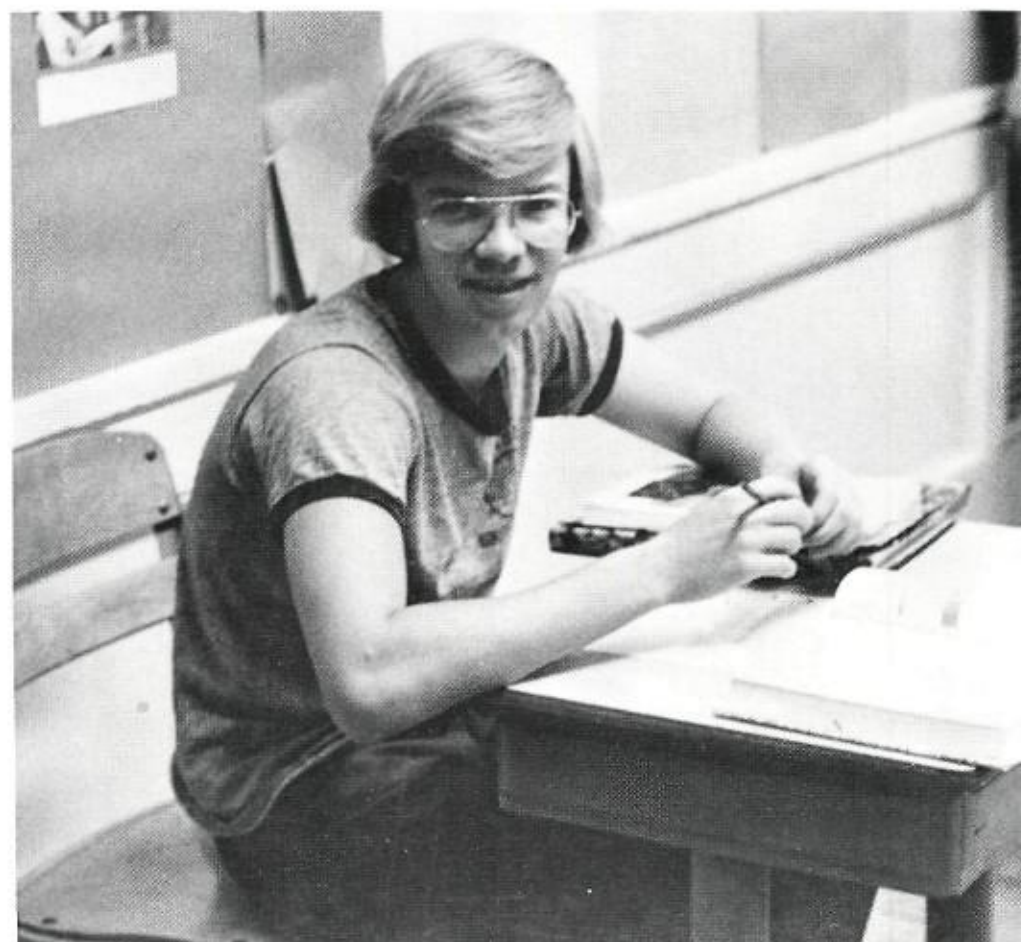

Do you remember
the times of your life?

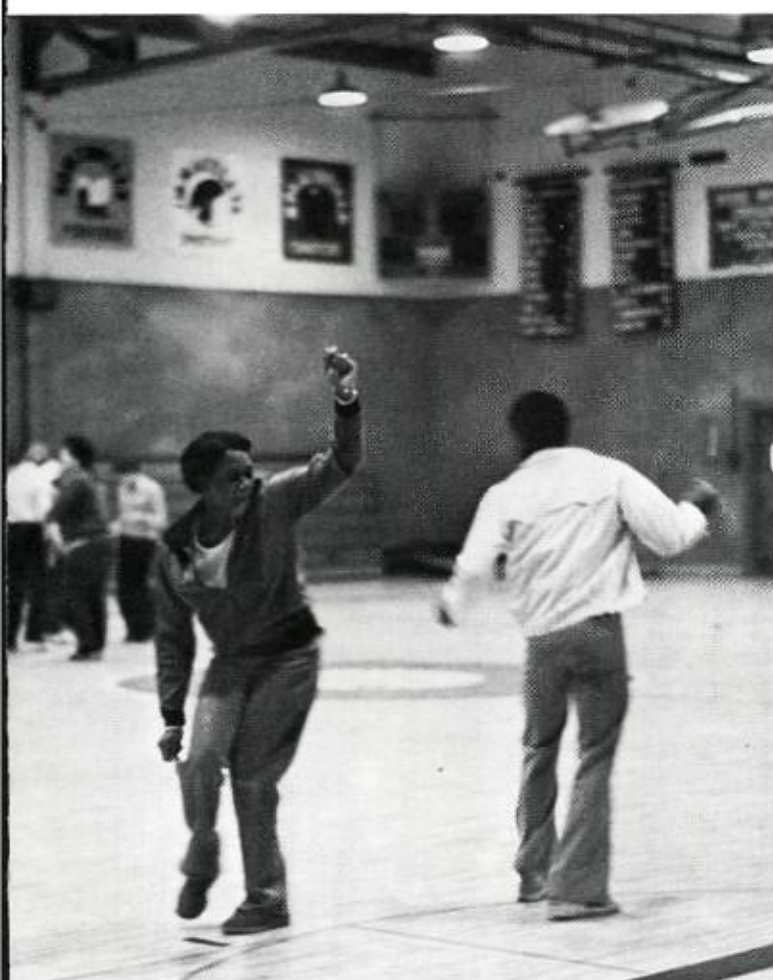

Reach back for the joy and the sorrow,
Put them away in your mind;

For mem'ries are time that you borrow

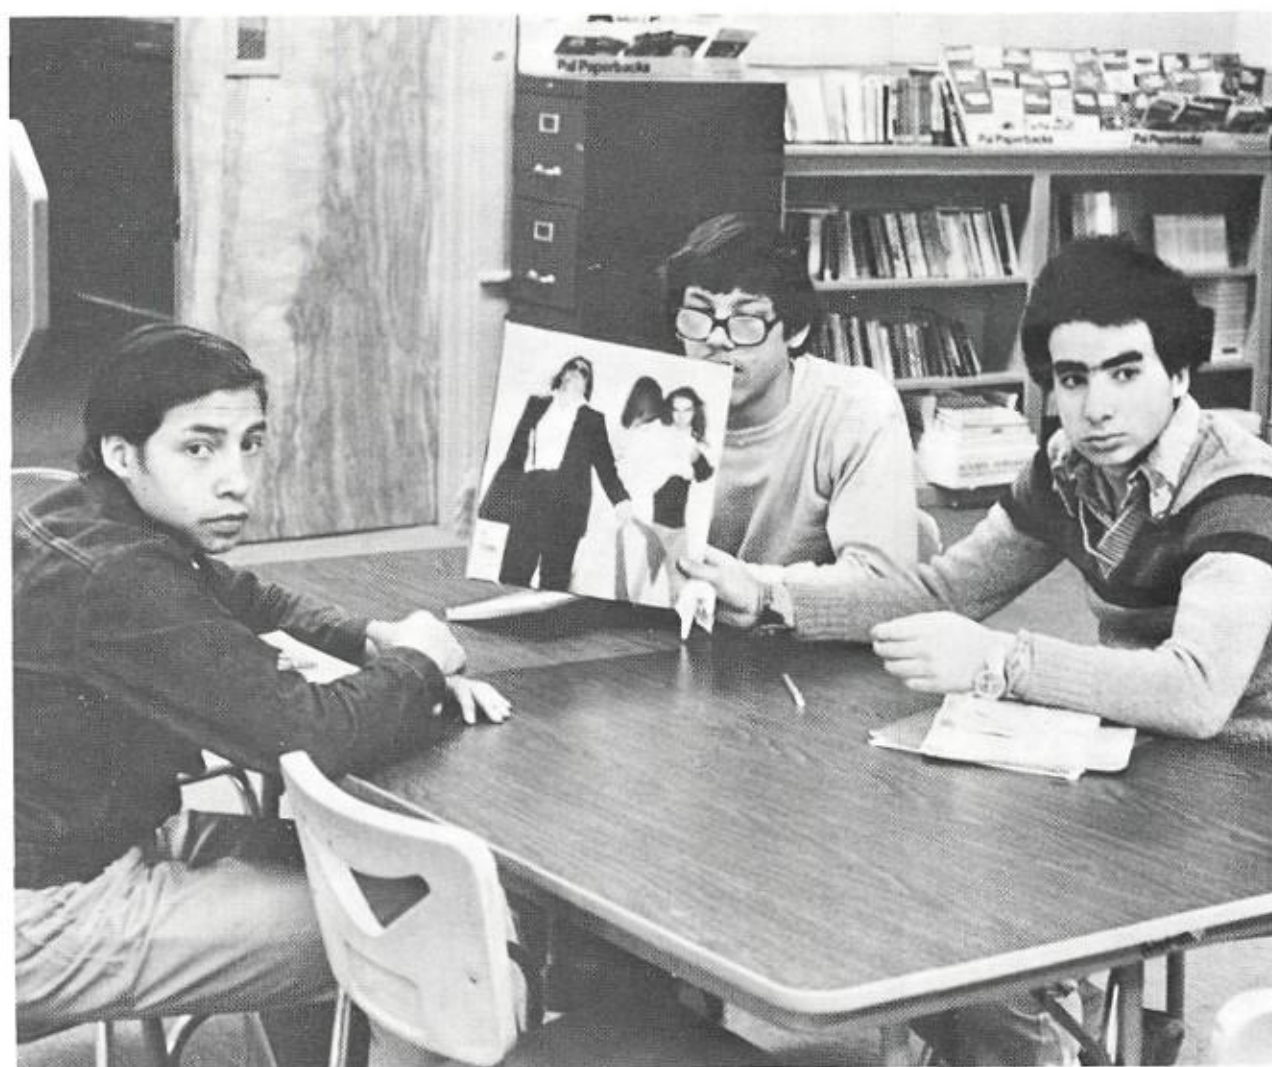

To spend when you get to tomorrow.

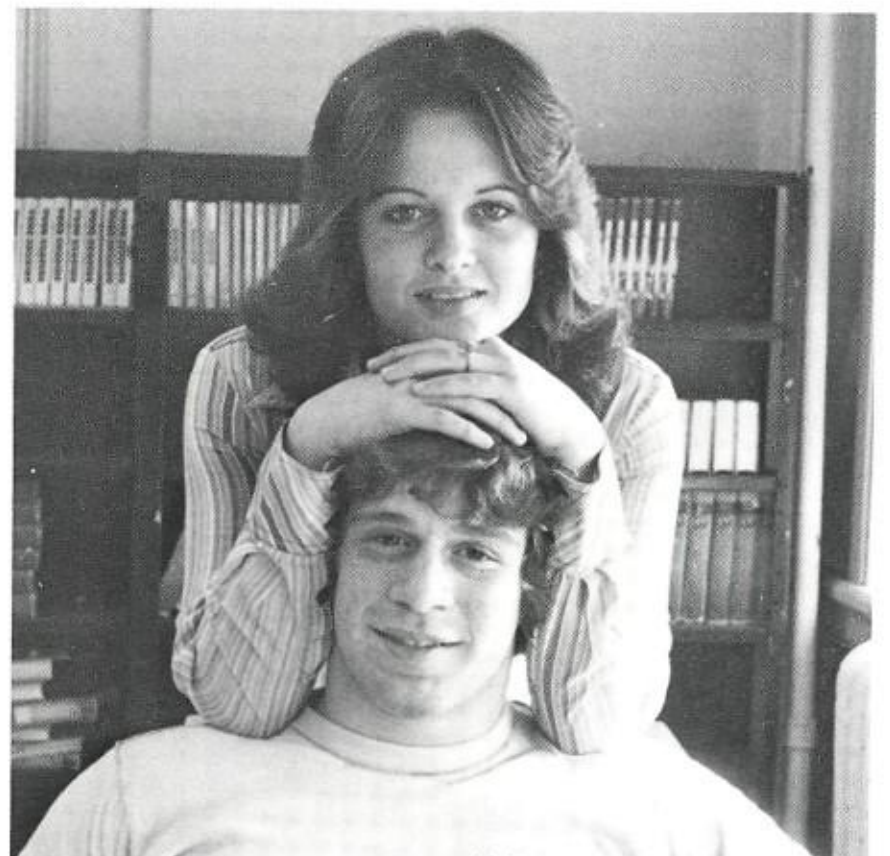

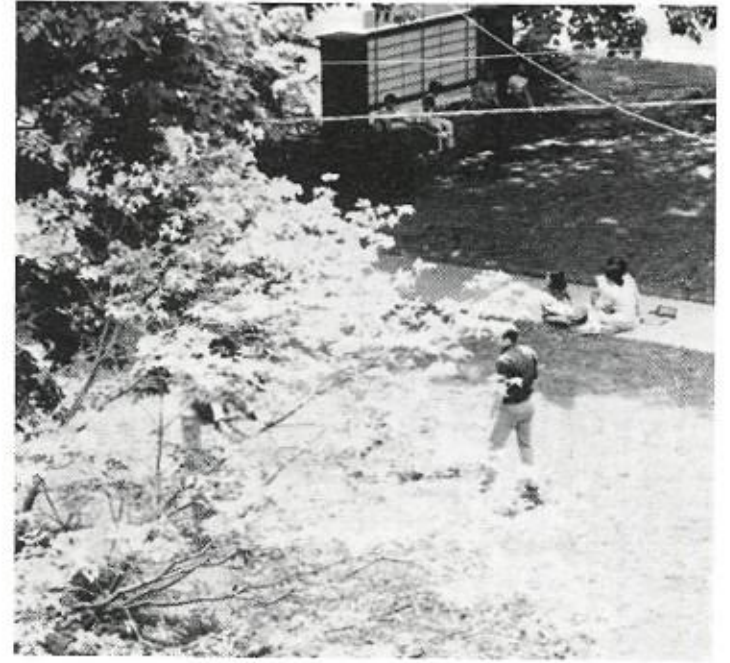

Here comes
the setting sun;

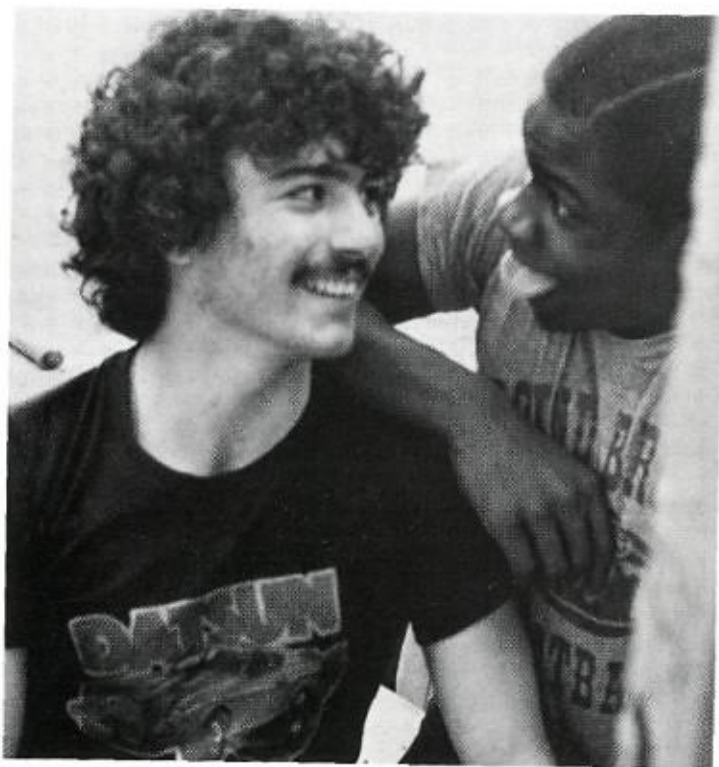

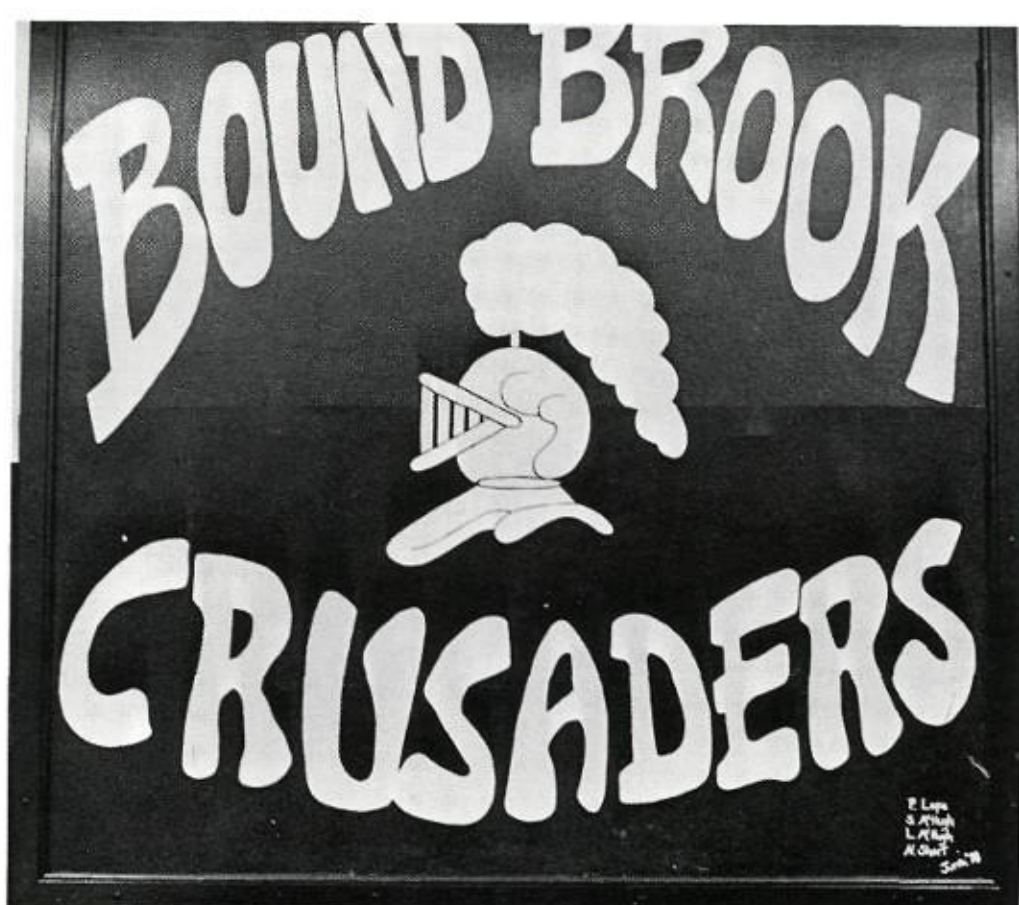

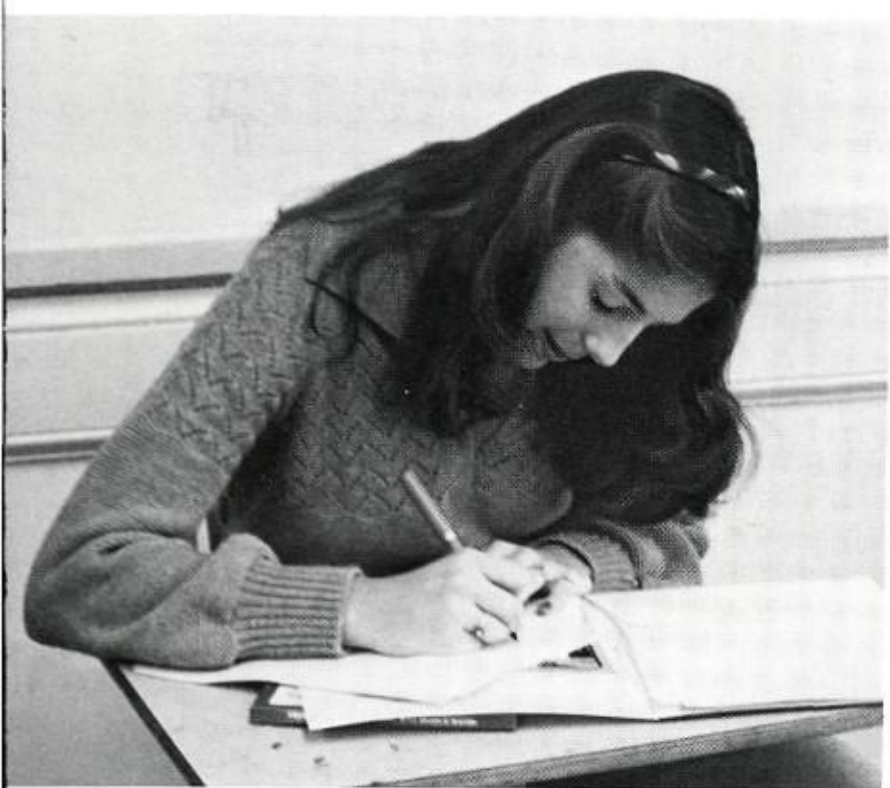

The seasons are
passing
one by one.

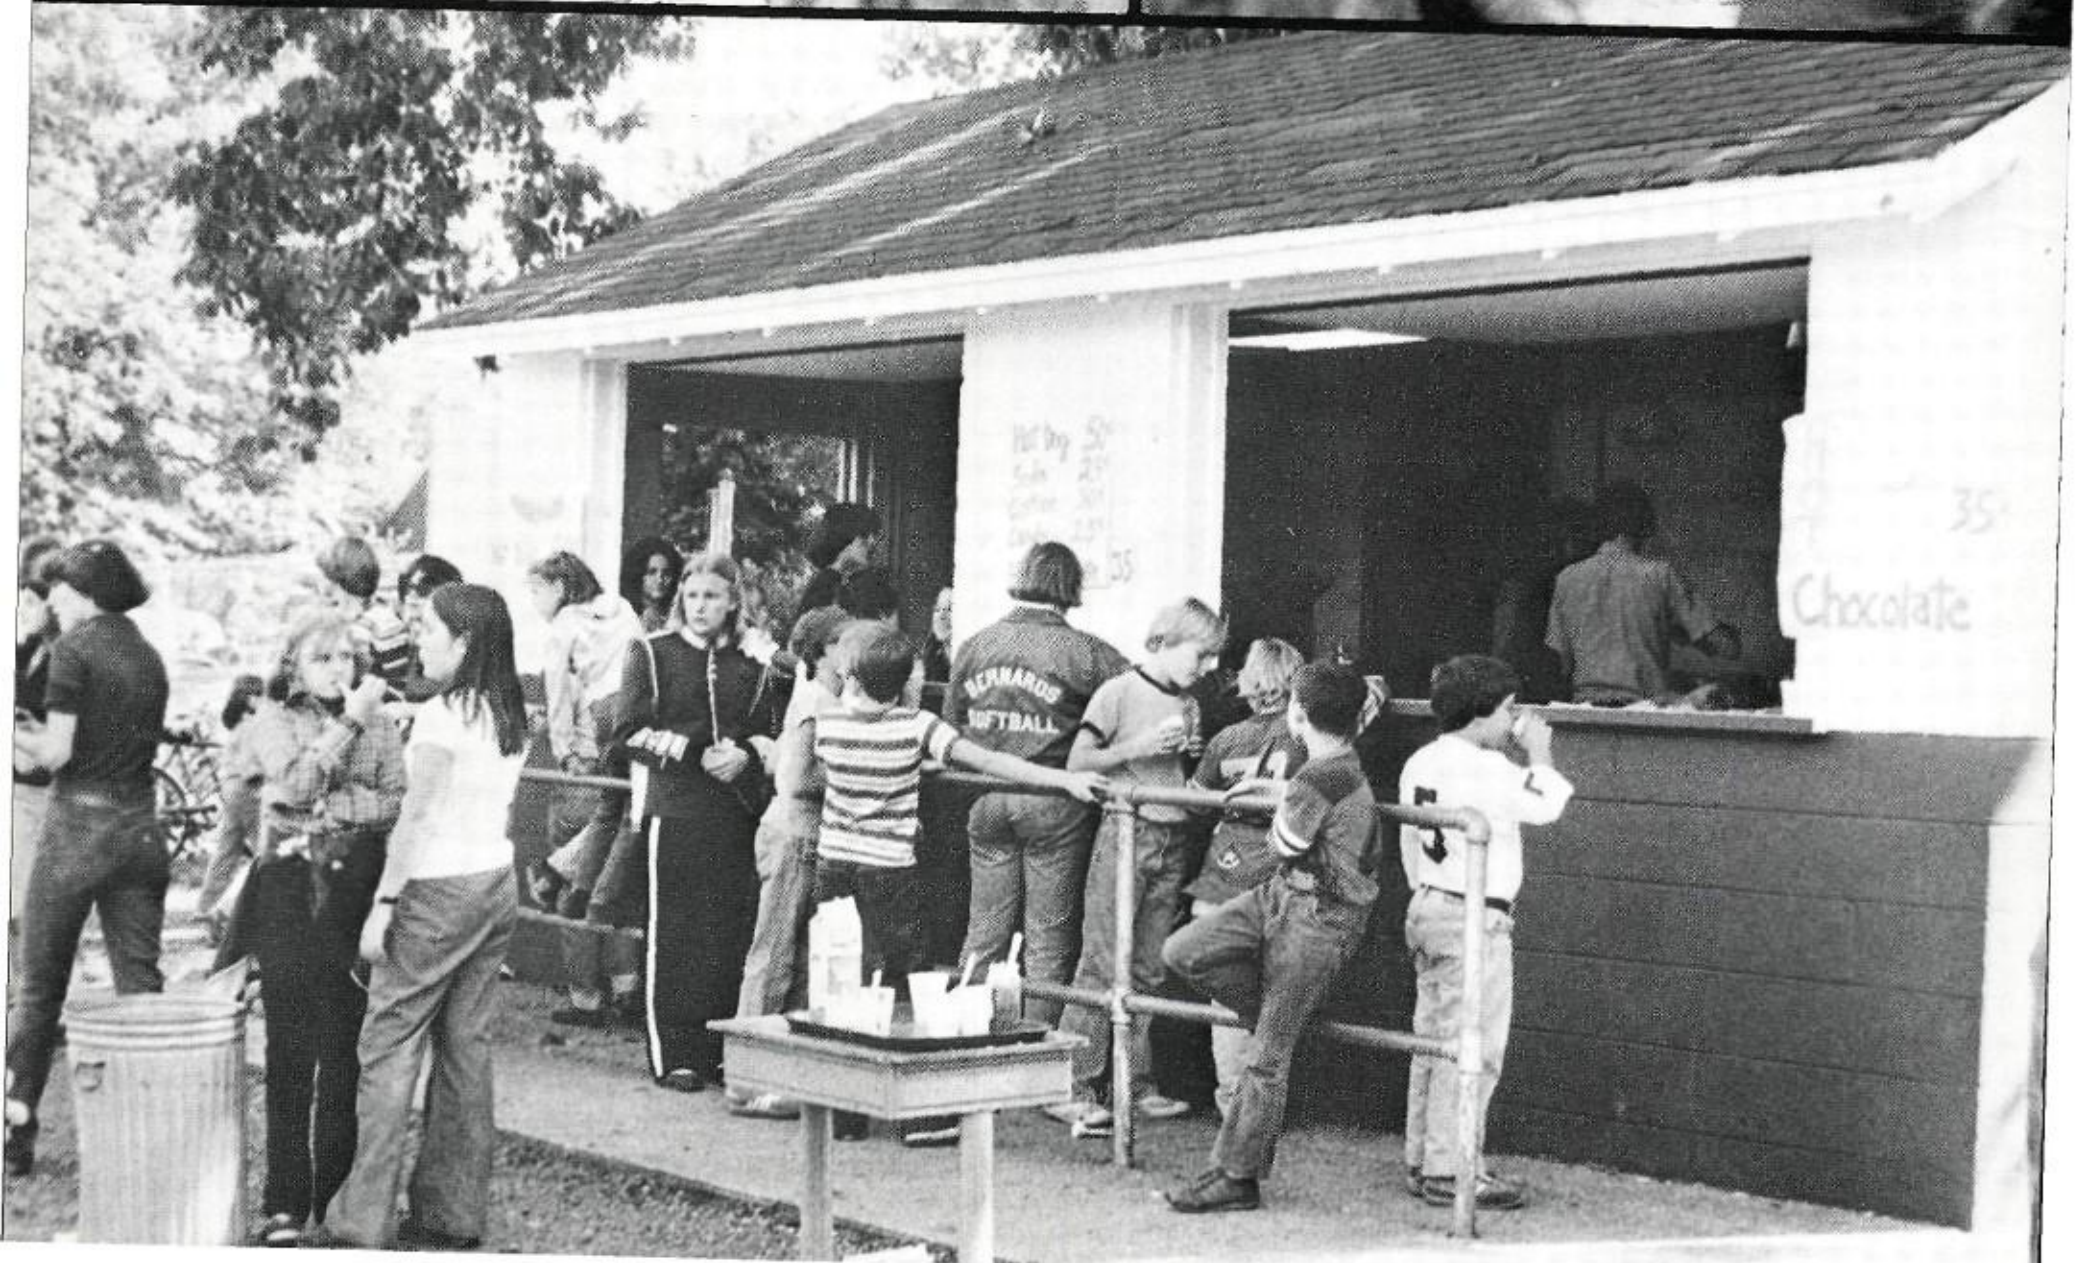

So, gather moments while you may;
Collect the dreams today, remember.

Will you remember the times of your life?

You're not a kid anymore.

**You're ready for us.
And we're ready for you.**

Graduation from High School is more than a diploma. It's the commencement of your adult life. And this means plans, commitments, responsibilities.

That's where we come in. To work with you on those financial plans, commitments, and responsibilities.

With the right Checking Account for your needs

With a thoughtfully worked out Loan for tuition
or other worthwhile purpose

With a Savings Plan to help make realities out of
your dreams

**Congratulations. Best wishes. We're proud to have you as a new
member of our community.**

Come in. Let's talk about your future.

A Few Last Reflections

Great achievements, great events, and great people are always recorded for the benefit of posterity. Even in a world as troubled as ours is today, the recording of a few, but happy years, must surely be of some value. If this copy brings, if only to one person, the knowledge that, in the midst of struggle and confusion, peace and contentment can be found through the carrying out of one's obligations with good friends, we shall feel that we have accomplished something worthwhile.

We dedicate this book, therefore, to all that B.B.H.S. means to us.

Before we leave, we extend our final thanks to our parents, teachers, schoolmates, and all whom we have come to know.

The Class of '79 leaves with this thought:

Long will my heart with your memory be filled,
 Like a vase in which roses have once been distilled,
 You may break, you may shatter the vase if you will—
 But the fragrance of roses will cling to it still.
